Congratulations to all of these students and thanks for being examples of good behavior in action!!

The February Dilly Bar classroom attendance award went to Mrs. Smith with a 96.34% attendance rate. Congratulations to all these students who are in attendance and ready to learn each day.

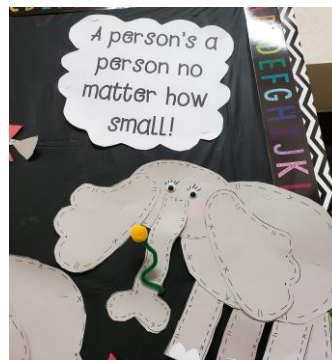

Kindness Counts winners for the month of March will be included in the April board report. They will be announced at our monthly assembly on March 25th. We are very proud of the things you do each and every day to make your teachers and classmates notice your kindness.

The Monthly Character trait for March is Courage. A person who is Courageous is someone who has the strength to face something difficult, even if they are afraid. By showing courage, you have ventured outside your comfort zone and challenged yourself. You may have stood up for others, you were honest, and not afraid to show others who you are. Courageous people ask questions, make new friends, try new things, are kind when others might not be, and they do the right thing. Showing courage is also being BRAVE! Students will be celebrated for their Courage at the March 25th assembly.

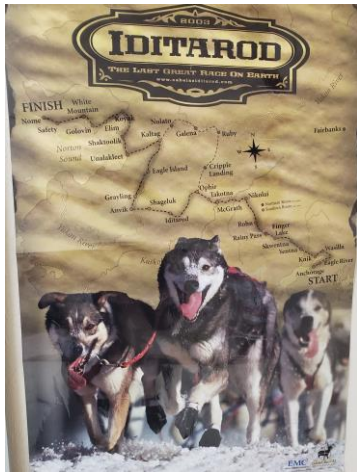

The 100 Mile club has added two new members this month! Taylor Matthews in Mrs. Schmitz 1st grade class and Chase Clements in Mrs. Rodman's 2nd Grade class have reached the 25 mile mark! Congratulations to Taylor and Chase, we applaud them for their hard work and perseverance to reach this goal!

The students at Washington School Celebrated the birthday of Dr. Seuss on March 2. Classroom activities and events including drawing The Cat in the Hat, making Oobleck, a Wacky Wednesday, a crazy socks day and the eating of Green Eggs & Ham.... (And a WHOLE LOT OF READING AND RHYMING) happened all week long!

PS- it not all fun and games around here.....Students used this hands on graphing project to discuss math concepts- more, less, how many more, how many less, greater than, less than and equal to once they had completed the taste test. Overwhelmingly they predicted it was going to be gross (by the looks) but that it was actually delicious!

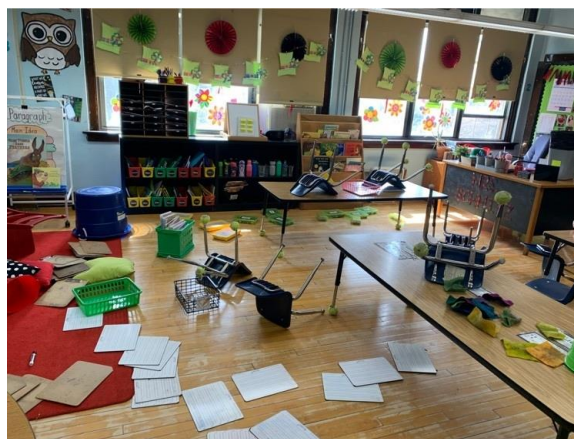

Mrs. Morrell's second grade class has been busy racing the 2022 Iditarod. The students each researched a musher to follow throughout the race. Each day they go online to check where their musher is in the race. The students also researched the history of the Iditarod through many interesting books. The whole class will celebrate finishing the race by watching the movie Balto.

The entire school celebrated St. Patrick's Day with the 'wearing of the green'. Many classes created Leprechaun traps and set them up around the school in an attempt to catch one of those little guys and get the magic wishes!

Nobody actually caught one, but we sure got “schooled” by the Leprechauns for trying!!
