FAMILY ENGAGEMENT

September 23, 2024

The Board strongly encourages and welcomes the engagement of families in all of the District's educational programs. It is recognized and appreciated that family members are the "first teachers" of their children, and that their interest and involvement in the education of their children should not diminish once their child enters the schools of the District. The administration shall design a program/plan that will encourage family engagement that may include, but not be limited to: the review of instructional materials; input on the ways that the District may better provide family members with information concerning current laws, regulations, and instructional programs; and District offerings of training programs to guide family members on how to become more involved in their child's educational programs.

Pursuant to state law, the Superintendent, or his/her designee, shall provide a copy of the District's Family Engagement plan to all families.
