**Background Information:**

The 2019 Bond has supported major district-wide improvements, including new campus construction, safety and security upgrades, infrastructure enhancements, and deferred maintenance projects. Current work nearing completion includes fencing and access control upgrades at MNTHS and MNTMS, sidewalk improvements at New Tech, Lagos, and MHS-ECHS, electrical upgrades at Rise Academy, HVAC adjustments at Wildhorse Elementary, new security cameras, track and field enhancements, parking lot upgrades, some bus seatbelt installation upgrades, police dispatch equipment updates, and other district-wide maintenance efforts.

\$4.1M Allocated to:

- HVAC upgrades to improve reliability, energy efficiency, and indoor air quality.
- Technology refresh upgrades to replace aging devices and update critical instructional and operational technology.

**Fiscal Implications:**

None

**Administrative Recommendation:**

The district has identified \$4.1 million in available bond funds that can be applied toward district-wide HVAC upgrades and Technology Refresh projects. Bond funding will support continued progress in maintaining high-quality facilities and up-to-date technology without drawing on general operating funds.
