United Independent School District is a public school district and is a political subdivision of the State of Texas. The District is not a tax-exempt entity under the Internal Revenue Service (IRS) Code Section 501(c)(3). However, the District is considered a tax-exempt organization that may receive charitable contributions according to the IRS Code Section 170(c)(1).

The District may receive charitable contributions if they are for public purposes, such as benefiting a group and NOT an individual. Contributions may be made to the District, District schools, District departments, or various District groups and clubs. These charitable contributions are deductible by the contributor on their tax return. The federal identification number of United Independent School District is 746028859.

Please note, contributions made to various parent organizations, such as PTOs and Booster Clubs, are NOT contributions to the District. Since these organizations are separate entities from the District, the District's tax-exempt status does not apply to these organizations. These organizations must apply for their tax-exempt status under IRS Code Section 501(c)(3). Evidence of their tax-exempt status would be a Determination Letter from the IRS. When a PTO or Booster Club donates monetary or non-monetary items to the District, then the donation is considered a contribution to the District.
