4/25 & 4/26 - CONFERENCES, NO CLASSES

Dear Lorna Byrne Families,

The third quarter of the 2018-2019 school year will be drawing to a close on April 11th...the time has certainly flown! Along with this milestone, we are excited to announce our second annual student-led conferences! The conferences will be held Wednesday, April 24th, Thursday, April 25th, and Friday, April 26th. (Please see the schedule of times on our website and in this issue of our newsletter.) For those of you who have never experienced this conference format, this means your student or students will be presenting examples of their school work they are proud of and sharing other academic accomplishments from this past semester. It was a big hit last year, and we think you'll enjoy it. We will also be featuring our Spring book fair during this time, and we hope you and your kids will stop by and check out the selection after your conferences.

Students will practice leading their conferences during their Advisory class and their Advisory teacher will be at the conference to assist. Each conference will be 15 minutes in length and you will have a scheduled day and time. Your student should have brought home information about the conferences and choices for you to indicate the best day and time for you and your student. We will follow up with a phone call to confirm the day and time of your conference. We look forward to seeing you at conferences!

Thank you as always, and I hope to see you all at conferences!

Mr. Polen

Spotlight On:

Jamie Sykowski

Mrs. Sykowski grew up in Valley Center, CA and moved to the IV 3 years ago. She is an Education Assistant in our awesome Life Skills class. In her spare time, she enjoys reading and exploring all the wonderful things the valley has to offer. Going to the river in summer is her favorite. She recently started a horse rescue, which grew out of her love for riding and raising horses. She'd like to remind the LBMS students that, "In the world we live in, you will be judged...Just don't let that stop you from being who you are." Sound advice, Mrs. Sykowski...thanks for all you do for our school!!

InTouch

InTouch is used to send out important messages about school closures and school events. When you get an automated call from LBMS using this program, it is important to say "Hello" as this triggers the message to start. If you have voicemail, it will leave a message. Please listen to the message in its entirety, then call the school for any unanswered questions. If you have an email on file with LBMS, we often send emails as well. InTouch is also used for attendance calls. If your student has been marked absent in any class, the system will call you to make you aware of this absence. Please listen to the message in it's entirety before calling the school
