School Board Meeting Agenda Item

Topic: Request for Proposals for the Lease of Real Property
Contact(s):
Presenter(s): Karsten Anderson, Superintendent

Nature of Action Requested by Board

Board action
Board information or scheduled report

Background Information

The district was approached about the possibility of leasing land to install a solar garden. The Operations Committee recommended the issuance of a Request for Proposals (RFP) without the condition that a solar garden would need to be installed on the leased property. Since then, the committee and school board have discussed the issue during multiple meetings. The RFP process was paused last spring due to COVID. The proposed RFP was reviewed by the Operations Committee and district attorney.

Recommendation

I move to authorize the Superintendent to issue the Request for Proposals for the Lease of Real Property as presented.
