ACTION

TITLE: Consider Adopting the 2024-2025 District Budget

DATE: August 26, 2024

RESPONSIBLE ADMINISTRATOR: Charles Warren, CFO

BACKGROUND/CONSIDERATIONS:

The attachment summarizes the activity for the fiscal year of 2023-2024 and presents a financial budget for the fiscal year 2024-2025 (FY25).

Discussion points of this financial report will be presented before approval.

RECOMMENDATION:

The Administration recommends the Board consider adopting the 2024-2025 financial budget as presented. Furthermore, we recommend the Administration be authorized to make adjustments as needed for the Division of Elementary and Secondary Education (DESE) of Arkansas for final submission to DESE.

If the Board agrees, the motion would read: ***move to adopt the 2024-2025 financial budget as presented, authorizing the Administration to make adjustments needed for DESE submission.***
