						meeting minutes, or communications that explain how and why the district decided to begin using Chromebooks (including any written justifications, proposals, board presentations, or studies used to support the decision). 2. Data showing the total amount the district has spent on Chromebooks and iPads each year since 2010, including initial purchases, replacements, user fees, and ongoing maintenance. 3. Records detailing all Google-related purchases since 2010, broken down annually. By "Google-related purchases," I mean all hardware (e.g., laptops, tablets, smartboards), software licenses, device management systems, and online learning platforms used for instructional purposes. 4. Records detailing educational technology as a share of the district's overall budget, broken down annually since 2010. 5.

W004920-082625	8/26/2025	SCOTT MARTIN	Wayne Sorrels	8/26/2025	Assigned	I am asking for the data broken down by subject. I mistakenly did not ask for this in my original request. I know this exists. This is basic information from the College Board. In addition to that you have sent me this in the past. Please let me know if I need to submit a new request because my original request, I made an error by not indicating that, I would like the AP data for each campus that includes for each subject. Once again, this data already exists, and you have sent it to me in the past. Thank you! So, to clarify, I am requesting the AP scores for each campus. Please include the scores for each subject tested. Total number tested and total number that made a 3, 4 or 5. Also include the numbers that made a three, four, and five separately.		0.00	0.00
