BOARD OF EDUCATION
Bloomington, Illinois
Regular Meeting March 27, 2023

FOR ACTION

Subject: Approval of Capital Projects for the Summer of 2023

At the last regular meeting, the Board of Education was presented a variety of projects from the Director of Buildings and Grounds, Mr. Marcos Rosales. Attached are the recommended projects and an amended parking lot plan for the summer at Westfield. The plan, which is attached, would encompass the rear portion of the lot which was identified as the area of greatest need for replacement. The anticipated cost for the Phase 1 lot replacement in that area would be \$330,000, which includes contingency costs. This would bring the total of the projects for the summer of 2023 to \$374,131.

It is the recommendation of the Administration to approve the capital project list for the summer of 2023, as presented.

Recommendation: The Board approve the capital project list for the summer of 2023, as presented.
