There is hereby ordered to be issued, under and by virtue of the laws of the State of Texas, including particularly Chapter 1207, a series of bonds of the District to be known as "UNITED INDEPENDENT SCHOOL DISTRICT UNLIMITED TAX REFUNDING BONDS, SERIES 2011" (the "Bonds"), in the principal amount of \$ \_\_\_\_\_, payable from *ad valorem* taxes as provided in this Order, for the purposes described in the "Form of the Bonds" contained in Section 4 hereof.

As authorized by Chapter 1207, the President of the Board of Trustees of the District or the Superintendent of Schools (each an "Authorized Representative") are hereby authorized, appointed, and designated as the officer of the District authorized to individually act on behalf of the District in selling and delivering the Bonds authorized herein and carrying out the procedures specified in this Order, including approval of the aggregate principal amount of each maturity of the Bonds, the redemption provisions therefor, and the rate of interest to be borne on the principal amount of each such maturity. Upon execution of the Approval Certificate, Bond Counsel is authorized to complete this Order to reflect such final terms applicable to the Bonds. This Delegation of Authority, as provided herein will cease effective December 22, 2011, and any new action to refund the Refunded Bonds will require the adoption of a new order by the Board of Trustees to effectuate a refunding.

Section 3. Redemption of the Bonds.

The District reserves the right, at its option, to redeem prior to maturity, the Bonds maturing on or after August 15, \_\_\_\_\_, in whole or in part, on August 15, \_\_\_\_\_, and on any date thereafter, at a price of par plus accrued interest on the principal amounts called for redemption to the date fixed for redemption. If less than all of the Bonds are redeemed, the particular Bonds or portions thereof to be redeemed shall be selected at random and by lot by the Paying Agent/Registrar on behalf of the District.

The Bonds may be redeemed only in integral multiples of \$5,000 of principal amount. If a Bond subject to redemption is in a denomination larger than \$5,000, a portion of such Bond may be redeemed, but only in integral multiples of \$5,000. In selecting portions of Bonds for redemption, the Registrar shall treat each Bond as representing that number of Bonds of \$5,000 denomination which is obtained by dividing the principal amount of such Bond by \$5,000. Upon surrender of any Bond for redemption in part, the Registrar, in accordance with the provisions of this Order, shall authenticate and deliver in exchange therefor a Bond or Bonds of like maturity and interest rate in an aggregate principal amount equal to the unredeemed portion of the Bond so surrendered.

Not less than thirty (30) days prior, but not more than sixty (60) days prior, to redemption date for the Bonds, notice of such redemption shall be sent by U.S. mail, first class postage prepaid, in the name of the District to each registered Owner of a Bond to be redeemed in whole or in part at the address of such Owner appearing on the Register at the close of business on the Business Day next preceding the date of mailing. Such notices shall state the redemption date, the redemption price, the place at which bonds are to be surrendered for payment and, if less than

all Bonds outstanding are to be redeemed, the numbers of Bonds or portions thereof to be redeemed. Any notice of redemption so mailed as provided in this Section will be conclusively presumed to have been duly given, whether or not the registered Owner receives such notice. By the date fixed for redemption, due provision shall be made with the Registrar for payment of the redemption price of the Bonds or portions thereof to be redeemed. When Bonds have been called for redemption in whole or in part, notice of redemption has been given as herein provided and due provision has been made to redeem the same, the Bonds or portions thereof so redeemed shall no longer be regarded to be outstanding, except for the purpose of receiving payment solely from the funds so provided for redemption, and interest which would otherwise accrue after the redemption date on any Bond or portion thereof called redemption shall terminate on the date fixed for redemption.

Section 4. General Characteristics and Form of the Bonds. The Bonds shall be issued, shall be payable, may be redeemable prior to their scheduled maturities, shall have the characteristics, and shall be signed and executed (and the Bonds shall be sealed) all as provided, and in the manner indicated in the form set forth below. The Form of the Bonds, the Form of the Registration Certificate of the Comptroller of Public Accounts of the State of Texas to be printed and manually endorsed on each of the Initial Bond, the Form of the Authentication Certificate, the Form of Permanent School Fund Guarantee, and the Form of Assignment, which shall be, respectively, substantially as follows, with necessary and appropriate variations, omissions, and insertions as permitted or required by this Order, and the definitions contained with each such form shall apply solely to such form:

UNITED INDEPENDENT SCHOOL DISTRICT (the "District"), a political subdivision of the State of Texas, promises to pay to the Registered Owner, specified above, or registered assignees (the "Registered Owner") on the Maturity Date, specified above, upon presentation and surrender of this Bond at the designated payment office of \_\_\_\_\_, \_\_\_\_\_, Texas, or its successor (the "Paying Agent/Registrar"), the Principal Amount,

specified above, in lawful money of the United States of America, and to pay interest thereon at the Interest Rate, specified above, calculated on the basis of a 360-day year of twelve 30-day months, from the later of the Closing Date, specified above, or the most recent interest payment date to which interest has been paid or duly provided for. Interest on this Bond is payable by check on \_\_\_\_\_, \_\_\_\_\_, and each February 15 and August 15 thereafter, mailed to the Registered Owner of record as shown on the books of registration kept by the Paying Agent/Registrar (the "Register"), as of the date which is the close of business on the last business day of the month preceding the interest payment date (the "Record Date") or in such other manner as may be acceptable to the Registered Owner and the Paying Agent/Registrar. CUSIP number identification with appropriate dollar amount of payment pertaining to each CUSIP number (if more than one CUSIP number) must accompany all payments of interest and principal, whether by check or wire transfer. In the event of a non-payment of interest on a scheduled payment date, and for 30 days thereafter, a new record date for such payment (a "Special Record Date") will be established by the Paying Agent/Registrar, if and when funds for the payment thereof have been received from the District. Notice of the Special Record Date and of the scheduled payment date of the past due payment (the "Special Payment Date", which shall be 15 calendar days after the Special Record Date) shall be sent at least five business days prior to the Special Record Date by United States mail, first class, postage prepaid, to the address of the Registered Owner appearing on the books of the Paying Agent/Registrar at the close of business on the last business day next preceding the date of mailing of such notice. The District covenants with the Registered Owner that no later than each principal installment payment date and interest payment date for this Bond it will make available to the Paying Agent/Registrar the amounts required to provide for the payment, in immediately available funds, of all principal of and interest on the Bond, when due, in the manner set forth in the Order defined below.

THIS BOND is one of a series of Bonds, dated as of July 1, 2011 (the "Bonds"), of like designation and tenor, except as to number, interest rate, denomination, and maturity issued pursuant to the Order adopted by the Board of Trustees of the District on June 22, 2011, (the "Order"), in the original aggregate principal amount of \$ \_\_\_\_\_ for the purpose of providing money for refunding certain outstanding bonds and to pay costs of issuance of the Bonds by virtue of the laws of the State of Texas, including particularly Chapter 1207, Texas Government Code.

The District reserves the right, at its option, to redeem prior to maturity, the Bonds maturing on or after August 15, \_\_\_\_\_, in whole or in part, on August 15, \_\_\_\_\_, and on any date thereafter, at a price of par plus accrued interest on the principal amounts called for redemption to the date fixed for redemption. If less than all of the Bonds are redeemed, the particular Bonds or portions thereof to be redeemed shall be selected at random and by lot by the Paying Agent/Registrar on behalf of the District.

The Bonds may be redeemed only in integral multiples of \$5,000 of principal amount. If a Bond subject to redemption is in a denomination larger than \$5,000, a portion of such Bond may be redeemed, but only in integral multiples of \$5,000. In selecting portions of Bonds for redemption, the Registrar shall treat each Bond as representing that number of Bonds of \$5,000 denomination which is obtained by dividing the principal amount of such Bond by \$5,000. Upon surrender of any Bond for redemption in part, the Registrar, in accordance with the provisions of this Order, shall authenticate and deliver in exchange therefor a Bond or Bonds of like maturity

and interest rate in an aggregate principal amount equal to the unredeemed portion of the Bond so surrendered.

Not less than thirty (30) days prior, but not more than sixty (60) days prior, to redemption date for the Bonds, notice of such redemption shall be sent by U.S. mail, first class postage prepaid, in the name of the District to each registered Owner of a Bond to be redeemed in whole or in part at the address of such Owner appearing on the Register at the close of business on the Business Day next preceding the date of mailing. Such notices shall state the redemption date, the redemption price, the place at which bonds are to be surrendered for payment and, if less than all Bonds outstanding are to be redeemed, the numbers of Bonds or portions thereof to be redeemed. Any notice of redemption so mailed as provided in this Section will be conclusively presumed to have been duly given, whether or not the registered Owner receives such notice. By the date fixed for redemption, due provision shall be made with the Registrar for payment of the redemption price of the Bonds or portions thereof to be redeemed. When Bonds have been called for redemption in whole or in part, notice of redemption has been given as herein provided and due provision has been made to redeem the same, the Bonds or portions thereof so redeemed shall no longer be regarded to be outstanding, except for the purpose of receiving payment solely from the funds so provided for redemption, and interest which would otherwise accrue after the redemption date on any Bond or portion thereof called redemption shall terminate on the date fixed for redemption.

THE BONDS are issued pursuant to the Order whereunder the District covenants to levy a continuing, direct, annual *ad valorem* tax on taxable property within the District, without legal limitation as to rate or amount, for each year while any part of the Bonds are considered outstanding under the provisions of the Order, in a sufficient amount to pay interest on each Bond as it becomes due, to provide for the payment of the principal or maturing amounts, as appropriate, of the Bonds when due, and to pay the expenses of assessing and collecting such tax. Reference is hereby made to the Order for provisions with respect to the custody and application of the District's funds, remedies in the event of a default hereunder or thereunder, and the other rights of the Registered Owner.

THIS BOND IS TRANSFERABLE OR EXCHANGEABLE only upon presentation and surrender at the designated payment office of the Paying Agent/Registrar in \_\_\_\_\_, Texas. If a Bond is being transferred, it shall be duly endorsed for transfer or accompanied by an assignment duly executed by the Registered Owner, or his authorized representative, subject to the terms and conditions of the Order. If a Bond is being exchanged, it shall be in the principal amount of \$5,000 or any integral multiple thereof, subject to the terms and conditions of the Order. The Registered Owner of this Bond shall be deemed and treated by the District and the Paying Agent/Registrar as the absolute owner hereof for all purposes, including payment and discharge of liability upon this Bond to the extent of such payment, and the District and the Paying Agent/Registrar shall not be affected by any notice to the contrary.

IN THE EVENT any Paying Agent/Registrar for the Bonds is changed by the District, resigns, or otherwise ceases to act as such, the District has covenanted in the Order that it promptly will appoint a competent and legally qualified substitute therefor, and cause written notice thereof to be mailed to the Registered Owner.

IT IS HEREBY CERTIFIED, COVENANTED, AND REPRESENTED that all acts, conditions, and things necessary to be done precedent to the issuance of the Bonds in order to render the same legal, valid, and binding obligations of the District have happened and have been accomplished and performed in regular and due time, form, and manner, as required by law; that provision has been made for the payment of the principal of and interest on, or maturing amounts of (as appropriate) the Bonds by the levy of a continuing, direct, annual *ad valorem* tax upon taxable property within the District; and that issuance of the Bonds does not exceed any constitutional or statutory limitation.

BY BECOMING the Registered Owner of this Bond, the Registered Owner thereby acknowledges all of the terms and provisions of the Order, agrees to be bound by such terms and provisions, and agrees that the terms and provisions of this Bond and the Order constitute a contract between each Registered Owner and the District.

IN WITNESS WHEREOF this Bond has been signed with the manual or facsimile signature of the President of the Board of Trustees of the District and countersigned with the manual or facsimile signature of the Secretary of the Board of Trustees (or their respective designees), and the official seal of the District has been duly impressed, or placed in facsimile, on this Bond.

Section 6. District Funds. The District hereby confirms the establishment of the following funds of the District at a depository of the District:

(a) Interest and Sinking Fund and Tax Levy. A special "Interest and Sinking Fund" is hereby confirmed and shall be maintained by the District at an official depository bank of the

District. The Interest and Sinking Fund shall be kept separate and apart from all other funds and accounts of the District and shall be used only for paying the interest on and principal of the Bonds. The net proceeds of all *ad valorem* taxes levied and collected for and on account of the Bonds shall be deposited, as collected, to the credit of the Interest and Sinking Fund. During each year while any of the principal of or interest on or maturing amounts of (as appropriate) the Bonds are outstanding and unpaid, the Board shall compute and ascertain a rate and amount of *ad valorem* tax which will be sufficient to raise and produce the money required to pay the interest on the Bonds and the principal on the Bonds as such principal matures; the tax shall be based on the latest approved tax rolls of the District, with full allowances being made for tax delinquencies and the cost of tax collection. The rate and amount of *ad valorem* tax is hereby levied, and is hereby ordered to be levied, against all taxable property in the District, for each year while any of the Bonds are outstanding and unpaid, and the tax shall be assessed and collected each year and deposited to the credit of the Interest and Sinking Fund. The *ad valorem* taxes sufficient to provide for the payment of the interest on and principal of the Bonds, as such interest comes due and such principal matures, are hereby pledged irrevocably for such payment.

(b) Escrow Fund. The Escrow Fund is the fund held by the Escrow Agent pursuant to the Escrow Agreement into which the proceeds of the Refunding Bonds shall be placed, except for accrued interest, which shall be paid into the Interest and Sinking Fund, and amounts to pay costs of issuance of the Refunding Bonds, which will be deposited into the District's depository bank or paid at closing by the Paying Agent/Registrar. The Escrow Fund shall be used to pay the costs necessary or appropriate to accomplish the purposes for which the Refunding Bonds are issued.

Section 7. Investments and Security.

(a) Investment of Funds. The Board may place money in the Interest and Sinking Fund in time or demand deposits or invest such money as authorized by law at the time of such deposit. Obligations purchased as an investment of money in a fund shall be deemed to be part of such fund.

(b) Amounts Received from Investments. Except as otherwise provided by law, amounts received from the investment of any money in the Interest and Sinking Fund shall be retained therein. Interest earnings derived from the investment of proceeds of the Refunding Bonds shall be used as provided in the Escrow Agreement. It is provided, however, that any interest earnings on proceeds of the Bonds which are required to be rebated to the United States of America in order to prevent the Bonds from being arbitrage bonds shall be so rebated and not considered as interest earnings for the purposes of this Section.

(c) Security for Funds. All funds created by this Order shall be secured in the manner and to the fullest extent required by law for the security of funds of the District.

Section 8. Covenants of the District.

(a) General Covenants. The District covenants and represents that:

(i) The District is a duly created and existing independent school district and political subdivision of the State of Texas, and is duly authorized under the laws of the

State of Texas to create and issue the Bonds; all action on its part for the creation and issuance of the Bonds has been duly and effectively taken; and the Bonds in the hands of the Owners thereof are and will be valid and enforceable obligations of the District in accordance with their terms; and

(ii) The Bonds shall be ratably secured in such manner that no one Bond shall have preference over other Bonds.

(b) Specific Covenants. The District covenants and represents that, while the Bonds are outstanding and unpaid, it will:

(i) Levy an *ad valorem* tax that will be sufficient to provide funds to pay the current interest on the Bonds and to provide the necessary sinking fund, all as described in this Order; and

(ii) Keep proper books of record and accounts in which full, true, and correct entries will be made of all dealings, activities, and transactions relating to the funds created pursuant to this Order, and all books, documents, and vouchers relating thereto shall at all reasonable times be made available for inspection upon request from any Owner.

(c) Covenants Regarding Tax Matters. The District covenants to take any action to maintain, or refrain from any action which would adversely affect, the treatment of the Bonds as obligations described in section 103 of the Internal Revenue Code of 1986, as amended (the "Code"), the interest on which is not includable in "gross income" for federal income tax purposes. In furtherance thereof, the District specifically covenants as follows:

(i) To refrain from taking any action which would result in the Bonds being treated as "private activity bonds" within the meaning of section 141(b) of the Code;

(ii) To take any action to assure that no more than 10% of the proceeds of the Bonds or the projects financed therewith are used for any "private business use," as defined in section 141(b)(6) of the Code or, if more than 10% of the proceeds or the projects financed therewith are so used, that amounts, whether or not received by the District with respect to such private business use, do not under the terms of this Order or any underlying arrangement, directly or indirectly, secure or provide for the payment of more than 10% of the debt service on the Bonds, in contravention of section 141(b)(2) of the Code;

(iii) To take any action to assure that in the event that the "private business use" described in paragraph (ii) hereof exceeds 5% of the proceeds of the Bonds or the projects financed therewith, then the amount in excess of 5% is used for a "private business use" which is "related" and not "disproportionate," within the meaning of section 141(b)(3) of the Code, to the governmental use;

(iv) To take any action to assure that no amount which is greater than the lesser of \$5,000,000 or 5% of the proceeds of the Bonds is directly or indirectly used to

finance loans to persons, other than state or local governmental units, in contravention of section 141(c) of the Code;

(v) To refrain from taking any action which would result in the Bonds being "federally guaranteed" within the meaning of section 149(b) of the Code;

(vi) Except to the extent permitted by section 148 of the Code and the regulations and rulings thereunder, to refrain from using any portion of the proceeds of the Bonds, directly or indirectly, to acquire or to replace funds which were used, directly or indirectly, to acquire investment property (as defined in section 148(b)(2) of the Code) which produces a materially higher yield over the term of the Bonds;

(vii) To otherwise restrict the use of the proceeds of the Bonds or amounts treated as proceeds of the Bonds, as may be necessary, so that the Bonds do not otherwise contravene the requirements of section 148 of the Code (relating to arbitrage) and, to the extent applicable, section 149(d) of the Code (relating to advance refundings);

(viii) Except to the extent otherwise provided in section 148(f) of the Code and the regulations and rulings thereunder, to pay to the United States of America at least once during each five year period (beginning on the date of delivery of the Bonds) an amount that is at least equal to 90% of the "Excess Earnings," within the meaning of section 148(f) of the Code, and to pay to the United States of America, not later than 60 days after the Bonds have been paid in full, 100% of the amount then required to be paid as a result of Excess Earnings under section 148(f) of the Code; and

(ix) To maintain such records as will enable the District to fulfill its responsibilities under this subsection and section 148 of the Code and to retain such records for at least six years following the final payment of principal and interest on the Bonds.

For the purposes of the foregoing, in the case of a refunding bond, the term proceeds includes transferred proceeds and, for purposes of paragraphs (ii) and (iii), proceeds of the refunded bonds.

The covenants contained herein are intended to assure compliance with the Code and any regulations or rulings promulgated by the U.S. Department of Treasury pursuant thereto. In the event that regulations or rulings are hereafter promulgated which modify or expand provisions of the Code, as applicable to the Bonds, the District will not be required to comply with any covenant contained herein to the extent that such modification or expansion, in the opinion of nationally-recognized bond counsel, will not adversely affect the exclusion from gross income of interest on the Bonds under section 103 of the Code. In the event that regulations or rulings are hereafter promulgated which impose additional requirements which are applicable to the Bonds, the District agrees to comply with the additional requirements to the extent necessary, in the opinion of nationally-recognized bond counsel, to preserve the exclusion from gross income of interest on the Bonds under section 103 of the Code.

Proper officers of the District charged with the responsibility of issuing the Bonds are hereby authorized and directed to execute any documents, certificates, or reports required by the

Code and to make such elections, on behalf of the District, which may be permitted by the Code as are consistent with the purpose for the issuance of the Bonds.

Notwithstanding any other provision in this Resolution, to the extent necessary to preserve the exclusion from gross income of interest on the Bonds under section 103 of the Code the covenants contained in this subsection shall survive the later of the defeasance or discharge of the Bonds.

(d) Covenants Regarding Sale, Lease, or Disposition of Financed Property. The District covenants that the District will regulate the use of the property financed, directly or indirectly, with the proceeds of the Bonds and will not sell, lease, or otherwise dispose of such property unless (i) the District takes the remedial measures as may be required by the Code and the regulations and rulings thereunder in order to preserve the exclusion from gross income of interest on the Bonds under section 103 of the Code or (ii) the District seeks the advice of nationally-recognized bond counsel with respect to such sale, lease, or other disposition.

Section 9. Paying Agent/Registrar. The Paying Agent/Registrar is hereby appointed as paying agent for the Bonds. The principal of the Bonds and the accrued interest on the Bonds shall be payable, without exchange or collection charges, in any coin or currency of the United States of America, which, on the date of payment, is legal tender for the payment of debts due the United States of America, as described in the Form of Bonds in Section 4 hereof.

The District, the Paying Agent/Registrar, and any other person may treat the Owner as the absolute owner of such Bonds for the purpose of making and receiving payment of the principal thereof and for the further purpose of receiving payment of the interest thereon and for all other purposes, whether or not such Bond is overdue, and neither the District nor the Paying Agent/Registrar shall be bound by any notice or knowledge to the contrary. All payments made to the person deemed to be the Owner of any Bond in accordance with this Order shall be valid and effectual and shall discharge the liability of the District and the Paying Agent/Registrar upon such Bond to the extent of the sums paid.

So long as any Bonds remain outstanding, the Paying Agent/Registrar shall keep the Register at one of its corporate trust offices in Texas in which, subject to such reasonable regulations as it may prescribe, the Paying Agent/Registrar shall provide for the registration and transfer of Bonds in accordance with the terms of this Order.

The District may at any time and from time to time appoint another Paying Agent/Registrar in substitution for the previous Paying Agent/Registrar provided that any such Paying Agent/Registrar shall be a national or state banking institution, shall be an association or a corporation organized and doing business under the laws of the United States of America or any state, authorized under such laws to exercise trust powers, shall be subject to supervision or examination by federal or state authority, and shall be authorized by law to serve as a paying agent/registrar. In such event, the District shall give notice by United States mail, first-class, postage prepaid to each Owner. Any bank or trust company with or into which any Paying Agent/Registrar may be merged or consolidated, or to which the assets and business of Paying Agent/Registrar may be sold or otherwise transferred, shall be deemed the successor of such Paying Agent/Registrar for the purposes of this Order.

The President and Secretary of the Board are hereby authorized to enter into, execute, and deliver the Paying Agent/Registrar Agreement with the initial Paying Agent/Registrar in substantially the form presented to the Board on this date.

Section 10. Initial Bond; Exchange or Transfer of Bonds. Initially, a Bond (the "Initial Bond") numbered T-1 and being in the principal amount, respectively, as shown in Section 2 for each year of maturity, and representing the entire principal amount of Bond shall be registered in the name of the Underwriter or the designee thereof and shall be executed and submitted to the Attorney General of Texas for approval, and thereupon certified by the Comptroller of Public Accounts of the State of Texas or his duly authorized agent, by manual signature. At any time thereafter, the Owner may deliver the Initial Bond to the Paying Agent/Registrar for exchange, accompanied by instructions from the Owner or such designee designating the person, maturities, and principal amounts to and in which the Initial Bond is to be transferred and the addresses of such persons, and the Paying Agent/Registrar shall thereupon, within not more than 72 hours, register and deliver such Bond upon authorization of the District as provided in such instructions.

The Bond shall be transferable within 72 hours after request, but only upon the presentation and surrender thereof at the designated payment office of the Paying Agent/Registrar, duly endorsed for transfer, or accompanied by an assignment duly executed by the Owner or his authorized representative in the form satisfactory to the Paying Agent/Registrar. Upon due presentation of any Bond for transfer, the Paying Agent/Registrar shall authenticate and deliver in exchange therefor, to the extent possible and under reasonable circumstances within three business day after such presentation, a new Bond or Bonds, registered in the name of the transferee or transferees, in authorized denominations, of the same maturity, in the appropriate principal amount, and bearing interest at the same rate as the Bond or Bonds so presented.

All Bonds shall be exchangeable upon presentation and surrender thereof at the appropriate corporate trust office of the Paying Agent/Registrar for a Bond or Bonds of the same maturity and interest rate and in any authorized denomination, in an aggregate principal amount or maturing amounts, as appropriate, equal to the unpaid principal amount or maturing amount of the Bond or Bonds presented for exchange. The Paying Agent/Registrar shall be and is hereby authorized to authenticate and deliver exchange Bonds in accordance with this Order and each Bond so delivered shall be entitled to the benefits and security of this Order to the same extent as the Bond or Bonds in lieu of which such Bond is delivered.

The District or the Paying Agent/Registrar may require the Owner of any Bond to pay a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with the transfer or exchange of such Bond. Any fee or charge of the Paying Agent/Registrar for such transfer or exchange shall be paid by the District.

Section 11. District Officer's Duties.

(a) Issuance of Bonds. The President of the Board shall submit the Initial Bond, the record of the proceedings authorizing the issuance of the Bonds, and any and all necessary orders, certificates, and records to the Attorney General of the State of Texas for his

investigation. After obtaining the approval of the Attorney General, the President of the Board shall cause the Initial Bond to be registered by the Comptroller of Public Accounts of the State of Texas. The officers or acting officers of the Board are authorized to execute and deliver on behalf of the Board such certificates and instruments as may be necessary or appropriate prior to the delivery of and payment for the Bonds to and by the Underwriter.

(b) Execution of Order. The President and Secretary of the Board are authorized to execute the certificate to which this Order is attached on behalf of the Board and to do any and all things proper and necessary to carry out the intent hereof.

Section 12. Remedies of Owners. In addition to all rights and remedies of any Owner of the Bonds provided by the laws of the State of Texas, the District and the Board covenant and agree that in the event the District defaults in the payment of the principal of or interest on any of the Bonds when due, fails to make the payments required by this Order to be made into the Interest and Sinking Fund, or defaults in the observance or performance of any of the covenants, conditions, or obligations set forth in this Order, the Owner of any of the Bonds shall be entitled to a writ of mandamus issued by a court of proper jurisdiction compelling and requiring the Board and other officers of the District to observe and perform any covenant, obligation, or condition prescribed in this Order. No delay or omission by any Owner to exercise any right or power accruing to such Owner upon default shall impair any such right or power, or shall be construed to be a waiver of any such default or acquiescence therein, and every such right or power may be exercised from time to time and as often as may be deemed expedient. The specific remedies mentioned in this Order shall be available to any Owner of any of the Bonds and shall be cumulative of all other existing remedies.

Section 13. Lost, Stolen, Destroyed, Damaged, or Mutilated Bonds; Destruction of Paid Bonds.

(a) Replacement Bonds. In the event any outstanding Bond shall become lost, stolen, destroyed, damaged, or mutilated, at the request of the Owner thereof, the District shall cause to be executed, registered by the Paying Agent/Registrar, and delivered a substitute Bond of like date and tenor, in exchange and substitution for and upon cancellation of such mutilated or damaged Bond, or in lieu of and substitution for such Bond, lost, stolen, or destroyed, subject to the provisions of subsections (b), (c), (d), and (e) of this Section.

(b) Application and Indemnity. Application for exchange and substitution of lost, stolen, destroyed, damaged, or mutilated Bonds shall be made to the District. In every case the applicant for a substitute Bond shall furnish to the District such deposit for fees and costs as may be required by the District to save it and the Paying Agent/Registrar harmless from liability. In every case of loss, theft, or destruction of a Bond, the applicant shall also furnish to the District indemnity to the District's satisfaction and shall file with the District evidence to the District's satisfaction of the loss, theft, or destruction and of the ownership of such Bond. In every case of damage or mutilation of a Bond, the applicant shall surrender the Bond so damaged or mutilated to the Paying Agent/Registrar.

(c) Matured Bonds. Notwithstanding the foregoing provisions of this Section, in the event any such Bond shall have matured, and no default has occurred which is then continuing in

the payment of the principal of or interest on the Bonds, the District may authorize the payment of the same (without surrender thereof except in the case of a damaged or mutilated Bond) instead of issuing a substitute Bond, if any, provided security or indemnity is furnished as above provided in this Section.

(d) Expense of Issuance. Upon the issuance of any substitute Bonds, the District may charge the owner of such Bond with all fees and costs incurred in connection therewith. Every substitute Bond issued pursuant to the provisions of this Section by virtue of the fact that any Bond is lost, stolen, destroyed, damaged, or mutilated shall constitute a contractual obligation of the District, whether or not the lost, stolen, destroyed, damaged, or mutilated Bonds shall be found at any time, or be enforceable by anyone, and shall be entitled to all the benefits of this Order equally and proportionately with any and all other Bonds duly issued under this Order.

(e) Authority to Issue Substitute Bonds. This Order shall constitute sufficient authority for the issuance of any such substitute Bonds without necessity of further action by the Board or any other body or person, and the issuance of such substitute Bonds is hereby authorized, notwithstanding any other provisions of this Order.

(f) Destruction of Paid Bonds. At any time subsequent to six months after the payment thereof, the Paying Agent/Registrar is authorized to cancel and destroy any Bonds duly paid and shall furnish to the District a certificate evidencing such destruction.

#### Section 14. Defeasance.

(a) Except to the extent provided in subsection (c) of this Section, any Bond, and the interest thereon, shall be deemed to be paid, retired, and no longer outstanding within the meaning of this Order (a "Defeased Bond") when payment of the principal of such Bond, plus interest thereon to the due date (whether such due date be by reason of maturity, redemption, or otherwise) either (i) shall have been made or caused to be made in accordance with the terms thereof (including the giving of any required notice of redemption) or (ii) shall have been provided for on or before such due date by irrevocably depositing with or making available to a person described by Section 1207.061(a), Texas Government Code, as amended (a "Depository"), with respect to the safekeeping, investment, administration, and disposition of a deposit made under Section 1207.061, Texas Government Code, as amended, for such payment (the "Deposit") (A) lawful money of the United States of America sufficient to make such payment or (B) Governmental Obligations, which may be in book-entry form, that mature and bear interest payable at times and in amounts sufficient to provide for the scheduled payment or redemption of any Defeased Bond. To cause any Bond scheduled to be paid or redeemed on a date later than the next scheduled interest payment date on such Bond to become a Defeased Bond, the District must, with respect to the Deposit, enter into an escrow or similar agreement with a Depository.

In connection with any defeasance of the Bonds, the District shall cause to be delivered: (i) in the event an escrow or similar agreement has been entered into with a Depository to effectuate such defeasance, a report of an independent firm of nationally recognized certified public accountants verifying the sufficiency of the escrow established to pay the Defeased Bonds in full on the maturity or redemption date thereof ("Verification"); or (ii) in the event no escrow

or similar agreement has been entered into, a certificate from the District's Financial Advisor certifying that the amount deposited with a Depository is sufficient to pay the Defeased Bonds in full on the maturity or redemption date thereof. In addition to the required Verification or certificate, the District shall also cause to be delivered an opinion of nationally recognized bond counsel to the effect that the Defeased Bonds are no longer outstanding pursuant to the terms hereof and a certificate of discharge of the Paying Agent/Registrar with respect to the Defeased Bonds. The Verification, if any, and each certificate and opinion required hereunder shall be acceptable in form and substance, and addressed, if applicable, to the Paying Agent/Registrar and the District. The Bonds shall remain outstanding hereunder unless and until they are in fact paid and retired or the above criteria are met.

At such time as any Bond shall be deemed to be a Defeased Bond hereunder, and all herein required criteria have been met, such Bond and the interest thereon shall no longer be outstanding or unpaid and shall no longer be entitled to the benefits of the pledge of the security interest granted under this Order, and such principal and interest shall be payable solely from the Deposit of money or Government Obligations. Provided, however, the District has reserved the option, to be exercised at the time of the defeasance of the Bonds, to call for redemption, at an earlier date, those Bonds which have been defeased to their maturity date, if the District: (i) in the proceedings providing for the firm banking and financial arrangements, expressly reserves the right to call the Bonds for redemption; (ii) gives notice of the reservation of that right to the owners of the Bonds immediately following the making of the firm banking and financial arrangements; and (iii) directs that notice of reservation be included in any redemption notices that it authorizes.

(b) Any money so deposited with a Depository may at the written direct of the District also be invested in Government Obligations, maturing in the amounts and times as hereinbefore set forth, and all income from such Government Obligations received by a Depository which is not required for the payment of the Defeased Bonds and interest thereon, with respect to which such money has been so deposited, shall be used as directed by the District.

(c) Until all Defeased Bonds shall have become due and payable, the Paying Agent/Registrar shall perform the services of Paying Agent/Registrar for such Defeased Bonds the same as if they had not been defeased, and the District shall make proper arrangements to provide and pay for such services as required by this Order.

Section 15. Permanent School Fund Guarantee. The District has applied for and has received approval for the payment of the principal of and interest on the Bonds, when due, to be guaranteed by the corpus of the Permanent School Fund of the State of Texas (the "Permanent School Fund") subject to compliance with the Texas Education Agency's rules and regulations; in accordance with the provisions of Article 7, Section 5 of the Texas Constitution and Subchapter C of Chapter 45 of the Texas Education Code, as amended. The District hereby covenants to notify the Commissioner of Education of the State of Texas (the "Commissioner") immediately following (but not later than the fifth day before maturity date) a determination that the District is or will be unable to pay maturing or matured principal or interest on any Bond and will further notify the Commissioner of any default in the payment of principal or interest, when due, on any Bond. Immediately following such notice, the Commissioner is required by law to

cause to be transferred from the appropriate account of the Permanent School Fund to the Paying Agent/Registrar the amount necessary to pay the maturing or matured principal or interest, and in accordance with Texas Education Code § 45.061, the Comptroller of Public Accounts will withhold the amount paid, plus interest, from the first state money payable to the District in the following order: foundation school fund, available school fund. In the event of defeasance as described in Section 14, the Permanent School Fund Guarantee is removed in its entirety with respect to the Bonds defeased.

Section 16. State Assistance. The District represents it currently receives state assistance, and to the extent the District's ability to comply with Section 45.0031 of the Texas Education Code, as amended, with respect to the issuance of the Bonds is contingent on such state assistance, the District covenants and agrees a tax rate will not be adopted for a year to pay debt service on the Bonds unless the District has deposited to the credit of the Interest and Sinking Fund the amount of such state assistance received or to be received in that year and used in the demonstration to the Attorney General to comply with Section 45.0031.

Section 17. Order a Contract; Amendments. This Order shall constitute a contract with the Owners, from time to time, of the Bonds, binding on the District and its successors and assigns, and shall not be amended or repealed by the District as long as any Bond remains outstanding except as permitted in this Section. The District may, without the consent of or notice to any Owners, amend, change, or modify this Order as may be required (a) by the provisions hereof; (b) for the purpose of curing any ambiguity, inconsistency, or formal defect or omission herein; or (c) in connection with any other change which is not to the prejudice of the Owners. The District may, with the written consent of the Owners of the majority in aggregate principal amount of Bonds then outstanding affected thereby, amend, change, modify, or rescind any provisions of this Order; provided that without the consent of all of the Owners affected, no such amendment, change, modification, or rescission shall (i) extend the time or times of payment of the principal of and interest on the Bonds or reduce the principal amount thereof or the rate of interest thereon; (ii) give any preference to any Bond over any other Bond; (iii) extend any waiver of default to subsequent defaults; or (iv) reduce the aggregate principal amount of Bonds required for consent to any such amendment, change, modification, or rescission. When the District desires to make any amendment or addition to or rescission of this Order requiring consent of the Owners, the District shall cause notice of the amendment, addition, or rescission described in such notice and shall specifically consent to and approve the adoption thereof in substantially the form of the copy thereof referred to in such notice, thereupon, but not otherwise, the District may adopt such amendment, addition, or rescission in substantially such form, except as herein provided. No Owner may thereafter object to the adoption of such amendment, addition, or rescission, or to any of the provisions thereof, and such amendment, addition, or rescission shall be fully effective for all purposes.

Section 18. Sale and Delivery of Bonds.

(a) Sale. The sale of the Bonds to the Underwriter pursuant to the Bond Purchase Agreement is hereby confirmed and delivery of the Bonds to the Underwriter shall be made as soon as practicable, upon payment therefor, in accordance with the Bond Purchase Agreement. The Authorized Representative is hereby authorized to sign and deliver the Bond Purchase Agreement.

(b) Approval of Official Statement. The District hereby approves the form and content of the Official Statement relating to the Bonds and any addenda, supplement, or amendment thereto, and approves the distribution of such Official Statement in the reoffering of the Bonds by the Underwriter in final form, with such changes therein or additions thereto as the officer executing the same may deem advisable, such determination to be conclusively evidenced by his execution thereof. The form and content of and the distribution and use of the Preliminary Official Statement, dated \_\_\_\_\_, 2011, prior to the date hereof is hereby ratified and confirmed. The Board finds and determines that the Preliminary Official Statement is "deemed final" as that term is defined in 17 C.F.R. Section 240.15c2-12.

(c) Legal Opinion. The Underwriter's obligation to accept delivery of the Bonds is subject to their being furnished an opinion of Escamilla, Poneck & Cruz, LLP, as Bond Counsel, such opinion to be dated and delivered as of the date of delivery and payment for the Bonds.

(d) Registration and Delivery. Upon the registration of the Initial Bond, the Comptroller of Public Accounts of the State of Texas is authorized and instructed to deliver the Initial Bond pursuant to the instruction of the President of the Board (or his designee) for delivery to the Underwriter.

Section 19. Approval of Escrow Agreement. The President of the Board or his designee is hereby authorized and directed to execute and deliver and the Secretary of the Board (or his/her designee) is hereby authorized and directed to attest the Escrow Agreement.

Section 20. Use of Proceeds. The proceeds from the sale of the Bonds (after payment of costs of issuance and an underwriters' discount) shall be as follows: (i) accrued interest in the amount of \$ \_\_\_\_\_ on the Bonds shall be deposited to the credit of the Interest Sinking Fund; (ii) \$ \_\_\_\_\_ of the proceeds shall be deposited to credit of the Escrow Fund which proceeds, together with other funds on deposit therein and received from the investment thereof, shall be used to retire the Refunded Bonds.

Section 21. Matters Related to Refunding.

(a) In order that the District shall satisfy in a timely manner all of its obligations under this Order, the President of the Board and all other appropriate officers and agents of the District, including the Director of Finance (or their respective designees), are hereby authorized and directed to take all other actions that are reasonably necessary to provide for the refunding of the Refunded Bonds, including, without limitation, executing and delivering on behalf of the District all certificates, consents, receipts, requests, notices, and other documents as may be reasonably necessary to satisfy the District's obligations under this Order and to direct the transfer and application of funds of the District consistent with the provisions of this Order. The Escrow Agreement is hereby approved in substantially final form attached hereto as Exhibit "C," and the President and Secretary of the Board of Trustees or their respective designees of the District are hereby authorized, for and on behalf of the District, to approve any changes on the Escrow Agreement from the form attached hereto and to execute the Escrow Agreement in final form.

(b) The District hereby calls for redemption the Refunded Bonds and furthermore authorizes and directs notices of prior redemption of the Refunded Bonds to be given as provided in, the forms attached hereto as Exhibit "D."

(c) To assure the purchase of the Governmental Obligations referred to in the Escrow Agreement, the President of the Board (or his designee) and the Escrow Agent are hereby authorized to subscribe for, agree to purchase, and purchase non-callable obligations of the United States of America; including obligations that are unconditionally guaranteed by the United States, in such amounts and maturities and bearing interest at such rates as may be provided for in the Report referred to in the Escrow Agreement, and to execute any and all subscriptions, purchase agreements, commitments, letters of authorization, and other documents necessary to effectuate the foregoing, and any actions heretofore taken for such purpose are hereby ratified and approved.

(b) Annual Reports.

The District shall file annually with the MSRB (1) within six months after the end of each fiscal year ending in or after 2011, financial information and operating data with respect to the District of the general type included in the final Official Statement authorized by Section 18 of this Order, being the information described in Exhibit "E" hereto, and (2) if not provided as part of such financial information and operating data, audited financial statements of the District, when and if available. Any financial statements so to be provided shall be (i) prepared in accordance with the accounting principles described in Exhibit "E" hereto, or such other accounting principles as the District may be required to employ from time to time pursuant to state law or regulation, and (ii) audited, if the District commissions an audit of such statements and the audit is completed within the period during which they must be provided. If the audit of such financial statements is not complete within such period, then the District shall provide unaudited financial statements within such period and audited for the applicable fiscal year to the MSRB, when and if the audit report on such statements becomes available. Under current Texas law, including, but not limited to, Chapter 44, as amended, Texas Education Code, the District must keep its fiscal records in accordance with generally accepted accounting principles, must

have its financial accounts and records audited by a certified or permitted public accountant and must file each audit report with the Texas Education Agency within 150 days after the close of the District's fiscal year. Copies of each audit report must also be filed in the office of the District and with the Secretary, Board of Trustees. The District's fiscal records and audit reports are available for public inspection during the regular business hours of the Superintendent of Schools. Additionally, upon the filing of these financial statements and the annual audit, these documents are subject to the Texas Public Information Act, as amended, Texas Government Code, Chapter 552. Thereafter, any person may obtain copies of these documents upon submission of a written request to the Superintendent of Schools at United Independent School District, 201 Lindenwood Drive, Laredo, Texas 78045, and upon paying the reasonable copying, handling, and delivery charges for providing this information.

If the District changes its fiscal year, it will file notice of such change (and of the date of the new fiscal year end) with the MSRB prior to the next date by which the District otherwise would be required to provide financial information and operating data pursuant to this Section.

(c) Material Event Notices.

The District shall provide notice of any of the following events with respect to the Bonds to the MSRB in a timely manner and not more than 10 business days after occurrence of the event:

- (i) Principal and interest payment delinquencies;
- (ii) Non payment related defaults, if material;
- (iii) Unscheduled draws on debt service reserves reflecting financial difficulties;
- (iv) Unscheduled draws on credit enhancements reflecting financial difficulties;
- (v) Substitution of credit or liquidity providers, or their failure to perform;
- (vi) Adverse tax opinions, the issuance by the Internal Revenue Service of proposed or final determinations of taxability, Notices of Proposed Issue (IRS Form 5701-TEB), or other material notices or determinations with respect to the tax-exempt status of the Bonds, or other material events affecting the tax status of the Bonds;
- (vii) Modifications to rights of holders of the Bonds, if material;
- (viii) Bond calls, if material, and tender offers;
- (ix) Defeasances;
- (x) Release, substitution, or sale of property securing repayment of the Bonds, if material;
- (xi) Rating changes;

(xii) Bankruptcy, insolvency, receivership, or similar event of the District, which shall occur as described below;

(xiii) The consummation of a merger, consolidation, or acquisition involving the District or the sale of all or substantially all of its assets, other than in the ordinary course of business, the entry into of a definitive agreement to undertake such an action or the termination of a definitive agreement relating to any such actions, other than pursuant to its terms, if material; and

(xiv) Appointment of a successor or additional trustee or the change of name of a trustee, if material.

For these purposes, any event described in the immediately preceding paragraph (12) is considered to occur when any of the following occur; the appointment of a receiver, fiscal agent, or similar officer for the District in a proceeding under the United States Bankruptcy Code or in any other proceeding under state or federal law in which a court or governmental authority has assumed jurisdiction over substantially all of the assets or business of the District, or if such jurisdiction has been assumed by leaving the existing governing body and officials or officers in possession but subject to the supervision and orders of a court or governmental authority, or the entry of an order confirming a plan of reorganization, arrangement, or liquidation by a court or governmental authority having supervision or jurisdiction over substantially all of the assets or business of the District.

The District shall file with the MSRB, in a timely manner, notice of any failure by the District to provide financial information or operating data in accordance with this Section by the time required by this Section.

(d) Limitations, Disclaimers, and Amendments.

The District shall be obligated to observe and perform the covenants specified in this Section with respect to the District and the Bonds while, but only while, the District remains an "obligated person" with respect to the Bonds within the meaning of the Rule, except that the District in any event will provide the notice required by subsection (c) hereof of any Bond calls and defeasance that cause the District to be no longer such an "obligated person."

The provisions of this Section are for the sole benefit of the Holders and beneficial owners of the Bonds, and nothing in this Section, express or implied, shall give any benefit or any legal or equitable right, remedy, or claim hereunder to any other person. The District undertakes to provide only the financial information, operating data, financial statements, and notices which it has expressly agreed to provide pursuant to this Section and does not hereby undertake to provide any other information that may be relevant or material to a complete presentation of the financial results, condition, or prospects of the District or hereby undertake to update any information provided in accordance with this Section or otherwise, except as expressly provided herein. The District does not make any representation or warranty concerning such information or its usefulness to a decision to invest in or sell Bonds at any future date.

UNDER NO CIRCUMSTANCES SHALL THE DISTRICT BE LIABLE TO THE HOLDER OR BENEFICIAL OWNER OF ANY BOND OR ANY OTHER PERSON, IN CONTRACT OR TORT, FOR DAMAGES RESULTING IN WHOLE OR IN PART FROM ANY BREACH BY THE DISTRICT, WHETHER NEGLIGENT OR WITH OR WITHOUT FAULT ON ITS PART, OF ANY COVENANT SPECIFIED IN THIS SECTION, BUT EVERY RIGHT AND REMEDY OF ANY SUCH PERSON, IN CONTRACT OR TORT, FOR OR ON ACCOUNT OF ANY SUCH BREACH SHALL BE LIMITED TO AN ACTION FOR MANDAMUS OR SPECIFIC PERFORMANCE.

No default by the District in observing or performing its obligations under this Section shall constitute a breach of or default under this Order for purposes of any other provision of this Order.

Nothing in this Section is intended or shall act to disclaim, waive, or otherwise limit the duties of the District under federal and state securities laws.

The provisions of this Section may be amended by the District from time to time to adapt to changed circumstances resulting from a change in legal requirements, a change in law, or a change in the identity, nature, status, or type of operations of the District, but only if (1) the provisions of this Section, as so amended, would have permitted an underwriter to purchase or sell Bonds in the primary offering of the Bonds in compliance with the Rule, taking into account any amendments or interpretations of the Rule to the date of such amendment, as well as such changed circumstances, and (2) either (a) the Holders of a majority in aggregate principal amount (or any greater amount required by any other provision of this Order that authorizes such an amendment) of the Outstanding Bonds consent to such amendment or (b) a person that is unaffiliated with the District (such as nationally recognized bond counsel) determines that such amendment will not materially impair the interests of the Holders and beneficial owners of the Bonds. The District may also repeal or amend the provisions of this Section if the SEC amends or repeals the applicable provisions of the Rule or any court of final jurisdiction enters judgment that such provisions of the Rule are invalid, and the District also may amend the provisions of this Section in its discretion in any other manner or circumstance, but in either case only if and to the extent that the provisions of this sentence would not have prevented an underwriter from lawfully purchasing or selling Bonds in the primary offering of the Bonds, giving effect to (a) such provisions as so amended and (b) any amendments or interpretations of the Rule. If the District so amends the provisions of this Section, it shall include with any amended financial information or operating data next provided in accordance with subsection B of this Section an explanation, in narrative form, of the reasons for the amendment and of the impact of any change in the type of financial information or operating data so provided.

(e) Information Format; Incorporation by Reference.

The District information required under this Section shall be filed with the MSRB through EMMA in such format and accompanied by such identifying information as may be specified from time to time thereby. Under the current rules of the MSRB, continuing disclosure documents submitted to EMMA must be in word-searchable portable document format (PDF) files that permit the document to be saved, viewed, printed, and retransmitted by electronic

means and the series of bonds to which such continuing disclosure documents relate must be identified by CUSIP number or numbers.

Financial information and operating data to be provided pursuant to this Section may be set forth in full in one or more documents or may be included by specific reference to any document (including an official statement or other offering document) available to the public through EMMA or filed with the United States Securities and Exchange Commission.

Section 23. Perfection of Security. Chapter 1208, Texas Government Code, applies to the issuance of the Bonds and the pledge of the proceeds of *ad valorem* taxes thereto, and such pledge is, therefore, valid, effective, and perfected. Should Texas law be amended at any time while the Bonds are outstanding and unpaid, the result of such amendment being that the pledge of the *ad valorem* tax proceeds is to be subject to the filing requirements of Chapter 9, Texas Business & Commerce Code, in order to preserve to the registered owners of the Bonds a security interest in such pledge, the District agrees to take such measures as it determines are reasonable and necessary to enable a filing of a security interest in said pledge to occur.

Section 24. Further Procedures. The President and the Secretary of the Board or their respective designees, and the Superintendent of Schools, and all other officers, employees, attorneys, and agents of the District, and each of them, shall be and they are hereby expressly authorized, empowered, and directed from time to time and at any time to do and perform all such acts and things and to execute, acknowledge, and deliver in the name and under the seal and on behalf of the District, all such instruments, whether or not herein mentioned, as may be necessary or desirable in order to carry out the terms and provisions of this Order, the Bonds, and the Bond Purchase Agreement. In case any officer whose signature shall appear on any Bond shall cease to be such officer before the delivery of such Bond, such signature shall nevertheless be valid and sufficient for all purposes the same as if such officer had remained in office until such delivery. Prior to the initial delivery of the Bonds, the President and the Secretary of the Board (or their respective designees) and Bond Counsel to the District are hereby authorized and directed to approve any technical changes or corrections to this Order or to any of the instruments authorized by this Order necessary in order to (i) correct any ambiguity or mistake or properly or more completely document the transactions contemplated and approved by this Order, (ii) obtain a rating from any of the national bond rating agencies, or (iii) obtain the approval of the Bonds by the Texas Attorney General's office.

Section 25. Miscellaneous Provisions.

(a) Titles Not Restrictive. The titles assigned to the various sections of this Order are for convenience only and shall not be considered restrictive of the subject matter of any section or of any part of this Order.

(b) Inconsistent Provisions. All orders and resolutions, or parts thereof, which are in conflict or inconsistent with any provision of this Order are hereby repealed and declared to be inapplicable, and the provisions of this Order shall be and remain controlling as to the matters prescribed herein.

(c) Severability. If any word, phrase, clause, paragraph, sentence, part, portion, or provision of this Order or the application thereof to any person or circumstance shall be held to be invalid, the remainder of this Order shall nevertheless be valid and the Board hereby declares that this Order would have been enacted without such invalid word, phrase, clause, paragraph, sentence, part, portion, or provisions.

(d) Governing Law. This Order shall be construed and enforced in accordance with the laws of the State of Texas.

(e) Open Meeting. The Board officially finds and determines that the meeting at which this Order is adopted was open to the public; and that public notice of the time, place, and purpose of such meeting was given, all as required by Chapter 551, Texas Government Code.

Section 26. Book-Entry-Only System.

(a) The Definitive Bonds shall be initially issued in the name of Cede & Co., as nominee of DTC, as Registered Owner of the Bonds, and held in custody of DTC. A single certificate will be issued and delivered to DTC for each maturity of the Bonds. Beneficial owners of Definitive Bonds will not receive physical delivery of Bond certificates except as provided hereinafter. For so long as DTC shall continue to serve as securities depository for the Bonds as provided herein, all transfers of beneficial ownership interest will be made by book-entry-only, and no investor or other person purchasing, selling, or otherwise transferring beneficial ownership of Bonds is to receive, hold, or deliver any Bond certificate. No person shall acquire or hold any beneficial interest in any Bond representing a portion of the principal amount of such Bond which is other than \$5,000 or an integral multiple thereof.

(b) Replacement Definitive Bonds may be issued directly to beneficial owners of Bonds other than DTC, or its nominee, but only in the event that (i) DTC determines not to continue to act as securities depository for the Bonds (which determination shall become effective no less than 90 days after written notice to such effect to the District and the Paying Agent/Registrar); or (ii) the District has advised DTC of its determination (which determination is conclusive as to DTC and beneficial owners of the Bonds) that DTC is incapable of discharging its duties as securities depository for the Bonds; or (iii) the District has determined (which determination is conclusive as to DTC and the beneficial owners of the Bonds) that the interests of the beneficial owners of the Bonds might be adversely affected if such book-entry only system of transfer is continued. Upon occurrence of any event described in (i) or (ii) above, the District shall use its best efforts to attempt to locate another qualified securities depository. If the District fails to locate another qualified securities depository to replace DTC, the District shall cause to be executed, authenticated, and delivered replacement Bonds, in certificate form, to the DTC participants having an interest in the Bonds as shown on the records of DTC provided by DTC to the District. In the event that the District makes the determination described in (iii) above and has made provisions to notify the beneficial owners of Bonds of such determination by mailing an appropriate notice to DTC, it shall cause to be issued replacement Bonds in certificate form to the DTC participants having an interest in the Bonds as shown on the records of DTC provided by DTC to the District. The District undertakes no obligation to make any investigation to determine the occurrence of any events that would permit the District to make any determination described in (ii) or (iii) above.

(c) Whenever, during the term of the Bonds, the beneficial ownership thereof is determined by a book entry at DTC, the requirements in this Order of holding, delivering, or transferring Bonds shall be deemed modified to require the appropriate person or entity to meet the requirement of DTC as to registering or transferring the book entry to produce the same effect.

(d) If at any time, DTC ceases to hold the Bonds, all references herein to DTC shall be of no further force or effect.
