(LEGAL) vs. (LOCAL): Remember the Difference

Legal policies:

- Reflect the ever-changing legal context for governance and management of the district
- Inform local decision making
- Are NOT adopted, but only reviewed

Local policies:

- Require close attention by the administration and the board
- Reflect the practices of the district and the intentions of the board
- Are changed only by board action (adopt, revise, or repeal)

Keep Your Administrative Regulations Current

[*Regulations Resource Manual*](#)⁶ Update 69, which includes revisions to model regulations and forms corresponding with Update 123, will soon be available through the Governance and Management Library (*TASB login required*).

Inspect your district's administrative procedures and documents — including exhibits, regulations, handbooks, and guides — that may be affected by Update 123 policy changes.

If you need to make changes to the regulations or exhibits contained in your board policy manual, please notify your policy consultant.

ATTN(NOTE)

GENERAL INFORMATION ABOUT THIS UPDATE

Please note:

Unless otherwise noted, references to legislative bills throughout these explanatory notes refer to Senate Bills (SB) or House Bills (HB) from the 88th Legislature, regular and special sessions. All referenced bills have already gone into effect unless otherwise noted.

The Local Policy Overview for Update 123, available with your Update 123 materials under [Local Manual Updates](#) on Policy Online® (TASB login required), provides a general, high-level overview of the changes to the local policies included in the update. **Legal policies provide the legal framework for key areas of district operations and are not adopted by the board.**

AIB(LEGAL)

ACCOUNTABILITY: PERFORMANCE REPORTING

The Results Driven Accountability (RDA) section of the policy has been deleted. TEA included RDA information in the Accountability Manual starting in 2023 and repealed the RDA information in the Administrative Code. This change aims to streamline information used in academic accountability and RDA systems.

AIC(LEGAL)

ACCOUNTABILITY: INTERVENTIONS AND SANCTIONS

A citation to the Administrative Code has been included under Student Enrollment and Assignment, Enrollment Provision in Contract, regarding campuses that are closed and repurposed.

As 19 TAC 97.2005 has been repealed, the reference to Results Driven Accountability has been deleted from the section on Special Program Performance Determination.

AIE(LEGAL)

ACCOUNTABILITY: INVESTIGATIONS

The word "accreditation" has been removed as a descriptor for investigations in two places within the policy after an amendment to the Administrative Code, effective January 17, 2024.

BBA(LEGAL)

BOARD MEMBERS: ELIGIBILITY/QUALIFICATIONS

At Intent to Return, language from the Election Code has been included to minimize confusion regarding the specific requirements for establishing an intent to return to the individual's residence after a temporary absence.

BBB(LEGAL)

ELECTIONS: POST-ELECTION PROCEDURES

HB 5180 added new requirements for public inspection of election records. A reference has been added at Election Records regarding where to find information on public inspection of those records for districts who serve as custodians of their own election records.

BBD(LOCAL)

BOARD MEMBERS: TRAINING AND ORIENTATION

HB 3033 authorizes the attorney general to require trustees to complete training on the Public Information Act if the attorney general finds that there has been a violation of the Act. Language is recommended to make clear that this training after a violation cannot be delegated to the district's Public Information Act coordinator.

BBFA(LOCAL)

ETHICS: CONFLICT OF INTEREST DISCLOSURES

Language is recommended to clarify that a trustee's ethical duty to disclose a financial or other personal interest in board transactions goes beyond the statutory conflicts of interest set out in state and federal law. The added language serves to demonstrate a commitment to avoid undue influence, increase transparency, and avoid the appearance of impropriety in public dealings.

CCG(LEGAL) LOCAL REVENUE SOURCES: AD VALOREM TAXES

HB 3273, effective January 1, 2024, revised the Tax Code and requires a taxing unit, including a school district, to provide specific notice to property owners on its website. These provisions have been included in the Appraisal District Property Tax Database section of the policy.

CCGA(LEGAL) AD VALOREM TAXES: EXEMPTIONS AND PAYMENTS

This policy has been updated to indicate that a board that adopted an exemption for the 2022 tax year may not reduce the amount or repeal that exemption based on SB 2 from the second special session of the 88th Legislature. [See Homestead, Local Options.]

HB 4559, from the 88th regular session, increased the population range for certain districts to provide that the split payment option does not apply to the district's taxes collected by another taxing unit that has adopted that option. [See Split Payments, In Certain Counties.]

CCGB(LEGAL) AD VALOREM TAXES: ECONOMIC DEVELOPMENT

HB 4559 increased the population threshold for determining a large municipality for provisions related to the appointment of reinvestment zone board members. [See Tax Increment Financing Act, Large Municipality.]

Substantial changes have also been made based on HB 5 to incorporate the Texas Jobs, Energy, Technology, and Innovation Act.

CCGB(LOCAL) AD VALOREM TAXES: ECONOMIC DEVELOPMENT

Substantial changes are recommended to remove provisions addressing expired laws related to Tax Code Chapter 313 agreements. If your district consulted with legal counsel to revise this policy, we recommend discussing the proposed revisions with them. If the district's agreements have expired completely, please contact your policy consultant for additional revisions.

CKB(LEGAL) SAFETY PROGRAM/RISK MANAGEMENT: ACCIDENT PREVENTION AND REPORTS

TEA's amendments to the Administrative Code rules for mandatory school drills necessitated reorganization of definitions and added clarity to several sections of the policy. Changes in this policy also reflect TEA's amendments to the Administrative Code rules related to active threat exercises.

CKC(LOCAL) SAFETY PROGRAM/RISK MANAGEMENT: EMERGENCY PLANS

A section on Notice Regarding Violent Activity is recommended to comply with legal requirements. Administrative procedures must be created to align with TEA's model standards.

CKE(LOCAL) SAFETY PROGRAM/RISK MANAGEMENT: SECURITY PERSONNEL

To address in one policy all security arrangements a district may have implemented, we have added CKE(LOCAL) and moved the relevant provisions from CKEC(LOCAL) to this code.

Significant revisions are recommended to the CKE policy series to promote compliance and clarification with HB 3 and other legal requirements.

Provisions relating to school resource officers have been edited to clarify that a district may have agreements with multiple law enforcement agencies depending on district needs and jurisdiction. A statement regarding the jurisdiction of school resource officers has been added. The policy also now includes a list of authority and duties as reflected in the controlling memorandum of understanding.

Explanatory Notes

TASB Localized Policy Manual Update 123

Smithville ISD

Based on the district's security survey responses, new provisions have been added to address the jurisdiction of contracted security officers, the authorization process for such officers to possess firearms, the revocation of authority to possess a firearm, the duties of contracted security officers, and topics on which these officers will be trained.

The Legal Issues in Update 123 memo, available with your Update 123 materials under [Local Manual Updates](#) on Policy Online (TASB login required), describes common legal concerns and best practices specific to this policy's topic.

CKEC(LOCAL) SECURITY PERSONNEL: SCHOOL RESOURCE OFFICERS

To address in one policy all security arrangements the district has implemented, we have deleted this policy and moved the provisions to CKE(LOCAL).

CKED(LEGAL) SECURITY PERSONNEL: OTHER SECURITY ARRANGEMENTS

The provisions of this policy address commissioned security officers with Level III training under the Department of Public Safety hired through a security services contractor or as a district employee in accordance with the Education Code and the Occupations Code.

CMD(LEGAL) EQUIPMENT AND SUPPLIES MANAGEMENT: INSTRUCTIONAL MATERIALS CARE AND ACCOUNTING

Cross-references throughout this policy have been updated to EFA since policy EF has been separated into EFA (instructional materials) and EFB (library materials).

CPC(LEGAL) OFFICE MANAGEMENT: RECORDS MANAGEMENT

Edits to this policy at Destruction of Records remove a reference to 13 TAC 7.123(c), which was deleted from Texas State Library and Archives Commission rules, effective March 6, 2024.

CQA(LEGAL) TECHNOLOGY RESOURCES: DISTRICT, CAMPUS, AND CLASSROOM WEBSITES

HB 3273, effective January 1, 2024, requires school districts to post a notice informing property owners of the property tax database maintained by the appraisal district. Language has been added at item 28 under the section on Other Required Internet Postings.

CQC(LEGAL) TECHNOLOGY RESOURCES: EQUIPMENT

A section on Guidelines for Use of Digital Devices has been added to address the TEA and Health and Human Services Commission model health and safety guidelines for the use of digital devices, which are required by the Education Code and were issued in October 2023.

CQC(LOCAL) TECHNOLOGY RESOURCES: EQUIPMENT

This new local policy is recommended to meet the legal requirement for the board to adopt a policy for the effective integration of digital devices in the district. The policy language adopts the model health and safety guidelines developed by TEA and the Health and Human Services Commission and clarifies that the superintendent must develop regulations for implementation.

DGBA(LOCAL) PERSONNEL-MANAGEMENT RELATIONS: EMPLOYEE COMPLAINTS/GRIEVANCES

Extensive revisions within the CKE policy series necessitated an update to the cross-reference in the list of other complaint processes.

DNA(LEGAL) PERFORMANCE APPRAISAL: EVALUATION OF TEACHERS

Amendments to the Administrative Code allow districts to begin using the Alternate Domain I rubric as part of the Texas Teacher Evaluation and Support System (T-TESS) beginning with the 2024-25 school year. Language has been updated to reflect this change.

The section on School Psychological Services has been amended to provide additional clarity and to set out the correct title for licensed specialists in school psychology (LSSPs) as indicated in the Administrative Code.

EEH(LOCAL) INSTRUCTIONAL ARRANGEMENTS: HOMEBOUND INSTRUCTION

TEA's revisions to the *Student Attendance Accounting Handbook (SAAH)* prompted recommended updates to this policy. Students may now receive homebound services for psychological, as well as medical, conditions. The *SAAH* also indicates that the weeks of confinement due to a medical or psychological condition do not need to be consecutive to qualify. The policy language has been updated to reflect this change.

EF(LEGAL) INSTRUCTIONAL RESOURCES

In order to clarify the differences in requirements for instructional materials and library materials, as well as to accommodate the new library collection development standards, policy EF has been divided into EFA (instructional material) and EFB (library material). The content in EF(LEGAL) has moved to either EFA or EFB, as appropriate.

EFA(LEGAL) INSTRUCTIONAL RESOURCES: INSTRUCTIONAL MATERIALS

Content regarding instructional material review and federally required parental inspection has been moved from EF(LEGAL) to EFA(LEGAL).

EFA(LOCAL) INSTRUCTIONAL RESOURCES: INSTRUCTIONAL MATERIALS

Revisions at Selection are recommended to clarify that instructional materials must be chosen in accordance with stated objectives and administrative regulations and may include items from the State Board of Education list.

At Reconsideration of Instructional Materials, the list of individuals who can submit a request for reconsideration has been revised. This change is recommended to align with the list provided in the new EFB(LOCAL), which permits an employee or parent or guardian to submit these requests. If the district would like to expand this list, please contact your policy consultant.

Implementation

The federal report card shall be concise; presented in an understandable and uniform format, and to the extent practicable, in a language that parents can understand; and accessible to the public, which shall include placing the report card on the district's website. If the district does not operate a website, the information in the report card must be provided to the public in another manner determined by the district.

The commissioner shall provide information that permits a board member to compare the district's academic performance with the academic performance of other districts of similar size and racial and economic demographics.

A district must provide requested information to the commissioner for the creation of the website. Confidential information received by the commissioner remains confidential. The commissioner shall design the website to ensure that public information is made available to the public, and information submitted by districts noted as confidential is not made available to the public.

A request for public information under this provision shall be submitted to the district that provides the agency with the information. TEA may not release information submitted by a district that is noted as confidential information.

Action

The commissioner of education shall take any of the actions authorized by Education Code Chapter 39A, Subchapter A, to the extent the commissioner determines necessary if:

1. A district does not satisfy:
 - a. The accreditation criteria under Education Code 39.052 [see AIA];
 - b. The academic performance standards under Education Code 39.053 or 39.054 [see AIA]; or
 - c. Any financial accountability standard as determined by commissioner rule [see CFA]; or
2. The commissioner considers the action to be appropriate on the basis of a special investigation under Education Code 39.003.

Education Code 39A.001

*Authorized
Commissioner
Actions*

If a district is subject to commissioner action, the commissioner may:

1. Issue public notice of the deficiency to the board;
2. Order a hearing to be conducted by the board to notify the public of:
 - a. The insufficient performance;
 - b. The improvements in performance expected by the Texas Education Agency (TEA); and
 - c. The interventions and sanctions that may be imposed if the performance does not improve;
3. Order the preparation of a student achievement improvement plan that addresses each academic achievement indicator under Education Code 39.053(c) for which the district's performance is insufficient, the submission of the plan to the commissioner for approval, and the implementation of the plan;
4. Order a hearing to be held before the commissioner or the commissioner's designee at which the president of the board and the district's superintendent shall appear and explain the district's low performance, lack of improvement, and plans for improvement;
5. Arrange a monitoring review of the district;
6. Appoint a TEA monitor to participate in and report to TEA on the activities of the board or superintendent;

7. Appoint a conservator to oversee the operations of the district;
8. Appoint a management team to direct the operations of the district in areas of insufficient performance or require the district to obtain certain services under a contract with another person;
9. Authorize the district to enter into a memorandum of understanding with an institution of higher education that provides for the assistance of the institution of higher education in improving the district's performance; or
10. Order the use of the board improvement and evaluation tool as provided by Education Code 11.182 [see BG].

Education Code 39A.002

Regardless of whether the commissioner lowers a district's status or rating, the commissioner may take action under Education Code Chapters 39 and 39A or 19 Administrative Code 97.1057 if the commissioner determines that the action is necessary to improve any area of performance by the district or campus.

Subject to 19 Administrative Code 97.1057(h)-(k), once the commissioner takes action under 19 Administrative Code Chapter 97, Subchapter EE (accreditation status, standards, and sanctions), the commissioner may impose on the district or campus any other sanction under Education Code Chapter 39 or 39A, or Subchapter EE, singly or in combination, to the extent the commissioner determines is reasonably required to achieve the purposes specified in 19 Administrative Code 97.1053.

19 TAC 97.1057(c), (e)

In making a determination to impose district and campus accreditation sanctions under 19 Administrative Code Chapter 97, Subchapter EE, the commissioner shall meet the requirements of 19 Administrative Code 97.1059. *19 TAC 97.1059*

Conservator or
Management Team

The commissioner shall clearly define the powers and duties of a conservator or management team appointed to oversee the operations of a district.

At least every 90 days, the commissioner shall review the need for the conservator or management team and shall remove the conservator or management team unless the commissioner determines that continued appointment is necessary for effective governance of the district or delivery of instructional services.

A conservator or management team, if directed by the commissioner, shall prepare a plan for the implementation of the appointment of a board of managers or the revocation of accreditation.

The conservator or management team may:

1. Direct an action to be taken by the principal of a campus, the superintendent of the district, or the board; and
2. Approve or disapprove any action of the principal of a campus, the superintendent of the district, or the board.

3. Set a tax rate for the district; and
4. Adopt a budget for the district that provides for spending a different amount, exclusive of required debt service, from that previously adopted by the board.

A conservator or management team may exercise the powers and duties defined by the commissioner or described above regardless of whether the conservator or management team was appointed to oversee the operations of a district in its entirety or the operations of a certain campus within the district.

Education Code 39A.003

Regardless of whether a district has satisfied the accreditation criteria, if for two consecutive school years, including the current school year, a district has had a conservator or management team assigned to the district or campus for any reason, the commissioner may appoint a board of managers, a majority of whom must be residents of the district, to exercise the powers and duties of the board of trustees. For purposes of this subsection, a school year begins on the first day of instruction and includes any portion of the school year. This applies to an appointed conservator or management team, regardless of the scope or any changes to the scope of the conservator's or team's oversight. *19 TAC 97.1057(d); Education Code 39A.006(a)-(b)*

A campus turnaround plan must take effect not later than the school year following the third consecutive school year that the campus has received an unacceptable performance rating. *Education Code 39A.106*

Commissioner
Approval or
Rejection

Not later than June 15 of each year, the commissioner shall, in writing, either approve or reject any campus turnaround plan prepared and submitted to the commissioner by a district. If the commissioner rejects a campus turnaround plan, the commissioner must also send the district an outline of the specific concerns regarding the turnaround plan that resulted in the rejection. *Education Code 39A.107(a-1)*

If the commissioner rejects a campus turnaround plan, the district must create a modified plan with assistance from TEA staff and submit the modified plan to the commissioner for approval not later than the 60th day after the date the commissioner rejects the campus turnaround plan. The commissioner shall notify the district in writing of the commissioner's decision regarding the modified plan not later than the 15th day after the date the commissioner receives the modified plan. *Education Code 39A.107(a-2)*

The commissioner may approve a campus turnaround plan only if the commissioner determines that the campus will satisfy all student performance standards required under Education Code 39.054(e) not later than the second year the campus receives a performance rating following the implementation of the campus turnaround plan.

Education Code 12.0522(b) does not apply to a district charter approved by the commissioner. An approved district charter may be renewed or continue in effect after the campus is no longer subject to the commissioner's order under Education Code 39A.101.

If the commissioner does not approve a campus turnaround plan, the commissioner shall order:

1. Appointment of a board of managers to govern the district;
2. Alternative management of the campus; or

1. Implement the campus turnaround plan;
2. Implement a modified version of the campus turnaround plan; or
3. Withdraw the campus turnaround plan.

A district required to implement a campus turnaround plan may modify the plan if the campus receives an acceptable performance rating for two consecutive school years following implementation of the plan.

If the commissioner is presented, in the time and manner specified by commissioner rule, with a written petition signed by the parents of a majority of the students enrolled at a campus with an unacceptable performance rating for three consecutive school years, specifying an authorized action that the parents request the commissioner to order, the commissioner shall order the specific action requested.

If the board presents to the commissioner, in the time and manner specified by commissioner rule, a written request that the commissioner order specific authorized action other than the specific action requested in the parents' petition and a written explanation of the basis for the board's request, the commissioner may order the action requested by the board.

Repurposing of
Closed Campus

If the commissioner orders the closure of a campus, that campus may be repurposed to serve students at that campus location only if the commissioner finds that the repurposed campus offers a distinctly different academic program and approves a new campus identification number for the repurposed campus. A campus may be repurposed if the campus:

Qualifications of
Managing Entity

To qualify for consideration as a managing entity, the entity must submit a proposal that provides information relating to the entity's management and leadership team that will participate in management of the campus under consideration, including information relating to individuals who have:

1. Documented success in whole school interventions that increased the educational and performance levels of students in campuses considered to have an unacceptable performance rating;

Education Code 39A.152

Contract with
Managing Entity

If the commissioner has ordered alternative management of a campus, the district shall execute a contract with an approved provider to serve as a managing entity for the campus. The term of the contract may not exceed five years with an option to renew the contract. The district must execute the contract and relinquish control of the campus before January 1 of the school year.

The management contract must include:

1. A provision describing the district's responsibilities in supporting the operation of the campus; and

2. Provisions approved by the commissioner requiring the managing entity to demonstrate improvement in campus performance, including negotiated performance measures.

Performance measures must be consistent with the priorities of Education Code Chapters 39 and 39A.

The management contract must be approved by the commissioner before the contract is executed. As appropriate, the commissioner may require the district, as a term of the contract, to support the campus in the same manner as the district was required to support the campus before the execution of the contract.

The terms of the contract must be approved by the commissioner.
Education Code 39A.154

*Evaluation of
Managing Entity*

The commissioner shall evaluate a managing entity's performance on the first and second anniversaries of the date of the management contract.

1. Terminate the contract, with the commissioner's consent, for nonperformance or breach of contract; and
2. Select another provider from an approved list provided by the commissioner.

If the evaluation fails to demonstrate significant improvement, as determined by the commissioner, by the second anniversary of the date of the management contract, the district shall:

1. Terminate the contract; and

Board of Managers
of District

Notwithstanding Education Code 11.151(b) or 11.1511(a) or any other provision of the Education Code, if the commissioner appoints a board of managers to govern a district:

1. The powers of the board are suspended for the period of the appointment; and
2. The commissioner shall appoint a district superintendent.

A board of managers appointed to govern a school district may amend the budget of the district.

Education Code Chapter 39A applies to a school district governed by a board of managers in the same manner it applies to any other district.

Education Code 39A.202

Composition of
Board of Managers

A board of managers appointed by the commissioner must, if possible, include community leaders, business representatives who have expertise in leadership, and individuals who have knowledge or expertise in the field of education. *Education Code 39A.204*

Training of Board of
Managers

The commissioner must provide each individual appointed to a board of managers with training in effective leadership strategies. *Education Code 39A.205*

The training in effective leadership strategies shall be provided by TEA-approved authorized providers of board training to each individual appointed by the commissioner to a board of managers, and, following the expiration of the appointment of the board of managers, to the board of trustees of the school district. *19 TAC 97.1073(h)*

Compensation

The commissioner may authorize payment of a board of managers from TEA funds.

A conservator or a member of a management team appointed to serve on a board of managers may continue to be compensated as determined by the commissioner.

Education Code 39A.206

Replacement of
Member of Board of
Managers

The commissioner may at any time replace a member of a board of managers. The commissioner may adopt rules necessary to implement this section. *Education Code 39A.207*

Expiration of
Appointment

A board of managers shall, during the period of the appointment, order the election of members of the board of trustees of the school district in accordance with the law. The members of the board of trustees do not assume any powers or duties after the election until the appointment of the board of managers expires.

Not later than the second anniversary of the date the board of managers of a school district was appointed, the commissioner shall notify the board of managers and the board of trustees of the date on which the appointment of the board of managers will expire. Following each of the last three years of the period of the appointment, one-third of the members of the board of managers shall be replaced by the number of members of the board of trustees who were elected at an election that constitutes, as closely as possible, one-third of the membership of the board of trustees.

If, before the second anniversary of the date the board of managers of a school district was appointed, the commissioner determines, after receiving local feedback, that insufficient progress has been made toward improving the academic or financial performance of the district, the commissioner may extend the authority of the board of managers for a period of up to two additional years.

On the expiration of the appointment of the board of managers, the board of trustees assumes all of the powers and duties assigned to a board of trustees by law, rule, or regulation.

Following the expiration of the period of appointment of a board of managers for a school district, the commissioner shall provide training in effective leadership strategies to the board of trustees.

Education Code 39A.208; 19 TAC 97.1073

Removal of Board
of Managers

The commissioner may remove a board of managers appointed to govern a school district only if the campus that was the basis for the appointment of the board of managers receives an acceptable performance rating for two consecutive school years.

If a campus that was the basis for the appointment of a board of managers receives an unacceptable performance rating for two additional consecutive years following the appointment of the board of managers, the commissioner may remove the board of managers and, in consultation with the local community, may appoint a new board of managers to govern the district.

Following the removal of a board of managers, or at the request of a managing entity to oversee the implementation of alternative management, the commissioner may appoint a conservator or monitor for the district to ensure district-level support for low-performing campuses and to oversee the implementation of the updated targeted improvement plan.

Education Code 39A.209; 19 TAC 97.1073

**Challenge of
Intervention or
Sanction**

Review of
Sanctions by SOAH

A district must appeal under this provision if the district intends to challenge the commissioner's decision to close the district or a campus, pursue alternative management of a campus, appoint a board of managers to the district, or appoint a conservator or management team to the district.

A challenge is under the substantial evidence rule [see Government Code Chapter 2001, Subchapter G]. The commissioner shall adopt procedural rules for a challenge under this section.

Notwithstanding other law:

1. The State Office of Administrative Hearings (SOAH) shall conduct an expedited review of a challenge;
2. The administrative law judge shall issue a final order not later than the 30th day after the date on which the hearing is finally closed;
3. The decision of the administrative law judge is final and may not be appealed; and
4. The decision of the administrative law judge may set an effective date for an action under this section.

Education Code 39A.301

Appeals

If an order, decision, or determination is described as final in Education Code Chapter 7, 11, 12, 39, or 39A, an interlocutory or intermediate order, decision, report, or determination made or reached before the final order, decision, or determination may be appealed only as specifically authorized by the Education Code or a rule adopted under the Education Code. *Education Code 5.003*

A decision by the commissioner under Education Code Chapter 39 or 39A is final and may not be appealed unless an applicable provision of Chapter 39 or 39A provides otherwise. *Education Code 39A.906*

Annual Review

The commissioner shall annually review the performance of a district or campus subject to intervention and sanction to determine the appropriate actions to be implemented.

The commissioner must review at least annually the performance of a district for which the accreditation status or performance rating has been lowered due to insufficient student performance and may not raise the accreditation status or performance rating until the district has demonstrated improved student performance.

If the review reveals a lack of improvement, the commissioner shall increase the level of state intervention and sanction unless the commissioner finds good cause for maintaining the current status.

Education Code 39A.901

Increasing Intensity

If a district or campus does not exhibit improvement in student performance, the commissioner may increase the intensity of intervention and sanction that would otherwise be required by statute or rule, including ordering campus closure, district annexation, or appointment of a board of managers.

For purposes of this section, improvement means an increase in the scaled score for the overall academic performance rating under Education Code Chapter 39.

**Intervention

Notwithstanding when a D rating is considered acceptable or any other law, the commissioner may require a district to comply with all requirements of the strong foundations grant program under Education Code 29.0881 at a campus that:

1. Includes students at any grade level from prekindergarten through fifth grade;
2. Is assigned an overall performance rating of D or F; and
3. Is in the bottom five percent of campuses in the state based on student performance on the grade three state reading assessment during the previous school year, as determined by the commissioner.

Education Code 39A.064(a)

**Miscellaneous
Provisions**

Acquisition of
Professional
Services

In addition to other authorized interventions and sanctions, the commissioner may order a district or campus to acquire professional services at the expense of the district or campus to address the applicable financial, assessment, data quality, program, performance, or governance deficiency. The commissioner's order may require the district or campus to:

1. Select or be assigned an external auditor, data quality expert, professional authorized to monitor district assessment instrument administration, or curriculum or program expert; or
2. Provide for or participate in the appropriate training of district staff or board members in the case of a district, or campus staff, in the case of a campus.

Education Code 39A.902

Costs Paid by
District

The costs of providing a monitor, conservator, management team, campus intervention team, technical assistance team, managing entity, or service provider shall be paid by the district. If the district fails or refuses to pay the costs in a timely manner, the commissioner may:

In reconstituting, repurposing, or imposing any other intervention or sanction on a campus, the commissioner may not require that the name of the campus be changed. *Education Code 39A.905*

Special Program
Performance
Determination

The commissioner shall assign districts an annual determination level based on performance levels of certain special populations student groups under 19 Administrative Code 97.1005 [repealed] according to the criteria and requirements in 19 Administrative Code 97.1071.

The commissioner shall notify in writing each district identified for review under this section as a result of assigned determination level or cyclical selection prior to requiring a district to implement or

participate in any activities included in 19 Administrative Code 97.1071(f)(1)-(6).

Actions taken under this section are intended to assist the district in raising its performance and/or achieving compliance under 19 Administrative Code 97.1005 and 74.28 and Education Code sections 28.006 and 38.003 and do not preclude or substitute for a sanction under another provision of Chapter 97, Subchapter EE.

19 TAC 97.1071(c), (g), (h)

Intervention Pause

Except as otherwise provided by 19 Administrative Code 97.1062 and unless extended by the commissioner, TEA will cease to enforce the interventions under Education Code 39A.101-39A.111 until conclusion of the second consecutive school year of operation under:

2. Designation as a mathematics innovation zone under Education Code 28.020 and applicable rules.

Any intervention or sanction not covered by the provision above shall continue.

If a campus ceases to qualify for the intervention pause at any point during a school year, TEA will resume previously ordered interventions and sanctions, order interventions and sanctions based on the rating from that school year, and count that rating for purposes of consecutive years of performance.

19 TAC 97.1062

Failure to Submit
Emergency
Operations Plan

If TEA receives notice from the Texas School Safety Center of a district's failure to submit a multihazard emergency operations plan [see CKC], the commissioner may appoint a conservator for the district under Education Code Chapter 39A. The conservator may order the district to adopt, implement, and submit a multihazard emergency operations plan. If a district fails to comply with a conservator's order to adopt, implement, and submit a multihazard emergency operations plan within the time frame imposed by the commissioner, the commissioner may appoint a board of managers under Education Code Chapter 39A to oversee the operations of the district. *Education Code 37.1082(a)-(b)*

Note: The following provisions apply to a district with a central administrative office that is located in a county with a population of more than two million and that has a student enrollment that is more than 125,000 and less than 200,000, and that is operating under a turnaround plan.

Student Board
Member

Notwithstanding Education Code 11.051(b) (number of trustees on a school board), the board may adopt a resolution establishing as a nonvoting member a student trustee position. If a board adopts such a resolution, the board shall adopt a policy addressing the topics specified in statute. A student trustee may not participate in a closed session of a board meeting [see BEC] in which any issue related to a personnel matter is considered. *Education Code 11.0511(a)-(f)*

**Special
Investigations**

The commissioner may authorize a special investigation:

1. When excessive numbers of absences of students eligible to be tested on state assessment instruments are determined;
2. When excessive numbers of allowable exemptions from the required state assessment are determined;
3. In response to complaints to the Texas Education Agency (TEA) of alleged violations of civil rights or other requirements imposed on the state by federal law or court order;
4. In response to established compliance reviews of the district's financial accounting practices and state and federal reporting requirements;
5. When extraordinary numbers of student placements in disciplinary alternative education programs, other than placements under Education Code 37.006 and 37.007, are determined;
6. In response to an allegation involving a conflict between members of the board or between the board and the district administration if it appears that the conflict involves a violation of a role or duty of the board members or the administration clearly defined by the Education Code. If TEA's findings indicate the board has observed a lawfully adopted policy, TEA may not substitute its judgment for that of the board;
7. When excessive numbers of students in special education programs are assessed through modified assessment instruments;
8. In response to an allegation regarding, or an analysis using a statistical method result indicating, a possible violation of an assessment instrument security procedure;
9. When a significant pattern of decreased academic performance has developed as a result of the promotion in the preceding two school years of students who did not perform satisfactorily on the state assessments;
10. When excessive numbers of students eligible to enroll fail to complete an Algebra II course or any other advanced course as determined by the commissioner;
11. When resource allocation practices indicate a potential for significant improvement in resource allocation;
12. When a disproportionate number of students of a particular demographic group is graduating with a particular endorsement;

13. When an excessive number of students is graduating with a particular endorsement;
14. When a school district for any reason fails to produce, at the request of TEA, evidence or an investigation report relating to an educator who is under investigation by the State Board for Educator Certification;
15. When 10 percent or more of the students graduating in a particular school year from a particular high school campus are awarded a diploma based on the determination of an individual graduation committee under Education Code 28.0258;

18. As the commissioner otherwise determines necessary.

Education Code 39.003(a), (c)

TEA shall adopt written procedures for conducting special investigations, including procedures that allow TEA to obtain information from district employees in a manner that prevents a district or campus from screening the information. *Education Code 39.004(a)*

Note: The procedures for conducting a special investigation, holding a hearing following an investigation, the process for commissioner determinations, and judicial appeal are described in Education Code 39.004-.007.

Commissioner
Action

Based on the results of a special investigation, the commissioner may:

1. Take appropriate action under Education Code Chapter 39A, [see AIC];
2. Lower the district's accreditation status or a district's or campus's performance rating; or
3. Take action under both items 1 and 2 above.

Education Code 39.003(d)

At any time before issuing a report with the TEA's final findings, the commissioner may defer taking the above action until:

1. A person who is a third party, selected by the commissioner, has reviewed programs or other subjects of a special investigation and submitted a report identifying problems and proposing solutions;
2. A district completes a corrective action plan developed by the commissioner; or
3. The completion of actions under both items 1 and 2 above.

Education Code 39.003(e)

Based on the results of an action taken above, the commissioner may decline to take the deferred action. *Education Code 39.003(f)*

Note: The procedures for an informal review or hearing following an investigation are described in 19 Administrative Code Chapter 157, Subchapter EE.

In accordance with Education Code 7.028(a), TEA may monitor compliance with requirements applicable to a process or program provided by a district, campus, or program, only as necessary to ensure:

1. Compliance with federal law and regulations;
2. Financial accountability, including compliance with grant requirements;
3. Data integrity for purposes of:
 - a. The Public Education Information Management System (PEIMS); and
 - b. Accountability under Education Code Chapter 39 and 39A; and
4. Qualification for funding under Education Code Chapter 48.

The board has primary responsibility for ensuring that the district complies with all applicable requirements of state educational programs.

Education Code 7.028

Compliance Monitoring Activities

Districts are subject to general supervision and monitoring activities for compliance with state law and federal regulation and review

of program implementation and effectiveness within certain special populations of students.

Activities may include:

1. Random, targeted, or cyclical reviews authorized under Education Code 39.056 (monitoring reviews), conducted remotely or on-site to identify problems implementing state and federal requirements and to provide support for development of reasonable and appropriate strategies to address identified problems; and/or
2. Intensive or special investigative remote or on-site reviews authorized under Education Code 39.057 (redesignated to Education Code 39.003, special investigations).

Activities described in item 1, above, are applicable for compliance with requirements for reading diagnosis in Education Code 28.006 [see EKC] and dyslexia and related disorders in Education Code 38.003 and 19 Administrative Code 74.28 [see EHB].

The commissioner may at any time convert a monitoring review to a special investigation under Education Code 39.003, provided the commissioner promptly notifies the district of the conversion. *Education Code 39.056(h)*

Improvements

TEA shall report in writing to the superintendent and president of the board and shall make recommendations concerning any necessary improvements or sources of aid such as regional education service centers. A district that takes action with regard to the recommendations provided by TEA shall make a reasonable effort to seek assistance from a third party in developing an action plan to improve district performance using improvement techniques that are goal-oriented and research-based. *Education Code 39.056(e)-(f)*

Appeals

A decision by the commissioner under Education Code Chapter 39 or 39A is final and may not be appealed unless an applicable provision of Chapter 39 or 39A provides otherwise. *Education Code 39A.906* [See AIC]

**Compliance
Investigation**

A compliance investigation is an investigation by TEA of a state education grant recipient to determine compliance with the statutory or rule requirements of a state education program. A compliance investigation is not a special investigation subject to Education Code 39.003 and 39.004 (above). *19 TAC 102.1401(a)(1)*

Note: If the district is subject to a court order or other binding legal determination, the district shall conduct its elections in accordance with that court order or determination, applicable law, and this policy. To the extent of any conflict, the court order or other legal determination shall prevail. [See BBB(LOCAL)]

KP-0251 (2019) (concluding that the restoration of a convicted felon's qualification to vote under Election Code 11.002(a)(4)(A) after fully discharging a sentence does not restore the person's eligibility to hold public office under Election Code 141.001(a)(4))]

Residence

"Residence"
Defined

In the Election Code, "residence" means domicile, that is, one's home and fixed place of habitation to which one intends to return after any temporary absence. A person may not establish residence for the purpose of influencing the outcome of a certain election. A person does not lose the person's residence by leaving to go to another place for temporary purposes only. A person does not acquire a residence in a place to which the person has come for temporary purposes only and without the intention of making that place the person's home. A person may not establish a residence at any place the person has not inhabited. A person may not designate a previous residence as a home and fixed place of habitation unless the person inhabits the place at the time of designation and intends to remain. *Election Code 1.015*

Note: The issue of whether a candidate has satisfied residency requirements should be judicially determined. *State v. Fischer, 769 S.W.2d 619 (Tex. App.—Corpus Christi 1989, writ dismissed w.o.j.)*

Intent to Return

For purposes of satisfying the continuous residency requirement, a person who claims an intent to return to a residence after a temporary absence may establish that intent only if the person has made a reasonable and substantive attempt to effectuate that intent and has a legal right and practical ability to return to the residence. This does not apply to a person displaced from the person's residence

Note: If the district is subject to a court order or other binding legal determination, the district shall conduct its elections in accordance with that court order or determination, applicable law, and this policy. To the extent of any conflict, the court order or other legal determination shall prevail. [See BBB(LOCAL)]

Tie Votes

Second Election

In an election requiring a plurality, if two or more candidates for the same office tie for the number of votes required to be elected, a second election to fill the office shall be held in accordance with the deadlines and other requirements of Election Code 2.002.

Other Options

Casting Lots

The tying candidates may agree to cast lots to resolve the tie. The agreement must be filed with the board. The board president shall supervise the casting of lots.

Withdrawal

A tying candidate may resolve the tie by filing with the board a signed and acknowledged written statement of withdrawal. On receipt of the statement, the remaining candidate is the winner, and a second election or casting of lots is not held.

Automatic Recount

If the tie is not resolved by casting lots or withdrawal, an automatic recount shall be conducted under Election Code Chapter 216 before the second election is held. If the recount resolves the tie, the second election is not held.

If the recount does not resolve the tie, the tied candidates may cast lots not later than the day before the date the board must order the second election under Election Code 2.002(b) or withdraw from the election not later than 5:00 p.m. of the day after the date the automatic recount is held.

Election Code 2.002

Runoff Election

In a district in which trustees are elected by majority vote under Education Code 11.057(c) [see BBB], if no candidate for a particular office receives the vote necessary to be elected, a runoff election for that office is required. *Election Code 2.021 et seq.*

If the candidates in a runoff election tie, an automatic recount shall be conducted under Election Code Chapter 216. If the recount does not resolve the tie, the tied candidates shall cast lots to determine the winner. The board president shall supervise the casting of lots. A tying candidate may resolve the tie by filing with the board president a signed and sworn to written statement of withdrawal. If the statement of withdrawal is received before the automatic recount is conducted, the remaining candidate is the winner, and the automatic recount is not conducted. If the statement of withdrawal

is received not later than 5:00 p.m. the day after the date the automatic recount is conducted, the remaining candidate is the winner, and a casting of lots is not held. *Election Code 2.028*

Ballot Order

The order of the candidates' names on the ballot of any resulting runoff election or election held to resolve a tie vote shall be the relative order of names on the original election ballot. *Election Code 2.002(d), 52.094(a)*

Recounts

The district shall conduct an authorized recount in accordance with Election Code Title 13. *Election Code 211.001*

A candidate in a board election may obtain an initial recount in an election if the difference in the number of votes received by the candidate and any candidate for the office who is shown by the election returns to be elected, tied, or entitled to a place on a runoff ballot, if applicable, is less than 10 percent of that candidate's number of votes, or the total number of votes received by all candidates for the office is less than 1,000. *Election Code 212.022*

A ground for obtaining an initial recount is not required to obtain an initial recount of electronic voting system results. A candidate may obtain an initial recount of electronic voting system results in an election only if the candidate is shown by the election returns not to be elected. *Election Code 212.0241*

An initial recount may not be conducted unless an authorized candidate submits a petition for the recount to the presiding officer of the local canvassing authority in accordance with Election Code Chapter 212, Subchapter B, accompanied by a deposit to cover the costs of the recount in accordance with Subchapter E. *Election Code 212.025, .026, .111*

Effect of Petition

The submission of a recount petition before a board completes its canvass does not delay the canvass for the office involved in the recount. The board shall make a notation on the tabulation of any office involved in a recount. The submission of a recount petition delays the issuance of a certificate of election and qualification for the office involved in the recount pending completion of the recount. A candidate may not qualify for an office involved in a recount before completion of the recount. This provision does not affect a candidate who has received a certificate of election and qualified for office before the submission of a recount petition involving the office. *Election Code 212.033, .0331*

General Rule

A certificate of election shall be issued to each unopposed candidate declared elected in the same manner and at the same time as provided for a candidate elected at the election. After expiration of the prescribed period for preserving election records under the Election Code, the records may be destroyed or otherwise disposed of unless, at the expiration of the preservation period, an election contest or a criminal investigation or proceeding connected with the election is pending. In that case, the records shall be preserved until the contest, investigation, or proceeding is completed and the judgment, if any, becomes final. *Election Code 1.013*

Tax Rate Adoption

Maintenance Taxes

The board may levy, assess, and collect annual ad valorem taxes for the maintenance of the district's schools. Taxes may not be levied unless authorized by a majority of the qualified voters of the district, voting at an election called for that purpose. *Education Code 45.002, .003(a)*

*Restriction on
Maintenance Tax
Levy*

A district may not levy the district's maintenance taxes at a rate intended to create a surplus in maintenance tax revenue for the purpose of paying the district's debt service. *Education Code 45.0021(a)* [See Taxpayer Injunction, below]

Note: For information on the consequences of violating this restriction, see Education Code 45.0021(c)-(e). See also Taxpayer Injunction, below.

Exceptions

Education Code 45.0021 does not prohibit a district from:

1. Using a surplus in maintenance tax revenue to pay the district's debt service if the district's interest and sinking fund tax revenue is insufficient to pay the district's debt service due to circumstances beyond the district's control and the use of the surplus maintenance tax revenue to pay the district's debt service is necessary to prevent a default on the district's debt;
2. Paying a portion of the district's maintenance tax revenue into the tax increment fund for a reinvestment zone under Tax Code Chapter 311; or
3. Using money disbursed from the tax increment fund for a reinvestment zone under Tax Code Chapter 311 in accordance with the agreement entered into by the district with the governing body of the municipality or county that designated the zone under Tax Code 311.013(f).

Education Code 45.0021(f)

*Maintenance Tax
Rate
Components*

Tier One

A district's tier one maintenance and operations tax rate is the number of cents levied by the district for maintenance and operations that does not exceed the maximum compressed rate, as determined under Education Code 48.2551. *Education Code 45.0032(a)*

*Maximum
Compressed
Rate*

"MCR" is the district's maximum compressed rate, which is the tax rate for the current tax year per \$100 of valuation of taxable property at which the district must levy a maintenance and operations tax to receive the full amount of the tier one allotment to which the district is entitled under Education Code Chapter 48. The Texas Education Agency (TEA) shall calculate and make available school districts' maximum compressed rates.

Local appraisal districts, school districts, and the comptroller shall provide any information necessary to TEA to implement Education Code 48.2551.

Education Code 48.2551(a)(3), (d), (d-1)

School districts' maximum compressed maintenance and operations tax rates shall be calculated using locally certified property values and adjusted to estimate for exclusions under Government Code 403.302(d).

TEA will open a data collection from 12:01 a.m. on July 18 through 11:59 p.m. on August 1 for districts. Districts must submit the data specified in 19 Administrative Code 61.1000(c). TEA will use any available data to calculate MCR absent data collection submissions from a school district.

19 TAC 61.1000(b), (c), (h)

TEA will calculate and make available preliminary maximum compressed tier one tax rates to each district on or before August 5. If TEA receives an appeal of a preliminary MCR, TEA will issue a final determination to the district no later than August 31. If TEA does not receive an appeal of a preliminary MCR, the preliminary MCR automatically becomes a final MCR 10 calendar days following TEA's approval of the district's preliminary MCR. *19 TAC 61.1000(d)-(f)*

A district may appeal its preliminary MCR through the following process:

1. The TEA division responsible for MCRs must receive a written appeal no later than 10 calendar days after TEA's approval of the district's preliminary MCR. The appeal must include adequate evidence and additional information that supports the position of the district. Appeals received 11 calendar days or more after TEA approves a district's preliminary MCR will not be considered.
2. TEA will only consider appeals that would result in a change of the preliminary MCR.

19 TAC 61.1000(g); Education Code 48.2551(d-2)

Tier Two

A district's enrichment tax rate consists of:

1. Any cents of additional maintenance and operations tax effort, not to exceed eight cents over the maximum tier one tax rate; and

LOCAL REVENUE SOURCES
AD VALOREM TAXES

CCG
(LEGAL)

2. Any cents of additional maintenance and operations tax effort that exceeds the sum of the maximum tier one tax rate and the maximum number of cents permitted under item 1 above.

Education Code 45.0032(a), (b)

Districts Subject
to Disaster
Exception

For a district to which Tax Code 26.042(e) [see Disaster Exception to Election Requirement, below] applies, the amount by which the district's maintenance tax rate exceeds the district's voter-approval tax rate, excluding the district's current debt rate under Tax Code 26.08(n)(3) for the preceding year is not considered in determining a district's tier one maintenance and operations tax rate or the district's enrichment tax rate for the current tax year. *Education Code 45.0032(d)*

*Maximum Tax
Rate*

For any year, the maintenance tax rate per \$100 of taxable value adopted by the district may not exceed the rate equal to the sum of \$0.17 and the district's maximum compressed rate, as determined under Education Code 48.2551.

A rate that exceeds the maximum rate for the year in which the tax is to be imposed is void. A district with a tax rate that is void under this provision may, subject to requirements imposed by other law, adopt a rate for that year that does not exceed the specified maximum rate for that year.

Education Code 45.003(d), (e)

Districts with
2005 Tax Rate
over \$1.50

Notwithstanding any other law, a district that levied a maintenance tax for the 2005 tax year at a rate greater than \$1.50 per \$100 of taxable value in the district as permitted by special law [Art. 2784g Tex. Rev. Civ. Stat.] may not levy a maintenance tax at a rate that exceeds the rate per \$100 of taxable value that is equal to the sum of \$0.17 and the product of 66.67 percent multiplied by the rate of the maintenance tax levied by the district for the 2005 tax year, minus any amount by which \$1.00 exceeds the product of the state compression percentage, as determined under Education Code 48.255, multiplied by \$1.00. *Education Code 45.003(f)*

For a district described above, any cents of maintenance and operations tax effort that exceeds the maximum rate described at Maximum Tax Rate are not included in the district's tier one maintenance and operations tax rate or the district's enrichment tax rate and the district is not entitled to the guaranteed yield amount of state funds under Education Code 48.202 for those cents of tax effort. *Education Code 45.0032(c)*

Assessor and
Collector

The board may employ a person to assess or collect the district's taxes and may compensate the person as the board considers appropriate. This provision does not prohibit a district from providing

for the assessment or collection of the district's taxes under a method authorized by Tax Code Chapter 6, Subchapter B. *Education Code 45.231*

A district that used a method of selection for the 1994 tax year that was authorized by former Education Code Chapter 23, Subchapter F, may continue to use that method until the district uses another method authorized above. *Education Code 45.232*

The assessor and collector shall assess, collect, or assess and collect taxes, as applicable. *Tax Code 6.23(b)*

Collector's Bond

A district that has its own collector shall require the collector to give bond conditioned on the faithful performance of duties. The bond must be made payable to and be approved by the board in an amount determined by the board. The board may require a new bond at any time, and failure to give new bond within a reasonable time after demand is a ground for removal from office. The board may prescribe additional requirements for the bond.

A district whose taxes are collected by a person other than the district's own collector may require that person to give bond conditioned on the faithful performance of duties. The bond must be payable to, approved by, and paid for by the board in an amount determined by the board. The board may prescribe additional requirements for the bond.

A district shall pay the premium for a required bond from its general fund or as provided by intergovernmental contract.

Tax Code 6.29

Certified Estimate of Values

By April 30, the chief appraiser shall prepare and certify to the district's assessor an estimate of the taxable value of district property. *Tax Code 26.01(e)*

Appraisal Roll

By July 25, the chief appraiser shall prepare and certify to the assessor for the district that part of the appraisal roll that lists the property taxable by the district. The part certified to the assessor is the appraisal roll for the district.

If by July 20 the appraisal review board has not approved the appraisal records as required under Tax Code 41.12, the chief appraiser shall not later than July 25 prepare and certify to the assessor for a school district an estimate of the taxable value of property in the school district.

Tax Code 26.01(a)-(a-1)

By August 1 or as soon thereafter as practicable, the district's assessor shall submit to the board the district's appraisal roll, showing the total appraised, assessed, and taxable values of all property and the total taxable value of new property.

LOCAL REVENUE SOURCES
AD VALOREM TAXES

CCG
(LEGAL)

By August 1 or as soon thereafter as practicable, a district's collector shall certify to the board the anticipated collection rate for the current year. If the collector certified an anticipated collection rate in the preceding year and the actual collection rate in that year exceeded the anticipated rate, the collector shall also certify the amount of debt taxes collected in excess of the anticipated amount in the preceding year.

Tax Code 26.04(b)

Designated
Employee/Officer to
Calculate Rates

After the district's assessor submits the appraisal roll to the board, an officer or employee designated by the board shall calculate the no-new-revenue tax rate and the voter-approval tax rate for the district.

*Required
Calculation
Forms*

The designated officer or employee shall use the tax rate calculation forms prescribed by the comptroller under Tax Code 5.07 in calculating the no-new-revenue tax rate and the voter-approval tax rate.

*Calculation

Tax Assessor-
Collector*

As soon as practicable after the designated officer or employee calculates the no-new-revenue tax rate and the voter-approval tax rate of the district, the designated officer or employee shall submit the tax rate calculation forms used in calculating the rates to the county assessor-collector for each county in which all or part of the territory of the district is located.

*Meeting to Adopt
Budget*

When the budget has been prepared under Education Code 44.002, the board president shall call a meeting of the board for the purpose of adopting a budget for the succeeding tax year. The budget must be adopted before the adoption of the tax rate for the tax year in which the fiscal year covered by the budget begins. *Education Code 44.004(a), (g)* [See CE]

Published Notice

The board president shall provide for publication of notice of the budget and proposed tax rate meeting in a daily, weekly, or bi-weekly newspaper published in the district. If no daily, weekly, or biweekly newspaper is published in the district, the president shall provide for publication of notice in at least one newspaper of general circulation in the county in which the district's central adminis-

trative office is located. The notice shall be published not earlier than the 30th day or later than the 10th day before the date of the hearing.

Form and

The notice of public meeting to discuss and adopt the budget and the proposed tax rate may not be smaller than one-quarter page of a standard-size or a tabloid-size newspaper, and the headline on the notice must be in 18-point or larger type and contain the information set out in Education Code 44.004(c) and (c-1).

The notice must include a statement that a district may not increase its maintenance and operations tax rate to create a surplus in maintenance and operations tax revenue for the purpose of paying the district's debt service.

A notice is not valid if it does not substantially conform to the language and format prescribed by the comptroller.

Education Code 44.004(b)-(d)

Debt Service
Rate Decrease

If the published interest and sinking fund (debt service) rate decreases after the publication of the required notice, the president is not required to publish another notice or call another meeting to discuss and adopt the budget and the proposed lower tax rate. *Education Code 44.004(g-1)*

*Districts with
July 1 Fiscal Year*

Notwithstanding the provisions above, a district with a fiscal year beginning July 1 may use the certified estimate of the taxable value of district property in preparing the required notice if the district does not receive the certified appraisal roll on or before June 7. A district that uses a certified estimate may adopt a budget at the public meeting designated in the published notice prepared using the estimate, but the district may not adopt a tax rate before the district receives the certified appraisal roll for the district.

After receipt of the certified appraisal roll, a district must publish a revised notice and hold another public meeting before the district may adopt a tax rate that exceeds:

1. The rate proposed in the notice prepared using the estimate; or
2. The district's voter-approval rate determined under Tax Code 26.08 using the certified appraisal roll.

The board shall adopt a tax rate for the current tax year and shall notify the assessor of the tax rate adopted. [See Adoption of Tax Roll, below] The board must adopt a tax rate before the later of September 30 or the 60th day after the date the certified appraisal roll is received by the district, except that the board must adopt a tax rate that exceeds the voter-approval tax rate not later than the

71st day before the next uniform election date that occurs in November of that year. [Note that Election Code 3.005(c) requires that an election to be held on a uniform date be ordered not later than the 78th day before election day; see Time for Election, below.]

The tax rate consists of two components, each of which must be approved separately. The components are:

1. The interest and sinking fund (debt service) rate calculated under Education Code 44.004(c)(5)(A)(ii)(b); and
2. The rate that, if applied to the total taxable value, will impose the amount of taxes needed to fund maintenance and operation expenditures of the district for the next year.

Tax Code 26.05(a)

Tax Date for
Certain Districts

A district that before January 1, 1989, has for at least 10 years followed a practice of adopting its tax rate at a different date than as provided by Tax Code Chapter 26 and of billing for and collecting its taxes at different dates than as provided by Chapters 31 and 33 may continue to follow that practice. This does not affect the dates provided by the Property Tax Code (Tax Code Title 1) for other purposes, including those relating to the appraisal and taxability of property, the attachment of tax liens and personal liability for taxes, and administrative and judicial review under Chapters 41 and 42.
Tax Code 26.135

Vote

A board may not impose property taxes in any year until it has adopted a tax rate for that year, and the annual tax rate must be set by ordinance, resolution, or order. The vote on the ordinance, resolution, or order setting the tax rate must be separate from the vote adopting the budget. The vote on the ordinance, resolution, or order setting a tax rate that exceeds the sum of the district's no-new-revenue maintenance and operations tax rate and the district's current debt rate must be a record vote, and at least 60 percent of the members of the board must vote in favor of the ordinance, resolution, or order.

Motion

A motion to adopt an ordinance, resolution, or order setting a tax rate that exceeds the no-new-revenue tax rate must be made in the following form: "I move that the property tax rate be increased by the adoption of a tax rate of (specify tax rate), which is effectively a (insert percentage by which the proposed tax rate exceeds the no-new-revenue tax rate) percent increase in the tax rate."

*Language and
Internet Posting*

If the ordinance, resolution, or order sets a tax rate that, if applied to the total taxable value, will impose an amount of taxes to fund maintenance and operation expenditures of the district that ex-

ceeds the amount of taxes imposed for that purpose in the preceding year the district must:

1. Include in the ordinance, resolution, or order in type larger than the type used in any other portion of the document:
 - a. The following statement: "THIS TAX RATE WILL RAISE MORE TAXES FOR MAINTENANCE AND OPERATIONS THAN LAST YEAR'S TAX RATE"; and
 - b. If the tax rate exceeds the no-new-revenue maintenance and operations rate, the following statement: "THE TAX RATE WILL EFFECTIVELY BE RAISED BY (INSERT PERCENTAGE BY WHICH THE TAX RATE EXCEEDS THE NO-NEW-REVENUE MAINTENANCE AND OPERATIONS RATE) PERCENT AND WILL RAISE TAXES FOR MAINTENANCE AND OPERATIONS ON A \$100,000 HOME BY APPROXIMATELY \$(Insert amount)."; and
2. Include on the home page of any internet website operated by the district:
 - a. The following statement: "(Insert name of unit) ADOPTED A TAX RATE THAT WILL RAISE MORE TAXES FOR MAINTENANCE AND OPERATIONS THAN LAST YEAR'S TAX RATE"; and
 - b. If the tax rate exceeds the no-new-revenue maintenance and operations rate, the following statement: "THE TAX RATE WILL EFFECTIVELY BE RAISED BY (INSERT PERCENTAGE BY WHICH THE TAX RATE EXCEEDS THE NO-NEW-REVENUE MAINTENANCE AND OPERATIONS RATE) PERCENT AND WILL RAISE TAXES FOR MAINTENANCE AND OPERATIONS ON A \$100,000 HOME BY APPROXIMATELY \$(Insert amount)."

Tax Code 26.05(b)

Adoption of Tax Roll On receipt of notice of the tax rate for the current tax year, the assessor for a district shall calculate the tax imposed on each property included on the appraisal roll for the district. The assessor shall enter the amount of tax in the appraisal roll and submit it to the board for approval. The appraisal roll with amounts of tax entered as approved by the board constitutes the district's tax roll.
Tax Code 26.09(a), (e)

Failure to Adopt Tax Rate If the board does not adopt a tax rate before the date required at Deadline above, the tax rate for the district for that tax year is the

lower of the no-new-revenue tax rate calculated for that tax year or the tax rate adopted by the district for the preceding tax year. A tax rate established by this provision is treated as an adopted tax rate. Before the fifth day after the establishment of a tax rate by this provision, the board must ratify the applicable tax rate in the manner set out at Tax Rate Adoption Requirements above. *Tax Code 26.05(c)*

Taxpayer Injunction

A person who owns taxable property in a district is entitled to an injunction restraining the collection of taxes by the district if the district has not complied with the requirements of Education Code 44.004(b), (c), (c-1), (c-2), and (d), and, if applicable, (i) [see above at Published Notice, including Form and Contents, and Districts with July 1 Fiscal Year, if applicable] and the failure to comply was not in good faith. An action to enjoin the collection of taxes must be filed before the date a district delivers substantially all of its tax bills. *Education Code 44.004(e)*

A person who owns taxable property is entitled to an injunction prohibiting the district in which the property is taxable from adopting a tax rate if the assessor or designated officer or employee of the district, the chief appraiser of the applicable appraisal district, or the district, as applicable, has not complied with the computation, publication, or posting requirements of Tax Code 26.04 or 26.16, 26.17, or 26.18 [see below at Tax Information to County, Appraisal District Property Tax Database, and Internet Posting of Tax Rate and Budget Information]. It is a defense in an action for an injunction under this provision that the failure to comply was in good faith. *Tax Code 26.04(g)*

A person who owns taxable property is entitled to an injunction restraining the collection of taxes by a district in which the property is taxable if the district has not complied with the requirements of Tax Code 26.04 and 26.05 [see above at Designated Employee/Officer to Calculate Rates and Tax Rate Adoption Requirements]. It is a defense in an action for an injunction under this provision that the failure to comply was in good faith. An action to enjoin the collection of taxes must be filed not later than the 15th day after the date the district adopts a tax rate. A property owner is not required to pay the taxes imposed by a district on the owner's property while an action filed by the property owner to enjoin the collection of taxes imposed by the district on the owner's property is pending. If the property owner pays the taxes and subsequently prevails in the action, the property owner is entitled to a refund of the taxes paid, together with reasonable attorney's fees and court costs. The property owner is not required to apply to the collector for the district to receive the refund. *Tax Code 26.05(e)*

Tax Information to
County

A district shall provide to the county assessor-collector for each county in which all or part of district territory is located the district's adopted tax rate, maintenance and operations rate, debt rate, no-new-revenue tax rate, no-new-revenue maintenance and operations rate, and voter-approval tax rate for posting on the county's internet website. The district shall provide the information annually following the adoption of a tax rate by the district for the current tax year. *Tax Code 26.16(a)-(b)*

Appraisal District
Property Tax
Database

The officer or employee designated by the board to calculate the no-new-revenue tax rate and the voter-approval tax rate for the district must electronically incorporate into the database created and maintained by the chief appraiser under Tax Code 26.17 the information required by Tax Code 26.17(e). *Tax Code 26.17(e)*

The assessor for the district shall post prominently on the district's internet website a notice informing each owner of property located in the appraisal district that the estimated amount of taxes to be imposed on the owner's property by each taxing unit in which the property is located may be found in the property tax database maintained by the appraisal district under Tax Code 26.17. The notice must include the elements required by Tax Code 26.04(e-2). *Tax Code 26.04(e-2)*

**Internet Posting of
Tax Rate and Budget
Information**

Each district shall maintain an internet website or have access to a generally accessible internet website that may be used for the purposes of this provision. Each district shall post or cause to be posted on the internet website the information required by Tax Code 26.18 in a format prescribed by the comptroller. *Tax Code 26.18* [See CE for required information]

**Election to Approve
Tax Rate**

If the board adopts a tax rate that exceeds the district's voter-approval tax rate, the registered voters of the district at an election held for that purpose must determine whether to approve the adopted tax rate. *Tax Code 26.08(a), (n)*

[For information on conducting elections, see the BBB series.]

Voter-Approval Tax
Rate

For purposes of Tax Code 26.08, the voter-approval tax rate of a district is the sum of the following:

1. The rate per \$100 of taxable value that is equal to the district's maximum compressed tax rate for the current year;
2. The greater of:
 - a. The district's enrichment tax rate for the preceding tax year, less any amount by which the district is required to reduce the district's enrichment tax rate under Education Code 48.202(f) in the current tax year; or
 - b. The rate of \$0.05 per \$100 of taxable value; and
3. The district's current debt rate.

Tax Code 26.08(n)

Efficiency Audit

"Efficiency audit" means an investigation of the operations of a district to examine fiscal management, efficiency, and utilization of resources.

The board shall conduct an efficiency audit before seeking voter approval to adopt a tax rate for the maintenance and operations of the district at an election held for that purpose and may not hold an election without complying with this requirement.

The board may select the auditor that conducts the district's annual audit under Education Code 44.008 and may include the efficiency audit as part of the district's annual audit. [See CFC] A district must pay for the costs associated with an efficiency audit required under this provision. A district shall provide all documents, records, and personnel requested by the auditor as needed to conduct the audit in an efficient manner.

The board must select an auditor to conduct an efficiency audit not later than four months before the date on which the district proposes to hold an election to adopt a maintenance and operations tax rate. An auditor selected by the board must maintain independence from the district and complete the efficiency audit not later than three months after the date the auditor was selected.

Before an election at which a district seeks voter approval to adopt a tax rate, the board must hold an open meeting to discuss the results of the efficiency audit. Not later than 30 days before the date of the election, the results of an efficiency audit must be posted on the district's internet website.

Education Code 11.184

*Legislative
Budget Board
Guidelines*

The Legislative Budget Board (LBB) shall establish guidelines identifying the scope and areas of investigation of an efficiency audit, including identification of resources being used effectively and

efficiently and identification of cost savings or reallocations. The auditor selected by the board of a district must follow the guidelines established by the LBB under this provision. *Education Code 11.184(f)*

[Efficiency Audit Guidelines](#)² are found on the LBB website.

Disaster Exception
*To Efficiency
Audit
Requirement*

The board of a district all or part of which is located in an area declared a disaster area by the governor may hold an election to seek voter approval to adopt a maintenance and operations tax rate during the two-year period following the date of the declaration without conducting an efficiency audit otherwise required above. *Education Code 11.184(b-1)*

*To Election
Requirement*

When increased expenditure of money by a district is necessary to respond to a disaster, including a tornado, hurricane, flood, wildfire, or other calamity, but not including a drought, epidemic, or pandemic, that has impacted a district and the governor has requested federal disaster assistance for the area in which the district is located, an election is not required under Tax Code 26.08 to approve the tax rate adopted by the board for the year following the year in which the disaster occurs. A tax rate adopted under this provision applies only in the year for which the rate is adopted. *Tax Code 26.042(e)*

If a district adopts a tax rate under Tax Code 26.042(e) above, the amount by which that rate exceeds the district's voter-approval tax rate for that tax year may not be considered when calculating the district's voter-approval tax rate for the tax year following the year in which the district adopts the rate.

A district that in a tax year elects to adopt a tax rate that exceeds the district's voter-approval tax rate for that tax year without holding an election under Tax Code 26.042(e) above must specify the disaster declaration that provides the basis for authorizing the district to calculate or adopt a tax rate under that provision. A district that in a tax year specifies a disaster declaration as providing the basis for authorizing the district to adopt a tax rate under Tax Code 26.042(e) above may not in a subsequent tax year specify the same disaster declaration as providing the basis for authorizing the district to adopt a tax rate under that provision if in an intervening tax year the taxing unit specifies a different disaster declaration as the basis for authorizing the taxing unit to adopt a tax rate under that provision.

Tax Code 26.042(f)-(g)

Time for Election

The board shall order that the election be held in the district on the next uniform election date prescribed by Election Code 41.001 that

	<p>occurs after the date of the election order and that allows sufficient time to comply with the requirements of other law. <i>Tax Code 26.08(b)</i></p>
<p><i>Uniform Election Date</i></p>	<p>For an election to be held on a uniform election date, the election shall be ordered not later than the 78th day before election day. <i>Election Code 3.005(c)</i> [See BBBA for other election procedures and requirements.]</p>
<p>Proposition</p>	<p>At the election, the ballots shall be prepared to permit voting for or against the proposition: "Ratifying the ad valorem tax rate of _____ (insert adopted tax rate) in (name of school district) for the current year, a rate that will result in an increase of _____ (insert percentage increase in maintenance and operations tax revenue under the adopted tax rate as compared to maintenance and operations tax revenue in the preceding tax year) percent in maintenance and operations tax revenue for the district for the current year as compared to the preceding year, which is an additional \$_____ (insert dollar amount of increase in maintenance and operations tax revenue under the adopted tax rate as compared to maintenance and operations tax revenue in the preceding tax year)". <i>Tax Code 26.08(b)</i></p> <p>In addition to any other requirement imposed by law for a proposition, including a provision prescribing the proposition language, a proposition submitted to the voters for approval of the imposition or increase of a tax shall specifically state the amount of or maximum tax rate of the tax or tax increase for which approval is sought. <i>Election Code 52.072(e)(1)</i></p> <p>Each proposition on the ballot must identify the name of the authority ordering the election on the measure. <i>Election Code 52.095(c)</i></p>
<p>Election Outcome</p>	<p>If a majority of the votes cast in an election favor the proposition, the tax rate for the current year is the rate that was adopted by the board. If the proposition is not approved, a board may not adopt a tax rate for the current year that exceeds the district's voter-approval tax rate. <i>Tax Code 26.08(c)-(d)</i></p>

Exemptions

Homestead

Mandatory

An adult is entitled to exemption from taxation by a district of \$100,000 of the appraised value of the adult's residence homestead, as defined by Tax Code 11.13(j), except that only \$5,000 of the exemption applies to an entity operating under former Education Code Chapters 17, 18, 25, 26, 27, or 28, as those chapters existed on May 1, 1995, as permitted by Education Code 11.301. *Tax Code 11.13(b)*

*Persons 65 or
Older or Disabled*

In addition to the mandatory exemption above, an adult who is disabled, as defined by Tax Code 11.13(m)(1), or 65 or older is entitled to an exemption of \$10,000 of the appraised value of the individual's residence homestead. *Tax Code 11.13(c)*

Tax Limitation

A district may not increase the total annual amount of ad valorem tax it imposes on the residence homestead of an individual 65 years of age or older, or on the residence homestead of an individual who is disabled, above the amount of the tax it imposed in the first tax year in which the individual qualified that residence homestead for an applicable exemption. *Tax Code 11.26(a)*

Improvements

If an individual subject to a tax limitation makes improvements to the individual's residence homestead, other than improvements required to comply with governmental requirements or repairs, the district may increase the tax on the homestead in the first year the value of the homestead is increased on the appraisal roll because of the enhancement of value by the improvements. A limitation then applies to the increased amount of tax until more improvements, if any, are made. *Tax Code 11.26(b)*

Exception

An improvement to property that would otherwise constitute an improvement discussed above is not treated as an improvement if it is a replacement structure for a structure that was rendered uninhabitable or unusable by a casualty or by wind or water damage. For purposes of appraising the property in the tax year in which the structure would have constituted an improvement, the replacement structure is considered to be an improvement only if the square footage of the replacement structure exceeds that of the replaced structure as that structure existed before the casualty or damage occurred or the exterior of the replacement structure is of higher quality construction and composition than that of the replaced structure. *Tax Code 11.26(o)*

AD VALOREM TAXES
EXEMPTIONS AND PAYMENTS

CCGA
(LEGAL)

Portability of Tax Limitation	If an individual who receives a tax limitation, including a surviving spouse, discussed below, subsequently qualifies a different residence homestead for the same exemption, a district may not impose ad valorem taxes on the subsequently qualified homestead in a year in an amount that exceeds the amount of taxes calculated in accordance with Tax Code 11.26(g). <i>Tax Code 11.26(g)</i>
Surviving Spouse	If an individual who qualifies for the exemption at Persons 65 or Older or Disabled, above, dies, the surviving spouse of the individual is entitled to the limitation applicable to the residence homestead of the individual if the surviving spouse is 55 years of age or older when the individual dies, and the residence homestead of the individual is the residence homestead of the surviving spouse on the date that the individual dies and remains the residence homestead of the surviving spouse. <i>Tax Code 11.26(i)</i>
<i>Local Options</i> All Taxpayers	<p>In addition to other exemptions in Tax Code 11.13, an individual is entitled to an exemption from taxation by a district of a percentage of the appraised value of the individual's residence homestead if the exemption is adopted by the board before July 1 in the manner provided by law for official action by the board. If the percentage set by the district produces an exemption in a tax year of less than \$5,000 when applied to a particular residence homestead, the individual is entitled to an exemption of \$5,000 of the appraised value. The percentage adopted by the district may not exceed 20 percent. <i>Tax Code 11.13(n)</i></p> <p>A board that adopted an exemption for the 2022 tax year may not reduce the amount of or repeal the exemption. The requirements in this paragraph expire December 31, 2027. <i>Tax Code 11.13(n-1)</i></p>
Disabled or 65 or Older	An individual who is disabled or 65 or older is entitled to an exemption from taxation by a district of a portion of the appraised value of the individual's residence homestead if the exemption is adopted either by the board or by a favorable vote of a majority of the qualified voters of the district at an election called by the board, and the board shall call the election on the petition of at least 20 percent of the number of qualified voters who voted in the preceding election of the district.
<i>Amount</i>	The amount of an exemption adopted as provided at Disabled or 65 or Older is \$3,000 of the appraised value of the residence homestead unless a larger amount is specified by the board if the board authorizes the exemption or the petition for the election if the exemption is authorized through an election. Once authorized, an exemption adopted may be repealed or decreased or increased in amount by the board or by the petition and election procedure. In

the case of a decrease, the amount of the exemption may not be reduced to less than \$3,000 of the market value.

*Surviving Spouse
of First

*Partially Disabled

*Surviving Spouse
of Veteran*

The surviving spouse of a disabled veteran, as defined by Tax Code 11.22(h)(3), is entitled to the same exemption from taxation of the same property to which the disabled veteran's exemption applied or would have applied if it had been in effect on the date of death if:

1. The surviving spouse has not remarried since the death of the disabled veteran; and

2. The property was the residence homestead of the surviving spouse when the disabled veteran died and remains the residence homestead of the surviving spouse.

A person who qualifies for an exemption under this provision must apply for the exemption not later than the 105th day after the date the governor declares the area in which the person's qualified property is located to be a disaster area. *Tax Code 11.43(s)*

"Damage" means physical damage. *Tax Code 11.35(a)(1)*

Optional
Exemptions

Among others, a board may grant additional tax exemptions in accordance with applicable law for:

1. Residential property owned by the United States or an agency of the United States and used to provide transitional housing for the indigent under a program operated or directed by the

U.S. Department of Housing and Urban Development. *Tax Code 11.111*

2. Land and housing units on the land owned by a community land trust. *Tax Code 11.1827*
3. Certain historic structures or archeological sites and the land necessary to access and use the structure or archeological site. 4. Property on which approved water conservation initiatives, desalination projects, or brush control initiatives have been implemented. *Tax Code 11.32*

If a district adopts, amends, or repeals an exemption that the district by law has the option to adopt or not, the district shall notify the appraisal office of its action and of the terms of the exemption within 30 days after the date of its action. *Tax Code 6.08*

Goods-in-Transit
Exemption

A person is entitled to an exemption from taxation of the appraised value of that portion of the person's property that consists of goods-in-transit, as defined in Tax Code 11.253(a)(2). *Tax Code 11.253(b)*

[For information on the board's option in a district located in a disaster area to extend the date by which goods-in-transit must be transported, see Tax Code 11.253(l).]

Option to Tax

A board, by official action, may provide for the taxation of goods-in-transit exempt under Tax Code 11.253(b) and not exempt under other law. The official action to tax the goods-in-transit must be taken before January 1 of the first tax year in which the board proposes to tax goods-in-transit. Before acting to tax the exempt property, a board must conduct a public hearing as required by Texas Constitution Article VIII, Section 1-n(d). If the board provides for the taxation of the goods-in-transit as provided by this provision, the exemption stated above does not apply to that district. The goods-in-transit remain subject to taxation by the district until the board, by official action, rescinds or repeals its previous action to tax goods-in-transit, or otherwise determines that the exemption will apply to that district.

Notwithstanding official action that was taken before October 1, 2011, to tax goods-in-transit, a district may not tax such goods-in-

transit in a tax year that begins on or after January 1, 2012, unless the board takes official action on or after October 1, 2011, to provide for the taxation of the goods-in-transit.

Exception

If a board, before October 1, 2011, took action to provide for the taxation of goods-in-transit and pledged the taxes imposed on the goods-in-transit for the payment of a debt of the district, the district tax officials may continue to impose the taxes against the goods-in-transit until the debt is discharged, if cessation of the imposition would impair the obligation of the contract by which the debt was created.

Payment Options

Discounts

Option 1

The board may adopt, by official action, one or both of the discount options below. *Tax Code 31.05(a)*

A district may adopt the following discounts to apply regardless of the date on which the district mails its tax bills:

1. Three percent if the tax is paid in October or earlier.
2. Two percent if the tax is paid in November.
3. One percent if the tax is paid in December.

Tax Code 31.05(b)

This discount does not apply to taxes that are calculated too late for it to be available. *Tax Code 31.04(c)*

Option 2

1. Three percent if the tax is paid before or during the next full calendar month following the date on which the tax bills were mailed.
2. Two percent if the tax is paid during the second full calendar month following the date on which the tax bills were mailed.
3. One percent if the tax is paid during the third full calendar month following the date on which the tax bills were mailed.

Tax Code 31.05(c)

Both Options

**Tax Increment
Financing Act**

Board of Directors

Except as provided at Large Municipality below, each district that levies taxes on real property in a reinvestment zone designated by a county or municipality in accordance with the Tax Increment Financing Act, Tax Code Chapter 311, may appoint one member of the reinvestment zone board of directors if the district has approved the payment of all or part of the tax increment produced by the district into the tax increment fund for the zone. A district may waive its right to appoint a director. *Tax Code 311.009(a), (b)*

*Large
Municipality*

In a reinvestment zone designated by a municipality which is wholly or partially located in a county with a population of less than 2.1 million in which the principal municipality has a population of 1.1 million or more, each taxing unit that approves the payment of all or part of its tax increment into the tax increment fund is entitled to appoint a number of members to the board in proportion to the taxing unit's pro rata share of the total anticipated tax increment to be deposited into the tax increment fund during the term of the zone. *Tax Code 311.0091(a)-(c)*

Tax Increments
Amount

The amount of a district's tax increment for a year is the amount of property taxes levied and assessed by the district for that year on the captured appraised value of real property taxable by the district and located in a reinvestment zone or the amount of property taxes levied and collected by the district for that year on the captured appraised value of real property taxable by the district and located in a reinvestment zone. The board of the district shall determine which of the methods is used to calculate the amount of the district's tax increment.

"Captured
Appraised
Value"

The captured appraised value of real property taxable by a district for a year is the total taxable value of all real property taxable by the district and located in a reinvestment zone for that year less the tax increment base of the district.

"Tax Increment
Base"

The tax increment base of a district is the total taxable value of all real property taxable by the district and located in a reinvestment zone for the year in which the zone was designated under Tax Code Chapter 311.

Tax Code 311.012

*Collection and
Deposit*

Each district that taxes real property located in a reinvestment zone shall provide for the collection of its taxes in the zone as for any other property taxed by the district. Each district shall pay into the tax increment fund for the zone an amount equal to the tax increment produced by the district, less the sum of:

1. Property taxes produced from the tax increments that are, by contract executed before the designation of the area as a

reinvestment zone, required to be paid by the district to another political subdivision; and

2. A portion, not to exceed 15 percent, of the tax increment produced by the district as provided by the reinvestment zone financing plan or a larger portion as provided at Agreement Required below.

Tax Code 311.013(a)-(b)

Notwithstanding any termination of the reinvestment zone and unless otherwise specified by an agreement between the district and the municipality or county that created the zone, a district shall make the required payment not later than the 90th day after the later of the delinquency date for district property taxes or the date the municipality or county that created the zone submits to the district an invoice specifying the tax increment produced by the district and the amount the district is required to pay into the tax increment fund for the zone. A district is not required to pay into a tax increment fund the applicable portion of a tax increment attributable to delinquent taxes until those taxes are collected. *Tax Code 311.013(c), (i)*

A district whose taxable value is reduced under Government Code 403.302(d)(4) (determination of district property values by the comptroller) shall pay into the tax increment fund, in addition to the amount otherwise required to be paid, an amount equal to the amount by which the amount of taxes the district would have been required to pay into the fund in the current year if the district levied taxes at the rate the district levied in 2005 exceeds the amount the district is otherwise required to pay into the fund in the year of the reduction. This additional amount may not exceed the amount the district receives in state aid for the current tax year under Education Code 48.253 (additional state aid for tax increment financing payments). The district shall pay the additional amount after the district receives the state aid to which the district is entitled for the current tax year under Education Code 48.253. *Tax Code 311.013(n)*

*Agreement
Required*

A district is not required to pay into the tax increment fund any of its tax increment produced from property located in a reinvestment zone designated under Tax Code 311.005(a) or in an area added to a reinvestment zone under Tax Code 311.007 unless the district enters into an agreement to do so with the governing body of the municipality or county that designated the zone. *Tax Code 311.013(f)*

A district that participates in a zone is not required to increase the percentage or amount of the tax increment to be contributed by the

district because of an amendment to the project plan or reinvestment zone financing plan for the zone unless the board by official action approves the amendment. *Tax Code 311.011(g)*

A district is not required to pay into the tax increment fund any of its tax increment produced from property located in an area added to the reinvestment zone under Tax Code 311.007(a) or (b) unless the board enters into an agreement to do so with the governing body of the municipality or county that created the zone. *Tax Code 311.013(k)*

If the governing body of the municipality or county that designated a reinvestment zone extends the term of all or a portion of the zone, a district is not required to participate in the zone or portion of the zone for the extended term unless the district enters into a written agreement to do so. *Tax Code 311.007(c)*

Notwithstanding the designation of a later termination date under Tax Code 311.017(a), a district that taxes real property located in the reinvestment zone is not required to pay any of its tax increment into the tax increment fund for the zone after the termination date designated in the ordinance or order creating the zone unless the board enters into an agreement to do so with the governing body of the municipality or county that created the zone. *Tax Code 311.017(a-1)*

Reinvestment Zone

Notwithstanding any other provision of Tax Code Chapter 312 to the contrary, the board, in the manner required for official action and for purposes of former Tax Code Chapter 313, Subchapter B or C [see Texas Economic Development Act below] or Government Code Chapter 403, Subchapter T [see Texas Jobs, Energy, Technology, and Innovation Act below], may designate an area entirely within the territory of the district as a reinvestment zone if the board finds that, as a result of the designation and the granting of a limitation on appraised value, for property located in the reinvestment zone, the designation is reasonably likely to:

1. Contribute to the expansion of primary employment in the reinvestment zone; or
2. Attract major investment in the reinvestment zone that would:
 - a. Be a benefit to property in the reinvestment zone and to the district; and
 - b. Contribute to the economic development of the region of this state in which the district is located.

The board may seek the recommendation of the commissioners court of each county and the governing body of each municipality

that has territory in the district before designating an area as a reinvestment zone.

Technology, and
Innovation Act**

Definitions

Agreement

"Agreement" means an agreement to limit the taxable value for maintenance and operations ad valorem tax purposes of the district of eligible property used as part of an eligible project under Government Code 403.612.

Applicant

"Applicant" means a person that applies for, or enters into an agreement, including the person's assignees or successors-in-interest.

Eligible project

"Eligible project" means a project to construct or expand critical infrastructure or a new or existing:

1. Manufacturing facility;
2. Facility related to the provision of utility services, including an electric generation facility that is considered to be dispatchable;
3. Facility related to the development of natural resources; or
4. Facility engaged in the research, development, or manufacture of high-tech equipment or technology.

The term does not include a project to construct or expand a new or existing nondispatchable electric generation facility or electric energy storage facility.

Eligible property

"Eligible property" means property that is used as part of an eligible project that is wholly owned by an applicant or leased by an applicant under a capitalized lease and consists of:

1. A new building or expansion of an existing building, constructed after the date the agreement is entered into and located in an area designated as a reinvestment zone or as an enterprise zone at the time the agreement is entered into; or

2. Tangible personal property, other than inventory, first located in an area designated as a reinvestment zone or as an enterprise zone after the date the agreement pertaining to the project is entered into.

Incentive period “Incentive period” for an eligible project means the period prescribed by the agreement pertaining to the project during which the eligible property used as part of the project is subject to a limitation on taxable value.

Required Jobs and Investment To be eligible to enter into an agreement, an applicant for a limitation on taxable value of eligible property to be used for a proposed eligible project must agree to create the number of jobs and make the minimum investment applicable to the population of the county where the project is to be located as set out in Government Code 403.604(b).

If an eligible project is located in more than one county, the jobs and investment requirement applicable to the project is determined using the jobs and investment requirement applicable to the county with the smallest population in which any part of the project is located.

Each required job created in connection with an eligible project must be a new full-time job in this state and may not be transferred by the applicant from an existing facility or location in this state or otherwise created to replace an existing job, unless the applicant fills the vacancy caused by the transfer.

An applicant may demonstrate that the applicant has met the applicable minimum investment requirement by any reasonable means. The applicant is considered to have met the applicable minimum investment requirement if the most recent appraisal roll for the county used to determine the minimum investment requirement indicates that the appraised value of the eligible property composing the project as of January 1 of the second tax year of the incentive period prescribed by the agreement is equal to or greater than the minimum investment requirement applicable to the project.

Gov’t Code 403.604(b)-(e)

Taxable Value of

Mandatory Drills

Each district shall conduct emergency safety drills in accordance with Education Code 37.114. Drills do not include persons role playing as active aggressors or other simulated threats.

Definitions

The following words and terms related to drills and exercises shall have the following meanings, unless the context clearly indicates otherwise. These definitions do not apply to an active threat exercise, which is defined in Education Code 37.1141 [see Active Threat Exercises, below].

General

Active aggressor: An individual actively engaged in killing or attempting to kill people in a confined and populated area.

Drill: A set of procedures that test a single, specific operation or function. Drills do not include persons role playing as active aggressors or other simulated threats. Drill examples include evacuating for a fire or locking down from an internal threat.

Exercise: An instrument to train for, assess, practice, and improve performance in mitigation, prevention, preparedness, response, and recovery in a risk-free environment. While drills and exercises may overlap in some aspects, discussion-based and operation-based exercises are often more in depth and multi-faceted.

Levels of Exercises

Full-scale exercise: Typically the most complex and resource-intensive type of exercise. It involves multiple agencies, organizations, and jurisdictions and validates many facets of preparedness. This exercise often includes many players operating under cooperative systems such as the Incident Command System (ICS) or Unified Command. Resources and staff are mobilized as needed. All actions are taken as if the emergency is real. A full-scale exercise is the most time-consuming activity in the exercise continuum and is a multiagency, multijurisdictional effort in which all resources are deployed. A full-scale exercise tests collaborations among the agencies and participants, public information systems, communication systems, and equipment. An Emergency Operations Center is established by either law enforcement or fire services, and the ICS is activated. Because of all the logistics and resources needed for a full-scale exercise, it often takes a year to plan and is not held often. Usually, a school district is not the organizer of such an exercise, but the district or school would play a critical role in both function and potential facility use.

Functional exercise: Designed to validate and evaluate capabilities, multiple functions and/or sub-functions, or interdependent groups of functions. A functional exercise is typically focused on exercising plans, policies, procedures, and staff members involved in management, direction, command, and control functions. It allows participants to practice their specific roles or functions in an emer-

gency. This type of exercise is conducted in a realistic, real-time simulated environment and often includes simulators (individuals who assist with the facilitation of the exercise) and follows a master scenario events list that dictates additional information, occurrences, or activities that affect the exercise scenario.

Seminar exercise: A discussion-based exercise designed to orient participants to new or updated plans, policies, or procedures through informal discussions. Seminar exercises are often used to impart new information and formulate new ideas.

Tabletop exercise: A small group discussion that walks through a scenario and the courses of action a school will need to take before, during, and after an emergency to lessen the impact on the school community. Participants problem-solve together through a detailed discussion of roles, responsibilities, and anticipated courses of action. A tabletop exercise leverages a defined scenario to direct discussion and may need an experienced facilitator depending on the complexity and objectives of the exercise.

Workshop exercise: A type of discussion-based exercise focused on increased participant interaction and achieving or building a product (e.g., plans or policies). A workshop exercise is typically used to test new ideas, processes, or procedures; train groups in coordinated activities; and obtain consensus. A workshop exercise often uses breakout sessions to explore parts of an issue with smaller groups.

Types of Drills

Evacuation drill: A response action schools take to quickly move students and staff from one place to another. The primary objective of an evacuation is to ensure that all staff, students, and visitors can quickly move away from the threat. Evacuation examples include a bomb threat or internal gas leak.

Fire evacuation drill: A method of practicing how a building would be vacated in the event of a fire. The purpose of fire drills in buildings is to ensure that everyone knows how to exit safely as quickly as possible.

Lockdown drill: A response action schools take to secure interior portions of school buildings and grounds during incidents that pose an immediate threat of violence inside the school. The primary objective is to quickly ensure all school students, staff, and visitors are secured away from immediate danger.

Secure drill: A response action schools take to secure the perimeter of school buildings and grounds during incidents that pose a threat or hazard outside of the school building. This type of drill

uses the security of the physical facility to act as protection to deny entry.

Shelter-in-place for hazardous materials (hazmat) drill: A response action schools take to quickly move students, staff, and visitors indoors, perhaps for an extended period of time, because it is safer inside the building than outside. Affected individuals may be required to move to rooms without windows or to rooms that can be sealed. Examples of a shelter-in-place for hazmat drill include train derailment with chemical release or smoke from a nearby fire.

Shelter for severe weather drill: A response action schools take to quickly move students, staff, and visitors indoors, perhaps for an extended period of time, because it is safer inside the building than outside. For severe weather, depending on the type and/or threat level (watch versus warning), affected individuals may be required to move to rooms without windows on the lowest floor possible or to a weather shelter.

Frequency

Education Code 37.114(2) requires the commissioner of education to designate the number of mandatory school drills to be conducted each semester of the school year, not to exceed eight drills each semester and sixteen drills for the entire school year. Neither 19 Administrative Code 103.1209, nor the law, precludes a district from conducting more drills as deemed necessary and appropriate by the district. Following is the required minimum frequency of drills by type:

1. Secure drill — One per school year.
2. Lockdown drill — Two per school year (once per semester).
3. Evacuation drill — One per school year.
4. Shelter-in-place drill (for either severe weather or hazmat) — One per school year.
5. Fire evacuation drill — Districts should consult with the local authority having jurisdiction (e.g., fire marshal) and comply with its requirements and recommendations. If a district does not have a local authority, it shall conduct four per school year (two per semester).

Best Practices

For more information about best practices for conducting drills and exercises, refer to Texas School Safety Center (TxSSC) guidance.

Drills and exercises should be designed and conducted in accordance with guidance and best practice resources provided by the TxSSC.

Drill and exercise design should include purpose, goals, and objectives that are stated in plans for each type of drill. Purpose, goals, and objectives should be developed with input from all sectors of the school community. Input in planning should be sought from multiple stakeholder perspectives for each type of drill and exercise, including from:

1. The district School Safety and Security Committee;
2. First responders;
3. Mental and behavioral health professionals;
4. Students and families; and
5. Staff, including nontraditional teachers, coaches, trade instructors, custodians, and food service workers.

Drill and exercise design elements should include:

1. Physical and psychological safety for all participants;
2. Planning in a trauma-informed manner to maximize learning and to minimize potential trauma for students and staff;
3. Providing advance notification of drills and exercises;
4. Planning for post-drill or after-action reviews of each drill and exercise; and
5. Ensuring drills and exercises are age and developmentally appropriate with the understanding that more complex drills and exercises will require a hierarchy of learning to achieve or obtain more advanced goals or objectives.

Exercises are more complex than drills. It is recommended that school systems start with discussion-based exercises and work up to operation-based exercises. Discussion-based exercises include seminar exercises, tabletop exercises, and workshop exercises. Operation-based exercises include functional exercises and full-scale exercises. Exercises can be used for:

1. Testing and validating policies, plans, procedures, training, equipment, and interagency agreements;
2. Clarifying and training personnel in roles and responsibilities;
3. Improving interagency coordination and communications;
4. Identifying gaps in resources;
5. Improving individual performance; and

6. Identifying opportunities for improvement.

Active Threat Exercises

An active threat exercise is defined as any exercise that includes a simulated active aggressor or an active shooter simulation.

Not Mandatory

Districts are not required to conduct active threat exercises.

19 TAC 103.1211(a), (b)

Requirements

A district that elects to conduct an active threat exercise shall do so in accordance with Education Code 37.1141 and 19 Administrative Code 103.1211.

The district shall consider using a discussion-based tabletop exercise [see Levels of Exercises, above] to achieve the purpose, goals, and objectives of the exercise rather than using an operations-based, a functional, or a full-scale active threat exercise.

Before a district may conduct an active threat exercise, including an active shooter simulation, the district shall ensure the following:

Adequate Notice

If conducting an operations-based, a functional, or a full-scale exercise, the district shall provide adequate notice of the exercise directly to individuals participating in the exercise, parents of students participating in the exercise, and all other individuals impacted by the exercise. Adequate notice of the active threat exercise shall also be posted through multiple distribution networks, including, but not limited to, the district's website and social media platforms.

To be considered adequate notice, notice shall be provided and posted at least two weeks prior to the exercise.

The notice shall include:

1. The date on which the exercise will occur;
2. The content, form, and tone of the exercise; and
3. Whether the exercise will include a live simulation that mimics or appears to be an actual shooting incident.

The notice shall be provided to parents in the parents' native language to the greatest extent practicable.

Announcement

The district shall make an audible announcement over the campus public address system immediately prior to the commencement of the exercise to signal the start of the exercise to the participants, noting that it is only an exercise and not a real emergency. If applicable, the announcement must state that the exercise will include a

live simulation that mimics or appears to be an actual threat, such as a shooting incident.

First Responders The district shall ensure that first responder organizations that would likely respond in the event of a false report or alarm are notified regarding the exercise.

Safe Zone The district shall ensure that a safe zone is created around the area in which the exercise will be conducted to keep out actual firearms, ammunition, and other weapons, other than firearms, ammunition, or other weapons carried by a peace officer, school resource officer, or school marshal or any other person authorized by the district to carry those items on school grounds.

The requirement for creating a safe zone may not be construed to prohibit a parent, legal guardian, or other person acting on a parent's or legal guardian's behalf from transporting or storing in the person's motor vehicle a firearm, ammunition, or other weapon that the person is legally authorized to possess while the person is picking up a child from school.

Content The district shall ensure that the content of the exercise:

1. Is age appropriate and developmentally appropriate;
2. Has been developed by a team of school administrators, teachers, school-based mental health professionals, and law enforcement officers, with input from parents and students; and
3. Is designed to support the well-being of students who participate in the exercise before, during, and after the exercise is conducted.

The district shall ensure that the content of the exercise, which includes planning and execution of the exercise, addresses the following elements:

1. Input from multiple stakeholder perspectives in the design of the exercise, including law enforcement personnel;
2. The physical and psychological safety of all participants before, during, and after the exercise, including:
 - a. Planning in a trauma-informed manner to minimize potential trauma for students, staff, and other participants;
 - b. The development and communication of a predetermined method for participants to withdraw from the exercise before or during the exercise; and

c. Access to mental health supports before, during, and after the exercise; and

3. The developmental appropriateness of the exercise, which includes a comprehensive perspective that supports the cognitive and emotional well-being of each individual and considers the impact that prior trauma, grief, and crisis experiences have had on a participant's development prior to the exercise. Developmental appropriateness considerations include the needs of special populations, including students with disabilities and emergent bilingual students;

Noninstructional Time

The district shall conduct the exercise during noninstructional time when nonparticipants are not present in the facility. Additionally, the district must require that:

1. If a student participates in the exercise, which is discouraged, the student is in grade 9 or higher and participates only if it provides the student with an educational benefit;
2. All participants (students and staff) opt in rather than opt out of the exercise. A student participant must have written permission to opt in from the parent or guardian of the student;
3. Exercise participants be permitted to withdraw from the exercise at any time, before or during the exercise, using a predetermined method of withdrawal; and
4. The exercise is organized, conducted, and overseen by law enforcement, first responders, or emergency management personnel. The district or one of its schools shall play a critical role in exercise coordination, overall function, and use of the facility.

After-Action Review

The district shall conduct an after-action review of the exercise to determine the extent to which the exercise achieved key planning objectives, to include ensuring:

1. Incident command and control structures work as intended in accordance with the district's multihazard emergency operations plan;
2. Two-way communications work as intended with emergency first responders in accordance with the district's multihazard emergency operations plan; and
3. Emergency notification systems (e.g., voice calls, text messages, and email notifications) work as intended.

Data Collection

The district shall ensure that data regarding the efficacy and impact of the exercise will be tracked, including any feedback regarding

the exercise from students, staff, or family members of students and staff. Data shall be collected and submitted to the TxSSC using the methods developed by the TxSSC.

**Eye and Face
Protection**

Required Devices

Each teacher and student shall wear industrial-quality eye-protective devices in appropriate situations as determined by district policy. *Education Code 38.005*

Recommended
Guidelines

For selection and use of face and eye protection in public schools, the Texas Department of State Health Services (DSHS) recommends the guidelines entitled "Eye and Face Protection," available at 29 C.F.R. 1910.133.

25 TAC 295.141-.142

**Emergency
Operations Plan**

The Superintendent shall ensure updating of the District's emergency operations plan and ongoing staff training.

As required by law, the emergency operations plan shall include the District's procedures addressing:

1. Reasonable security measures when District property is used as a polling place;
2. Response to an active shooter emergency;
3. Response to a nearby train derailment, as applicable; and
4. Access to campus buildings and materials necessary for a substitute teacher to carry out the duties of a District employee during an emergency or an emergency drill.

**Notice Regarding
Violent Activity**

The Superintendent shall develop procedures to notify parents regarding violent activity that has occurred or is being investigated at a campus or other District facility or at a District-sponsored activity.

**School Resource
Officers**

To implement the District's comprehensive safety programs, the District has entered into a memorandum of understanding (MOU) with each local law enforcement agency that provides the District with school resource officers. School resource officers shall provide services consistent with the terms of the agreement, the comprehensive safety programs, and Board policy.

Jurisdiction

The jurisdiction of school resource officers shall include all territory within District boundaries, as well as all real and personal property outside the boundaries of the District that is owned, leased, or rented by the District, or is otherwise under the District's control.

Authority and Duties

A school resource officer shall perform duties as described in the MOU and as included in the District improvement plan and the Student Code of Conduct. Pursuant to the MOU, a school resource officer shall:

1. Protect the safety and welfare of any person in the jurisdiction of the District and protect the property of the District.

5. Enforce District policies, rules, and regulations on District property, in school zones, at bus stops, or at District functions.
6. Investigate violations of District policy, rules, and regulations as requested by the Superintendent and participate in hearings concerning alleged violations.
7. Carry a firearm in accordance with the MOU and the directives with the commissioning entity.
8. Carry out all other duties in accordance with the MOU.

A school resource officer shall not be assigned routine classroom discipline or administrative tasks. Each school resource officer shall receive at least the minimum amount of education and training required by law.

[See CKE(LEGAL) and CKEC(LEGAL)]

Contracted Security Officers

To assist with implementing the District's comprehensive safety programs, the District has entered into an agreement with a security services contractor for security officers in accordance with law. Contracted security officers shall provide services consistent with the terms of the agreement, the comprehensive safety programs, and Board policy.

Jurisdiction

The jurisdiction of contracted security officers shall include all territory within District boundaries, as well as all real and personal property outside the boundaries of the District that is owned, leased, or rented by the District, or is otherwise under the District's control.

Authorization

Pursuant to its authority under state law, the Board may authorize contracted security officers to possess certain firearms in schools, at Board meetings, and at school-sponsored or school-related events on District property, to the extent allowed by law. Each contracted security officer shall have immunities as provided by law.

Each specifically authorized contracted security officer shall be approved by action of the Board. The Superintendent shall issue written authorization to each approved officer. The written authorization shall specify the District premises and other property where the contracted security officer is authorized to carry a firearm, as well as the means of carrying and storing the firearm.

Revocation

The Superintendent, as well as the Board, shall have the authority to revoke at any time a specific contracted security officer's authorization to possess a firearm on District property under this policy.

In addition, authorization for a specific contracted security officer to possess a firearm on District property under this policy shall be automatically revoked if the agreement with the security services contractor expires or is severed.

Duties

A contracted security officer shall not perform routine law enforcement duties unless the duty is performed in response to an emergency that poses a threat of death or serious bodily injury to a student, employee, or other individual on a District campus.

In the scope of their services as contracted security personnel, each security officer shall:

1. Protect the safety and welfare of any person in the jurisdiction of the District and protect the property of the District.
2. Carry out all other duties in accordance with the agreement.

Training

The District shall ensure that each contracted security officer receives specialized training in crisis intervention, management of hostage situations, and other topics the Board may determine necessary or appropriate.

In addition, each contracted security officer shall receive training in the following:

1. Student mental health, including suicide awareness;
2. Trauma-informed care;
3. Age-appropriate responses;
4. Child abuse identification and reporting;
5. Bullying, cyberbullying, harassment, and dating violence;
6. Special accommodations for students with disabilities (including behavior de-escalation techniques);
7. Confidentiality; and
8. Board policies and District regulations.

Note: For general provisions applicable to district security personnel, including district peace officers, see CKE.

“Commissioned security officer” is a security officer under Occupations Code Chapter 1702 authorized by the Department of Public Safety (DPS) to carry a firearm and operating in compliance with 37 Administrative Code Chapter 35, Subchapter F.

Security Services Contractor

For the purposes of providing security personnel, the board may contract with a licensed security services contractor for the provision of a commissioned security officer who has completed the Level II or III training course required by DPS.

Education Code 37.081; Occupations Code 1702.002; 37 TAC 35.81-.83

Employed by the District

A district may not employ a commissioned security officer unless it provides notice to DPS in the form prescribed by the Public Safety Commission of:

1. The district’s intent to employ a commissioned security officer and register with DPS;
2. The name, title, and contact information of the person serving in the district as the contact for DPS; and
3. Any change in the information provided above.

Occupations Code 1702.181

The provisions of Occupations Code Chapter 1702 relating to security officer commissions apply to a person employed by a district whose duties include serving as a security guard, security watchman, or security patrolman on property owned or operated by the district if the board files a written request with DPS to issue a commission to the district’s employees with those duties.

The commission expires at the time the officer’s employment as a security officer by the district is terminated.

Occupations Code 1702.321

Note: For provisions regarding selection and adoption of instructional materials, see EFA.

**Instructional
Materials and
Technology**

Instructional materials selected for use in the public schools shall be furnished without cost to the students attending those schools. Except as provided by Education Code 31.104(d), a district may not charge a student for instructional material or technological equipment purchased by the district with the district's technology and instructional materials allotment. *Education Code 31.001*

Each instructional material, including electronic instructional material only to the extent of any applicable licensing agreement, purchased as provided by Education Code Chapter 31 for a district is the property of the district. *Education Code 31.102(a)-(b)*

Allotment

A district is entitled to an allotment each biennium from the state instructional materials and technology fund for each student enrolled in the district on a date during the last year of the preceding biennium specified by the commissioner of education. The commissioner shall determine the amount of the allotment per student each biennium on the basis of the amount of money available in the state instructional materials and technology fund to fund the allotment. The allotment shall be transferred from the state instructional materials and technology fund to the credit of the district's instructional materials and technology account as provided by Education Code 31.0212. *Education Code 31.0211(a)*

The commissioner shall, as early as practicable during each biennium, notify each district of the estimated amount to which the district will be entitled during the next fiscal biennium. *Education Code 31.0215(a)*

Additional State Aid

*State-Approved
Instructional
Materials*

For each student enrolled in the district, a school district is entitled to additional state aid for each school year in an amount equal to \$40, or a greater amount provided by appropriation, to procure instructional material that has been reviewed by the Texas Education Agency (TEA); placed on the State Board of Education (SBOE) list of approved instructional materials; designated by the SBOE as being included or capable of being included in an instructional materials parent portal; and acquired from a publisher, manufacturer, or other entity that has not been found to violate Education Code 31.151. *Education Code 48.307(a)*

*Open Education
Resource (OER)
Instructional
Materials*

Subject to Education Code 31.0751 (OER transition plan), a district is entitled to additional state aid for each school year in an amount not to exceed \$20 for each student for the costs incurred or for which the district is obligated to pay during the school year in which the aid is provided for the printing and shipping of OER instruc-

	<p>tional material made available under Education Code Chapter 31, Subchapter B-1. <i>Education Code 48.308(a)</i></p>
<p>Allotment Adjustment <i>Change in Enrollment</i></p>	<p>Not later than May 31 of each school year, a district may request that the commissioner adjust the number of students for which the district is entitled to receive an allotment on the grounds that the number of students attending school in the district will increase or decrease during the school year for which the allotment is provided. The commissioner may also adjust the number of students for which a district is entitled to receive an allotment, without a request by the district, if the commissioner determines a different number of students is a more accurate reflection of students who will be attending school in the district. The commissioner's determination is final. <i>Education Code 31.0211(e)</i></p>
<p><i>High Enrollment Growth</i></p>	<p>Each year the commissioner shall adjust the instructional materials and technology allotment of districts experiencing high enrollment growth. <i>Education Code 31.0214(a)</i></p>
<p>Permitted Expenditures</p>	<p>The allotment funds may be used to purchase or pay for:</p> <ol style="list-style-type: none">1. Instructional materials, regardless of whether the instructional materials are on the list of approved instructional materials maintained by the SBOE under Education Code 31.022;2. Consumable instructional materials;3. Instructional materials for use in bilingual education classes, as provided by Education Code 31.029;4. Instructional materials for use in college preparatory courses under Education Code 28.014, as provided by Education Code 31.031;5. Supplemental instructional materials;6. OER instructional materials, as provided by Education Code Chapter 31, Subchapter B-1;7. Instructional materials and technological equipment under any continuing contracts of the district in effect on September 1, 2011;8. Technological equipment necessary to support the use of any instructional materials purchased with an allotment under this provision;9. Inventory software or systems for storing, managing, and accessing instructional materials and analyzing the usage and effectiveness of instructional materials;

10. Services, equipment, and technology infrastructure necessary to ensure internet connectivity and adequate bandwidth;
11. Training educational personnel directly involved in student learning in the appropriate use of instructional materials and for providing for access to technological equipment for instructional use;
12. Training personnel in the electronic administration of assessment instruments;
13. The salary and other expenses of an employee who provides technical support for the use of technological equipment directly involved in student learning; and
14. Costs associated with distance learning, including services, equipment, and technology such as Wi-Fi, internet access hotspots, wireless network service, broadband service, and other services and technological equipment necessary to facilitate internet access.

The allotment funds may not be used to purchase instructional material that contains obscene or harmful content or would otherwise cause the district to which the funds were allotted to be unable to submit the certification required under Education Code 31.1011(a)(1)(B) [see Certification of Instructional Materials, below].

Education Code 31.0211(c), (f)

*Technological
Equipment*

In purchasing technological equipment, a district shall:

1. Secure technological solutions that meet the varying and unique needs of students and teachers in the district; and
2. Consider both the long-term cost of ownership of the technological equipment and flexibility for innovation.

Education Code 31.0211(d)

**Instructional
Materials and
Technology Account**

The commissioner shall maintain an instructional materials and technology account for each district. In the first year of each biennium, the commissioner shall deposit the district's allotment in the account. The commissioner shall pay the cost of instructional materials requisitioned by a district under Education Code 31.103 using funds from the district's instructional materials and technology account.

Money deposited in a district's instructional materials and technology account during each state fiscal biennium remains in the account and available for use by the district for the entire biennium.

At the end of each biennium, a district with unused money in the district's account may carry forward any remaining balance to the next biennium.

A district shall provide to TEA the title and publication information for any instructional materials requisitioned or purchased by the district with the district's instructional materials and technology allotment.

Education Code 31.0212(a)-(d)

Purchasing Method

A district is not required to use a method provided by Education Code 44.031(a) to purchase instructional materials that have been reviewed by TEA and included on the list of approved instructional materials maintained by the SBOE. *Education Code 31.102(d)*

Requisitions, Use, and Distribution

Delegation of Authority

The board may delegate to an employee the authority to requisition, distribute, and manage the inventory of instructional materials, consistent with Education Code Chapter 31 and rules adopted under that chapter. *Education Code 31.104(a)*

Local Funds

A district may use local funds to purchase any instructional materials in addition to those selected under Education Code Chapter 31. *Education Code 31.106*

Online Requisition Program

A district shall make a requisition for instructional materials using the online requisition program maintained by the commissioner. A district may requisition instructional materials for grades above the grade level in which a student is enrolled. *Education Code 31.103(b)-(c)*

Distribution

The board shall distribute printed instructional materials to students in the manner that the board determines is most effective and economical. *Education Code 31.102(c)*

OER Instructional Materials

A district may adopt OER instructional material at any time. Except as otherwise provided by the Education Code, the commissioner may not require a district to adopt or use an OER instructional material. A district may not be charged for a cost associated with the selection of an OER instructional material, except for the cost of printing copies of the material. *Education Code 31.073(a), (c)-(d)*

OER Transition Plan

To qualify for additional state aid under Education Code 48.308 the board must adopt an OER instructional material transition plan to assist classroom teachers in the district who will be using an OER instructional material in a specific subject or grade level for which the teacher has not previously used an OER instructional material.

The plan must ensure that OER instructional materials are used in a manner that maintains the instructional flexibility of a classroom teacher to address the needs of each student.

A district that participates in the program developed and maintained by TEA under Education Code 31.0752 is not required to adopt a transition plan under this provision.

Education Code 31.0751

TEA Assistance
Program

TEA shall develop and maintain a program to assist school districts in adopting and using OER instructional material. Education Code 31.0752

Requisition

A district that selects OER instructional material shall requisition a sufficient number of printed copies for use by students unable to access the instructional material electronically unless the district provides to each student:

1. Electronic access to the instructional material at no cost to the student; or
2. Printed copies of the portion of the instructional material that will be used in the course.

Education Code 31.103(d)

Parent Portal

An entity that hosts an instructional materials parent portal must comply with requests regarding parental access to the portal made by a district in compliance with Education Code 31.154 or Education Code 26.006 [see EFA]. *Education Code 31.154(e)*

[For more information regarding the requirements for certain entities that supply instructional materials to host a parent portal, see Education Code 31.154.]

**Bilingual
Instructional
Materials**

A district shall purchase with its allotment or otherwise acquire instructional materials for use in bilingual education classes. *Education Code 31.029*

**Certification of
Instructional
Materials**

Prior to the beginning of each school year, a district shall submit to the SBOE and commissioner certification that the district:

1. For each subject in the required curriculum under Education Code 28.002, other than physical education, and each grade level:
 - a. Provides each student with instructional materials that cover all elements of the essential knowledge and skills adopted by the SBOE for that subject and grade level; and

- b. In the provision of instructional materials, the district protects students from obscene or harmful content as necessary for compliance with the Children's Internet Protection Act (Pub. L. No. 106-554) [see CQ], Education Code 28.0022 [see EMB], Penal Code 43.22, and any other law or regulation that protects students from obscene or harmful content [see EFA]; and
2. The district used money allocated to the district or school under the instructional materials and technology allotment only for purposes allowed under Education Code 31.0211.

To determine whether each student has instructional materials that cover all elements of the essential knowledge and skills, a district may consider:

1. Instructional materials adopted by the SBOE;
2. Instructional materials developed, purchased, or otherwise acquired by the district; and
3. OER instructional materials and other electronic instructional materials included in the repository under Education Code 31.0722.

Education Code 31.1011

Annual Report

Each district shall annually report to TEA information regarding the instructional materials used by the district during the previous school year, including the cost of each material. *Education Code 31.1012*

Ownership

Except as otherwise provided, a student must return all instructional materials to the teacher at the end of the school year or when the student withdraws from school. At the end of the school year for which OER instructional material that a district does not intend to use for another student is distributed, the printed copy of the OER instructional material becomes the property of the student to whom it is distributed.

This provision does not apply to an electronic copy of OER instructional material.

Education Code 31.104(c), (g)-(h)

Responsibility for Instructional Materials and Equipment

Each student or the student's parent or guardian is responsible for all instructional material and technological equipment not returned in an acceptable condition by the student. A student who fails to return in an acceptable condition all instructional materials and technological equipment forfeits the right to free instructional materials and technological equipment until all instructional materials and

technological equipment previously issued but not returned in an acceptable condition are paid for by the student, parent, or guardian.

As provided by board policy, a district may waive or reduce the payment required if the student is from a low-income family. [See FP] The district shall allow the student to use instructional materials and technological equipment at school during each school day.

If instructional materials or technological equipment is not returned in an acceptable condition or paid for, a district may withhold the student's records. A district may not prevent the student from graduating, participating in a graduation ceremony, or receiving a diploma. [See FL and GBA regarding student and parental right to access records; and FD, FFAB, and FL regarding a district's duties to provide records to another district]

The board may not require an employee of the district who acts in good faith to pay for instructional materials or technological equipment that is stolen, misplaced, or not returned by a student. [See DG]

These provisions do not apply to an electronic copy of OER instructional material.

Education Code 31.104(d), (e), (h) [See also EFA]

Acceptable

Devices**

“Covered application” means the social media service TikTok or any successor application or service developed or provided by ByteDance Limited or an entity owned by ByteDance Limited, or a social media application or service specified by proclamation of the governor to pose a risk to the state. *Gov’t Code 620.001(1), .005.*

With this policy, the Board adopts the model health and safety guidelines for the effective integration of digital devices in schools that have been developed by the Texas Education Agency and the Health and Human Services Commission.

The Superintendent shall develop regulations that implement these guidelines.

If the employee does not have copies of these documents, they may be presented at the Level One conference. After the Level One conference, no new documents may be submitted by the employee unless the employee did not know the documents existed before the Level One conference.

A complaint or appeal form that is incomplete in any material aspect may be dismissed but may be refiled with all the required information if the refiled is within the designated time for filing.

Audio Recording

As provided by law, an employee shall be permitted to make an audio recording of a conference or hearing under this policy at which the substance of the employee's complaint is discussed. The employee shall notify all attendees present that an audio recording is taking place.

Level One

Complaint forms must be filed:

1. Within 15 days of the date the employee first knew, or with reasonable diligence should have known, of the decision or action giving rise to the complaint or grievance; and
2. With the lowest level administrator who has the authority to remedy the alleged problem.

In most circumstances, employees on a school campus shall file Level One complaints with the campus principal; other District employees shall file Level One complaints with their immediate supervisor.

If the only administrator who has authority to remedy the alleged problem is the Superintendent or designee, the complaint may begin at Level Two following the procedure, including deadlines, for filing the complaint form at Level One.

If the complaint is not filed with the appropriate administrator, the receiving administrator must note the date and time the complaint form was received and immediately forward the complaint form to the appropriate administrator.

The appropriate administrator shall investigate as necessary and schedule a conference with the employee within ten days after receipt of the written complaint. The administrator may set reasonable time limits for the conference.

Absent extenuating circumstances, the administrator shall provide the employee a written response within ten days following the con-

ference. The written response shall set forth the basis of the decision. In reaching a decision, the administrator may consider information provided at the Level One conference and any other relevant documents or information the administrator believes will help resolve the complaint.

Level Two

If the employee did not receive the relief requested at Level One or if the time for a response has expired, the employee may request a conference with the Superintendent or designee to appeal the Level One decision.

The appeal notice must be filed in writing, on a form provided by the District, within ten days of the date of the written Level One response or, if no response was received, within ten days of the Level One response deadline.

After receiving notice of the appeal, the Level One administrator shall prepare and forward a record of the Level One complaint to the Level Two administrator. The employee may request a copy of the Level One record.

The Level One record shall include:

1. The original complaint form and any attachments.
2. All other documents submitted by the employee at Level One.
3. The written response issued at Level One and any attachments.
4. All other documents relied upon by the Level One administrator in reaching the Level One decision.

The Superintendent or designee shall schedule a conference within ten days after the appeal notice is filed. The conference shall be limited to the issues and documents considered at Level One. At the conference, the employee may provide information concerning any documents or information relied upon by the administration for the Level One decision. The Superintendent or designee may set reasonable time limits for the conference.

The Superintendent or designee shall provide the employee a written response within ten days following the conference. The written response shall set forth the basis of the decision. In reaching a decision, the Superintendent or designee may consider the Level One record, information provided at the Level Two conference, and any other relevant documents or information the Superintendent or designee believes will help resolve the complaint.

Recordings of the Level One and Level Two conferences, if any, shall be maintained with the Level One and Level Two records.

Level Three

If the employee did not receive the relief requested at Level Two or if the time for a response has expired, the employee may appeal the decision to the Board.

The appeal notice must be filed in writing, on a form provided by the District, within ten days of the date of the written Level Two response or, if no response was received, within ten days of the Level Two response deadline.

The Superintendent or designee shall inform the employee of the date, time, and place of the Board meeting at which the complaint will be on the agenda for presentation to the Board.

The Superintendent or designee shall provide the Board the record of the Level Two appeal. The employee may request a copy of the Level Two record.

The Level Two record shall include:

1. The Level One record.
2. The notice of appeal from Level One to Level Two.
3. The written response issued at Level Two and any attachments.
4. All other documents relied upon by the administration in reaching the Level Two decision.

The appeal shall be limited to the issues and documents considered at Level Two, except that if at the Level Three hearing the administration intends to rely on evidence not included in the Level Two record, the administration shall provide the employee notice of the nature of the evidence at least three days before the hearing.

The District shall determine whether the complaint will be presented in open or closed meeting in accordance with the Texas Open Meetings Act and other applicable law. [See BE]

The presiding officer may set reasonable time limits and guidelines for the presentation, including an opportunity for the employee and administration to each make a presentation and provide rebuttal and an opportunity for questioning by the Board. The Board shall hear the complaint and may request that the administration provide an explanation for the decisions at the preceding levels.

In addition to any other record of the Board meeting required by law, the Board shall prepare a separate record of the Level Three presentation. The Level Three presentation, including the presentation by the employee or the employee's representative, any presentation from the administration, and questions from the Board

with responses, shall be recorded by audio recording, video/audio recording, or court reporter.

The Board shall then consider the complaint. It may give notice of its decision orally or in writing at any time up to and including the next regularly scheduled Board meeting. If the Board does not make a decision regarding the complaint by the end of the next regularly scheduled meeting, the lack of a response by the Board upholds the administrative decision at Level Two.

SEARCHES AND ALCOHOL/DRUG TESTING

DHE
(LEGAL)

Searches — General Rule

Citizens, including district employees, have a right to be free from unreasonable searches and seizures. *U.S. Const. Amendment IV; Tex. Const. Art. I, Sec. 9*

A district may search an employee or an employee's property if:

1. There are reasonable grounds to believe that the search will turn up evidence that the employee is guilty of work-related misconduct; and
2. The search is reasonably related in scope to the circumstances that justified the interference in the first place.

O'Connor v. Ortega, 480 U.S. 709 (1987); *New Jersey v. T.L.O.*, 469 U.S. 325 (1985)

In addition, a district may search an employee's workplace for non-investigatory, work-related purposes, if there are reasonable grounds to believe that the search will turn up evidence that the employee is guilty of work-related misconduct. *O'Connor v. Ortega*, 480 U.S. 709 (1987)

Drug/Alcohol Testing

Blood, urine, and breath tests of public employees to determine drug use are searches under the Fourth Amendment of the U.S. Constitution. *Skinner v. Railway Labor Executives Ass'n*, 489 U.S. 602 (1989)

Random Drug Testing

A district may conduct drug tests, without a warrant and without individualized suspicion, when the test serves special governmental needs that outweigh the individual's privacy expectation. *Skinner v. Railway Labor Executives Ass'n*, 489 U.S. 602 (1989); *Nat'l Treasury Employees Union v. Von Raab*, 489 U.S. 656 (1989)

Safety-Sensitive Positions

Random alcohol and drug testing of employees in "safety-sensitive" positions may be permissible when the intrusiveness of the search is minimal and a board is able to demonstrate that the drug-testing program furthers its interest in ensuring the physical safety of students. "Safety-sensitive" positions include those that involve the handling of potentially dangerous equipment or hazardous substances in an environment including a large number of children. *Aubrey v. Sch. Bd. of LaFayette Parish*, 148 F.3d 559 (5th Cir. 1998)

Teacher Appraisal The employment policies adopted by the board must require a written evaluation of each teacher at annual or more frequent intervals.

A teacher appraisal must be done at least once for each school year. A teacher may be appraised less frequently if the teacher agrees in writing and the teacher's most recent evaluation rated the teacher as at least proficient, or the equivalent, and did not identify any area of deficiency. A teacher who is appraised less frequently than annually must be appraised at least once during each period of five school years.

Education Code 21.203, .352(c)

Interim Evaluations and Guidance In addition to conducting a complete appraisal as frequently as required by Education Code 21.352(c), a district shall require that appropriate components of the appraisal process, such as classroom observations and walk-throughs, occur more frequently as necessary to ensure that a teacher receives adequate evaluation and guidance. A district shall give priority to conducting appropriate components more frequently for inexperienced teachers or experienced teachers with identified areas of deficiency. *Education Code 21.352(c-1)*

Required Components The statutorily required components of teacher appraisal are defined as follows:

1. The implementation of discipline management procedures is the teacher's pedagogical practices that produce student engagement and establish the learning environment.
2. The performance of teachers' students is how the individual teacher's students progress academically in response to the teacher's pedagogical practice as measured at the individual teacher level by one or more student growth measures.

19 TAC 150.1001(f)

Notice and Use of Evaluations A district shall use a teacher's consecutive appraisals from more than one year, if available, in making employment decisions and developing career recommendations for the teacher. *Education Code 21.352(e)*

The district shall notify a teacher of the results of any appraisal of the teacher in a timely manner so that the appraisal may be used as a developmental tool by the district and the teacher to improve the overall performance of the teacher. *Education Code 21.352(f)*

Role of Extracurricular Activities A teacher who directs extracurricular activities in addition to performing classroom teaching duties shall be appraised only on the

basis of classroom teaching performance and not on performance in connection with extracurricular activities. *Education Code 21.353*

Disciplinary Referrals

A district may not assign an area of deficiency to a teacher solely on the basis of disciplinary referrals made by the teacher or documentation regarding student conduct submitted by the teacher under Education Code 37.002. [See FOA for discretionary removal] A district is not prohibited from assigning an area of deficiency to a teacher based on documented evidence of a deficiency in classroom management obtained through observation or a substantiated report. *Education Code 21.352(a-1)*

Access to Evaluations

A district shall maintain a written copy of the evaluation of each teacher's performance in the teacher's personnel file.

Each teacher is entitled to receive a written copy of the evaluation promptly on its completion. The evaluation and any rebuttal may be given to another school district at which the teacher has applied for employment at the request of that district.

Education Code 21.352(c)

Confidentiality

A document evaluating the performance of a teacher or administrator is confidential and is not subject to disclosure under the Public Information Act, Government Code 552. *Education Code 21.355(a)* [For disclosure requirements on evaluations, see GBA]

Two Appraisal Methods

A district shall use one of the following methods to appraise teachers:

1. The teacher appraisal system recommended by the commissioner of education [see State Method (T-TESS), below]; or
2. A local teacher appraisal system [see District Option and Campus Option, below].

Education Code 21.352(a); 19 TAC 150.1001(a)

Selection of Appraisal Method

A superintendent, with the approval of a board, may select the state appraisal method. Each district or campus wanting to select or develop an alternative teacher appraisal system must follow the requirements set forth below at District Option or Campus Option. *19 TAC 150.1001(c)*

Notice to Service Center

A superintendent shall notify the executive director of the district's regional education service center in writing of the district's choice of appraisal system when using an alternative to the state appraisal method and detail the components of that system by the first day of instruction for the school year in which the alternative system is used.

A district shall submit annually to its service center a summary of the campus-level evaluation scores from the state appraisal method or the district's locally adopted appraisal system, in a manner prescribed by the commissioner.

19 TAC 150.1008

Note: The following provisions apply to teacher appraisal using the state appraisal method.

**State Method
(T-TESS)**

The commissioner's recommended teacher appraisal system, the Texas Teacher Evaluation and Support System (T-TESS), was developed in accordance with Education Code 21.351. *19 TAC 150.1001(b), .1002(a)*

Orientation and
Annual Review

A district shall ensure that all teachers are provided with an orientation to the T-TESS no later than the final day of the first three weeks of school and at least two weeks before the first observation when:

1. The teacher is new to the district;
2. The teacher has never been appraised under the T-TESS; or
3. District policy regarding teacher appraisal has changed since the last time the teacher was provided with an orientation to the T-TESS.

The teacher orientation shall be conducted in a face-to-face setting during a district's first year of T-TESS implementation and include all state and local appraisal policies and the local appraisal calendar. In addition to the orientation, campuses may hold other sessions sufficient in length allowing teachers to actively participate in a discussion of the T-TESS specifics and to have their questions answered.

19 TAC 150.1006

Appraisers

The teacher appraisal process requires at least one certified appraiser. An appraiser must be the teacher's supervisor or a person approved by the board.

*Campus
Administrator*

Only a campus administrator may act as a certified appraiser, except as provided below.

Under the T-TESS, a "campus administrator" includes a principal, an assistant principal, an administrator who holds a comparable administrator/supervisor certificate established by the State Board for Educator Certification, or supervisory staff whose job descrip-

tion includes the appraisal of teachers and who is not a classroom teacher.

An individual other than a campus administrator may act as a certified appraiser if:

1. The individual has been certified by completing the required training prior to conducting appraisals; and
2. In the case where the certified appraiser is a classroom teacher, the certified appraiser:
 - a. Conducts appraisals at the same school campus at which the certified appraiser teaches if the certified appraiser is the chair of a department or grade level whose job description includes classroom observation responsibilities; or
 - b. Does not conduct appraisals of classroom teachers who teach at the same campus as the certified appraiser if the certified appraiser is not a department or grade-level chair.

Training and Certification

Before conducting appraisals, an appraiser must be certified by having satisfactorily completed the state-approved T-TESS appraiser training and having passed the T-TESS certification examination, and must have received Instructional Leadership Training (ILT), Instructional Leadership Development (ILD), or Advanced Educational Leadership (AEL) certification. Appraisers without ILT, ILD, or AEL certification before January 1, 2016, may not take ILT or ILD to satisfy the requirement. Periodic recertification and training shall be required.

Education Code 21.351(c); 19 TAC 150.1005

Appraisal Calendar

A district shall establish a calendar for teacher appraisals and provide that calendar to teachers within three weeks from the first day of instruction. The appraisal period for each teacher must include all of the days of the teacher's contract.

Observations during the appraisal period must be conducted during the required days of instruction for students during one school year.

The appraisal calendar shall:

1. Exclude observations in the two weeks after the day of completion of the T-TESS orientation in the school years when an orientation is required; and

2. Indicate a period for end-of-year conferences that ends no later than 15 working days before the last day of instruction for students.

19 TAC 150.1003(d)

A teacher may be given advance notice of the date or time of an appraisal, but advance notice is not required. *Education Code 21.352(d); 19 TAC 150.1003(c)*

Assessment of
Teacher
Performance

Each teacher must be appraised each school year, except as provided below at Less-Than-Annual Appraisal. Whenever possible, an appraisal shall be based on the teacher's performance in fields and teaching assignments for which he or she is certified. *19 TAC 150.1003(a)*

During the appraisal period, the certified appraiser shall evaluate and document teacher performance specifically related to the domain criteria as identified in 19 Administrative Code 150.1002(a) and the performance of teachers' students as defined in 19 Administrative Code 150.1001(f)(2). *19 TAC 150.1003(e)*

*Less-Than-
Annual Appraisal*

A teacher may receive a full appraisal less than annually if the teacher agrees in writing and the teacher's most recent full appraisal resulted in the teacher receiving summative ratings of at least proficient on nine of the sixteen dimensions and did not identify any area of deficiency, defined as a rating of Improvement Needed or its equivalent, on any of the sixteen dimensions identified in 19 Administrative Code 150.1002(a) or the performance of teachers' students, as defined in 19 Administrative Code 150.1001(f)(2). A teacher who receives a full appraisal less than annually must receive a full appraisal at least once during each period of five school years.

District policy may stipulate:

1. Whether the option to receive a full appraisal less frequently than annually is to be made available to teachers;
2. Whether the option to receive a full appraisal less frequently than annually is to be adopted district-wide or is to be campus specific;
3. If the appraisal accompanying a teacher new to a district or campus meets this option, whether the appraisal is to be accepted or whether that teacher is to be appraised by the new campus administrator; and
4. Whether a certified appraiser may place a teacher on the traditional appraisal cycle as a result of performance deficiencies

documented in accordance with 19 Administrative Code 150.1003(b)(6) and (f) (cumulative data regarding teacher performance in addition to formal classroom observations).

A school district may choose annually to review the written agreement to have less frequent full appraisals with the teacher. However, at the conclusion of the school year, the district may modify appraisal options through board policy and may make changes to expectations for appraisals that apply to all teachers regardless of a teacher's participation in the appraisal option in the previous year(s).

In a year in which a teacher does not receive a full appraisal due to meeting the requirements, a teacher shall participate in:

1. The Goal-Setting and Professional Development Plan process;
2. The performance of teachers' students, as defined in 19 Administrative Code 150.1001(f)(2); and
3. A modified end-of-year conference that addresses:
 - a. The progress on the Goal-Setting and Professional Development Plan;
 - b. The performance of teachers' students, as defined in 19 Administrative Code 150.1001(f)(2); and
 - c. The following year's Goal-Setting and Professional Development plan.

19 TAC 150.1003(l)

*Domains and
Dimensions*

Each teacher shall be appraised on the following domains and dimensions of the T-TESS rubric that is aligned to the Texas Teacher Standards in 19 Administrative Code Chapter 149 (Commissioner's Rules Concerning Educator Standards):

1. Domain I. Planning or Alternate Domain I. Lesson Internalization, which includes the following dimensions:
 - a. Standards and alignment;
 - b. Data and assessment;
 - c. Knowledge of students; and
 - d. Activities.
2. Domain II. Instruction, which includes the following dimensions:

- a. Achieving expectations;
 - b. Content knowledge and expertise;
 - c. Communication;
 - d. Differentiation; and
 - e. Monitor and adjust.
3. Domain III. Learning Environment, which includes the following dimensions:
 - a. Classroom environment, routines, and procedures;
 - b. Managing student behavior; and
 - c. Classroom culture.
 4. Domain IV. Professional Practices and Responsibilities, which includes the following dimensions:
 - a. Professional demeanor and ethics;
 - b. Goal setting;
 - c. Professional development; and
 - d. School community involvement.

The evaluation of each of the dimensions above shall consider all data generated in the appraisal process. The data for the appraisal of each dimension shall be gathered from pre-conferences, observations, post-conferences, end-of-year conferences, the Goal-Setting and Professional Development Plan process, and other documented sources.

Each teacher shall be evaluated on the 16 dimensions in Domain I or Alternate Domain I and Domains II-IV identified above using the following categories:

1. Distinguished;
2. Accomplished;
3. Proficient;
4. Developing; and
5. Improvement needed.

Beginning with the 2024-25 school year, teachers may be appraised using Domain I or Alternate Domain I based on the alignment of teacher responsibilities to lesson planning or lesson internalization.

*Student
Performance*

Beginning with the 2017-18 school year, each teacher appraisal shall include the performance of teachers' students, as defined in 19 Administrative Code 150.1001(f)(2) (student growth measures).

If calculating a single overall summative appraisal score for teachers, the performance of teachers' students, as defined in 19 Administrative Code 150.1001(f)(2), shall count for at least 20 percent of a teacher's summative score.

Each teacher shall be evaluated on the performance of teachers' students using one of the terms from the following categories:

1. Distinguished or well above expectations;
2. Accomplished or above expectations;
3. Proficient or at expectations;
4. Developing or below expectations; or
5. Improvement needed or well below expectations.

19 TAC 150.1002

Appraisal Process

The annual teacher appraisal, or full appraisal, shall include:

1. A completed and appraiser-approved Goal-Setting and Professional Development Plan that shall be:
 - a. Submitted to the teacher's appraiser within the first six weeks from the day of completion of the T-TESS orientation for teachers in their first year of appraisal under the T-TESS or for teachers new to the district; or
 - b. Initially drafted in conjunction with the teacher's end-of-year conference from the previous year, revised as needed based on changes to the context of the teacher's assignment during the current school year, and submitted to the teacher's appraiser within the first six weeks of instruction; and
 - c. Maintained throughout the course of the school year by the teacher to track progress in the attainment of goals and participation in professional development activities detailed in the approved plan;
 - d. Shared with the teacher's appraiser prior to the end-of-year conference; and
 - e. Used after the end-of-year conference in the determination of ratings for the goal setting and professional development dimensions of the T-TESS rubric;

2. For a teacher in the first year of appraisal under the T-TESS or for teachers new to the district, a Goal-Setting and Professional Development Plan conference prior to the teacher submitting the plan to the teacher's appraiser;
3. After a teacher's first year of appraisal under the T-TESS within the district, an observation pre-conference conducted prior to announced observations;
4. At least one classroom observation of a minimum of 45 minutes, with additional walk-throughs and observations conducted at the discretion of the certified appraiser and in accordance with the Education Code 21.352(c-1). Additional observations and walk-throughs do not require an observation post-conference. Additional observations and walk-throughs do require a written summary if the data gathered during the additional observation or walk-through will impact the teacher's summative appraisal ratings, in which case the written summary shall be shared within 10 working days after the completion of the additional observation or walk-through. Title 19 Administrative Code 150.1004 (Teacher Response and Appeals) applies to a written summary of an additional observation or walk-through that will impact the teacher's summative appraisal ratings;
5. An observation post-conference that:
 - a. Shall be conducted within 10 working days after the completion of an observation;
 - b. Is diagnostic and prescriptive in nature;
 - c. Includes a written report of the rating of each dimension observed that is presented to the teacher only after a discussion of the areas for reinforcement and areas for refinement; and

6. Cumulative data from written documentation collected regarding job-related teacher performance, in addition to formal classroom observations;
7. An end-of-year conference that:
 - a. Reviews the appraisal data collected throughout the current school year and previous school years, if available;

- b. Examines and discusses the evidence related to the teacher's performance on the four dimensions of Domain IV of the T-TESS rubric;
 - c. Examines and discusses evidence related to the performance of teachers' students, as defined in 19 Administrative Code 150.1001(f)(2) (student growth measures), when available; and
 - d. Identifies potential goals and professional development activities for the teacher for the next school year; and
8. A written summative annual appraisal report to be provided to the teacher within 10 working days of the conclusion of the end-of-year conference.

19 TAC 150.1003(b)

*Shorter
Observations*

By written, mutual consent of the teacher and the certified appraiser, the required 45 minutes of observation may be conducted in shorter time segments. The time segments must aggregate to at least 45 minutes. *19 TAC 150.1003(g)*

Cumulative Data

The certified appraiser is responsible for documentation of cumulative data. Any third-party information from a source other than the certified appraiser that the certified appraiser wishes to include as cumulative data shall be verified and documented by the certified appraiser. Any documentation that will influence the teacher's summative annual appraisal report must be shared in writing with the teacher within 10 working days of the certified appraiser's knowledge of the occurrence. The principal shall also be notified in writing of the cumulative data when the certified appraiser is not the teacher's principal. *19 TAC 150.1003(f)*

Summative Report

A written summative annual appraisal report shall be shared with the teacher no later than 15 working days before the last day of instruction for students. The written summative annual appraisal report shall be placed in the teacher's personnel file by the end of the appraisal period. *19 TAC 150.1003(h)*

**End-of-Year
Conference**

An end-of-year conference shall be held within a time frame specified on the district calendar, no later than 15 working days before the last day of instruction for students. The end-of-year conference shall focus on the data and evidence gathered throughout the appraisal year; the teacher's efforts as they pertain to Domain IV; the results of the performance of teachers' students, when available, as defined in 19 Administrative Code 150.1001(f)(2); and the potential goals and professional development plans for the following year. The written summative annual appraisal report shall be shared with the teacher within 10 working days following the con-

clusion of the end-of-year conference but no later than 15 working days before the last day of instruction.

In cases where the certified appraiser is not an administrator on the teacher's campus, either the principal, assistant principal, or another supervisory staff member designated as an administrator on the campus must participate in the end-of-year conference.

19 TAC 150.1003(i), (j)

**Additional
Documentation**

Any documentation collected after the end-of-year conference but before the end of the contract term during one school year may be considered as part of the appraisal of a teacher. If the documentation affects the teacher's evaluation in any dimension, another summative report shall be developed to inform the teacher of the changes. *19 TAC 150.1003(k)*

**Teacher Response
and Rebuttal**

A teacher may submit a written response or rebuttal at the following times:

1. For Domain I or Alternate Domain I, Domain II, and Domain III, after receiving a written observation summary or any other written documentation related to the ratings of those three domains; or
2. For Domain IV and for the performance of teachers' students, as defined in 19 Administrative Code 150.1001(f)(2), after receiving a written summative annual appraisal report.

Any written response or rebuttal must be submitted within 10 working days of receiving a written observation summary, a written summative annual appraisal report, or any other written documentation associated with the teacher's appraisal. A teacher may not submit a written response or rebuttal to a written summative annual appraisal report for the ratings in Domain I or Alternate Domain I, Domain II, and Domain III if those ratings are based entirely on observation summaries or written documentation already received by the teacher earlier in the appraisal year for which the teacher already had the opportunity to submit a written response or rebuttal.

Education Code 21.352(c); 19 TAC 150.1004(a), (b)

**Request for Second
Appraisal**

A teacher may request a second appraisal by another certified appraiser at the following times:

1. For Domain I or Alternate Domain I, Domain II, and Domain III, after receiving a written observation summary with which the teacher disagrees; or
2. For Domain IV and for the performance of teachers' students, as defined in 19 Administrative Code 150.1001(f)(2), after re-

ceiving a written summative annual appraisal report with which the teacher disagrees.

The second appraisal must be requested within 10 working days of receiving a written observation summary or a written summative annual appraisal report. A teacher may not request a second appraisal by another certified appraiser in response to a written summative annual appraisal report for the ratings of dimensions in Domains I, II, and III if those ratings are based entirely on observation summaries or written documentation already received by the teacher earlier in the appraisal year for which the teacher already had the opportunity to request a second appraisal.

A teacher may be given advance notice of the date or time of a second appraisal, but advance notice is not required.

The second appraiser shall make observations and walk-throughs as necessary to evaluate the dimensions in Domains I-III or shall review the Goal-Setting and Professional Development Plan for evidence of goal attainment and professional development activities, when applicable. Cumulative data may also be used by the second appraiser to evaluate other dimensions.

A district shall adopt written procedures for determining the selection of second appraisers. The procedures shall be disseminated to each teacher at the time of employment and updated annually or as needed.

The District shall provide instructional materials designed to teach the Texas Essential Knowledge and Skills and further the District's educational mission. Although the Superintendent shall ensure that professional staff select instructional materials in accordance with District policy and administrative regulations, the ultimate authority for determining and approving the curriculum and instructional program of the District lies with the Board.

Objectives

In this policy, "instructional materials" may include textbooks, supplementary resources for classroom use, and any other instructional resources, including electronic resources, used for formal or informal teaching and learning purposes. The primary objectives of instructional materials are to implement, enrich, and support the District's educational program.

5. Promote literacy.

District professional staff may select additional instructional materials in accordance with administrative regulations and the criteria above.

Administrators, teachers, other District personnel, parents, and community members, as appropriate, may recommend instructional materials for selection. Gifts of instructional materials shall be evaluated according to these criteria and accepted or rejected in accordance with CDC(LOCAL).

Selection of instructional materials is an ongoing process that includes the removal of materials no longer appropriate and the periodic replacement or repair of materials that still have educational value.

**Reconsideration of

Guiding Principles

The following principles shall guide the Board and staff in responding to a request for reconsideration of instructional materials:

1. A complainant may raise an objection to an instructional material used in a school's educational program, despite the fact that the professional staff selecting the materials were qualified to make the selection, followed the proper procedure, and adhered to the objectives for instructional materials set out in this policy.
2. A parent's ability to exercise control over instruction extends only to his or her own child as set forth in Education Code Chapter 26.
3. Access to a challenged material shall not be restricted during the reconsideration process, except the District may deny access to a child if requested by the child's parent.

The major criterion for the final decision on challenged instructional materials is the appropriateness of the material for its intended educational use. No challenged instructional material shall be removed solely because of the ideas expressed therein.

Informal
Reconsideration

When the District or a campus receives an objection to the appropriateness of an instructional material, the appropriate administrator shall try to resolve the matter informally. The administrator shall explain the selection process and discuss the intended educational purpose for the instructional material. If appropriate, the administrator may offer a concerned parent an alternative instructional ma-

material to be used by that parent's child in place of the challenged material.

If the complainant wishes to make a formal challenge, the administrator shall provide the complainant a copy of this policy and a form to request a formal reconsideration of the instructional material.

Formal Request for Reconsideration

A complainant shall make any formal request to reconsider an instructional material on the form provided by the District and shall submit the completed and signed form to the director of curriculum and instruction. Upon receipt of the form, the director of curriculum and instruction shall appoint a reconsideration committee.

The reconsideration committee shall include at least one member of the instructional staff who has experience using the challenged material with students or is familiar with the challenged material's content. Other members of the committee may include District-level staff, secondary-level students, parents, and any other appropriate individuals.

All members of the committee shall review the challenged instructional material in its entirety. As soon as reasonably possible, the committee shall meet and determine whether the challenged material conforms to the principles of selection set out in this policy and whether the challenged material will continue to be used in the educational program. The committee shall prepare a written report of its findings. The Superintendent, other appropriate administrators, and the complainant shall receive copies of the report.

Frequency of Review

After an instructional material has been reviewed through formal reconsideration, it shall not be reviewed again until it is evaluated in the periodic local selection process.

Appeal

The complainant may appeal the decision of the reconsideration committee in accordance with appropriate complaint policies, starting at the appropriate level. [See DGBA, FNG, and GF]

Note: As of the date issued below, the following sections of the Texas Education Code are enjoined by the United States Fifth Circuit Court of Appeals: 35.001, 35.002, 35.0021, 35.003. *Book People, Inc. v. Wong*, 91 F.4th 318 (5th Cir. 2024). These sections, as well as any other sections that are not severable, are unenforceable unless affected by further legal action.

School Library

A district possesses significant discretion to determine the content of its school libraries. A district must, however, exercise its discretion in a manner consistent with the First Amendment.

Removal of Library
Materials

Students' First Amendment rights are implicated by the removal of books from the shelves of a school library. A district shall not remove materials from a library for the purpose of denying students access to ideas with which the district disagrees. A district may remove materials because they are pervasively vulgar or based solely upon the educational suitability of the books in question.

Bd. of Educ. v. Pico, 457 U.S. 853 (1982)

Standards

The *School Library Programs: Standards and Guidelines for Texas* are adopted by the Texas State Library and Archives Commission. The standards and guidelines are applicable to local Texas school districts. 13 TAC 4.1

A district shall consider the standards in developing, implementing, or expanding library services. *Education Code 33.021(b)*

**Library Collection
Development
Standards**

A district must approve and institute a collection development policy that describes the processes and standards by which a school library acquires, maintains, and withdraws materials.

A school library collection should include materials that are age appropriate and suitable to the campus and students it serves and include a range of materials. A school library collection should:

1. Enrich and support the Texas Essential Knowledge and Skills (TEKS) and curriculum established by Education Code 28.002 [see EHAA], while taking into consideration students’ varied interests, maturity levels, abilities, and learning styles;
2. Foster growth in factual knowledge, literary appreciation, aesthetic values, and societal standards;
3. Encourage the enjoyment of reading, foster high-level thinking skills, support personal learning, and encourage discussion based on rational analysis; and

13 TAC 4.2(a)-(b)

Responsibility A district is responsible for ensuring its school libraries implement and adhere to these collection development standards. *13 TAC 4.2(j)*

A district should ensure a professional librarian certified by the State Board for Educator Certification or other dedicated professional library staff trained on proper collection development standards is responsible for the selection and acquisition of library materials. *13 TAC 4.2(f)*

Procedures A district must develop collection assessment and evaluation procedures to periodically appraise the quality of library materials in

the school library to ensure the library's goals, objectives, and information needs are serving its school community and should stipulate the means to weed or update the collection. *13 TAC 4.2(g)*

A district may add procedures to these minimum requirements to satisfy local needs so long as the added procedures do not conflict with these minimum requirements. *13 TAC 4.2(i)*

Policy
Requirements

A school library collection development policy must:

1. Describe the purpose and collection development goals;
2. Designate the responsibility for collection development;
3. Establish procedures for the evaluation, selection, acquisition, reconsideration, and deselection of materials;
4. Consider the distinct age groups, grade levels, and possible access to materials by all students within a campus;
5. Include a process to determine and administer student access to material rated by library material vendors as "sexually relevant" as defined by Education Code 35.001 consistent with any policies adopted by the Texas Education Agency (TEA) and local school board requirements; *[This regulation is inoperable; see editorial note above.]*
6. Include an access plan that, at a minimum, allows efficient parental access to the district's library and online library catalog; and
7. Comply with all applicable local, state, and federal laws and regulations. Specifically, a collection development policy must:
 - a. Recognize that parents are the primary decision makers regarding their student's access to library material;
 - b. Prohibit the possession, acquisition, and purchase of harmful material, as defined by Penal Code 43.24, library material rated sexually explicit material by the selling library material vendor under Education Code 35.002 *[inoperable; see editorial note above]*, or library material that is pervasively vulgar or educationally unsuitable as referenced in *Pico v. Board of Education*, 457 U.S. 853 (1982);
 - c. Recognize that obscene content is not protected by the First Amendment to the United States Constitution;

- d. Be required for all library materials available for use or display, including material contained in school libraries, classroom libraries, and online catalogs;
- e. Ensure schools provide library catalog transparency, including, but not limited to:
 - (1) Online catalogs that are publicly available; and
 - (2) Information about titles and how and where material can be accessed;
- f. Recommend schools communicate effectively with parents regarding collection development, including, but not limited to:
 - (1) Access to district/campus policies relating to school libraries;

- g. Prohibit the removal of material based solely on the ideas contained in the material or the personal background of the author of the material or characters in the material.

Evaluation of
Materials

Policy Review

A district's collection development policy should be reviewed at least every three years and updated as necessary.

13 TAC 4.2(c)-(d), (h)

**Reconsideration of
Library Material**

A reconsideration process as referenced in this provision should ensure that any parent or legal guardian of a student currently enrolled in the district or employee of the district may request the reconsideration of a specific item in their school district's library catalog.

A reconsideration process should:

1. Establish a uniform procedure an individual must follow when filing a request;
2. Require a district to include a form to request a reconsideration of an item on the school's public internet website if the school has a public internet website or ensure the form is publicly available at a district administrative office;
3. Require that the completed request for reconsideration form be distributed to the superintendent or superintendent designee, school librarian, and the board at the time of submission;
4. Include a reasonable timeframe, approved by the board, for the review and final decision by a committee charged with the review of the item in its entirety. A district should convene a review committee in accordance with criteria established by the district to ensure a thorough and fair process. A reasonable timeframe should take into account:
 - a. The time necessary to convene a committee to meet and review the item;
 - b. Flexibility that may be necessary depending on the number of pending reconsideration requests; and
 - c. Other factors relevant to a fair and consistent process, including informing the requester on the progress of the review in a timely fashion;
5. Establish a uniform process approved by the board for the treatment of any library material undergoing reconsideration;
6. Include a review and appeal process approved by the board; and

7. Provide that if an item has gone through the reconsideration process and remains in the collection, a district may not be required to reconsider an item within two calendar years of the final decision.

**Library Material
Purchases**

[See editorial note above.]

Ratings
Requirement

A library material vendor may not sell library materials to a district unless the vendor has issued appropriate ratings regarding sexually explicit material and sexually relevant material previously sold to a district.

A library material vendor may not sell library material rated sexually explicit material and shall issue a recall for all copies of library material sold to a district that is rated sexually explicit material and in active use by the district.

Education Code 35.002(a)-(b)

A district may not purchase library material from a library material vendor on TEA's website list of vendors who have failed to comply with Education Code 35.003(b). *Education Code 35.003(d)*

**Procedures for
Sexually Relevant
Material**

[See editorial note above.]

Sexually Relevant
Material

"Sexually relevant material" means any communication, language, or material, including a written description, illustration, photographic image, video image, or audio file, other than library material directly related to the curriculum required under Education Code 28.002(a) (foundation and enrichment curriculum), that describes, depicts, or portrays sexual conduct, as defined by Penal Code 43.25. *Education Code 35.001*

Parent Consent

A district may not allow a student enrolled in the district to reserve, check out, or otherwise use outside the school library material the library material vendor has rated as sexually relevant material under Education Code 35.002(a) (library vendor ratings) unless the district first obtains written consent from the student's parent or person standing in parental relation. *Education Code 35.005*

**Review and
Reporting of Library
Material**

Not later than January 1 of every odd-numbered year, each district shall:

1. Review the content of each library material in the catalog of a district library that is rated as sexually relevant material by the library material vendor;
2. Determine in accordance with the district's policies regarding the approval, review, and reconsideration of school library materials whether to retain each library material reviewed; and
3. Either post a report in a conspicuous place on the district website or provide physical copies of the report at the central administrative building for the district.

The report must include the title of each library material reviewed; the district's decision regarding the library material; and the school or campus where the library material is currently located.

Education Code 35.004

Joint Facilities

A district may enter into contracts with a county or municipality in which the district is located to provide joint library facilities. The board and the commissioner's court of the county or governing body of the municipality must conduct public hearings before entering into such a contract. The hearings may be held jointly. *Education Code 33.022*

Note: For information related to the selection of instructional materials, see EFA.

The purpose of this policy is to ensure that the District provides a wide range of library materials for students and faculty that support student achievement and present varying levels of difficulty, diversity of appeal, and a variety of points of view. This policy also provides standards for collection development and the selection and evaluation of library materials.

**Collection
Development Policy**

In this policy, “library materials” may include printed and electronic library acquisitions, including online catalogs, and other ancillary or supplementary materials maintained in a campus library.

The library collection development standards shall apply to all library materials available for use or display, including material contained in school libraries, classroom libraries, and online catalogs.

In developing library collections, the District shall consider the age groups, grade levels, and access to library material by all students on a campus.

Responsibility

The District shall ensure librarians, professional library staff, and other designated professional staff trained on the proper collection development standards select and acquire library materials in accordance with state law and rules, this collection development policy, and administrative procedures.

The Superintendent shall develop administrative procedures to ensure that library collections comply with applicable law and the District’s collection development purpose and goals.

Collection
Development Goals

In addition to the requirements in state law and rules, the District’s library collections shall:

1. Present multiple viewpoints related to controversial issues [see EMB regarding instruction about controversial issues].
2. Provide a wide range of background information that will enable students to make intelligent decisions in their daily lives.
3. Include accurate and authentic factual content from authoritative sources.
4. Have a high degree of potential user appeal and interest.
5. Offer a global perspective that promotes equity of access, including print and nonprint materials such as electronic and multimedia, to meet the needs of individual learners.

6. Represent diverse viewpoints and cultures appropriate to each campus to ensure the collection embodies the unique background of its student population.

Selection and
Evaluation of
Materials

Library materials shall be selected and acquired in accordance with guidelines adopted by the Texas State Library and Archives Commission and the District standards and priorities expressed in this policy.

When selecting, acquiring, and evaluating library materials, librarians and other professional staff shall ensure that the materials:

1. Enrich and support the TEKS and the state and local curriculum, taking into consideration students' varied interests, maturity levels, abilities, and learning styles.
2. Foster growth in factual knowledge, literary appreciation, aesthetic values, and societal standards.
3. Encourage the enjoyment of reading, foster high-level thinking skills, support personal learning, and encourage discussion based on rational analysis.
4. Represent ethnic, religious, and cultural groups of the state and their contributions to the state, the nation, and the world.

The Superintendent shall ensure that administrative procedures regarding the selection of library materials consider at least two of the following factors:

1. Recommendations from students, parents or guardians, teachers, and District community members.
2. Consultation with District teachers and library staff.
3. Consultation with library staff from other districts.
4. Extensive review of the library material.
5. Context of the library material, including overall fit within the existing collection and support of District curriculum.
6. Reviews of the library material from sources such as professional journals in library science, recognized professional education or content journals with book reviews, national and state award recognition lists, library science field experts, and highly acclaimed author and literacy expert recommendations.
7. Coverage of topics, authors, series, or genres that fill gaps in the school library collection.

Access Plan

The District shall allow efficient parental access to the District's library and any available online catalogs.

Online catalogs shall be publicly available. The District shall publish information about library material titles, including how and where material can be accessed.

Each campus shall communicate the following to parents and guardians:

- Access to policies relating to school libraries and library materials;
- Consistent access to library materials and resources; and
- Opportunities for students, parents and guardians, educators, and community members to provide feedback on library materials and services.

Parental
Involvement

Parents and guardians are the primary decision makers regarding their student's access to library material. In general, a student is afforded the opportunity to self-select library materials as part of literacy development and the library program. District staff may assist a student in selecting library material; however, the ultimate determination of appropriateness remains with the student and parent or guardian. Parents and guardians are encouraged to communicate with the campus librarian and their child's teacher about special considerations regarding library materials self-selected by their student.

In accordance with state law and administrative procedures, parents or guardians may select alternative library materials for their student. [For information on parental rights regarding instructional materials and other instructional resources, see EFA(LEGAL).]

The District shall focus on maximizing transparency with parents while meeting student needs and providing enrichment opportunities with library materials. Parental involvement in library acquisition, maintenance, and campus activities is encouraged.

*Access
Procedures*

School Library

A parent or guardian who wishes to access a school's library shall first submit a request to the principal. The principal or a staff member designated by the principal shall work with the parent or guardian to determine a time to access the library that will not interfere with the delivery of instruction or disrupt student use of library services.

Online Catalog

A parent or guardian who wishes to access an online catalog shall submit a written request to the principal. The principal or a staff member designated by the principal shall respond to the request in accordance with administrative procedures.

Protection from
Inappropriate
Material

Library materials shall not include “harmful material” as defined by Penal Code 43.24(a)(2); “obscene” material as defined by Penal Code 43.21(a)(1); any library material that is pervasively vulgar or educationally unsuitable as referenced in *Board of Education v. Pico*; or any other material legally prohibited from inclusion in a public school library. [See EFB(LEGAL)]

Obscene material is not protected by the First Amendment to the United States Constitution.

Library materials shall comply with the Children's Internet Protection Act (CIPA), including technology protection measures. [See CQ]

Reconsideration of
Library Material

A District employee or a parent or guardian of a District student may request the reconsideration of a library material maintained in the District's library program.

*Guiding
Principles*

The following principles shall guide the review of a request to reconsider a library material:

1. An individual may raise an objection to a library material used in the District's library program, despite the fact that the professional staff selecting the materials were qualified to make the selection, followed the proper procedure, and adhered to the objectives and criteria for library materials set out in this policy.
2. A parent's or guardian's ability to exercise control over instruction and instructional resources, including library materials, extends only to his or her own child as set forth in Education Code Chapter 26.
3. Access to a challenged material shall not be restricted during the reconsideration process, except the District may deny access to a student if requested by the student's parent or guardian.

In addition to compliance with state law and this policy, a criterion for the final decision on challenged library materials is the appropriateness of the material for its intended use. No challenged library material shall be removed solely because of the ideas expressed in the library material or the personal background of the library material's author or the personal background of the characters in the material.

*Informal
Reconsideration*

When the District or a campus receives an objection to the appropriateness of a library material, the appropriate librarian or administrator shall try to resolve the matter informally. The librarian or ad-

administrator shall explain the selection process and discuss the intended purpose for the library material.

The librarian or administrator shall offer a concerned parent or guardian an alternative library material to be used by the child in place of the material and, if requested, shall restrict the child's access to the material objected to by the parent or guardian.

If the individual wishes to make a formal challenge, the administrator shall make available to the individual a copy of this policy and a form to request a formal reconsideration of the library material.

*Formal Request
for
Reconsideration*

The District shall make a form to request reconsideration of library material available in the District's administrative office.

If an employee or a parent or guardian of a District student wishes to request reconsideration of a library material, they shall follow the procedures to complete and submit the request for reconsideration form.

After a request for reconsideration form is submitted, the form shall be provided to the Superintendent. Copies of the form shall be provided to the school librarian, the Board, and any other staff designated in administrative procedures.

*Reconsideration
Committee*

For purposes of this policy, "days" shall mean District business days, unless otherwise noted.

The principal shall appoint a reconsideration committee and notify committee members within 10 days of receiving the request for reconsideration form.

The reconsideration committee shall include the librarian and at least one member of the instructional staff who is familiar with the material's content. Other members of the committee may include District-level staff, secondary-level students, parents or guardians, and any other appropriate individuals.

Within 10 days of appointment of the committee the District shall provide members of the committee the relevant materials to review. If additional time is required to obtain and distribute the materials for review, all members of the committee shall be informed that a reasonable extension of time is needed.

All members of the committee shall review the challenged library material in its entirety and determine whether the material conforms to this policy and whether the material will continue to be available in the library. The committee shall prepare a written report of its findings.

INSTRUCTIONAL RESOURCES

Absent extenuating circumstances, the written report shall be provided to the administration within 60 days of the District providing the material to the committee members. In calculating timelines under this policy, the day the committee is provided the materials is "day zero." The following business day is "day one."

Extensions of time due to extenuating circumstances shall take into consideration the time necessary to convene the committee members, the amount of material being reviewed, and any other pending reconsideration requests being handled by the committee.

An extension of any deadline shall be promptly communicated to the individual who submitted the request for reconsideration.

The Superintendent, the school librarian, the individual submitting the request for reconsideration, and any other appropriate administrators shall receive a copy of the committee's report.

Appeal

An individual who submitted a request for reconsideration may appeal the decision of the reconsideration committee in accordance with appropriate complaint policies, starting at the level immediately preceding Board consideration of a complaint. [See DGBA and FNG]

Frequency of Review

After a library material has been reviewed through the reconsideration process, it shall not be reviewed again within two calendar years of the reconsideration committee's final decision.

Maintenance of Library Materials

In accordance with state guidelines and District administrative procedures, collections shall be evaluated and updated regularly based on the collections' age, relevance, diversity, and variety. The Superintendent shall ensure administrative procedures are established for regular maintenance of the library collection on each campus. Standard maintenance procedures for any library collection include repair, replacement, and removal of materials as necessary. Regular maintenance shall also include scheduled inventories of the collection. Disposal of any District-owned library materials shall be in accordance with District policy and procedures. [See C]

Gifts and Donations

The District shall accept gifts and donations of library materials with the understanding that the use and disposition of the materials and monies will be in accordance with District policy and the selection criteria noted above. [See CDC]

Policy Review

This policy shall be reviewed at least every three years and revised as necessary.

Identification

Child Find

A district shall ensure that all children residing within the district who have disabilities, regardless of the severity of their disabilities, and who are in need of special education and related services are identified, located, and evaluated. This requirement applies to:

1. Homeless children;
2. Children who are wards of the state;
3. Children attending private schools;
4. Highly mobile children (including migrant children); and
5. Children who are suspected of being in need of special education but who are advancing from grade to grade.

20 U.S.C. 1412(a)(3)(A); 34 C.F.R. 300.111(a)(1)(i), (c)

*Private School
Students*

A district shall conduct a timely and meaningful consultation with private school representatives regarding the child find process and the provision of special education and related services to children enrolled in private schools in the district.

A district shall undertake activities similar to those undertaken for public school children and shall complete the child find process for children enrolled in private schools in a time period comparable to that for other students attending public schools in the district.

20 U.S.C. 1412(a)(10)(A)(ii)-(iv) [See EHBAC regarding students in nondistrict placement.]

*Preschool
Students*

A district shall develop a system to notify district residents with children who are at least three and younger than six and who are eligible for enrollment in a special education program of the availability of the program. *Education Code 29.009*

**Requests and
Referrals for
Evaluation**

The screening of a student by a teacher or specialist to determine appropriate instructional strategies for curriculum implementation shall not be considered to be an evaluation for eligibility for special education and related services. *20 U.S.C. 1414(a)(1)(E)*

Referral of students for a full individual and initial evaluation for possible special education services shall be a part of a district's overall general education referral or screening system. Either a parent, the Texas Education Agency (TEA), another state agency, or the district may initiate a request for an initial evaluation.

District Obligation to
Refer

Students experiencing difficulty in the general classroom should be considered for all support services available to all students, such as tutorial; remedial; compensatory; response to evidence-based intervention; and other academic or behavior support services. A student is not required to be provided with interventions for any

specific length of time prior to a referral being made or a full individual and initial evaluation being conducted. If the student continues to experience difficulty in the general classroom with the provision of interventions, district personnel must refer the student for a full individual and initial evaluation. A referral for a full individual and initial evaluation may be initiated at any time by school personnel, the student's parents or legal guardian, or another person involved in the education or care of the student.

19 TAC 89.1011(a)

Parental Request

If a parent submits a written request to a district's director of special education services or to a district administrative employee for a full individual and initial evaluation of a student, the district shall, not later than the 15th school day after the date the district receives the request:

1. Provide the parent with prior written notice of its proposal to conduct an evaluation consistent with 34 C.F.R. 300.503, a copy of the procedural safeguards notice required by 34 C.F.R. 300.504, and an opportunity to give written consent for the evaluation; or
2. Provide the parent with prior written notice of its refusal to conduct an evaluation consistent with 34 C.F.R. 300.503, and a copy of the procedural safeguards notice required by 34 C.F.R. 300.504.

Notice of Rights

A reasonable time before a district proposes or refuses to initiate the identification, evaluation, or educational placement of a student or the provision of a free appropriate public education (FAPE) to a student, the district shall provide written notice to the student's parent or guardian. *20 U.S.C. 1415(b)(3); 34 C.F.R. 300.503(a)* [See EHBAE]

Initial Evaluation
Required

A district shall conduct a full individual and initial evaluation before the initial provision of special education and related services. *20 U.S.C. 1414(a)(1)(A)*

*Consent for Initial
Evaluation*

Before a district conducts an initial evaluation, it shall make reasonable efforts to obtain informed parental consent.

If the parent does not provide consent for an initial evaluation, or if the parent fails to respond to a request to provide consent, a district may, but is not required to, pursue the initial evaluation by utilizing due process procedures [see EHBAE], except to the extent inconsistent with state law relating to such parental consent.

Parental consent to initial evaluation shall not be construed as consent for placement for special education and related services.

20 U.S.C. 1414(a)(1)(D)(i)(I); 34 C.F.R. 300.300(b)

Wards of the
State

If the child is a ward of the state and is not residing with the child's parent, a district shall make reasonable efforts to obtain the informed consent from the parent for an initial evaluation, unless:

1. Despite reasonable efforts to do so, the district cannot discover the whereabouts of the parent;
2. The rights of the parent have been terminated; or
3. The rights of the parent to make educational decisions have been subrogated and an individual appointed by a judge to represent the student has given consent for an initial evaluation.

20 U.S.C. 1414(a)(1)(D)(iii); 34 C.F.R. 300.300(a)(2)

*Time Frame for
Completion of
Written Report*

A district must complete the written report of a full individual and initial evaluation:

1. Not later than the 45th school day following the date on which the district receives written consent for the evaluation from the student's parent. If a student has been absent from school during that period on three or more school days, the period must be extended by a number of school days equal to the number of school days during that period on which the student has been absent; or
2. For students under five years of age by September 1 of the school year and not enrolled in public school and for students enrolled in a private or homeschool setting, not later than the 45th school day following the date on which the district receives written consent for the evaluation from the student's parent.

If a district receives written consent for the evaluation from the student's parent at least 35 but less than 45 school days before the last instructional day of the school year, the written report of a full individual and initial evaluation of a student must be provided to the student's parent not later than June 30 of that year.

If a district receives written consent signed by a student's parent less than 35 school days before the last instructional day of the school year or if the district receives the written consent at least 35 but less than 45 school days before the last instructional day of the school year but the student is absent from school during that period on three or more days, the report must be completed not later

than the 45th school day following the date the district received written consent, except that the period must be extended by a number of school days equal to the number of school days during that period on which the student has been absent.

A student is considered absent for the school day if the student is not in attendance at the school's official attendance taking time or at the alternate attendance taking time set for that student. A student is considered in attendance if the student is off campus participating in an activity that is approved by the school board and is under the direction of a professional staff member of the school district or an adjunct staff member who has a minimum of a bachelor's degree and is eligible for participation in the Teacher Retirement System of Texas.

"School day" does not include a day that falls after the last instructional day of the spring school term and before the first instructional day of the subsequent fall school term.

These time frames shall not apply if the parent repeatedly fails or refuses to produce the child for the evaluation.

Transfer
Students

A district shall ensure that evaluations of children who transfer from one district to another in the same academic year are coordinated with the children's prior and subsequent schools, as necessary and as expeditiously as possible, to ensure prompt completion of evaluations.

If a student was in the process of being evaluated for special education eligibility by a district and enrolls in another school district before the previous district completed the full individual and initial evaluation, the new district must coordinate with the previous district as necessary and as expeditiously as possible to ensure a prompt completion of the evaluation in accordance with 34 C.F.R., 300.301(d)(2) and (e) and 300.304(c)(5).

The timelines above do not apply in such a situation if:

1. The new school district is making sufficient progress to ensure a prompt completion of the evaluation; and
2. The parent and the new school district agree to a specific time when the evaluation will be completed.

20 U.S.C. 1414(a)(1)(C), (b)(3)(D); 34 C.F.R. 300.301(c)-(e); Education Code 29.004; 19 TAC 89.1011

*Psychological
Examinations*

If a district determines that an additional examination or test is required for the initial and individual evaluation, the district shall provide the information required by Education Code 29.0041(a) and

shall obtain additional parental consent. If a parent does not give consent within 20 calendar days after the district provided the information, the parent's consent is considered denied.

The time required for a district to provide information and seek consent may not be counted toward the time frame for completion of an evaluation. [See Time Frame for Completion of Written Report, above]

Education Code 29.0041

**Eligibility and
Reevaluations**

A student is eligible to participate in a district's special education program if:

1. The student is between the ages of 3 and 21, inclusive;
2. The student has one or more of the disabilities listed in federal regulations, state law, or both; and
3. The student's disability(ies) prevents the student from being adequately or safely educated in the public schools without the provision of special services.

20 U.S.C. 1401(3); Education Code 29.003(b); 19 TAC 89.1035

Disability Definitions

To be eligible to receive special education services, a student must be a "child with a disability," as defined in 34 C.F.R. 300.8(a), subject to the provisions of 34 C.F.R. 300.8(c), Education Code 29.003, and 19 Administrative Code 89.1040. The provisions in 19 Administrative Code 89.1040 specify criteria to be used in determining whether a student's condition meets one or more of the definitions in federal regulations or in state law. *19 TAC 89.1040*

[For more information on special education of students with dyslexia and related disorders, see EHB.]

**Visual and Auditory
Impairments**

Students with visual impairments or who are deaf or hard of hearing shall be eligible to participate in a district's special education program from birth. *19 TAC 89.1035(b); Education Code 30.002(e), .081*

**Determination of
Initial Eligibility**

Upon completion of the administration of assessments and other evaluation measures, a team of qualified professionals and the parent shall make the determination of whether the child has a disability and of the educational needs of the child.

A district shall provide a copy of the evaluation report and the documentation of determination of eligibility at no cost to the parent.

20 U.S.C. 1414(b)(4); 34 C.F.R. 300.306(a)

The admission, review, and dismissal (ARD) [see EHBAB] committee must make its decisions regarding a student's initial eligibility determination and, if appropriate, individualized education program (IEP) and placement within 30 calendar days from the date of the completion of the written full individual and initial evaluation report. If the 30th day falls during the summer and school is not in session, the student's ARD committee has until the first day of classes in the fall to finalize decisions concerning the student's initial eligibility determination, IEP, and placement, unless the full individual and initial evaluation indicates that the student will need extended school year (ESY) services during that summer.

When a report is provided to a parent not later than June 30 as described at Time Frame for Completion of Written Report, above, the ARD committee must meet not later than the 15th school day of the following school year to consider the evaluation. If, however, an evaluation indicates that a student will need ESY services, the ARD committee must meet as expeditiously as possible.

19 TAC 89.1011(d), (e)

[For information regarding the evaluation and identification process when dyslexia is a suspected disability, see EHB.]

Consent for
Services

*Initial Provision of
Services*

A district must obtain informed consent from the parent for the initial provision of special education and related services. If the parent of a child fails to respond to a request for, or refuses to consent to, the initial provision of services, the district:

1. May not use the procedures in 34 C.F.R. part 300 subpart E (including the mediation and due process procedures) in order to obtain agreement or a ruling that the services may be provided to the child;
2. Will not be considered to be in violation of the requirement to make FAPE available to the child for the failure to provide the services for which the district requests consent; and
3. Is not required to convene an ARD meeting or develop an IEP for the child for the services.

*Revoking
Consent*

If, at any time after the provision of initial services, the parent of a child revokes consent in writing for the continued provision of services, the district:

1. May not continue to provide services to the child, but must provide prior written notice before ceasing services;

2. May not use the procedures in 34 C.F.R. part 300 subpart E in order to obtain agreement or a ruling that the services may be provided to the child;
3. Will not be considered to be in violation of the requirement to make FAPE available to the child because of the failure to provide the child with further services; and
4. Is not required to convene an ARD meeting or develop an IEP for further provision of services.

34 C.F.R. 300.300(b)

Reevaluations

A district shall ensure that each child with a disability is reevaluated if the district determines that the educational or related services needs of the child, including improved academic achievement and functional performance, warrant a reevaluation, or if the child's parent or teacher requests a reevaluation.

Reevaluation shall occur:

1. No more than once a year, unless the parent and the district agree otherwise; and
2. At least once every three years, unless the parent and district agree that a reevaluation is unnecessary.

A district shall obtain informed parental consent before conducting a reevaluation, except that informed parental consent is not needed if the district can demonstrate that it has taken reasonable measures to obtain consent and the child's parent has failed to respond.

20 U.S.C. 1414(a)(2), (c)(3); 34 C.F.R. 300.303

Evaluation for
Change in Eligibility

A district must evaluate a child with a disability before determining that the child is no longer a child with a disability. However, an evaluation is not required before the termination of eligibility due to graduation from secondary school with a regular diploma or due to exceeding the age eligibility for FAPE under state law. If a child's eligibility terminates under the aforementioned circumstances, a district must provide a summary of academic achievement and functional performance, which shall include recommendations on how to assist the child in meeting the child's postsecondary goals. *34 C.F.R. 300.305(e); 20 U.S.C. 1414(c)(5)*

All students graduating under 19 Administrative Code 89.170 [see EIF] must be provided with a summary of academic achievement and functional performance as described above. This summary must consider, as appropriate, the views of the parent and student and written recommendations from adult service agencies on how

to assist the student in meeting postsecondary goals. An evaluation as required by 34 C.F.R. 300.305(e)(1), must be included as part of the summary for a student graduating under 19 Administrative Code 89.1070(b)(3)(A), (B), or (C) or (f)(4)(A), (B), or (C). *19 TAC 89.1070(g)*

**Independent
Evaluation**

The parents have a right to obtain an independent educational evaluation of their child. If a parent requests an independent evaluation, a district shall provide the parents with information regarding where one can be obtained and the district's criteria for independent evaluations.

The results of a parent-initiated independent educational evaluation, whether at public or private expense, must be considered by the district if it meets the district's criteria, in any decision made with respect to providing FAPE to the child.

*At Public
Expense*

If a parent requests an independent evaluation at public expense, the district shall, without unnecessary delay, either:

1. File a due process complaint to request a hearing to show that its evaluation is appropriate; or
2. Ensure that an independent evaluation is provided at public expense, unless the district demonstrates that the evaluation obtained by the parent did not meet district criteria.

*At Private
Expense*

If a district initiates a hearing, and the final decision is that the district's evaluation is appropriate, the parent still has a right to an independent evaluation, but not at public expense.

34 C.F.R. 300.502

**Prescription
Medication**

An employee of a district is prohibited from requiring a child to obtain a prescription for a substance covered under the federal Controlled Substances Act (21 U.S.C. 801 et seq.) as a condition of attending school, receiving an evaluation for special education, or receiving special education and related services.

An employee is not prohibited from consulting or sharing classroom-based observations with parents regarding a student's academic and functional performance, behavior in the classroom or school, or the need for evaluation for special education or related services.

20 U.S.C. 1412(a)(25)

**Admission, Review,
and Dismissal
Committee**

Each district must establish an admission, review, and dismissal (ARD) committee for each eligible student with a disability and for each student for whom a full individual and initial evaluation is conducted. The ARD committee is the individualized education program (IEP) team defined in federal law and regulations, including 34 C.F.R. 300.321.

The district is responsible for all of the functions for which the IEP team is responsible under federal law and regulations and for which the ARD committee is responsible under state law, including the responsibilities listed at 19 Administrative Code 89.1050.

19 TAC 89.1050(a); 34 C.F.R. 300.116(a), .321(a)

**Committee
Members**

A district shall ensure that each ARD committee meeting includes all of the following:

1. The parents of a student with a disability;
2. At least one regular education teacher of the student (if the student is, or may be, participating in the regular education environment), who must, to the extent practicable, be a teacher who is responsible for implementing a portion of the student's IEP;
3. At least one special education teacher or, if appropriate, at least one special education provider of the student;
4. A representative of the district who:
 - a. Is qualified to provide or supervise the provision of specially designed instruction to meet the unique needs of students with disabilities;
 - b. Is knowledgeable about the general education curriculum; and
 - c. Is knowledgeable about the availability of resources of the district;
5. Other individuals who have knowledge or special expertise regarding the student at the discretion of the district or the parent;
6. An individual who can interpret the instructional implications of evaluation results, who may be a member of the ARD committee described in items 2-5;
7. The student, if appropriate;

8. For a student who is suspected to be deaf or hard of hearing, a teacher who is certified in the education of students who are deaf or hard of hearing;
9. For a student with a suspected or documented visual impairment, a teacher who is certified in the education of students with visual impairments;
10. For a student with suspected or documented deaf-blindness, a teacher who is certified in the education of students with visual impairments and a teacher who is certified in the education of students who are deaf or hard of hearing;
11. For a student with limited English proficiency, a member of the language-proficiency assessment committee (LPAC), who may also be a member as described at items 2 or 3;
12. A representative of any participating agency likely to be responsible for providing transition services for a student, as appropriate, and with the consent of the student's parents or a student who has reached the age of majority; and
13. When considering initial or continued placement of a student in a career and technical education program, a representative from career and technical education, preferably the teacher.

The special education teacher or special education provider that participates in the ARD committee meeting must be appropriately certified or licensed as required by 34 C.F.R. 300.156.

19 TAC 75.1023(d)(1), 89.1050(c); 20 U.S.C. 1414(d)(1)(B); 34 C.F.R. 300.321;

A district member of the ARD committee shall not be required to attend an IEP meeting, in whole or in part, if the parent and the district agree in writing that the attendance is not necessary because the member's area of the curriculum or related services is not being modified or discussed during the meeting.

A district member of the ARD committee may be excused from attending an IEP meeting, in whole or in part, when the meeting involves a modification to or discussion of the member's area of curriculum or related services if the parent, in writing, and the district consent to the excusal and the member submits, in writing, to the parent and the ARD committee, input into the development of the IEP before the meeting.

20 U.S.C. 1414(d)(1)(C); 34 C.F.R. 300.321(e)

*Regular
Education
Teacher*

If an ARD committee is required to include a regular education teacher, the regular education teacher must, to the extent practicable, be a teacher who is responsible for implementing a portion of the child's IEP. *Education Code 29.005(a)*

*Parent
Involvement*

A district shall take steps to ensure that one or both parents of a student with a disability are present at each ARD committee meeting or are afforded an opportunity to participate, including:

1. Notifying the parents of the meeting early enough to ensure that they will have an opportunity to attend (the notice shall include the purpose, time, and location of the meeting, who will be in attendance, that persons with knowledge or special expertise may be invited by either the parent or the district, and that the Part C service coordinator or other representatives of the Part C system may be invited to the initial meeting for a child previously served under a Part C early childhood intervention program); and
2. Scheduling the meeting at a mutually agreed on time and place.

If the purpose of the meeting is to consider transition services, the notice must also indicate this purpose, indicate that the district will invite the student, and identify any other agency that will be invited to send a representative.

34 C.F.R. 300.322(a)-(b); 19 TAC 89.1050(d)

*Alternative
Means of
Meeting
Participation*

If neither parent can attend an ARD meeting, the district must allow other methods of participation, such as through telephone calls or video conferencing. *20 U.S.C. 1414(f); 34 C.F.R. 300.322(c); 19 TAC 89.1050(d)*

An ARD meeting may be conducted without a parent in attendance if a district is unable to convince the parents that they should attend, but the district shall have a record of its attempts to arrange a mutually agreed on time and place, such as detailed records of telephone calls, correspondence, or visits made or attempted and the results of any of those actions. *34 C.F.R. 300.322(d)*

Meetings

A district shall initiate and conduct ARD committee meetings for the purpose of developing, reviewing, and revising the IEP of a child with a disability. The committee shall review each child's IEP periodically, and, if appropriate, revise the IEP. A meeting must be held for this purpose at least once a year. The ARD committee must also determine the child's placement once a year.

A "meeting" does not include informal or unscheduled conversations involving district personnel and conversations on issues such

as teaching methodology, lesson plans, or coordination of service provisions if those issues are not addressed in the child's IEP. A "meeting" also does not include preparatory activities that district personnel engage in to develop a proposal or response to a parent proposal that will be discussed at a later meeting.

20 U.S.C. 1414(d)(4); 34 C.F.R. 300.116(b)(1), .324(b), (c)(1), .501(b)(3)

*Meeting at
Parent's Request*

Upon receipt of a written request for an ARD committee meeting from a parent, the school district must schedule and convene a meeting in accordance with the procedures in 19 Administrative Code 89.1050(d) or within five school days, provide the parent with written notice explaining why the district refuses to convene a meeting. *19 TAC 89.1050(e)*

Written Notice

A district must provide the parent with a written notice regarding the ARD committee meeting required under 19 Administrative Code 89.1050(d) (notice for purposes of scheduling) or (e)(2) (notice explaining why the district refuses to convene a meeting) in the parent's native language, unless it is clearly not feasible to do so. If the parent's native language is not a written language, the school district must take steps to ensure that the notice is translated orally or by other means to the parent in his or her native language or other mode of communication so that the parent understands the content of the notice. *19 TAC 89.1050(f)*

**Students New to a
District**

In-State Transfers

When a student transfers to a new district within the state in the same school year and the parents or previous district verifies that the student had an IEP that was in effect in the previous district, the new school district must meet the requirements of 34 C.F.R. 300.323(e) regarding the provision of special education services. The timeline for completing the requirements outlined in 34 C.F.R. 300.323(e)(1) or (2) is 20 school days from the date the student is verified as being a student eligible for special education services.

Transfers from
Another State

When a student transfers from a district in another state in the same school year and the parents or previous district verifies that the student had an IEP that was in effect in the previous district, the new district must meet the requirements of 34 C.F.R. 300.323(f) regarding the provision of special education services. If the new district determines that an evaluation is necessary, the evaluation is considered a full individual and initial evaluation and must be completed within the timelines established by 19 Administrative Code 89.1011(c) and (e). The timeline for completing the requirements in 34 C.F.R. 300.323(f)(2), if appropriate, is 30 calendar days from the date of the completion of the evaluation report. If the district determines that an evaluation is not necessary, the timeline for completing the requirements outlined in 34 C.F.R.

300.323(f)(2) is 20 school days from the date the student is verified as being a student eligible for special education services.

19 TAC 89.1050(j)(1)-(2)

Transfer During the
Summer

A student who registers in a new district during the summer is not considered a transfer student for the purposes of this provision or for 34 C.F.R. 300.323(e) or (f). For these students, if the parents or in- or out-of-state district verifies before the new school year begins that the student had an IEP that was in effect in the previous district, the new district must implement the IEP from the previous district in full on the first day of class of the new school year or must convene an ARD committee meeting during the summer to revise the student's IEP for implementation on the first day of class of the new school year. If the student's eligibility for special education and related services cannot be verified before the start of the new school year, the timelines for transfer students apply to the student.

If the new district wishes to convene an ARD committee meeting to consider revision to the student's IEP before the beginning of the school year, the new district must determine whether the parent will agree to waive the requirement in 19 Administrative Code 89.1050(d) that the written notice of the ARD committee meeting must be provided at least five school days before the meeting. If the parent agrees to a shorter timeframe, the new district must make every reasonable effort to hold the ARD committee meeting prior to the first day of the new school year if the parent agrees to the meeting time.

19 TAC 89.1050(j)(4)-(5)

Verification

For purposes of the transfer provisions in 19 Administrative Code 89.1050, "verify" means that the new school district has received a copy of the student's IEP that was in effect in the previous district.

Services Before
Verification

While waiting for verification, the new district must take reasonable steps to provide, in consultation with the student's parents, services comparable to those the student received from the previous district if the new district has been informed by the previous school district of the student's special education and related services and placement.

19 TAC 89.1050(j)(6)-(7)

Transfer of Records

The new district must take reasonable steps to promptly obtain the student's records from the previous school district, and, in accordance with Education Code 25.002, and 34 C.F.R. 300.323(g), the previous district must furnish the new school district with a copy of the student's records, including the student's special education

records, not later than the 10th working day after the date a request for the information is received by the previous school district.

20 U.S.C. 1414(d)(2)(C)(ii); 34 C.F.R. 300.323(g); 19 TAC 89.1050(j)(3)

Students Who Are Homeless or in Substitute Care

When a student who is homeless or in substitute care transfers into a district after being referred by a previous district for a special education evaluation, the receiving district must accept the referral and ensure that any written report of a full individual and initial evaluation is completed in accordance with the timelines established in 19 Administrative Code 89.1011 (relating to Full and Individual Initial Evaluation).

When a student who is homeless or in substitute care is eligible for special education and transfers into a new district during the school year, the receiving district must ensure that it meets the student transfer requirements of 19 Administrative Code 89.1050(j) (relating to the Admission, Review, and Dismissal Committee).

19 TAC 89.1615

Military Dependents

A district shall initially provide comparable services to a military student with disabilities based on his or her current IEP. This does not preclude the district from performing subsequent evaluations to ensure appropriate placement of the student. *Education Code 162.002 art. V, C [See FDD]*

Individualized Education Program

A district shall develop, review, and revise an IEP for each child with a disability. *20 U.S.C. 1412(a)(4); 34 C.F.R. 300.320(a)*

At the beginning of each school year, a district shall have in effect, for each child with a disability in its jurisdiction, an IEP. *20 U.S.C. 1414(d)(2)(A); 34 C.F.R. 300.323(a)*

The term "individualized education program" means a written statement for each student with a disability that documents the decisions of the ARD committee with respect to issues discussed at each committee meeting and includes:

1. A statement of the student's present levels of academic achievement and functional performance;
2. A statement of measurable annual goals, including academic and functional goals;
3. A description of how the student's progress toward the annual goals will be measured and when periodic reports on the progress of the student will be provided;

4. A statement of the specific special education and related services and supplementary aids and services, based on peer-reviewed research to the extent practicable, to be provided to the student;
5. A statement of the program modifications or supports for school personnel that will be provided for the student;
6. An explanation of the extent, if any, to which the student will not participate with nondisabled students in the regular class and in extracurricular and nonacademic activities;
7. The projected dates for initiation of services and modifications and the anticipated frequency, location, and duration of these services and modifications;
8. A statement of any individual appropriate and allowable accommodations that are necessary to measure the academic achievement and functional performance of the student on state or district-wide assessments;
9. If the ARD committee determines that the student must take an alternative assessment instead of a particular regular state or district-wide assessment, a statement of why the student cannot participate in the regular assessment and why the particular assessment selected is appropriate for the student;
10. If the ARD committee determines that a student is in need of extended school year (ESY) services, identification of the goals and objectives that will be addressed during ESY services;
11. Beginning not later than when a student reaches 14 years of age and updated annually thereafter, the ARD committee's consideration and decisions regarding the transition issues under 19 Administrative Code 89.1055(h) [see EHBAD];
12. Beginning not later than the first IEP to be in effect when the student is 16, or younger if determined appropriate by the ARD committee, and updated annually thereafter, a statement of appropriate measurable postsecondary goals and transition services needed to assist the student in reaching those goals [see EHBAD];
13. Beginning not later than one year before the student reaches the age of 17, a statement that the student has been informed of the rights that will transfer to the student upon reaching the age of majority;
14. The date of the meeting;

15. The name, position, and signature of each member participating in the meeting; and
16. An indication of whether the child's parents, the adult student, if applicable, and the administrator agreed or disagreed with the decisions of the ARD committee.

The written statement of a student's IEP may be required to include only information included in the model form developed by the Texas Education Agency (TEA) under Education Code 29.0051(a) and posted on the TEA website. A district may use the model form to comply with the requirements for an IEP under 20 U.S.C. 1414(d). *Education Code 29.005(f), .0051*

Supplemental
Special Education
Services

The ARD committee of a student approved for participation in the supplemental special education services and instructional materials program shall provide to the student's parent at an ARD committee meeting for the student:

1. Information regarding the types of supplemental special education services available under the program and provided by agency-approved providers for which an account maintained under Education Code 29.042(b) for the student may be used; and
2. Instructions regarding accessing the account.

The supplemental special education services and instructional materials program (SSES) expires September 1, 2024.

Education Code 29.048

A district shall notify families of their eligibility for the SSES program and shall provide the following at the student's ARD committee meeting: instructions and resources on accessing the online accounts and information about the types of goods and services that are available through the SSES grant.

A student's ARD committee may not consider a student's current or anticipated eligibility for any supplemental special education instructional materials or services that may be provided under the SSES program when developing or revising a student's IEP, when determining a student's educational setting, or in the provision of a free appropriate public education.

19 TAC 102.1601(i)-(j)

Behavioral
Intervention Plan

The ARD committee may determine that a behavior improvement plan or a behavioral intervention plan is appropriate for a student for whom the committee has developed an IEP. *Education Code 29.005(g)*

If the committee makes that determination, the behavior improvement plan or behavioral intervention plan shall be included as part of the student's IEP and provided to each teacher with responsibility for educating the student.

If a behavior improvement plan or a behavioral intervention plan is included as part of a student's IEP, the ARD committee shall review the plan at least annually, and more frequently if appropriate, to address:

1. Changes in a student's circumstances that may impact the student's behavior, such as:
 - a. The placement of the student in a different educational setting;
 - b. An increase or persistence in disciplinary actions taken regarding the student for similar types of behavioral incidents;
 - c. A pattern of unexcused absences; or
 - d. An unauthorized, unsupervised departure from an educational setting; or
2. The safety of the student or others.

Translation of IEP
into Native
Language

If the parent is unable to speak English and Spanish is the parent's native language, a district shall provide a written or audiotaped copy of the student's IEP translated into Spanish. If the parent's native language is other than Spanish or English, a district shall make a good faith effort to provide a written or audiotaped copy of the student's IEP translated into the parent's native language. *Education Code 29.005(d)*

A written copy of the student's IEP translated into Spanish or the parent's native language means that all of the text in the student's IEP in English is accurately translated into the target language in written form. The IEP translated into the target language must be a comparable rendition of the IEP in English and not a partial translation or summary of the IEP in English.

An audio recording of the student's IEP translated into Spanish or the parent's native language means that all of the content in the

student's IEP in English is orally translated into the target language and recorded with an audio device. A district is not prohibited from providing the parent with an audio recording of an ARD committee meeting at which the parent was assisted by an interpreter as long as the audio recording provided to the parent contains an oral translation into the target language of all of the content in the student's IEP in English.

If a parent's native language is not a written language, the district must take steps to ensure that the student's IEP is translated orally or by other means to the parent in his or her native language or other mode of communication.

Under 34 C.F.R. 300.322(f), a district must give a parent a written copy of the student's IEP at no cost to the parent. A school district meets this requirement by providing a parent with a written copy of the student's IEP in English or by providing a parent with a written translation of the student's IEP in the parent's native language as provided above.

19 TAC 89.1050(i)

Autism/Pervasive
Developmental
Disorder

For students with autism/pervasive developmental disorders, the following strategies shall be considered by the ARD committee, based on peer-reviewed, research-based educational programming practices to the extent practicable and, when needed, addressed in the IEP:

1. Extended educational programming;
2. Daily schedules reflecting minimal unstructured time and active engagement in learning activities;
3. In-home training and community-based training or viable alternatives that assist the student with the acquisition of social/behavioral skills;
4. Positive behavior support strategies based on relevant information;
5. Beginning at any age, futures planning for integrated living, work, community, and educational environments that considers skills necessary to function in current and postsecondary environments;
6. Parent/family training and support, provided by qualified personnel with experience in Autism Spectrum Disorders (ASD);
7. Suitable staff-to-student ratio appropriate to identified activities and as needed to achieve social/behavioral progress based on the student's developmental and learning level (ac-

quisition, fluency, maintenance, generalization) that encourages work towards individual independence;

8. Communication interventions, including language forms and functions that enhance effective communication across settings;
9. Social skills supports and strategies based on social skills assessment/curriculum and provided across settings;
10. Professional educator/staff support; and
11. Teaching strategies based on peer-reviewed, research-based practices for students with ASD.

If the ARD committee determines that services are not needed in one or more of the areas in 1-11 above, the IEP shall include a statement reflecting that decision and the basis upon which the determination was made.

19 TAC 89.1055(e)-(f)

*Visual
Impairment*

If a district provides special education services to students with visual impairments, it shall have written procedures as required in Education Code 30.002(c)(10) (staff access to resources). *19 TAC 89.1075(b)*

*Collaborative
Process*

All members of the ARD committee must have the opportunity to participate in a collaborative manner in developing the IEP. The district must take all reasonable actions necessary to ensure that the parent understands the proceedings of the ARD committee meeting, including arranging for an interpreter for parents who are deaf or hard of hearing or whose native language is a language other than English. A decision of the ARD committee concerning required elements of the IEP must be made by mutual agreement if possible. The ARD committee may agree to an annual IEP or an IEP of shorter duration.

Ten-Day Recess

When mutual agreement about all required elements of the IEP is not achieved, the parent who disagrees must be offered a single opportunity to recess and reconvene the ARD committee meeting. The period of time for reconvening the ARD committee meeting must not exceed 10 school days, unless the parties mutually agree otherwise. The ARD committee must schedule the reconvened meeting at a mutually agreed upon time and place. The opportunity to recess and reconvene is not required when:

1. The student's presence on campus represents a danger of physical harm to the student or others;
2. The student has committed an expellable offense; or

3. The student has committed an offense that may lead to placement in a disciplinary alternative education program. [See FOF]

These requirements do not prohibit the ARD committee from recessing an ARD committee meeting for reasons other than the failure to reach mutual agreement about all required elements of an IEP.

During the recess, the ARD committee members must consider alternatives, gather additional data, prepare further documentation, and/or obtain additional resource persons who may assist in enabling the ARD committee to reach mutual agreement.

Failure to Reach Agreement

If a recess is implemented and the ARD committee still cannot reach mutual agreement, a district shall implement the IEP it has determined to be appropriate for the student. Each member of the ARD committee who disagrees with the IEP developed by the ARD committee is entitled to include a statement of disagreement in the IEP.

If the IEP is not developed by agreement, the written statement of the program must include the basis of the disagreement. Each member of the ARD committee who disagrees with the IEP developed by the committee is entitled to include a statement of disagreement in the written statement of the program.

19 TAC 89.1050(g); Education Code 29.005(c)

Modification of Existing IEP

Changes to the IEP may be made either by the entire ARD committee or by amending the IEP by agreement, rather than redrafting the entire IEP.

After the annual IEP meeting for a school year, the parent and district may agree not to convene an IEP meeting for the purposes of making changes to the IEP and instead may develop a written document to amend or modify the child's current IEP.

Upon request, a parent shall be provided with a revised copy of the IEP with amendments incorporated.

To the extent possible, a district shall encourage the consolidation of reevaluation meetings for the child and other ARD meetings for the child.

20 U.S.C. 1414(d)(3)(D)-(F); 34 C.F.R. 300.324(a)(4)-(6)

Teacher Access to IEP

Each district must ensure that each teacher who provides instruction to a student with a disability has access to relevant sections of the student's current IEP, is informed of the teacher's specific responsibilities related to implementation of the IEP, and has an op-

portunity to request assistance regarding implementation of the student's IEP. *19 TAC 89.1075(c)*

Teacher Request to Review IEP

Each district shall develop a process to be used by a teacher who instructs a student with a disability in a regular classroom setting:

1. To request a review of the student's IEP;
2. To provide input in the development of the student's IEP;
3. That provides for a timely district response to the teacher's request; and
4. That provides for notification to the student's parent or legal guardian of that response.

Title III Requirements A district that receives funds under Title III of the Elementary and Secondary Education Act shall comply with the statutory requirements regarding English learners and immigrant students. *20 U.S.C. 6801-7014*

A district that receives funds under Title I or Title III to provide a language instruction educational program shall, not later than 30 days after the beginning of the school year, inform the parents of an English learner identified for participation in such a program of the information required by 20 U.S.C. 6312(e)(3). *20 U.S.C. 6312(e)(3)*

Definitions

“Alternative language program” means a temporary instructional plan that meets the affective, linguistic, and cognitive needs of emergent bilingual students and equips the teacher under a bilingual education exception or English as a second language (ESL) waiver to align closely to the required bilingual or ESL program through the comprehensive professional development plan.

“Certified bilingual education teacher” means a teacher appropriately certified in bilingual education as well as for the grade level and content area.

“Certified English as a second language teacher” means a teacher appropriately certified in ESL as well as for the grade level and content area. The term “certified English as a second language teacher” is synonymous with the term “professional transitional language educator” used in Education Code 29.063.

“Dual language immersion (DLI) program” means a state-approved bilingual program model in accordance with Education Code 29.066.

“Emergent bilingual student” means a student whose primary language is other than English and whose English language skills are such that the student has difficulty performing ordinary classwork in English. “Emergent bilingual student” also means a student identified by the language proficiency assessment committee (LPAC) who is in the process of acquiring English and has another language as the student’s primary or home language. This term is interchangeable with English learner as used in federal regulations and replaces the term “limited English proficient student.”

“English as a second language program” means a special language program in accordance with Education Code, Chapter 29, Subchapter B. Another related term for an ESL program is “English as an additional language program.”

“English proficient student” means a former emergent bilingual student who has met reclassification as English proficient by the LPAC.

“Exit” refers to the point when a student is no longer classified as an emergent bilingual student (i.e., the student is reclassified) and the student ends bilingual or ESL program participation with parental approval and based on the recommendation of the LPAC. The term "exit" is synonymous with the description in Education Code, Chapter 29, of "transferring out" of bilingual or special language programming. For the purpose of meeting the goals of a DLI program, the LPAC may recommend continued program participation beyond reclassification.

“Language proficiency assessment committee” means a designated group of committee members as described in 19 Administrative Code 89.1220 (relating to Language Proficiency Assessment Committee) that ensures the appropriate identification, placement, assessment, services, reclassification, and monitoring of emergent bilingual students. The LPAC also meets in conjunction with all other committees related to programs and services for which an emergent bilingual student qualifies.

“Parent” includes the parent or legal guardian of the student in accordance with Education Code 29.052.

“Reclassification” means the process by which the LPAC determines that an emergent bilingual student has met the appropriate criteria to be classified as English proficient, and the student enters year 1 of monitoring as indicated in the Texas Student Data System Public Education Information Management System.

Education Code 29.052; 19 TAC 89.1203(1), (3)-(4), (6), (8)-(9), (11)-(12), (14), (17), (21)

**District
Responsibility**

Each district shall:

1. Identify emergent bilingual students based on criteria established by the state;
2. Provide bilingual education and ESL programs as integral parts of the general program;
3. Seek appropriately certified teaching personnel to ensure that emergent bilingual students are afforded full opportunity to master the essential knowledge and skills; and
4. Assess academic achievement and linguistic progress in accordance with Education Code Chapter 29 to ensure account-

ability for emergent bilingual students and the schools that serve them.

19 TAC 89.1201(a)

Identification of Emergent Bilingual Students

Within the first four weeks of the first day of school, the LPAC shall determine and report to the board the number of emergent bilingual students on each campus and shall classify each student according to the language in which the student possesses primary proficiency. A board shall report that information to the Texas Education Agency (TEA) before November 1 each year. *Education Code 29.053(b)*

Language Proficiency Assessment Committees

A district shall by local board policy establish and operate one or more LPACs. The district shall have on file a policy and procedures for the selection, appointment, and orientation of members of the LPAC(s).

A district shall establish and operate a sufficient number of LPACs to enable them to discharge their duties within four weeks of the enrollment of an emergent bilingual student.

19 TAC 89.1220(a), (e)

Membership of LPAC

The LPAC shall include:

1. An appropriately certified bilingual educator (for students served through a bilingual education program);
2. An appropriately certified ESL educator (for students served through an ESL program);
3. A parent of an emergent bilingual student participating in a bilingual or ESL program; and
4. A campus administrator.

A district may add other trained members to the committee.

No parent serving on the LPAC shall be an employee of the district.

All members of the LPAC, including parents, shall be acting for the district and shall observe all laws and rules governing confidentiality of information concerning individual students. A district shall be responsible for the orientation of all members, including the parents, of the LPAC.

<i>Meetings</i>	<p>The LPAC may use alternative meeting methods, such as phone or video conferencing and the use of electronic signatures that adhere to district policy.</p> <p><i>19 TAC 89.1220(b)-(d), (f); Education Code 29.063(a)-(b);</i></p>
<i>Duties</i>	<p>The LPAC shall have the duties set forth at Education Code 29.063(c) and 19 Administrative Code 89.1220(g)-(i), (k), including duties to review information, classify students, notify parents, and monitor student academic progress.</p>
Home Language Survey	<p>A district shall administer only the TEA-developed home language survey to each new student enrolling for the first time in a Texas public school in any grade from prekindergarten through grade 12. This home language survey will serve as the original and only home language survey throughout the student's educational experience in Texas public schools. The district shall require that the survey be signed by the student's parent for each student in prekindergarten through grade 8, or by the student in grades 9 through 12.</p> <p>It is the district's responsibility to ensure that the student's parent understands the language used in the survey and its implications. The original copy of the survey shall be kept in the student's permanent record and transferred to any subsequent Texas public school districts in which the student enrolls.</p> <p>If the response on the home language survey indicates that a language other than English is or was used for communication, the student shall be tested in accordance with 19 Administrative Code 89.1226 (Testing and Classification of Students).</p> <p>If a parent determines an error was made when completing the original home language survey, the parent may request a correction only if the student has not yet been assessed for English proficiency; and corrections are made within two calendar weeks of the student's initial enrollment date in Texas public schools.</p> <p><i>19 TAC 89.1215(a), (c), (e)</i></p>
English Language Proficiency Testing	<p>Within four calendar weeks of initial enrollment in a Texas public school, a student with a language other than English indicated on the home language survey shall be administered the state-approved English language proficiency test in accordance with 19 Administrative Code 89.1226 and shall be identified as emergent bilingual and recommended for placement into the required bilingual education or ESL program in accordance with the testing and classification requirements in 19 Administrative Code 89.1226. <i>19 TAC 89.1226(b)</i></p>

Emergent Bilingual
Classification

The LPAC may classify a student as emergent bilingual if:

1. The student's ability in English is so limited or the student's disabilities are so severe that assessment procedures cannot be administered;
2. The student's score or relative degree of achievement on the TEA-approved English proficiency test is below the levels established by TEA as indicative of reasonable proficiency;
3. The student's primary language proficiency score as measured by a TEA-approved test is greater than the student's proficiency in English; or
4. The LPAC determines, based on other information, including a teacher evaluation, parental viewpoint, or student interview, that the student's primary language proficiency is greater than the student's proficiency in English or that the student is not reasonably proficient in English.

Education Code 29.056(c)

Parental Notice and
Consent

Not later than the 10th day after the date of the student's classification as an emergent bilingual student, the LPAC shall give written notice to the student's parent. *Education Code 29.056(d)*

The district shall notify the parent in English and in the parent's primary language that their child has been identified as an emergent bilingual student and recommended for placement in the required bilingual education or ESL program using the TEA-developed identification and placement letter.

The entry or placement of a student in the bilingual education or ESL program must be approved in writing by the student's parent or through allowable alternatives described in 19 Administrative Code 89.1220, in order to have the student included in the bilingual education allotment. The parent's approval shall be considered valid for the student's continued participation in the required bilingual education or ESL program until the student meets the reclassification criteria described in 19 Administrative Code 89.1226(i) (Testing and Classification of Students), the student graduates from high school, or a change occurs in program placement. A change between bilingual education and ESL program placement requires new parental approval using the TEA-developed change in placement letter.

If a parent denies program placement at any point, the TEA-developed denial letter shall be used to ensure parents are informed of the implications of program denial, including understanding that the child will continue to be identified as an emergent bilingual student

and will continue to be assessed annually using the Texas English Language Proficiency Assessment System (TELPAS) until reclassification criteria have been met.

The district shall use the TEA-developed letter to give written notification to the student's parent of the student's reclassification as English proficient and acquire written approval for his or her exit from the bilingual education or ESL program. Students meeting reclassification criteria who have been recommended for exit by the LPAC may only exit the bilingual education or ESL program with parental approval. Parental approval is also required for students participating in a dual language immersion program who have met reclassification criteria and for whom the LPAC has recommended continued program participation as an English proficient student.

19 TAC 89.1240(a)-(b); Education Code 29.056(a)

Pending completion of the identification process, receipt of LPAC documentation for transferring students, or parental approval of an identified emergent bilingual student's placement into the bilingual education or ESL program recommended by the LPAC, a district shall place the student in the recommended program. Only emergent bilingual students with parental approval for program participation will be included in the bilingual education allotment.

A district may place a student in or exit a student from a program without written approval of the student's parent if:

1. The student is 18 years of age or has had the disabilities of minority removed;
2. The parent provides approval through a phone conversation or email that is documented in writing and retained; or
3. An adult who the district recognizes as standing in parental relation to the student provides written approval. This may include a foster parent or employee of a state or local governmental agency with temporary possession or control of the student.

19 TAC 89.1220(j), (m)

Participation of
Other Students

With the approval of a district and a student's parents, a student who is not LEP may also participate in a bilingual education program. *Education Code 29.058*

The number of participating non-emergent bilingual students shall not exceed 40 percent of the number of students enrolled in the bilingual education program district-wide. *19 TAC 89.1233(c)*

Students with
Disabilities

For students with disabilities, a district shall utilize the state's criteria for identification of emergent bilingual students as described in 19 Administrative Code 89.1226(f) (relating to Testing and Classification of Students) and shall establish placement procedures that ensure that the placement recommendation by the LPAC, in conjunction with the admission, review, and dismissal (ARD) committee, in a bilingual education or English as a second language program is not refused based on the student's disabling condition.

LPAC members shall meet in conjunction with ARD committee members to review progress and provide recommendations regarding the educational needs of each emergent bilingual student who also qualifies for services in the district's special education program. [See EHBAB] 19 TAC 89.1230

**Bilingual and ESL
Programs**

Each district that has an enrollment of 20 or more students identified as emergent bilingual students in any language classification in the same grade level district-wide shall offer a bilingual education program for the emergent bilingual students in prekindergarten through the elementary grades with that language classification. "Elementary grades" shall include at least prekindergarten through grade 5; sixth grade shall be included when clustered with elementary grades.

A district required to provide a bilingual education program shall offer dual-language instruction (English and primary language) in prekindergarten through the elementary grades, using one of the four bilingual program models described in 19 Administrative Code 89.1210 (relating to Program Content and Design).

19 TAC 89.1205(a)-(b); Education Code 29.053(c)-(d)

A district shall provide an ESL program to all emergent bilingual students for whom a district is not required to offer a bilingual education program, regardless of the students' grade levels and primary language, and regardless of the number of such students, except in cases where a district exercises the option to provide a bilingual education program that is not required by law [see below]. A district required to provide an ESL program shall provide an ESL program using one of the two models described in 19 Administrative Code 89.1210. *19 TAC 89.1205(c)-(d)*

A district is authorized to establish a bilingual education program even if the district has fewer than 20 students identified as emergent bilingual students in any language classification in the same grade level district-wide and is not required to do so under the law. A district is also authorized to establish bilingual education programs at grade levels at which the district is not required under the law to establish bilingual programs. If a district does operate such a

	<p>program under this authorization, the district shall adhere to all program requirements in 19 Administrative Code 89.1210, .1227, .1228, and .1229. <i>19 TAC 89.1205(f)-(g)</i></p>
Exceptions and Waivers	<p>A district shall comply with the requirements for bilingual education exceptions and ESL waivers under 19 Administrative Code 89.1207. <i>Education Code 29.054; 19 TAC 89.1207</i></p> <p>A district that is unable to employ a sufficient number of teachers, including part-time teachers, who meet the certification requirements for bilingual education and ESL program shall apply for an exception or waiver to the certification requirement on or before November 1. <i>19 TAC 89.1245(b)</i></p>
Program Design	<p>A district that is required to offer a bilingual education or ESL program shall provide each emergent bilingual student the opportunity to be enrolled in the required program at his or her grade level.</p> <p>A district's bilingual education or ESL program shall comply with the program content and design requirements of 19 Administrative Code 89.1210. A district shall provide for ongoing coordination between the bilingual or ESL program and the general educational program.</p> <p><i>19 TAC 89.1210(a)-(b)</i></p> <p>Emergent bilingual students shall participate with their non-emergent bilingual peers in general education classes provided in subjects such as art, music, and physical education. A district shall provide students enrolled in the program a meaningful opportunity to participate fully with other non-emergent bilingual peers in all extracurricular activities. Elective courses included in the curriculum may be taught in a language other than English. <i>Education Code 29.055, .057(b); 19 TAC 89.1210(f)</i></p>
<i>Bilingual Education Program Models</i>	<p>The bilingual education program shall be implemented through at least one of the following program models:</p> <ol style="list-style-type: none">1. Transitional bilingual/early exit;2. Transitional bilingual/late exit;3. Dual language immersion/one-way; or4. Dual language immersion/two-way. <p><i>19 TAC 89.1210(c)</i></p>
<i>ESL Program Models</i>	<p>The ESL program shall be implemented through one of the following program models:</p>

1. An ESL/content-based program model is an English acquisition program that serves students identified as emergent bilingual students through English instruction by a teacher appropriately certified in ESL under Education Code 29.061(c), using content-based language instruction in reading and language arts, mathematics, science, and social studies. The goal of content-based ESL is for emergent bilingual students to attain full proficiency in English in order to participate equitably in school.
2. An ESL/pull-out program model is an English acquisition program that serves students identified as emergent bilingual students through English instruction using content-based language instruction methods provided by an appropriately certified ESL teacher under Education Code 29.061(c), through English reading and language arts in a pull-out or inclusionary delivery setting. The goal of ESL pull-out is for emergent bilingual students to attain full proficiency in English in order to participate equitably in school.

19 TAC 89.1210(d)

Dual Language
Immersion Program

A district may adopt a DLI program for students enrolled in elementary school grades. *Education Code 28.005(c), .0051(c)*

Implementation

Program implementation shall:

1. Begin at prekindergarten, kindergarten, or grade 1 as applicable, according to the district's earliest grade level provided;
2. Continue without interruption incrementally through the elementary grades;
3. Consider expansion to middle school and high school whenever possible; and
4. Include participation of former emergent bilingual students who have reclassified as English proficient for the duration of the program.

19 TAC 89.1227(e)

Requirements

A DLI program model shall be a full-time program of academic instruction in the program's partner language and English for all program participants, emphasizing the participation of identified emergent bilingual students. Access to the DLI program shall not be restricted based on race, creed, color, religious affiliation, age, or disability.

A DLI program shall meet the minimum requirements described in 19 Administrative Code 89.1227.

19 TAC 89.1227(b)

*Two-Way DLI
Program
Enrollment*

Student enrollment in a two-way DLI program model is optional for non-emergent bilingual students. The program shall fully disclose candidate selection criteria and ensure that access to the program is not based on race, creed, color, religious affiliation, age, or disability. Additionally, identified emergent bilingual students and non-emergent bilingual students shall not be restricted access to the two-way DLI program model based on any linguistic or academic achievement measures in the program's partner language or English.

A district implementing a two-way DLI program model shall develop a policy on enrollment and continuation for students in the program model. The policy must address:

1. Equitable access, including the program's intention to maintain a ratio of 50 percent emergent bilingual students to 50 percent non-emergent bilingual students and have no more than two-thirds speakers of the partner language to one-third speakers of English in each classroom;
2. Program goals and benefits;
3. The district's commitment to providing equitable access to services for emergent bilingual students and to ensuring continuity of program for all program participants;
4. The program's language allocation plan for the grade levels in which the program will be implemented;
5. Support of program goals as stated in 19 Administrative Code 89.1210 (Program Content and Design); and
6. Expectations for students and parents.

19 TAC 89.1228(a)-(c)

A district implementing a two-way DLI program model shall obtain written parental approval as follows:

1. For emergent bilingual students in accordance with 19 Administrative Code 89.1240; and
2. For non-emergent bilingual students, through a district-developed process.

19 TAC 89.1228(d)

*Two-Way DLI
Program State
Assessment*

A district implementing a two-way DLI program model shall determine the appropriate assessment option for program participants as follows:

1. For emergent bilingual students, the LPAC shall convene before the administration of the state criterion-referenced test each year to determine the appropriate assessment option for each emergent bilingual student in accordance with 19 Administrative Code 89.1220(i) (Language Proficiency Assessment Committee).
2. For non-emergent bilingual students, the appropriate assessment option for the administration of the state criterion-referenced test each year is determined by the LPAC or through a district-developed process.

19 TAC 89.1228(e)

*School District
Recognition*

A district may recognize one or more of its schools that implement an exceptional DLI program if the school meets all of the following criteria:

1. The school must meet the minimum requirements stated in 19 Administrative Code 89.1227.
2. The school must receive an acceptable performance rating in the state accountability system.
3. The school must not be identified for any stage of intervention for the district's bilingual and/or ESL program under the state's accountability system.

*Student
Recognition*

A student participating in a DLI program or any other state-approved bilingual or ESL program may be recognized by the program and the board by earning a performance acknowledgement in accordance with 19 Administrative Code 74.14. [See EIF]

19 TAC 89.1229

Facilities

Bilingual education and ESL programs shall be located in public schools of the district with equitable access to all educational resources rather than in separate facilities. A district may concentrate the programs at a limited number of facilities within the district. Recent immigrant emergent bilingual students shall not remain enrolled in a newcomer center for longer than two years. *Education Code 29.057; 19 TAC 89.1235*

Cooperation Among
Districts

A district may join with one or more other districts to provide the required bilingual education or special language programs. The availability of the programs shall be publicized throughout the districts involved.

A district may allow a nonresident emergent bilingual student to enroll in or attend its bilingual education or special language programs if the student's district of residence does not provide an appropriate program. The tuition for the student shall be paid by the district in which the student resides.

Education Code 29.059; 19 TAC 89.1205(e)

Documentation

A student's permanent record shall contain the documentation items required by 19 Administrative Code 89.1220(l). Documentation in a student's permanent record shall be forwarded in the same manner as other student records to another school district in which the student enrolls. *19 TAC 89.1220(l)*

For students previously enrolled in a Texas public school, the receiving district shall secure the student records, including the original home language survey and LPAC documentation as described in 19 Administrative Code 89.1220(l), as applicable. All attempts to contact the sending district to request records shall be documented. Multiple attempts to obtain the student's original home language survey shall be made. *19 TAC 89.1215(d)*

Summer Program

If a district is required to offer a bilingual education or special language program, it shall offer a voluntary summer school program for emergent bilingual children who will be eligible for admission to kindergarten or first grade at the beginning of the next school year.

A school that operates on a semester system shall offer the program during the period school is recessed for the summer and for one-half day for eight weeks or on a similar schedule approved by the board. A school that operates on any other system shall offer 120 hours of instruction on a schedule established by the board.

The program must be an intensive bilingual education or special language program that meets the standards set by TEA, and the student/teacher ratio may not exceed 18:1. A district shall comply with the requirements of 19 Administrative Code 89.1250 in providing such a program.

Other Programs

A district may establish on a full- or part-time basis other summer school, extended day, or extended week bilingual education or special language programs for emergent bilingual students and may join with other districts in establishing such programs.

The programs required or authorized by Education Code 29.060 may not be a substitute for programs required to be provided during the regular school year.

Education Code 29.060; 19 TAC 89.1250

Personnel

Teachers assigned to a bilingual education program using one of the following program models must be appropriately certified in bilingual education:

1. Transitional bilingual/early exit program model; or
2. Transitional bilingual/late exit program model.

Education Code 29.061(b)

Teachers assigned to a bilingual education program using a dual language immersion/one-way or two-way program model must be appropriately certified for:

1. Bilingual education for the component of the program provided in a language other than English; and
2. Bilingual education or English as a second language for the component of the program provided in English.

A district that provides a bilingual education program using a dual language immersion/one-way or two-way program model may assign a teacher certified for the language other than English component of the program and a different teacher certified for the English language component.

Education Code 29.061(b-1)-(b-2)

A district shall take all reasonable affirmative steps to assign appropriately certified teachers to the required bilingual education and ESL programs. A district that is unable to secure a sufficient number of appropriately certified bilingual education and/or ESL teachers to provide the required programs may request activation of the appropriate permits in accordance with 19 Administrative Code Chapter 230. *19 TAC 89.1245(a); Education Code 29.061(c)*

A district that is unable to provide the required bilingual education program because of an insufficient number of appropriately certified teachers shall request from the commissioner an exception to the bilingual education program and the approval of a temporary alternative language program. Emergent bilingual students with parental approval for program participation under a bilingual education exception will be included in the bilingual education allotment designated for an alternative language program. The approval of an exception to the bilingual education program shall be valid only during the school year for which it was granted. A request for a bilingual education program exception must be submitted by November 1 and shall adhere to the requirements in 19 Administrative Code 89.1207. [See Exceptions and Waivers, above] *19 TAC 89.1207(a)-(b); Education Code 29.054*

Emergent Bilingual Students and State Assessments

In kindergarten-grade 12, an emergent bilingual student shall participate in the state assessment in accordance with commissioner's rules at 19 Administrative Code Chapter 101, Subchapter AA. [See EKBA]

Program Exit

A district may transfer an emergent bilingual student out of a bilingual education or special language program for the first time or a subsequent time if the student is able to participate equally in a regular all-English instructional program as determined by:

1. TEA-approved tests administered at the end of each school year to determine the extent to which the student has developed oral and written language proficiency and specific language skills in English;
2. Satisfactory performance on the reading assessment instrument under Education Code 39.023(a) or an English language arts assessment instrument under Education Code 39.023(c), as applicable, with the assessment instrument administered in English, or, if the student is enrolled in the first or second grade, an achievement score at or above the 40th percentile in the reading and language arts sections of an English standardized test approved by TEA; and
3. TEA-approved criterion-referenced tests and the results of a subjective teacher evaluation.

Education Code 29.056(g)

Notice to Parents

A district shall give written notification to the student's parent of a student's reclassification as English proficient and his or her exit from the bilingual or ESL program and acquire written approval. Students meeting reclassification requirements may continue in the bilingual education or ESL program with parental approval. *19 TAC 89.1240(b)*

Post-Exit Monitoring and Reenrollment

The language proficiency assessment committee may reenroll the student in the program if later evidence suggests that a student who has been transferred out of a bilingual education or special language program has inadequate English proficiency and achievement. Classification of students for reenrollment must be based on the criteria required by Education Code 29.056. *Education Code 29.056(h)*

The LPAC shall reevaluate a student who is transferred out of a bilingual education or special language program if the student earns a failing grade in a subject in the foundation curriculum during any grading period in the first two school years after the student is transferred to determine whether the student should be reenrolled in a bilingual education or special language program.

During the first two school years after a student is transferred out of a bilingual education or special language program, the LPAC shall review the student's performance and consider:

1. The total amount of time the student was enrolled in bilingual education or special language programs;
2. The student's grades each grading period in each subject in the foundation curriculum;
3. The student's performance on state assessment instruments;
4. The number of credits the student has earned toward high school graduation, if applicable; and
5. Any disciplinary actions taken against the student under Education Code Chapter 37, Subchapter A.

After the evaluation, the LPAC may require intensive instruction for the student or reenroll the student in a bilingual education or special language program.

Education Code 29.0561

Program Evaluation

A district that is required to implement a bilingual education or ESL program shall conduct an annual evaluation in accordance with 19 Administrative Code 89.1265. The annual evaluation report shall be presented to the board before November 1 of each year. The report shall be retained at the district level and must meet the requirements of 19 Administrative Code 89.1265(b)-(c).

A district shall report to parents the progress of their child in acquiring English as a result of participation in the program offered to emergent bilingual students.

In alignment with the district improvement plan, each school year, the principal of each campus, with assistance from the campus level committee, shall develop, review, and revise the campus improvement plan for the purposes of improving student performance for emergent bilingual students. [See BQB]

19 TAC 89.1265

Innovative Courses

A district may offer innovative courses to enable students to master knowledge, skills, and competencies not included in the essential knowledge and skills of the required curriculum. The State Board of Education (SBOE) may approve discipline-based courses in the foundation or enrichment curriculum and courses that do not fall within any of the subject areas listed in the foundation and enrichment curricula when the applying district or organization demonstrates that the proposed course is academically rigorous and addresses documented student needs. Applications shall not be approved if the proposed course significantly duplicates the content of a Texas Essential Knowledge and Skills (TEKS)-based course or can reasonably be taught within an existing TEKS-based course.

To request approval from the SBOE, the applying district or organization must submit a request for approval at least six months before planned implementation. The request must address the elements listed at 19 Administrative Code 74.27(a)(3).

To request approval from the commissioner for a career and technical education innovative course, the applying district or organization must submit with its request for approval evidence that the course is aligned with state and/or regional labor market data.

To request approval of a new innovative course, the applying district or organization must submit with its request for approval evidence that the course has been successfully piloted in its entirety in at least one school in the state of Texas. This requirement does not apply to the consideration of a course developed to support a program of study in career and technical education.

Newly approved innovative courses shall be approved for a period of three years, and courses approved for renewal shall be approved for a period of five years.

With the approval of the board, a district may offer, without changes or deletions to content, any state-approved innovative course.

19 TAC 74.27(a)(1)-(8)

Magnet Schools or Programs

A district may operate a magnet program, academy, or other innovative program to serve student populations with specialized interests and aptitudes. *19 TAC 74.22(b)*

State Assessment of Academic Skills

Every student receiving instruction in the essential knowledge and skills shall take the appropriate criterion-referenced assessments, as required by Education Code Chapter 39, Subchapter B [see Testing in Grades 3-8, below]. *Education Code 39.023(a), (c), (f); 19 TAC 101.5*

A student may not receive a high school diploma until the student has performed satisfactorily on end-of-course (EOC) assessment instruments [see End-of-Course Assessments, below]. *Education Code 39.025(a); 19 TAC 101.4001*

Emergent Bilingual Students

In grades 3-12, an emergent bilingual student, as defined by Education Code Chapter 29, Subchapter B, shall participate in the state assessment in accordance with commissioner rules at 19 Administrative Code Chapter 101, Subchapter AA. *Education Code 39.023(l), (m)* [See EKBA]

Special Education

The Texas Education Agency (TEA) shall develop or adopt appropriate criterion-referenced alternative assessment instruments to be administered to each student in a special education program for whom a state assessment instrument adopted under Education Code 39.023(a), even with allowable accommodations, would not provide an appropriate measure of student achievement, as determined by the student's admission, review, and dismissal (ARD) committee, including assessment instruments approved by the commissioner of education that measure growth. The assessment instruments developed or adopted, including the assessment instruments approved by the commissioner, must, to the extent allowed under federal law, provide a district with options for the assessment of students.

TEA may not adopt a performance standard that indicates that a student's performance on the alternate assessment does not meet standards if the lowest level of the assessment accurately represents the student's developmental level as determined by the student's ARD committee.

The student's ARD committee shall determine whether any allowable modification is necessary in administering to the student a required EOC assessment instrument under Education Code 39.023(c), and whether the student is required to achieve satisfactory performance on an EOC assessment instrument to receive a high school diploma.

Education Code 39.023(b)-(c), .025(a-4)

Military Dependents

If the student is a military dependent, the district shall incorporate procedures to accept:

1. Exit or EOC exams required for graduation from the sending state;
2. National norm-referenced achievement tests; or
3. Alternative testing, in lieu of testing requirements for graduation in the receiving state.

In the event the above alternatives cannot be accommodated by the receiving state for a military dependent transferring in his or her senior year, then Education Code 162.002 article VII, section C, shall apply.

Education Code 162.002 art. VII [See EIF]

Administration

A district shall follow the test administration procedures established by TEA in the applicable test administration materials. A superintendent shall be responsible for administering tests. *19 TAC 101.25, .27*

Schedule

The commissioner shall specify the schedule for testing that is in compliance with Education Code 39.023(c-3) and supports reliable and valid assessments. Participation in University Interscholastic League (UIL) area, regional, or state competitions is prohibited on any days on which testing is scheduled between Monday and Thursday of the school week in which the primary administration of assessment instruments occurs.

The commissioner may provide alternate dates for the administration of tests required for a high school diploma to students who are migratory children and who are out of the state.

19 TAC 101.25

On request by a district, the commissioner may allow the district to administer an assessment instrument on the first instructional day of a week if administering the assessment instrument on another instructional day would result in a significant administrative burden due to specific local conditions. *Education Code 39.023(c-3)*

Religious Holy Days

The board may consider the dates of religious holy days or periods of observance likely to be observed by the students enrolled in the district during the period set by the State Board of Education (SBOE) for the administration of state assessment instruments in establishing:

1. The district's calendar for that school year; and
2. The instructional days within that period on which students are administered the required assessment instruments, provided that the board not exclude more than two instructional

days from that period based solely on the occurrence of a single religious holy day or period of observance.

“Religious holy day or period of observance” means a holy day or a period of holy days observed by a religion whose places of worship would be exempt from property taxation under Tax Code 11.20.

In establishing a school calendar under this provision, the board shall provide for alternative dates for the administration of state assessment instruments to a student who is absent from school to observe a religious holy day or period of observance on the date an assessment instrument is administered.

Education Code 39.0238

*Alternate Test
Dates*

The commissioner shall consider requests from districts or campuses for alternate test dates on a case-by-case basis. Alternate test dates will only be allowed if the campus or district is closed on the day on which testing is scheduled or if there is an exceptional circumstance, defined below, that may affect a district’s or campus’s ability to administer an assessment or the students’ performance on the assessment.

“Exceptional circumstances” include:

1. Inclement weather or natural disasters that would cause a district or campus to be closed or that would cause a small percentage of students to be in attendance on the day testing is scheduled;
2. Health epidemics that result in a large number of students being absent on the day of testing;
3. Death of a student or school official that may impact student performance; and
4. Sudden emergencies that occur on the day of testing or shortly before testing that may inhibit students from completing the assessments, such as a fire on campus, a bomb threat, an extended power outage, or a water main break.

If an alternate test date for primary test administration is approved, the commissioner may prohibit a district or campus from participating in UIL competition on the new test date if that is determined to be in the best interest of the district, campus, and students.

19 TAC 101.5003

Test Administration
Training

The commissioner may require training for district employees involved in the administration of the assessment instruments. The commissioner may only require for the employee at each district

campus who oversees the administration of the assessment instruments to annually receive the training. The district employee who oversees test administration on a district campus may, with discretion, require other district employees involved in the administration of assessment instruments to repeat the training. *Education Code 39.0304(a), (b-1)-(b-2)*

Paper
Administration

A district may administer a state assessment instrument required under Education Code 39.023(a), (c), or (l) in paper format to any student whose parent, guardian, or teacher in the applicable subject area requests the assessment instrument be administered to the student in paper format.

A request for the administration of an assessment instrument in paper format to a student must be submitted to the district:

1. For a fall administration of an assessment instrument, not later than September 15 of the school year in which the assessment instrument will be administered; and
2. For a spring administration of an assessment instrument, not later than December 1 of the school year in which the assessment instrument will be administered.

The number of students enrolled at a district who are administered an assessment instrument in paper format for any single administration under this provision may not exceed three percent of the number of students enrolled in the district. On receipt of more requests for administration of an assessment instrument than the maximum number permitted, the district shall accept the requests in the order received until the maximum number is reached.

This limitation does not apply to a student whose ARD committee determines that the administration of an assessment instrument in paper format is a necessary modification for the student.

Education Code 39.02342

**Notice to Parents
and Students**

A superintendent shall be responsible for the following in order to provide timely and full notification of graduation requirements:

1. Notifying each student and his or her parent or guardian in writing no later than the beginning of the student's seventh-grade year of the testing requirements for graduation;
2. Notifying each student in grades 7-12 new to the district and his or her parent or guardian in writing of the testing requirements for graduation; and
3. Notifying each student who shall take the tests required for graduation and his or her parent or guardian, as well as out-

of-school individuals, of the dates, times, and locations of testing.

19 TAC 101.3012

**Testing in
Grades 3-8**

Except as provided below, all students, other than students who are assessed under Education Code 39.023(b) (alternative assessment instrument) or 39.023(l) (emergent bilingual students) or exempted under Education Code 39.027, shall be assessed in:

1. Mathematics, annually in grades 3-8;
2. Reading, annually in grades 3-8;
3. Social studies in grade 8;
4. Science in grades 5 and 8; and
5. Any other subject and grade required by federal law.

Education Code 39.023(a)

Exception

For purposes of federal accountability, a student shall not be administered a grade-level assessment if the student:

1. Is enrolled in a course or subject intended for students above the student's enrolled grade level and will be administered a grade-level assessment instrument developed under the list above that aligns with the curriculum for that course or subject within the same content area; or
2. Is enrolled in a course for high school credit in a subject intended for students above the student's enrolled grade level and will be administered an EOC assessment instrument that aligns with the curriculum for that course or subject within the same content area.

For purposes of federal accountability, a grade 3-8 student who is accelerated in mathematics, reading/language arts, or science and on schedule to complete the high school end-of-course assessments in that same content area prior to high school shall be assessed at least once in high school with the ACT or the SAT.

A student is only eligible to take an assessment instrument intended for use above the student's enrolled grade if the student is on schedule to complete instruction in the entire curriculum for that subject during the semester the assessment is administered.

A student in grade 5 or 8 described above may not be denied promotion on the basis of failure to perform satisfactorily on an as-

assessment instrument not required to be administered to the student.

Education Code 28.0211(o)-(p), 39.023(a-2); 19 TAC 101.3011(a)(1)-(3)

Kindergarten
Assessment

An assessment instrument under Education Code 39.023 may not be administered to a kindergarten student except for the purpose of determining whether the student is entitled to the benefit of the Foundation School Program [see FD]. *Education Code 39.023(a-16)*

Accommodations

Testing accommodations are permitted for any student unless they would make a particular test invalid. Decisions regarding testing accommodations shall take into consideration the needs of the student and the accommodations the student routinely receives in classroom instruction. Permissible testing accommodations shall be described in the appropriate test administration materials.

The committee established by a board to determine the placement of students with dyslexia or related disorders shall determine whether any allowable modification is necessary in administering an assessment to such a student.

A student's ARD committee shall determine the allowable accommodations and shall document them in the student's individualized education program (IEP). [See Special Education, above]

19 TAC 101.3013; Education Code 39.023(a)-(c), (n); 34 C.F.R. 300.320(a)(6)

**End-of-Course
Assessments**

Beginning with students first enrolled in grade 9 in the 2011-12 school year, a student enrolled in a course for which an EOC assessment exists as required by Education 39.023(c) shall take the appropriate assessment. *19 TAC 101.3021(a)*

TEA shall adopt EOC assessment instruments for secondary-level courses in Algebra I, biology, English I, English II, and United States history. The Algebra I EOC assessment instrument must be administered with the aid of technology but may include one or more parts that prohibit the use of technology. The English I and English II EOC assessment instruments must each assess essential knowledge and skills in both reading and writing and must provide a single score. A district shall comply with SBOE rules regarding administration of the assessment instruments listed in this provision.

If a student is in a special education program, the student's ARD committee shall determine whether any allowable modification is

necessary in administering to the student an assessment instrument required under this provision.

Education Code 39.023(c)

Students Enrolled
Below High School
Level

Beginning in the 2011-12 school year, a student in grade 8 or lower who takes a high school course for credit is required to take the applicable EOC assessment. The EOC assessment result shall be applied toward the student's assessment graduation requirements, as specified in 19 Administrative Code 101.3022. *19 TAC 101.3021(d)*

Assessment
Requirements for
Graduation

A student must meet satisfactory performance on an EOC assessment listed in Education Code 39.023(c) in order to be eligible to receive a Texas diploma, except as described below at Exceptions, Credits Earned Prior to Enrollment, Individual Graduation Committee, and Special Education.

The standard in place when a student first takes an EOC assessment is the standard that will be maintained throughout the student's school career.

Exceptions

English I or
English II

A student who was administered separate reading and writing EOC assessments under Education Code 39.023(c), for the English I or English II course has met that course's assessment graduation requirement if the student has:

1. Achieved satisfactory performance on either the reading or writing EOC assessment for that course;
2. Met at least the minimum score on the other EOC assessment for that course; and
3. Achieved an overall scale score of 3750 or greater when the scale scores for reading and writing are combined for that course.

Exceptions related to English I also apply to emergent bilingual students who meet the criteria in 19 Administrative Code 101.1007. [See EKBA]

19 TAC 101.3022(a)-(c)

Credits Earned
Prior to
Enrollment

If a student earned high school credit for a course with an EOC assessment prior to enrollment in a Texas public school district and the credit has been accepted by a Texas public school district, or a student completed a course for Texas high school credit in a course with an EOC assessment prior to the 2011-12 spring administration, the student is not required to take the corresponding EOC assessment. *19 TAC 101.3021(e)*

Substitute
Assessments

A student at any grade level is eligible to use a substitute assessment as provided in the commissioner's chart at 19 Administrative Code 101.4002(b) if the student:

1. Was administered an approved substitute assessment for an equivalent course in which the student was enrolled;
2. Received a satisfactory score on the substitute assessment as determined by the commissioner and provided in the chart at 19 Administrative Code 101.4002(b); and
3. Using a Texas Success Initiative Assessment (TSIA) or a Texas Success Initiative Assessment, Version 2.0 (TSIA2) also meets the additional criteria of 19 Administrative Code 101.4002(d).

*TSI Additional
Criteria*

A student must meet the criteria established in 19 Administrative Code 101.4002(d) in order to qualify to use TSIA or TSIA2 as a substitute assessment.

Accountability
Testing

A student electing to substitute an assessment for graduation purposes must still take the corresponding EOC assessment required under Education Code 39.023(c) at least once for accountability purposes. If a student sits for an EOC assessment, a district may not void or invalidate the test in lieu of a substitute assessment.

A student who fails to perform satisfactorily on a PSAT, PLAN, or Aspire test (or any versions of these tests) as indicated in the chart in 19 Administrative Code 101.4003(b) must take the appropriate EOC assessment required under Education Code 39.023(c). However, a student who does not receive a passing score on the EOC assessment and retakes a PSAT, PLAN, or Aspire test (or any versions of these tests) is eligible to meet the requirements specified in 19 Administrative Code 101.4002(c).

19 TAC 101.4002

*Verification of
Results*

An eligible student is responsible for providing a district an official copy of the student's scores from the substitute assessment.

Upon receipt of official results of an approved substitute assessment, a district must:

1. Verify the student's score on the substitute assessment; and
2. Determine whether the student met the performance standard required to qualify for a public high school diploma in Texas as established by the commissioner.

19 TAC 101.4005

Individual
Graduation
Committee

A student in grade 11 or 12 who has failed to comply with the EOC assessment instrument performance requirements under Education Code 39.025 for not more than two courses may qualify to graduate on the basis of a review by an individual graduation committee (IGC). [See EIF] *Education Code 28.0258, 39.025(a-5)*

A student may not graduate under an IGC if the student did not take each required EOC assessment or an approved substitute assessment for each course in which the student was enrolled in a Texas public school for which there is an EOC assessment. A district shall determine whether the student took each required EOC assessment or an approved substitute assessment. For purposes of this provision only, a student who does not make an attempt to take all required EOC assessments may not qualify to graduate by means of an individual graduation committee.

Notwithstanding any action taken by a student's individual graduation committee, a district must provide a student an opportunity to retake an EOC assessment under Education Code 39.023(c) if the student has not previously achieved satisfactory performance on an assessment for that course. A student is not required to retake a course in order to be administered a retest of an EOC assessment.

19 TAC 101.3022(e)(1), (3)

For provisions related to an IGC and emergent bilingual students, see EKBA.

Special Education

A student receiving special education services is not subject to the IGC requirements in Education Code 28.0258. As provided in 19 Administrative Code 89.1070 (Graduation Requirements) and 19 Administrative Code 101.3023 (Participation and Graduation Assessment Requirements for Students Receiving Special Education Services), a student's ARD committee determines whether a student is required to achieve satisfactory performance on an EOC assessment to graduate. [See EIF]

A student dismissed from a special education program who achieved satisfactory performance on an alternate EOC assessment while enrolled in a special education program is not required to take and achieve satisfactory performance on the general EOC assessment to graduate. A student who took an EOC assessment while enrolled in a special education program is not required to retake and achieve satisfactory performance on the EOC assessment if the student's ARD committee determined that the student was not required to achieve satisfactory performance on the EOC assessment to graduate. A student dismissed from a special education program must achieve satisfactory performance on any re-

maining EOC assessments that the student is required to take. If the student fails to achieve satisfactory performance on no more than two of the remaining EOC assessments, the student is eligible for IGC review under Education Code 28.0258 and is subject to the IGC provisions above. [See Individual Graduation Committee, above]

19 TAC 101.3022(f)

For more information on graduation requirements for special education students, see EIF.

Credit by
Examination

An EOC assessment administered under Education Code 39.023(c) cannot be used for purposes of credit by examination under 19 Administrative Code 74.24. [See EHDB, EHDC] *19 TAC 101.3021(c)*

Retakes

Each time an EOC assessment instrument is administered, a student who failed to achieve a score requirement may retake the assessment instrument. [See Satisfactory Performance, above]

A student is not required to retake a course as a condition of retaking an EOC assessment instrument.

If a student failed a course but achieved satisfactory performance on the applicable EOC assessment, that student is not required to retake the assessment if the student is required to retake the course.

Education Code 39.025(b); 19 TAC 101.3021(f), .3022(d)

Note: For information on instructional requirements for students who fail to perform satisfactorily on a state assessment instrument, see EHBC and EHBCA.

Reporting Results

To the Public

Overall student performance data, aggregated by ethnicity, sex, grade level, subject area, campus, and district, shall be made available to the public, with appropriate interpretations, at regularly scheduled meetings of a board, after receipt from TEA. The information shall not contain the names of individual students or teachers. *Education Code 39.030(b)*

To the Board

A superintendent shall accurately report all test results with appropriate interpretations to a board according to the schedule in the applicable test administration materials.

To Parents,
Students, and
Teachers

A district shall notify each of its students, his or her parent or guardian, and his or her teacher for that subject of test results, observing confidentiality requirements stated at Confidentiality of Results, below. All test results shall be included in each student's aca-

demic achievement record and shall be furnished for each student transferring to another district or charter school or private school. The scoring contractor will provide districts with the results of the machine-scorable assessments within a 21-day period following the close of the testing window. Upon receipt of the assessment results from the test contractor, a district shall disclose a student's assessment results to a student's teacher in the same subject area as the assessment for that school year. [See BQ series, FD, and FL]

19 TAC 101.3014(a)-(d)

TEA shall adopt a series of questions to be included in an EOC assessment instrument administered under Education Code 39.023(c) to be used for purposes of identifying students who are likely to succeed in an advanced high school course. A district shall notify a student who performs at a high level on the questions and the student's parent or guardian of the student's performance and potential to succeed in an advanced high school course. A district may not require a student to perform at a particular level on the questions to be eligible to enroll in an advanced high school course. *Education Code 39.0233(b)*

Parents Right-to-Know Under ESEA

As a condition of receiving assistance under Title I, Part A of the Elementary and Secondary Education Act (ESEA) (20 U.S.C. 6301 et seq.), a district shall provide to each individual parent of a child who is a student in such school, with respect to such student information on the level of achievement and academic growth of the student, if applicable and available, on each of the state academic assessments required under Part A. *20 U.S.C. 6312(e)(1)(B)(i)*

Parental Access

A parent is entitled to access to a copy of each state assessment instrument administered to the parent's child. This right of access does not apply, however, to those instruments or particular questions that are being field-tested by TEA. *Education Code 26.005, .006(a)(2), 39.023(e)*

Out-of-State Transfers

A district shall accurately report to TEA whether that student transferred into the district from out of state during the current school year.

Procedures for the reporting of out-of-state-transfer students to TEA shall be established in the applicable test administration materials. A district shall follow procedures specified in those test administration materials.

The assessment results of the out-of-state transfer students shall be reported separately to districts from the results of the district's

other students in addition to the current reporting of assessment results for all students and other student subsets.

19 TAC 101.3014(e)

**Security and
Confidentiality**

All assessment instruments included in the student assessment program are considered secure, and the contents of these tests, including student information used or obtained in their administration, are confidential.

Districts and campuses and the superintendent and campus principals in each district and campus shall:

1. Implement and ensure compliance with state test administration procedures and training activities;
2. Notify TEA as soon as the district becomes aware of any alleged or suspected violation of the security or confidential integrity of a test [see Violations, below];
3. Report all confirmed testing violations to TEA within 10 working days of the district becoming aware of the violation in accordance with the reporting process stipulated in the test administration materials;
4. Ensure that the only individuals with access to secure test materials are district employees who have:
 - a. Met the requirements to participate in the student assessment program;

Hand-delivered filings shall be timely filed if received by the appropriate administrator or designee by the close of business on the deadline. Filings submitted by electronic communication shall be timely filed if they are received by the close of business on the deadline, as indicated by the date/time shown on the electronic communication. Mail filings shall be timely filed if they are post-marked by U.S. Mail on or before the deadline and received by the appropriate administrator or designated representative no more than three days after the deadline.

Scheduling
Conferences

The District shall make reasonable attempts to schedule conferences at a mutually agreeable time. If a student or parent fails to appear at a scheduled conference, the District may hold the conference and issue a decision in the student's or parent's absence.

Response

At Levels One and Two, "response" shall mean a written communication to the student or parent from the appropriate administrator. Responses may be hand-delivered, sent by electronic communication to the student's or parent's email address of record, or sent by U.S. Mail to the student's or parent's mailing address of record. Mailed responses shall be timely if they are postmarked by U.S. Mail on or before the deadline.

FNG

Untimely Filings All time limits shall be strictly followed unless modified by mutual written consent.

If a complaint form or appeal notice is not timely filed, the complaint may be dismissed, on written notice to the student or parent, at any point during the complaint process. The student or parent may appeal the dismissal by seeking review in writing within ten days from the date of the written dismissal notice, starting at the level at which the complaint was dismissed. Such appeal shall be limited to the issue of timeliness.

Costs Incurred Each party shall pay its own costs incurred in the course of the complaint.

Complaint and Appeal Forms Complaints and appeals under this policy shall be submitted in writing on a form provided by the District.

Copies of any documents that support the complaint should be attached to the complaint form. If the student or parent does not have copies of these documents, copies may be presented at the Level One conference. After the Level One conference, no new documents may be submitted by the student or parent unless the student or parent did not know the documents existed before the Level One conference.

A complaint or appeal form that is incomplete in any material aspect may be dismissed but may be refiled with all the required information if the refile is within the designated time for filing.

Level One

Complaint forms must be filed:

1. Within 15 days of the date the student or parent first knew, or with reasonable diligence should have known, of the decision or action giving rise to the complaint or grievance; and
2. With the lowest level administrator who has the authority to remedy the alleged problem.

In most circumstances, students and parents shall file Level One complaints with the campus principal.

If the only administrator who has authority to remedy the alleged problem is the Superintendent or designee, the complaint may begin at Level Two following the procedure, including deadlines, for filing the complaint form at Level One.

If the complaint is not filed with the appropriate administrator, the receiving administrator must note the date and time the complaint form was received and immediately forward the complaint form to the appropriate administrator.

The appropriate administrator shall investigate as necessary and schedule a conference with the student or parent within ten days after receipt of the written complaint. The administrator may set reasonable time limits for the conference.

Absent extenuating circumstances, the administrator shall provide the student or parent a written response within ten days following the conference. The written response shall set forth the basis of the decision. In reaching a decision, the administrator may consider information provided at the Level One conference and any other relevant documents or information the administrator believes will help resolve the complaint.

Level Two

If the student or parent did not receive the relief requested at Level One or if the time for a response has expired, the student or parent may request a conference with the Superintendent or designee to appeal the Level One decision.

The appeal notice must be filed in writing, on a form provided by the District, within ten days of the date of the written Level One response or, if no response was received, within ten days of the Level One response deadline.

After receiving notice of the appeal, the Level One administrator shall prepare and forward a record of the Level One complaint to the Level Two administrator. The student or parent may request a copy of the Level One record.

The Level One record shall include:

1. The original complaint form and any attachments.
2. All other documents submitted by the student or parent at Level One.
3. The written response issued at Level One and any attachments.
4. All other documents relied upon by the Level One administrator in reaching the Level One decision.

The Superintendent or designee shall schedule a conference within ten days after the appeal notice is filed. The conference shall be limited to the issues and documents considered at Level One. At the conference, the student or parent may provide information concerning any documents or information relied upon by the administration for the Level One decision. The Superintendent or designee may set reasonable time limits for the conference.

The Superintendent or designee shall provide the student or parent a written response within ten days following the conference. The

written response shall set forth the basis of the decision. In reaching a decision, the Superintendent or designee may consider the Level One record, information provided at the Level Two conference, and any other relevant documents or information the Superintendent or designee believes will help resolve the complaint.

Recordings of the Level One and Level Two conferences, if any, shall be maintained with the Level One and Level Two records.

Level Three

If the student or parent did not receive the relief requested at Level Two or if the time for a response has expired, the student or parent may appeal the decision to the Board.

The appeal notice must be filed in writing, on a form provided by the District, within ten days of the date of the written Level Two response or, if no response was received, within ten days of the Level Two response deadline.

The Superintendent or designee shall inform the student or parent of the date, time, and place of the Board meeting at which the complaint will be on the agenda for presentation to the Board.

The Superintendent or designee shall provide the Board the record of the Level Two appeal. The student or parent may request a copy of the Level Two record.

The Level Two record shall include:

1. The Level One record.
2. The notice of appeal from Level One to Level Two.
3. The written response issued at Level Two and any attachments.
4. All other documents relied upon by the administration in reaching the Level Two decision.

The appeal shall be limited to the issues and documents considered at Level Two, except that if at the Level Three hearing the administration intends to rely on evidence not included in the Level Two record, the administration shall provide the student or parent notice of the nature of the evidence at least three days before the hearing.

The District shall determine whether the complaint will be presented in open or closed meeting in accordance with the Texas Open Meetings Act and other applicable law. [See BE]

The presiding officer may set reasonable time limits and guidelines for the presentation, including an opportunity for the student or parent and administration to each make a presentation and provide re-

buttal and an opportunity for questioning by the Board. The Board shall hear the complaint and may request that the administration provide an explanation for the decisions at the preceding levels.

In addition to any other record of the Board meeting required by law, the Board shall prepare a separate record of the Level Three presentation. The Level Three presentation, including the presentation by the student or parent or the student's representative, any presentation from the administration, and questions from the Board with responses, shall be recorded by audio recording, video/audio recording, or court reporter.

The Board shall then consider the complaint. It may give notice of its decision orally or in writing at any time up to and including the next regularly scheduled Board meeting. If the Board does not make a decision regarding the complaint by the end of the next regularly scheduled meeting, the lack of a response by the Board upholds the administrative decision at Level Two.

The requestor is entitled to seek a decision from the attorney general about the matter.

Each current or former employee and board member shall state that person's choice to the main personnel officer of the district in a signed writing not later than the 14th day after the date on which the employee begins employment with the district, the board member is elected or appointed, or the former employee or official ends service with the district.

If the current or former employee or board member fails to state the person's choice within the period established by this provision, the information is subject to public access.

A current or former employee or board member who wishes to close or open public access to the information may request in writing that the main personnel officer of the district close or open access.

Economic
Development

Gov't Code 552.131(a)

Unless and until an agreement is made with the business prospect, information about a financial or other incentive being offered to a business prospect by a board or by another person is excepted from public disclosure.

After an agreement is made, the exception no longer applies to information about a financial or other incentive being offered to the business prospect:

Subpoena or
Discovery Request

A subpoena duces tecum or a request for discovery that is issued in compliance with a statute or a rule of civil or criminal procedure

is not considered to be a request for information under the Public Information Act. A district is not required under the Public Information Act to allow the inspection of or to provide a copy of information in a commercial book or publication purchased or acquired by the district for research purposes, if the book or publication is commercially available to the public. A district is not required to accept or comply with a request for information from an individual who is imprisoned or confined in a correctional facility or an agent of that individual, other than the individual's attorney when the attorney is requesting information that is subject to disclosure under the Public Information Act. This provision does not prohibit a district from disclosing to an incarcerated individual or the individual's agent information held by the district that pertains to the individual. *Gov't Code 552.028*

An administering firm, carrier, or the district acting in cooperation with or on behalf of the retirement system is not required to accept or comply with a request for a record or information about a record or to seek an opinion from the attorney general.

For this provision, "participant" means a member, former member, retiree, annuitant, beneficiary, or alternate payee of the retirement system, or an employee or contractor of an employer covered by the retirement system for whom records were received by the re-

tirement system for the purpose of administering the terms of the plan, including for audit or investigative purposes.

Note: Public complaints regarding instructional and library materials are addressed at EFA and EFB, respectively, and complaints against peace officers are addressed at CKE.

Complaints

In this policy, the terms “complaint” and “grievance” shall have the same meaning.

Other Complaint Processes

Complaints by members of the public shall be filed in accordance with this policy, except as required by the policies listed below. Some of these policies require appeals to be submitted in accordance with GF after the relevant complaint process:

1. Complaints concerning instructional resources shall be filed in accordance with the EF series.
2. Complaints concerning a commissioned peace officer who is an employee of the District shall be filed in accordance with the CKE series.

Complaints regarding refusal of entry to or ejection from District property based on Education Code 37.105 shall be filed in accordance with this policy. However, the timelines shall be adjusted as necessary to permit the complainant to address the Board in person within 90 calendar days of filing the initial complaint, unless the complaint is resolved before the Board considers it. [See GKA(LEGAL)]

Guiding Principles

Informal Process

The Board encourages the public to discuss concerns with an appropriate administrator who has the authority to address the concerns. Concerns should be expressed as soon as possible to allow early resolution at the lowest possible administrative level.

Informal resolution shall be encouraged but shall not extend any deadlines in this policy, except by mutual written consent.

Formal Process

An individual may initiate the formal process described below by timely filing a written complaint form.

Even after initiating the formal complaint process, individuals are encouraged to seek informal resolution of their concerns. An individual whose concerns are resolved may withdraw a formal complaint at any time.

The process described in this policy shall not be construed to create new or additional rights beyond those granted by law or Board policy, nor to require a full evidentiary hearing or “mini-trial” at any level.

Freedom from Retaliation

Neither the Board nor any District employee shall unlawfully retaliate against any individual for bringing a concern or complaint.

General Provisions

Filing

Complaint forms and appeal notices may be filed by hand-delivery, by electronic communication, including email and fax, or by U.S. Mail. Hand-delivered filings shall be timely filed if received by the appropriate administrator or designee by the close of business on

the deadline. Filings submitted by electronic communication shall be timely filed if they are received by the close of business on the deadline, as indicated by the date/time shown on the electronic communication. Mail filings shall be timely filed if they are post-marked by U.S. Mail on or before the deadline and received by the appropriate administrator or designated representative no more than three days after the deadline.

Scheduling
Conferences

The District shall make reasonable attempts to schedule conferences at a mutually agreeable time. If the individual fails to appear at a scheduled conference, the District may hold the conference and issue a decision in the individual's absence.

Response

At Levels One and Two, "response" shall mean a written communication to the individual from the appropriate administrator. Responses may be hand-delivered, sent by electronic communication to the individual's email address of record, or sent by U.S. Mail to the individual's mailing address of record. Mailed responses shall be timely if they are postmarked by U.S. Mail on or before the deadline.

Days

"Days" shall mean District business days, unless otherwise noted. In calculating timelines under this policy, the day a document is filed is "day zero." The following business day is "day one."

Representative

"Representative" shall mean any person who or organization that is designated by an individual to represent the individual in the complaint process.

The individual may designate a representative through written notice to the District at any level of this process. If the individual designates a representative with fewer than three days' notice to the District before a scheduled conference or hearing, the District may reschedule the conference or hearing to a later date, if desired, in order to include the District's counsel. The District may be represented by counsel at any level of the process.

Consolidating
Complaints

Complaints arising out of an event or a series of related events shall be addressed in one complaint. An individual shall not file separate or serial complaints arising from any event or series of events that have been or could have been addressed in a previous complaint.

Untimely Filings

All time limits shall be strictly followed unless modified by mutual written consent.

If a complaint form or appeal notice is not timely filed, the complaint may be dismissed, on written notice to the individual, at any point during the complaint process. The individual may appeal the dismissal by seeking review in writing within ten days from the date

of the written dismissal notice, starting at the level at which the complaint was dismissed. Such appeal shall be limited to the issue of timeliness.

Costs Incurred

Each party shall pay its own costs incurred in the course of the complaint.

Complaint and
Appeal Forms

Complaints and appeals under this policy shall be submitted in writing on a form provided by the District.

Copies of any documents that support the complaint should be attached to the complaint form. If the individual does not have copies of these documents, they may be presented at the Level One conference. After the Level One conference, no new documents may be submitted by the individual unless the individual did not know the documents existed before the Level One conference.

A complaint or appeal form that is incomplete in any material aspect may be dismissed but may be refiled with all the required information if the refiling is within the designated time for filing.

Level One

Complaint forms must be filed:

1. Within 15 days of the date the individual first knew, or with reasonable diligence should have known, of the decision or action giving rise to the complaint or grievance; and
2. With the lowest level administrator who has the authority to remedy the alleged problem.

If the only administrator who has authority to remedy the alleged problem is the Superintendent or designee, the complaint may begin at Level Two following the procedure, including deadlines, for filing the complaint form at Level One.

If the complaint is not filed with the appropriate administrator, the receiving administrator must note the date and time the complaint form was received and immediately forward the complaint form to the appropriate administrator.

The appropriate administrator shall investigate as necessary and schedule a conference with the individual within ten days after receipt of the written complaint. The administrator may set reasonable time limits for the conference.

Absent extenuating circumstances, the administrator shall provide the individual a written response within ten days following the conference. The written response shall set forth the basis of the decision. In reaching a decision, the administrator may consider information provided at the Level One conference and any other

relevant documents or information the administrator believes will help resolve the complaint.

Level Two

If the individual did not receive the relief requested at Level One or if the time for a response has expired, he or she may request a conference with the Superintendent or designee to appeal the Level One decision.

The appeal notice must be filed in writing, on a form provided by the District, within ten days of the date of the written Level One response or, if no response was received, within ten days of the Level One response deadline.

After receiving notice of the appeal, the Level One administrator shall prepare and forward a record of the Level One complaint to the Level Two administrator. The individual may request a copy of the Level One record.

The Level One record shall include:

1. The original complaint form and any attachments.
2. All other documents submitted by the individual at Level One.
3. The written response issued at Level One and any attachments.
4. All other documents relied upon by the Level One administrator in reaching the Level One decision.

The Superintendent or designee shall schedule a conference within ten days after the appeal notice is filed. The conference shall be limited to the issues and documents considered at Level One. At the conference, the individual may provide information concerning any documents or information relied upon by the administration for the Level One decision. The Superintendent or designee may set reasonable time limits for the conference.

The Superintendent or designee shall provide the individual a written response within ten days following the conference. The written response shall set forth the basis of the decision. In reaching a decision, the Superintendent or designee may consider the Level One record, information provided at the Level Two conference, and any other relevant documents or information the Superintendent or designee believes will help resolve the complaint.

Recordings of the Level One and Level Two conferences, if any, shall be maintained with the Level One and Level Two records.

Level Three

If the individual did not receive the relief requested at Level Two or if the time for a response has expired, he or she may appeal the decision to the Board.

The appeal notice must be filed in writing, on a form provided by the District, within ten days of the date of the written Level Two response or, if no response was received, within ten days of the Level Two response deadline.

The Superintendent or designee shall inform the individual of the date, time, and place of the Board meeting at which the complaint will be on the agenda for presentation to the Board.

The Superintendent or designee shall provide the Board the record of the Level Two appeal. The individual may request a copy of the Level Two record.

The Level Two record shall include:

1. The Level One record.
2. The notice of appeal from Level One to Level Two.
3. The written response issued at Level Two and any attachments.
4. All other documents relied upon by the administration in reaching the Level Two decision.

The appeal shall be limited to the issues and documents considered at Level Two, except that if at the Level Three hearing the administration intends to rely on evidence not included in the Level Two record, the administration shall provide the individual notice of the nature of the evidence at least three days before the hearing.

The District shall determine whether the complaint will be presented in open or closed meeting in accordance with the Texas Open Meetings Act and other applicable law. [See BE]

The presiding officer may set reasonable time limits and guidelines for the presentation, including an opportunity for the individual and administration to each make a presentation and provide rebuttal and an opportunity for questioning by the Board. The Board shall hear the complaint and may request that the administration provide an explanation for the decisions at the preceding levels.

In addition to any other record of the Board meeting required by law, the Board shall prepare a separate record of the Level Three presentation. The Level Three presentation, including the presentation by the individual or his or her representative, any presentation from the administration, and questions from the Board with re-

sponses, shall be recorded by audio recording, video/audio recording, or court reporter.

The Board shall then consider the complaint. It may give notice of its decision orally or in writing at any time up to and including the next regularly scheduled Board meeting. If the Board does not make a decision regarding the complaint by the end of the next regularly scheduled meeting, the lack of a response by the Board upholds the administrative decision at Level Two.

Identification may be required of any person on property under the district's control.

A district shall maintain a record of each verbal warning issued, including the name of the person to whom the warning was issued and the date of issuance.

Section 794), in accordance with federal law.

The term of a person's refusal of entry to or ejection from a school district's property under this section may not exceed two years.

A district shall post on the district's website and each district campus shall post on any campus website a notice regarding these provisions, including the appeal process.

The board shall adopt a policy that uses the district's existing grievance process [see FNG, GF] to permit a person refused entry to or

ejected from property controlled by the district to appeal such refusal of entry or ejection. The policy must permit a person appealing under this section to address the board in person within 90 days of the commencement of the appeal, unless the appeal is granted before the board considers the appeal.

Child Protective Investigations

A Texas Department of Family and Protective Services (DFPS) investigation of a report of child abuse or neglect under Family Code Chapter 261 may include an interview and examination of the subject child, which may be conducted at any reasonable time and place, including the child's school. A school official may not deny the request of an investigator, investigating a report of suspected child abuse or neglect, to interview, at school, a student who is an alleged victim. A school official may not condition granting the request on a requirement that school personnel, such as a counselor, attend the interview. *Family Code 261.302(a), (b); Atty. Gen. Op. Notice to School
Personnel

Prior to conducting an investigation of school personnel or volunteers, SI must notify the school principal (or the principal's supervisor if the school principal is an alleged perpetrator) of the fact that a report has been assigned for investigation, the nature of the allegations contained in the report, and the date and time SI plans to visit the school campus to begin the investigation.

SI must also orally notify the superintendent about the investigation. If the superintendent is the alleged perpetrator, SI must instead orally notify the president of the school board.

SI must request that the school personnel notified of the investigation not alert the alleged perpetrator or others regarding the report until SI has had an opportunity to interview the alleged perpetrator.

Family Code 261.105(d); 40 TAC 707.615

No Interference with
Investigation

School officials or other persons related to the school setting may not interfere with an investigation of a report of child abuse or neglect conducted by DFPS.

Interviews on
School Premises

Interviews and examinations in a school investigation may take place on or off the school premises, as deemed appropriate by SI, pursuant to all applicable standards. SI will notify appropriate school personnel prior to conducting an interview or visual inspection on school premises.

Presence of School
Personnel

SI may request that school personnel or volunteers not be present during the interview or visual inspection of an alleged victim, an alleged perpetrator, an adult or child witness, or any other person who may have information relevant to the investigation if the investigator determines that:

1. The presence of school personnel or volunteers would compromise the integrity of the investigation; or

2. A better interview or examination of the child would result without school personnel or volunteers being present.

Family Code 261.303(a); 40 TAC 707.619(a)

Report of Findings

After the completion of an investigation, SI must provide a report of the investigation, redacted to remove the identity of the reporter, to the Texas Education Agency (Director of Education Investigations) for an investigation concerning an employee of a public school. On request, SI must also provide a redacted copy of the report to the following:

1. State Board for Educator Certification;
2. The president of the local school board;
3. The superintendent of the district unless the superintendent is the alleged perpetrator; and
4. The school principal, unless the principal is the alleged perpetrator.

SI is not required to provide notice to a school official if it administratively closes a report of abuse or neglect prior to notifying school officials that DFPS received a report of abuse or neglect in the school setting.
