Tonight's Reports:

The faculty at Jacobson Elementary will present two reports:

- 1) Implementation of its Positive Behavior Intervention Supports (PBIS) initiative, which is now in its second year, and
- 2) Results of the Iowa Statewide Assessments of Student Progress (ISASP) and Jacobson Elementary efforts to boost student achievement.

On the next page are the goals the school board intends to use with the reports.

(What is the anticipated impact of this action/initiative? How will we know its impact?)

6. What are the key roadblocks or challenges to doing this well?

(What are the likely ways to work around these roadblocks or challenges?)

7. What are some of the key implications of this presentation/progress report for the board (and superintendent)? I.e.,

- What support do you need from us?
- What will help this move forward?
- What can we do to help you?

(Implications might include areas such as: board leadership/advocacy, board learning, sharing common messages with the public/staff, “staying the course,” providing time/resources/financial support, etc.)
