RE: Proposed Edits to Board Policy 2.150 (Committees)

Date: September 12, 2023

Type of Report: Informational

Purpose of Report:

Board Policy 2.150 (Committees) lists all of the Board's standing committees. One of the listed standing committees is the Committee for Legislative Action, Invention and Monitoring (CLAIM), which has been abolished. We recommend striking the reference to that standing committee from the existing policy language on September 12, 2023, as it no longer exists. We also recommend updating the adoption date of the policy to reflect September 12, 2023.
