

## May Board Report

May was a month full of assessments (SBAC in Reading, Math, Science and Aimsweb Benchmark). The students and staff at Browning Middle School have been working hard to close the gap in learning. The following benchmark data reflects the efforts of all the staff at Browning Middle School to ensure the students are successful.

## Aimsweb Benchmark Assessment Data

## 6th Grade Reading

7th Grade Reading

## 8th Grade Reading

6th Grade Math

7th Grade Math

8th Grade Math

## 8th Grade Celebration

The first week of June has been very busy and wonderful at BMS. The 8th Grade Celebration was held on June 5th and it was a wonderful experience for the students, parents and staff. The 8th grade students were recognized for their first 8 years of education with a certificate, slideshow and each student was given gifts to help celebrate their accomplishment. The celebration is also an acknowledgment of their transition from elementary school to high school.

## BMS Pikuni Day

On June 6th, BMS hosted the first ever Pikuni Day. Pikuni Day is a day in which the students and staff are all students and all the presenters are Pikuni leaders and knowledge keepers. The presenters for our event are Charlene Burns, John Murray, Jerry Potts, Latrice Tatsey, Zebah Burdeau, Charles Kennedy, Carol Murray, Joyce Spoonhunter, Terry Tatsey, Keith Tatsey, Myles Murray, Tyson Running Wolf and Kent Ayoungman. The topics for the Pikuni Day are Pikuni Lodge, Pikuni Art, Pikuni Storytelling, Pikuni History, Pikuni Land and Culture, Pikuni Horsemanship, Pikuni Berry

Soup Making/Purposes/Benefits, Pikuni Traditional Games, Pikuni Indian Relay, The Story of Scarface and the Pikuni Calendar Stick.

Moving forward and wrapping up the school year will consist of awards assemblies and the traditional Staff versus Students Basketball game. So far the staff have always been victorious but it is always a highlight to end the year.
