

GOVERNING BOARD AGENDA ITEM
AMPHITHEATER UNIFIED SCHOOL DISTRICT NO. 10

DATE OF MEETING: February 9, 2016

TITLE: State Tutoring Grant Salary Requirements – Additional Schools Added

BACKGROUND:

Darlene Mansouri, Director of State and Federal Programs, informed us in December that Amphitheater High School would be receiving a State Tutoring Grant from the Arizona Department of Education for tutoring. However, recently the state made additional tutoring money available. Ms. Mansouri wrote a new grant application which was approved. The schools now eligible to receive these funds besides Amphitheater High School are: Canyon del Oro High School, Ironwood Ridge High School, Amphitheater Middle School, La Cima Middle School, Keeling Elementary, and Prince Elementary.

As was shared in the original Board item, the grant requires a salary based on a \$40.00 per hour total compensation rate (based on salary and benefits, not including medical). Consequently, the actual hourly salary for teachers at these new sites will also be approximately \$33.43 plus benefits.

This is more than the currently approved hourly salary for tutoring of \$30.00 per hour plus benefits.

RECOMMENDATION:

The administration recommends that the Board approve this compensation rate required for this State Tutoring Grant at six additional schools.
