## Notes from the Principal

Hello Applegate Families-

Spring is finally here,... well maybe! As I write this note we have had sun, rain, snow and hail; all in just an hour. The calendar is packed until the end of the year, so keep checking in on the website for updates and new events. We do our best to keep it up to date, but if you notice an error please call the office so we can correct it!

Hopefully all of you received the information regarding the district's tentative end of the year dates. At this point, we still do not know the last day of school for sure but we are planning for it to be Tuesday, June 8th. We will have a play day in the afternoon for all students K-7 with 8th graders graduating the evening before on the 7th. Should anything change we will notify all families as soon as possible.

I hope all of you were able to make it down and view our Showcase of Learning last week. It was wonderful to see all of the hard work and wonderful projects students have been engaged in this year. As we wrap up this busy year with the highest state test scores Applegate has seen, it is a clear testament that we are all working together to create a strong learning environment for all our kids- so thanks!

Hope to see you at our Ground Breaking Celebration on June 10th!  
Have a wonderful month.

Stephanie

## Ground Breaking Celebration June 10th 5pm

Come out and join us and the community for a BBQ to celebrate the beginning of refurbishing the "old" building.

For more information contact the school office.

Thank you to all who attended the Friends & Family, Showcase of Learning event last Thursday. We hope you enjoyed the day as much as everyone at school did.

Have you checked out the school websites lately?
