ACTION

BACKGROUND INFORMATION

The Levelland ISD Employee Student Code of Conduct is designed and patterned from the Texas Association of School Boards model that will communicate to students, parents, school staff, and the community exactly what is expected of students and how misconduct will be handled. State law requires that all changes to the Student Code of Conduct be board approved. The Code stands as an authoritative document on its own and, once approved, has the force of policy.

ADMINISTRATIVE RECOMMENDATION

The administration is asking the Board to approve the 2025-2026 Levelland ISD's Student Code of Conduct.
