

Navarro ISD

# Board Report

## Navarro Junior High

December 2024

### Enrollment Numbers

As of 12/3/2024:

6th Grade: 187

7th Grade: 221

8th Grade: 197

Total: 605

### Academic Progress

- The junior high continues to meet weekly with our core subjects during PLC. This month, we took English and Science benchmarks and Math and Social Studies TTAP testing. Teachers are spending time in PLC reviewing data, analyzing TEKS, and making individual plans for students.
- Region 20 representatives have been on campus supporting both math and social studies teachers. Representatives walk classes and spend time in PLCs with teachers to discuss observations and give feedback and suggestions.
- The Instructional Coaches and I have added a weekly Principal meeting into our calendars to discuss observations in classes, PLCs and other campus needs to support the junior high.
- We have started discussions on next school year's master schedule and possible requests for changes in some elective courses.

### School Culture

- Our Student, Staff and Community Culture Committees have been busy planning events for December. We have December to Remember dress up days all month with planned activities such as candy canes, hot chocolate bar, and a smores day. Also, we will be hosting a spaghetti luncheon this morning for teachers donated by Olive Garden. We have our first ever Holiday Bingo on December 3 and Holiday moving night on December 10. We are also excited for our staff Christmas party on December 14th. Students are participating in dress up days as well and are excited for the first pajama day on the day before Christmas break!!!
