# Another School Year from Start to Sweet Finish

# Legislative Win: Advancing Teacher Apprenticeships

- NBAPS advocacy led to action. We helped secure \$4M in competitive state grants for Registered Teacher Apprenticeship pilots.
- Our Forward Together model was spotlighted as a leading solution to address teacher shortages and strengthen the education workforce.
- Teacher apprenticeships are now a recognized, funded pathway to grow our own teachers—combining full-time school roles with licensure-aligned coursework.
- Next step: Compete for grant funding and stay engaged as state guidance is released.

# Prioritizing Safety and Security

- We are excited to announce the return of the full-time School Resource Officer (SRO) position. The presence of a full-time SRO will strengthen relationships, enhance safety, and provide valuable support to our schools, students, and families. We are grateful to the City of North Branch for their ongoing commitment to our partnership.
- Building walkthroughs with County and City police and fire departments are being scheduled this summer.
- Our Crisis Management team now has representative from the Sheriff's Department.

# The Max Impact

- Max Malmquist, 1958 NBHS valedictorian, lifelong educator and civic leader.
- Dedicated his life to learning, conservation, service, and community impact.
- Now making a visionary gift to support future North Branch students.
- A legacy rooted in purpose, generosity, and belief in our schools.
- Please welcome Max to share his vision—**The MAX IMPACT.**
