

**School Board Meeting/Workshop:**

April 13, 2015

**Subject:**

K-5 Technology Skills  
Curriculum Adoption Proposal

**Presenter:**

Pam Miller

---

**SUGGESTED SCHOOL BOARD ACTION:**

Report only. Action will be taken at the next school board meeting.

**DESCRIPTION:**

This curriculum adoption proposal (CAP) is to adopt a common set of basic technology skills for consistency in exposure for students at all six of our elementary sites. The proposal was developed by a team of K-12 teachers and was well-received by the District/Community Teaching & Learning Council. The proposed skills will be presented for board approval at the April 27 meeting, with implementation planned for the 2015-2016 school year. Details of the process and the proposed scope and sequence of skills are outlined in the attached CAP report.
