Highlights:

- Attendance at PES through the first 41 days = 96%. Congrats to Mrs. Mathis and Mrs. Morrell on having the highest attendance for August/September with over 98%!
- -All Kindergarten medical information was required to be turned into Nurse Martell by October 15th or students would be excluded from attendance. All families/students turned in the required documents, so there were no gaps in student learning!
- We celebrated our Empathy winners by having the PHS Tech App class create a video for our students. The kids loved it!

- PES held Parent/Teacher conferences on Thursday, October 9th. We had over 90% parental attendance with a majority being in-person and some choosing to participate via phone.
- We hosted the fire department for a variety of activities during Fire Prevention Week. Our students were able to ride on the firetrucks, learn about how to be fire safe, tour the fire department, and more during the multi-event week!
