

**Pana High School**  
**Report to the Board of Education**  
**February, 2023**

- 9<sup>th</sup> Grade 111
- 10<sup>th</sup> Grade 90
- 11<sup>th</sup> Grade 97
- 12<sup>th</sup> Grade 85
- Totals 383

**Good Things at PHS:**

The Girls Basketball team won the Regional Championship, and advanced to the Sectional Finals against Paris by defeating T-Town in the first round. We recognized the team with our signature gauntlet style pep rally at the end of each day.

Boys basketball won their first Regional game.

Chloe Ashcraft won 2nd at the state level Voice of Democracy competition.

The Graduation date is set for May 19th at 7:00pm on the football field, weather permitting.

Due to BOE elections and the reorganization of the board, we will have to schedule a time for diplomas to be signed by BOE members.

SAT/PSAT Test Prep is underway at the high school.

Winter MAP testing has been completed. The first chart shows an achievement analysis from Fall to Winter of this school year.

- As you can see by looking at the NWEA norms the amount of suspected growth at the high school level is minimal. This strengthens the need for interventions and supports, as well as exposure to rigorous curriculum, for our students who are struggling. If we are not intentional with these two success factors to help our struggling students, we are not putting them in positions to be successful. They will show little growth and make up minimal ground without interventions and exposure.
- 9th Grade ELA met their growth target and scored above the grade level expectation.
- The 9th Grade Math score was within 0.4 of the grade level norm.
- 11th Grade ELA met their growth target and was within 0.2 of the grade level norm.
- 11th Grade Math was also within 0.2 of the grade level norm.

	ELA Fall	NWEA Norm	Winter Target	Winter Score	Grade Level		Math Fall	NWEA Norm	Winter Target	Winter Score	Grade Level
9th Grade	218.5	1.62	220.12	221.5	220.5		227.6	2.24	229.84	228.3	228.7
10th	221.1	1.44	222.54	220.3	222.9		224.5	2.14	226.64	226.4	231.2

Grade											
11th Grade	223.2	1.11	224.31	224.4	224.6		230.6	1.77	232.37	231.3	233.5

This chart shows student growth from Fall of last year to Winter of this year.

	ELA Fall 21	NWEA Norm	ELA Winter 23		Math Fall 21	NWEA Norm	Math Winter 23
10th Grade	216.9	4.02 (220.92)	<b>*221.5</b>		220.3	4.38 (224.68)	226.4
Above shows growth from Fall of 9th grade to Winter of 10th grade							
11th Grade	221.8	3.15 (224.95)	224.40		225	4.46 (229.46)	231.3
Above shows growth from Fall of 10th grade to Winter of 11th grade							

\* Indicates student scores above the grade level norm.

- 10th Grade ELA has growth exceeding NWEA grade level norms.
- 10th Grade ELA and Math have growth exceeding NWEA growth norms.
- 11th Grade Math has growth exceeding NWEA growth norms
- 11th Grade ELA did not hit the growth target of 224.95. However, that growth target is 0.55 higher than the grade level norm. The 11th Grade score of 224.4 was only 0.2 from the grade level target of 224.6.

We have made progress and I believe we will continue to make progress as the course and curriculum changes continue to be implemented.

**The January First National Bank Senior-of-the-Month was:** Anna Beyers

**The January WMKR Radio Students-of-the-Month are:**

- Freshman: Delaney Hackler
- Sophomore: Alexis Hubner
- Junior: Ryan Karbach
- Senior: Morgan Beyers

**The January Peoples Bank and Trust of Pana Student-Athletes-of-the-Month are:**

- Devon Peebles - Basketball
- Clayton Worker - Basketball
- Ayda Coleman - Basketball
- Jaclyn Swenny - Basketball

**CKH Character Trait Winners of the Month (Kindness)**

Freshman: Brianna Mathis

Sophomore: Lauren Ambrose

Junior: Griffin Kimbrel

Senior: Chloe Ashcraft

Speaker: Jackie Metzger
