

**BOARD AGENDA ITEM**  
**Board of Trustees Meeting November 5, 2015**

**Consider Approval of Class Size Waivers**

**SUMMARY:**

This item requests approval to apply for a maximum class size exemption waiver from the Texas Education Agency as required by Texas Education Code (TEA) 25.112. These requests are based on enrollment as of October 22, 2015 for Kindergarten through fourth grade for the following schools:

- Evers (1)\*
- Ginnings (2)
- Hawk (2)\*\*\*
- L.A. Nelson (1)\*\*\*\*
- Providence (4)\*\*\*\*\*

\*Evers enrollment has dropped in 3<sup>rd</sup> grade, which would allow for balancing the sections; eliminating the need for a waiver. Balancing/Reassigning students at this time would create a disruption to student learning.

\*\*Ginnings principal, Marcy Auchter, expressed confidence in the capacity and talent of the teacher serving these students and will immediately contact HR should additional support be needed.

\*\*\*Hawk principal, Robin Brownell, indicated 4<sup>th</sup> grade students were carefully evaluated prior to classroom assignment. Although an adjustment could be made to reduce class size waivers to one for 4<sup>th</sup> grade at Hawk, the principal feels the move to meet state requirements would be detrimental to the student.

\*\*\*\*Nelson dropped a waiver in 3<sup>rd</sup> grade; 4<sup>th</sup> grade sections can be balanced, but would be disruptive to student learning.

\*\*\*\*\*Providence enrollment has increased in 4<sup>th</sup> grade, increasing class size waivers from 4 to 5 since October 22, 2015.

**BOARD GOAL:**

Vision – In pursuit of excellence, the district will remain committed to providing equitable and outstanding opportunities for every student on campus.

**PREVIOUS BOARD ACTION:**

No previous Board action for the 2015-2016 school year.

**BACKGROUND INFORMATION:**

Maintaining a 22:1 student to staff ratio in all Kindergarten through 2<sup>nd</sup> grade classrooms is a priority for 2015-2016. Staffing guidelines for the 2015-2016 school year are 22:1 in Kindergarten – 2<sup>nd</sup> grade; 24:1 in 3<sup>rd</sup> and 4<sup>th</sup> grade; and, 25:1 in 5<sup>th</sup> grade. During the legislative session of 2011, the district was forced to revisit staffing guidelines in an effort to address significant funding issues. Since that time, the District has continued to move toward staffing that meets the 22:1 staffing guidelines for all sections of Kindergarten – 4<sup>th</sup> grade.

**SIGNIFICANT ISSUES:**

In situations where enrollment warrants additional support, instructional aides and additional FTEs may be assigned to support student learning and teacher instruction.

**FISCAL IMPLICATIONS:**

Consideration(s) of additional FTEs and/or instructional aides are carefully weighed in collaboration with principal recommendations. Other fiscal implications to be considered are classroom space availability and program integrity (i.e., dual language, etc.). As the district maintains fiscal responsibility, while addressing limited state funding, we will continue to improve staffing guidelines with a goal of returning to the required 22:1 ratio for all Kindergarten – 4<sup>th</sup> grade classrooms. We will do so in a manner that avoids similar staffing cuts experienced in the wake of the 2011 legislative session. As of today's date, the cost to accommodate the state (unfunded) mandate related to maximum class size in Kindergarten – 4<sup>th</sup> grade would cost Denton ISD approximately \$600,000 (10 FTEs x \$60,000).

**BENEFIT OF ACTION:**

Passage allows flexibility in consideration of student/staffing needs and space availability while striving to maintain K – 2<sup>nd</sup> grade staffing at 22:1 for the 2015 – 2016 school year. Flexibility also allows campus principals to assign students based on the individual needs of students.

**PROCEDURAL AND REPORTING IMPLICATIONS:**

Texas Education Agency will process the formal request as approved by the Denton ISD board of trustees.

**PUBLIC COMMENT RECEIVED:**

**ALTERNATIVES:**
