

Report to the Board of Education
Pana High School
June 2021

- Although the regular school year may be done but PHS is still buzzing as we are hosting Summer School along with a variety of practices and camps during the month of June.

PHS summer school is May 26-June 16

PHS Summer School numbers- We had 29 students sign up for summer school this year. We offered a wider range of options for summer school coursework in comparison to previous years and allowed students to take up to 3 semester courses of credit recovery in order to address the increased needs of our students.

- Since our last meeting we did host an outdoor graduation which seemed to go over very well! A million thanks to all those who helped out and made it a very successful evening!
- The PHS band took their trip to Disney the first week of June. Several attendees have reported to me how well things went and that the students seemed to have a very enjoyable experience. Kudos to Ms. Armour for leading the group in her first year!
- PHS hosted a bootcamp for a small group of life skills, NPT students in the foods lab. Students were able to learn shopping and cooking skills during this time.
- PHS summer office hours are 7:30-3:30 daily. The office will be closed completely from 6/21-7/16. The office will reopen July 19th.

Thank you to the Board of Education and to all those in the district for my last three years in Pana. I wish Pana CUSD #8 nothing but the best! Go Panthers!

Yours in Education,
Casey
