RE: Budget Adjustment for Elections/Board of Canvassers

I am requesting a budget adjustment to our Elections and Board of Canvassers budgets. We had a few more Canvasser meetings this year than we expected to have, and at least 2 more meetings are expected for the November election.

Motion as follows:

Recommendation to decrease the budgeted amount in expense line # **101-261-956.000 Election Expenses** by \$420, and to increase the budgeted amount in expense line # **101-262-725.000 Board of Canvassers** by \$340 and expense line # **101-262-860.000 Travel Expense** by \$80.

Sincerely,

Keri Bertrand, Alpena County Clerk
