Dear Dr. Kelley,

At Lincoln, we would like to purchase new iPads for student use in the Library. A few years ago, 5 iPads were purchased for the Lincoln Library and used by students in centers and makerspaces. This year, a sixth 2nd grade class was added at Lincoln and the 5 iPads from the Library were redistributed to this class for student use.

Therefore, we would like to purchase 10 iPads with revenue that was generated from the Lincoln PTO Book Fair. I have spoken to Mr. Arensdorff, and he suggested that the PTO could purchase the iPads for our school. The Lincoln PTO has agreed to reimburse the district for this purchase. These iPads will have a positive impact on students in grades K-5 because they will be able to create and research in the Library.

Mr. Arensdorff reached out to Apple and received a quote for the 10 iPads (see attached), and he agreed to connecting the new iPads to our district's network.

Thank you for your consideration.

Respectfully,

Mrs. Carolyn Frame
