

## UVALDE CISD

**TO:** Members of the Board

**FROM:** Jennifer Torres, CCMR Director

**PRESENTER:** Jennifer Torres, CCMR Director

**MEETING DATE:** June 8, 2026

**SUBJECT:** Discussion and Consideration to Approve MOU with Sul Ross State University

### **BACKGROUND:**

The district has collaborated with Sul Ross State University throughout the 2025–2026 school year to develop and implement dual credit opportunities within the Education PTECH pathway. This partnership is designed to provide students interested in pursuing careers in education with access to college coursework while still in high school.

Through this initiative, students will have the opportunity to earn dual credit hours that align toward a Bachelor's degree in Education. The long-term goal of the partnership is to create a streamlined pathway that allows participating students to complete their Bachelor's degree and become fully certified teachers within approximately two years after graduating from high school.

This collaboration supports the district's commitment to expanding college and career readiness opportunities while also helping address future teacher workforce needs within our region.

### **RECOMMENDATION:**

Administration recommends approval of the Memorandum of Understanding (MOU) with Sul Ross State University to support the district's Education PTECH pathway and expand dual credit opportunities for students pursuing careers in education. This partnership will provide students with a structured pathway toward earning a Bachelor's degree in Education and teacher certification following high school graduation.

Superintendent's Recommendation: \_\_\_\_\_ Approval \_\_\_\_\_ Rejected
