Subd. 6. Minnesota Paid Leave

NOTE: Any legal, statute or legislative changes regarding Minnesota Paid Leave will supersede the language within this Minnesota Paid Leave agreement.

Subd. 1. Overview. The School District provides time off to eligible employees who qualify for Minnesota Paid Leave (MN Paid Leave) benefits under Minnesota law. The School District participates in Minnesota's state MN Paid Leave program, which is administered by the Department of Employment and Economic Development (DEED).

Subd. 2. Premiums. MN Paid Leave benefits are funded through premium contributions payable to the State of Minnesota. The premium cost will be split between the School District and employee as follows: The School District will pay fifty percent (50%) of the required premium and the employee will pay fifty percent (50%) of the premium cost through payroll deductions.

Subd. 3. Eligibility. Eligibility determinations for MN Paid Leave benefits are made by the State of Minnesota. Generally, to be eligible for MN Paid Leave, employees must work at least 50% of the time from a location in Minnesota. Employees must meet the financial eligibility requirements by having earned over a specific amount of wages as defined under Minnesota law at the time of the requested leave.

Subd. 4. Benefit Amount. Employees' weekly MN Paid Leave amounts are calculated and determined by DEED.

Subd. 5. Leave Entitlement and Use. DEED may approve MN Paid Leave for the following conditions in a benefit year. Employees may earn up to 12 weeks of medical leave to take care of themselves for serious health conditions, including pregnancy, childbirth, recovery or surgery. Employees may also earn MN Paid Family Leave to bond with a child through birth, adoption, or foster placement, or care for a family member with a serious health condition, or support a military family member called to active duty, or receive covered types of care for oneself or a family member because of domestic abuse, sexual assault, or stalking.

Subd. 6. Intermittent Leave. Employees may apply for intermittent leave when it is reasonable and appropriate to the needs of the individual requiring care. Generally, MN Paid Leave requires an event to be a seven-day qualifying event unless intermittent. Intermittent leave results in pro-rated benefits. Employers may limit intermittent leave to 480 hours in a 12-month period.

Subd. 7. How to Apply for MN Paid Leave. Before starting a MN Paid Leave claim, the employee must notify the School District Superintendent and/or the School District Business Manager of the intention to take MN Paid Leave. If the need is foreseeable, the employee shall provide at least 30 days' notice prior to the start of the leave. If the leave is not foreseeable, the employee shall still be able to take leave under MN Paid Leave, but must notify the School District Superintendent and/or the School District Business Manager as soon as practicable.

Subd. 7(a). After notifying the School District Superintendent and/or the School District Business Manager, the employee may apply for MN Paid Family Leave using the MN Paid Leave online portal or by calling DEED's MN Paid Leave office.

Subd. 8. Interaction with other laws and benefits. MN Paid Leave will run concurrently with any leave and/or wage supplement for which the employee may be eligible under local, state, or federal law, which may include Family and Medical Leave Act (FMLA), and/or Minnesota Women's Economic Security Act (WESA) pregnancy and parenting leave.

Subd. 9. Supplementing Pay. The school district does not allow employees using MN Paid Leave benefits to supplement, or "top off," MN Paid Leave benefits with accumulated leave balances.

Subd. 10. Maintaining Health Coverage During Leave. Unless the employee revokes coverage while on MN Paid Leave, the School District will continue to provide group health insurance under the same conditions as before the leave began. The employee must continue to make timely payments of the employee's share of the premiums.

Subd. 11. Employment Reinstatement. Upon return from covered MN Paid Leave, the employee shall be reinstated to the previous position or to an equivalent position, with the same status, pay, employment benefits, length of service credit, and seniority credit as of the date of leave if the employee has worked for the school district for a minimum of 90 calendar days. Upon return to work, if it becomes evident the employee is unable to perform the key essential functions of the position (with or without reasonable accommodation), the school district may engage in an interactive process, consistent with the American with Disability Act (ADA) and/or Minnesota Human Rights Act (MHRA) and other applicable workplace policies, including workplace safety protocols, to determine appropriate next steps.

Subd. 12. Retaliation. The School District shall not interfere with or retaliate against the employee who requests or takes leave in accordance with MN Paid Leave law.

VII. EVALUATION

During the period of this agreement, the employee will be evaluated at least annually by the Principal.
