

President's Report

November 2025

Board Items

We have multiple items for the Board's consideration this month.

- Allocation of vote for appraisal district candidates (Uvalde, Real, & Zavala)
- Designating a Board member to confer degrees in December
- Our audit is near complete and will be presented at the December Board meeting.

Accreditation

Our On-Site accreditation review went well. They will report to full SACSCOC Board and they will vote on our accreditation at their June 2026 board meeting. No significant issues were raised, and they accepted our Quality Enhancement Plan (QEP) as presented.

Engagement

As part of our community engagement efforts, we presented at the Crystal City Coalition meeting on October 25th. Dean Armando Mondragon will have a brief presentation.

The college participated in various parades during the last 30-day including Homecoming, Veterans, Fiesta de Amistad and other events throughout our entire service area.

Last week, I had a great visit with Judge Martinez from La Salle County about possible workforce training opportunities in Cotulla. We will continue the conversation.

Legislative

TACC has appointed me to chair a select committee on Property Tax legislation study during the interim and in preparation for the next legislative session.
