

Dear School Board members,

Duluth East High School theater students performed in the Hennepin Trust Theater Spotlight Showcase.

*The Spotlight Showcase* is Minnesota high school theater's biggest celebration. Over 1,600 students participate in the awards and recognition event, presented by Hennepin Theatre Trust's *Spotlight Education* program.

22 cast members from Duluth East revived a number from their fall show, "Freaky Friday, the musical" and performed on stage at the historic State Theater in June.

Congratulations to all of these students and thank you for representing Duluth Public Schools.

Sincerely,  
Anthony Bonds  
Assistant Superintendent
