

# TRADITION STARTS HERE

## Mission Statement:

Maple Lake Public Schools believes in developing a passion for learning that promotes active citizens who will enhance our society by building relationships, facilitating rigorous academic experiences, and meeting the needs of each student while maintaining a welcoming environment.

## Core Values:

### We believe...

- all students can learn.
- a safe, equitable, and supportive environment is essential for all students.
- respectful relationships are important between staff, students, families, and community.
- in preparing students for the future by providing a challenging, engaging and meaningful learning experience.
- success is the shared responsibility of the staff, students, families, and community.
- every student deserves opportunities for success in and outside the classroom.
