ANNUAL STATE OF OUR SCHOOLS

2016- 2017

BUDGET HISTORY:

Total 2016-2017 budget: \$11,256,505

Total 2015-2016 budget: \$11,472,375

Total 2014-2015 budget: \$9,156,279

SHERIDAN SCHOOL BOARD GOALS

1. Annually, 90% of SSD students in Math and Reading will meet individual growth targets, as measured by the Oregon State Assessments (grades 3-11) and STAR assessment system (grades K-2).
2. Annually, all schools in SSD will improve their Achievement rating by 1 level as measured by the State of Oregon Report Card. Once a school has reached a level 4 rating the school will maintain that rating or higher.
3. Annually increase 4 year and 5 year Graduation Rate by 3 percent, as measured by the State of Oregon.

ACTIONS TO ACHIEVE OUR GOALS

1. Build an outstanding education system
2. Improve student achievement through continuous improvement and assessments
3. Provide an effective educational organization to support student achievement
4. Support a climate of collaboration to support and promote student achievement at all grade-levels

A Message from the Superintendent

We thank the Sheridan community for all of the support given to our schools. It is a privilege to work in such a caring community. We value your input and the energy you give to our students. We could not be successful without the many community members who give of their time to our students.

The staff of the Sheridan School District is dedicated to giving our students the best possible education. We make sure that we use every minute of instructional time wisely and we train staff to be up to date on the most current instructional strategies.

This year we are implementing a new math curriculum 'iReady iMath' and are seeing great results from this new program. We are seeing strong growth in our students in the areas of mathematics and reading.

We are implementing the 'No Bully' program in all grade levels. This program provides students and staff with the support and skills necessary to successfully deal with bullying behavior and reduce the amount of bullying behavior in our schools. This program will develop a partnership between parents, staff and students.

If you have any questions, please call me at 971-261-6959 or check out our website: www.sheridan.k12.or.us for the latest news about our schools.

Sincerely,
Steven Sugg

Assessment Test Results

Students in grades 3rd through 8th and 11th grade are tested in reading and math each year to determine progress toward state benchmarks. These tests measure the “things a student should know” by a grade level. The graphs below show the percentage of Sheridan School District students that have met state benchmarks over the last five years. It is important to note that state tests are a one-time snapshot used to assess how students are doing. State tests are used along with other assessment data to track student progress. 2014-2015 was the first year of the Smarter Balanced Assessment.
