

Coaches and Sponsors Handbook for 2023

Background:

Board policy 504.6, Student Activity Program, states,

“It is the responsibility of the superintendent to develop administrative regulations for each school activity. These regulations will include, but not be limited to, when physical examinations will be required, how and when parents will be informed about the risk of the activity, academic requirements, and proof of insurance on the student participating in certain activities. Students wanting to participate in school activities must meet the requirements set out by the school district for participation in the activity.”

Activities Director James Severson, on his own initiative, developed the Coaches and Sponsors Handbook recommended today for Board approval. It contains our administrative regulations as required by policy 504.6.

The handbook is available for review on the BoardBook website under the category of *EXTRAS*.

Recommended Action:

I recommend the board move to approve the Belmond-Klemme Coaches and Sponsors Handbook for 2023-2024.
