Educational Support Personnel Duties and Qualifications

All support staff: (1) must meet qualifications specified in job descriptions, (2) must be able to perform the essential tasks listed and/or assigned, and (3) are subject to School Board policies as they may be changed from time-to-time at the Board's sole discretion.

Paraprofessionals

Paraprofessionals provide supervised instructional support. Service as a paraprofessional requires an educator license with stipulations endorsed for a paraprofessional educator unless a specific exemption is authorized by the Illinois State Board of Education (ISBE).

Paraprofessionals and Teacher Aides

~~“Paraprofessionals” and “teacher aides” are noncertificated personnel with instructional duties; the terms are synonymous. Service as a paraprofessional or teacher aide requires a “statement of approval” issued by the Illinois State Board of Education (ISBE), unless the individual holds any certificate indicative of completion of at least a bachelor’s degree or a provisional vocational certificate, is completing an approved clinical experience, and/or is student teaching.~~

~~A paraprofessional or teacher aide in a targeted assistance program that is paid with federal funds under Title I, Part A, or in a school wide program that is supported with such funds, shall hold a “statement of approval,” issued by the ISBE, for this purpose.~~

Individuals with only non-instructional duties (e.g., providing technical support for computers, providing personal care services, or performing clerical duties) are not paraprofessionals or teacher aides and the requirements in this section do not apply. In addition, individuals who are completing their clinical experiences and/or student teaching do not need to comply with this section, provided they otherwise qualify for instructional duties under ISBE rules.

Noncertificated Personnel Working with Students Performing Non-Instructional Duties

Noncertificated personnel performing non-instructional duties may be used:

1. For supervising study halls, long distance teaching reception areas used incident to instructional programs transmitted by electronic media, e.g., computers, video, and audio, detention and discipline areas, and school-sponsored extracurricular activities;
2. As supervisors, chaperones, or sponsors for non-academic school activities; or
3. For non-teaching duties not requiring instructional judgment or student evaluation.

Nothing in this policy prevents a noncertificated person from serving as a guest lecturer or resource person under a certificated teacher's direction and with the administration's approval.

Coaches

Athletic coaches shall have the qualifications required by any association in which the School District maintains a membership. Regardless of whether the athletic activity is governed by an association, the Superintendent or designee shall ensure that each athletic coach: (1) is knowledgeable regarding coaching principles, (2) has first aid training, and (3) is a trained Automated External Defibrillator user according to rules adopted by the Illinois Department of Public Health.
