Mountain West Early Childhood Conference

Calling all early childhood professionals! Join us for the area's premiere early childhood conference. Network with more than 500 educators and service providers serving children ages 0-8 at the Mountain West Early Childhood Conference! This event is sponsored by the Region 8 Head Start Association, the Montana Head Start Association, and the Billings Chapter of the Montana Association for the Education of Young Children. The MWECC is open to all Head Start employees, private preschool and child care providers, primary elementary teachers, mental health providers, family service workers and more!
