Re: High School Principal Report May 2025

Greetings from HHS!

With the final month upon us there is a lot of excitement in the air. Please see our May newsletter for the main events coming up this month. We are looking forward to celebrating our seniors this month as well as the rest of the student body on all of their success this school year. There is much to celebrate!

This month our PBIS theme is GRIT as we finish the semester with our special theme. The District themes of being Respectful, Responsible, Safe, and having a positive attitude are all characteristics that we feel are important to the success of our students both now and as they transition into life beyond high school. With GRIT we talk to the students about having Goals, building positive Relationships, having Integrity, and leaving a Tradition they can be proud of. We hope all these characteristics help them not only in school but in life beyond.

As always, we are truly blessed to be here and to be a part of HHS!
