Advisory
Communications To and From the Board

The Advisory ~~Governing~~ Board welcomes communications from staff members, parents, students, and community members. Individuals may submit questions or communications for the Board's consideration to the Executive ~~Director~~ or may use the electronic link to the Board's email address(es) that is posted on the Cooperative's website. In accordance with the Open Meetings Act and the Oath of Office taken by Board members, individual Board members will not (a) reply to an email on behalf of the entire Board, or (b) engage in the discussion of Cooperative business with a majority of a Board-quorum.

The Executive ~~Director~~ or designee shall:

1. Ensure that the home page for the Cooperative's website contains an active electronic link to the email address(es) for the School Board, and
2. Provide the Board, such as in the Board meeting packet, with all emails that are received and any feedback regarding them.

If contacted individually, Board members will refer the person to the appropriate level of authority, except in unusual situations. Board members' questions or communications to staff or about programs will be channeled through the Director's office. Board members will not take individual action that might compromise the Board or Cooperative. There is no expectation of privacy for any communication sent to the Board or its members, whether sent by letter, email, or other means.

Board Member Use of Electronic Communications

For purposes of this section, *electronic communications* includes, without limitation, electronic mail, electronic chat, instant messaging, texting, and any form of social networking. Electronic communications among a majority or more of a Board-quorum shall not be used for the purpose of discussing Cooperative business. Electronic communications among Board members shall be limited to: (1) disseminating information, and (2) messages not involving deliberation, debate, or decision-making. The following list contains examples of permissible electronic communications:

- Agenda item suggestions
- Reminders regarding meeting times, dates, and places
- Board meeting agendas or information concerning agenda items
- Individual emails to community members, subject to the other limitations in this policy

LEGAL REF.: 5 ILCS 120/
50 ILCS 205/20.

CROSS REF.: 2:220 (School Board Meeting Procedure), 3:30 (Chain of Command), 8:110 (Public Suggestions and Concerns)

ADOPTED:

Compare to current Cooperative policy 2:140, or consider adding to your manual if it is not now included.

Comment [AKL1]: School Cooperatives that maintain an Internet website, other than a social media or social networking website, must post a mechanism, such as a uniform single email address, for members of the public to electronically communicate with elected officials." (50 ILCS 205/20, added by P.A. 98-930, eff. 1-1-2015). This must be done within 90 days of 1-1-2015. The sample policy's default language may be used even when the Cooperative provides each board member with an individual e-mail address. The language permits every board member to read all emails sent to the board or its members. This promotes good governance because all members are provided the same information and communications.

See the Update Memo for a full discussion of this topic.

OPTION: For Districts that do not maintain an Internet website, delete all text in the first paragraph after the word "Director" and delete the entire second paragraph, leaving:

The Governing Board welcomes communications from staff members, parents, students, and community members. Individuals may submit questions or communications for the Board's consideration to the Director.
