

PRESENTATION ITEM

Subject: Appraisal District Budget Presentation

Rationale: Mike McKibben from Hill County Appraisal District is recommending an increase in the Appraisal District's operating budget. The Appraisal District has outgrown its building and is soliciting additional funding to expand. As he will present, this increase by the entities will be each year over the next 10 years or so. This is not an agenda item for this meeting so you will have time to think about it before deciding action at the March Board Meeting.
