

DALLAS COLLEGE DUAL CREDIT TUITION AND FEE GUIDELINES

2025-2026 Academic Year

The following guidelines reflect current Dallas College (the “College”) policies and procedures in alignment with Texas Higher Education Coordinating Board (“THECB”) guidelines relating to dual credit tuition and fees.

Guidelines for Dual Credit Tuition

1. Dallas College partners with public and private schools to provide dual credit instructional opportunities to students. Dallas College is also a THECB Financial Aid for Swift Transfer (FAST) Program participant.
2. These partnerships support the Dallas College mission to transform lives and communities through higher education by providing students with early access to a quality postsecondary education. As such, Dallas College has, in accordance with College policies and procedures and THECB rules, adopted a tuition structure that aims to reduce the cost of student participation in the College Dual Credit Program.
3. The dual credit tuition structure is determined by a student’s high school location and type of high school, i.e., Homeschool, ISD, or Charter School. The payment terms for each program type are outlined in the chart below:
