Subject: Meal Price Increase

Dear Members of the Board,

Student Meal Price Increase:

A new recommendation from the NSLP has been provided for SY 25/26 of a weighted average of \$3.95. At present, our student lunch price is \$3.10 for elementary students and \$3.60 for secondary students. It is required by law that lunch prices are raised by a minimum of \$.10 each year.

There is no requirement to raise breakfast prices.

MDSD Recommendation:

- ❖ Raise both student lunch prices by the minimum requirement, making lunch prices \$3.70 and \$3.20, respectively.
- ❖ Raise the student breakfast price by \$.10 from \$1.75 to \$1.85.

Adult Meal Price Increase:

Per NSLP regulation, the required price for adult meals for SY 25/26 is \$5.10 for lunch and \$3.00 for breakfast.
