

Northwest Minnesota Arts Council (NMAC) Artist in Residence Program

Our school has been awarded another NMAC grant contract thanks to Mary Langaas successfully submitting the application again; the ratio is 75% NMAC match to our 25% share within the award limit. Example, if the award limit is \$3,000 = \$2,250 is granted from NMAC and our Badger expense investment would be \$750.

Each Tuesday when school is in session from January 9th to March 26th (twelve weeks) six out of the seven elementary grade levels (K, 1, 2, 3, 4, 5, 6) will have at least a 45 minute session with Artist in Residence Alyssa Aune.
