Summary/Background Information:

Local educational agencies (LEAs) are required to certify annually to the State Board of Education (SBOE) and the commissioner that students have access to instructional materials covering all Texas Essential Knowledge and Skills (TEKS) for all required subjects, except physical education, per Texas Education Code (TEC) 31.1011.

The 2025–26 Certification Survey includes a section that allows an LEA to certify that they meet the requirement to protect against access to obscene or harmful content in compliance with:

- (i) Children's Internet Protection Act (Pub. L. No. 106-554);
- (ii) Section 28.0022;
- (iii) Section 43.22, Penal Code; and
- (iv) any other law or regulation that protects students from obscene or harmful content.

Administrative Recommendations:

The 2026-27 Certification of Provision of Instructional Materials has been reviewed by all administrators and is ready to submit to the TEA.
