

Nova Classical Academy

Strategic Plan 2017- 2022

Strategic Vision

In five years, we will have developed, delivered and be recognized for...

- A classical education achievable for all students across all economic and cultural backgrounds
- A strong college preparatory classical education that educates all students as lifelong learners
- A rigorous educational experience to look back on with joy
- Retention and recruitment of staff and students
- A welcoming, respectful, strong community with meaningful traditions
- A facility that fits our needs and allow us space to thrive
- Financial strength and stability

Strategic Priorities

- Articulate and develop a comprehensive five-year facility needs plan
- Create a professional development plan that aligns with the classical curriculum and pedagogy
- Clearly and consistently align all decisions, programming and activities with Nova's mission
- A classical education that is accessible to all student ability levels
- Successfully engage students in stewardship and community in part by drawing upon the examples set by other top performing schools
- Promote and encourage a joyful learning community for all students, staff and families
- Develop a comprehensive staff retention plan
