Flowing Forward, Together

MESD Blueprint '28

Mission

Educating, Engaging, Inspiring, and Empowering through systems of support.

Vision

MESD is taking a systemic approach toward equity through creative, responsive, educational, health and technology services for all students regardless of race, ZIP code, ability, identity or country of origin.

Goals

Goal 1: Creating A High-Quality Learning Experience for All

Goal 2: Operationalizing Systems That Engage & Empower Communities

Goal 3: Building A Culturally Responsive Workforce

The Creeks Goals & Blue Print '28 Alignment

1. Strengthen Tier 1 Instruction

Deliver rigorous, relevant instruction across all content areas.

- Increase use of standards-based instruction and formative assessment, Align interventions with STAR and DIBELS, Coaching support from the School Improvement team, curriculum support from MESD curriculum team for both universal and intervention development

2. Continue to Improve the RTD Process

Ensure equitable, timely transitions back to component districts.

- Continue to develop RTD process with school and district leadership teams, Improve completion of RTD checklists and readiness indicators, Reduce barriers to collecting and accessing RTD data, work with MESD intake coordinator and district representatives to develop partnerships and deepen component district relationships

3. Expand Community-Based Instruction (CBI)

Increase real-world learning for students in a highly-restrictive environment.

- Expand vocational, life-skills, and personal finance-based instruction- Map CBI schedules and offerings to ensure equity and consistency for Arata Creek students
