## 2220 - ADOPTION OF COURSES OF STUDY

The Board of Education shall provide a comprehensive instructional program to serve the educational needs of the students of this District. In furtherance of this goal and pursuant to law, the Board shall periodically adopt courses of study, ~~through inclusion in the sequential curriculum plan described in Policy 2210 - Curriculum Development.~~ A course of study is part of the sequential curriculum plan that describes course objectives, sequence, content, and a method of evaluating student attainment of objectives. Each course of study shall specify the hours of instruction committed to it each week, semester, and school year.

The Board shall determine which units of the instructional program constitute courses of study and are thereby subject to the adoption procedures of the Board. No course of study shall be taught in the schools of this District unless it has been adopted by the Board.

The District Administrator shall recommend to the Board such courses of study as are deemed to be in the best interests of the students and are needed to comply with State law.

The District Administrator's recommendation shall include the following information about each course of study:

- A ☒ (X ) its applicability to students and an enumeration of those groups of students to be affected by it
- B ☒ (X ) the intended learning objective(s), defined in terms of how the learning is applied
- C ☒ (X ) its scope and sequence and a statement of the rationale used to determine the amount and type of instructional time needed to accomplish the objectives at each level
- D ☒ (X ) its justification in terms of the goals of this District, especially when it is proposed to take the place of an existing course of study
- E ☒ (X ) its instructional methods and learning strategies including the manner in which the learning of democratic principles and ethics is provided for, if appropriate to the content of the course
- F ☒ (X ) the plan for its continuous assessment which includes criteria and standards
- G ☒ (X ) its developmental and operational history as well as data on results, where available
