Modular building – Still pending the electrical panels should arrive last week in March. Working on installing parking lights.

The Witt building – Close to being finished.

The community college funding bill has been filed (HB 8). The first hearing on this bill will be on March 20<sup>th</sup>. I plan to be in attendance for the hearing.

Uvalde County Day at the Capitol will be on March 15<sup>th</sup>. I plan to attend and have attached our legislative priorities that the Uvalde delegation will advocate for on our behalf.

Chairman King is working to keep us whole should HB 1960 pass.
