All Staff and School Board Members	<p>No District record, as defined in the Illinois Local Records Act, shall be destroyed except as provided herein.</p> <p>“<i>Public record</i> means any book, paper, map, photograph, digitized electronic material, or other official documentary material, regardless of physical form or characteristics, made, produced, executed or received by any agency or officer pursuant to law or in connection with the transaction of public business and preserved or appropriate for preservation by such agency or officer, or any successor thereof, as evidence of the organization, function, policies, decisions, procedures, or other activities thereof, or because of the informational data contained therein.” 50 ILCS 205/3.</p> <p>Do not destroy any District record, no matter its form, if it is subject to a litigation hold. <u>F.R.C.P. 37(e)</u>.</p> <p>In federal lawsuits there is an automatic discovery of virtually all types of electronically created or stored data that might be relevant. Attorneys will generally notify their clients at the beginning of a legal proceeding to not destroy any electronic records that might be relevant. The receipt of a <i>litigation hold</i> or preservation letter from the Board’s attorney requires all potentially relevant electronic information to be identified, located, and preserved. This includes all e-mail, e-documents, the tapes and servers of discarded systems, and backup data stored elsewhere.</p>
Superintendent	<p>Assign the following activities to the Records Custodian and Head of Information Technology (IT):</p> <ol style="list-style-type: none"> 1. Develop and maintain a protocol for preserving and categorizing District records; 2. Develop and maintain a record retention and destruction schedule; and 3. Develop protocols to implement a litigation hold.

<p>Records Custodian and Head of IT</p>	<p>1. Develop and maintain a protocol for preserving and categorizing District records.</p> <p>Develop and maintain a list of all District records organized in categories and sub-categories, e.g., records relating to business, students, personnel, board meetings, etc. Align this list with the list <u>of</u> District records required by the Freedom of Information Act. 5 ILCS 140/5.</p> <p>Paper records may be easier to locate than electronic records. Electronic records will potentially exist in all of the available servers, tapes, hard drives, computers, and similar types of electronic devices (e.g., laptops, Blackberrys, cell phones, Palm Pilots, voicemail, etc.).</p> <p><u>Prepare a description of how District records stored by means of electronic data processing may be obtained in a form understandable to persons lacking computer knowledge. 5 ILCS 140/5.</u></p> <p><u>Such a description may include contact information for a person who can aid in obtaining records stored electronically.</u></p> <p>Provide for keeping only “records” and destroying non-records. Avoid filing non-record material with records. Determine what is a non-record, e.g., identical copies of documents maintained in the same file; extra copies of printed or processed materials (official copies of which are retained by the office); blank forms; and personal communications.</p> <p>The goal is to control excessive accumulation of material. Non-record material may be destroyed at any time. 50 ILCS 205/9.</p> <p>Absent a litigation hold, email must be retained only when it contains: (1) evidence of the District’s organization, function, policies, procedures, or activities, or (2) informational data appropriate for preservation. <u>50 ILCS 205/3.</u> Email that is conversational, personal, or contains brainstorming may generally be deleted.</p> <p>A consistent email retention policy for use across the District ensures that the necessary emails are being retained and emails that are not required to be preserved are purged on a regular basis.</p> <p><u>Determine whether each sub-category of documents should be reproduced by photography, microphotographic processes, or digitized electronic format.</u></p> <p><u>Any public record may be reproduced in a microfilm or digitized electronic format and the paper version destroyed, provided: (a) the records are reproduced on “a durable medium that accurately</u></p>

Organize electronic record and data storage.</p> <p>The goal is to ensure that all documents, including electronically created ones, are retained for the required timeframes and are easy to retrieve and produce if necessary.</p> <p>2. Develop and maintain a record retention schedule for submission to the Superintendent and eventually to the Local Records Commission.</p> <p>Prepare a list of public records that: (1) are not needed for current business, and (2) do not have sufficient administrative, legal, or fiscal value to warrant their further preservation. Stated differently, identify records that have no administrative, legal, or fiscal value, <u>as this is the criteria the Commission uses to determine whether or not to authorize the records’ destruction.</u></p> <p>Records that have no administrative, legal, or fiscal value may be destroyed according to provisions in the Local Records Act. 50 ILCS 205/4<u>et seq10</u>.</p> <p>Prepare a schedule for record destruction by identifying the length of time a record category or series warrants retention after it has been received or produced by the District.</p> <p>The ultimate goal is to obtain permission to destroy unnecessary public records. The Local Records Commission must approve the destruction of any public record. 50 ILCS 205/7, 44 Ill.Admin.Code Part 4000 (Local Records Commission for agencies comprising counties of less than 3,000,000 inhabitants); 44 Ill.Admin.Code Part 4500 (Local Records Commission of Cook County). The Board’s attorney should be consulted.</p> <p>The e-discovery rules provide a safe harbor for parties during a lawsuit that cannot provide information because it was destroyed as a result of routine practices. F.R.C.P. 37(e).</p> <p>— Determine whether each sub-category of documents should be reproduced by photography, microphotographic processes, or digitized electronic format.</p> <p>— If a record is reproduced in accordance with standards published by the Local Records Commission, the original may be destroyed. The reproduction’s destruction must be according to the approved record retention schedule.</p> <p>3. Develop protocols to implement a litigation hold.</p> <p>Understand what a <i>litigation hold</i> is.</p> <p>A litigation hold refers to the notification made by the Board’s attorney telling the District to preserve all information that may be relevant to current or anticipated litigation. While it may occur anytime in the legal process, it will usually occur during discovery, the pretrial phase of a lawsuit designed to compel the exchange of information between parties. A litigation hold triggers the need to immediately suspend destruction of electronic and other records relevant to the current or potential claim. F.R.C.P 37(e).</p> <p>Specify how to implement a litigation hold, i.e.:</p> <ul style="list-style-type: none"> • Who can trigger a litigation hold? • How is a litigation hold communicated? • Who should gather the records? • What records are subject to a litigation hold and who determines this? • In what format should records be gathered? • Where should records be gathered? <p>Identify how to implement a litigation hold for all IT systems, including backup tapes, to ensure they are not deleted or overwritten as part of the normal tape rotation process.</p> <p>Prepare a map of potentially relevant data and otherwise assist the Board’s attorneys in locating all potentially relevant information.</p>

Exhibit - Immediately Available District Public Records and Web-Posted Reports and Records ¹

[For use by only those Districts that have websites.]

The following public records are designated by the District's Freedom of Information Officer as being immediately available to the public. The records that are asterisked are posted on the District's website and may be immediately inspected, downloaded, printed, and/or copied. Any asterisked public record is also immediately available for inspection or copying upon request at the District's administrative office during its regular business hours, provided any applicable fees are paid. Records without an asterisk will be provided within 5 business days as allowed by the Freedom of Information Act, provided any applicable fees are paid.

<ul style="list-style-type: none"> *Annual schedule of regular meetings for the current school year that are posted at the beginning of each calendar or fiscal year *Public notice of each Board meeting that is posted at least 48 hours before the meeting and remains posted until the meeting is concluded *Agenda of each regular meeting that is posted at least 48 hours before a meeting and remains posted until the meeting is concluded 	5 ILCS 120/2.02.
<ul style="list-style-type: none"> *Official open meeting minutes that are posted within 10 days of the Board's approval and remain posted for at least 60 days 	5 ILCS 120/2.06(b), amended by P.A. 96-1473 (eff. 1-1-2011).

~~1. Several laws mandate school districts to post information on their websites. This exhibit lists the required items for web-posting. This exhibit has two purposes: (1) to identify the data and documents that must be posted on a district's website, if the district has a website, and (2) to fulfill the requirement in the Freedom of Information Act (FOIA) for the district's FOIA officer to designate the public records that are immediately available to the public (5 ILCS 140/3.5(a)). Many attorneys agree that using the required items for web-posting is an easy and practical way for the Freedom of Information FOIA Officer to develop a list of public records that the school board will make are immediately available as required by 5 ILCS 140/3.5(a), added by P.A. 96-542. Some attorneys disagree and prefer that the district also retain copies of its web-posted public records for immediate inspection and/or copying upon request at the administrative office. The second and third introductory sentences manage paragraph manages this issue by indicating that copies of certain identified public records will also be immediately available in the district's administrative office. This sample exhibit suggests identifying public records for immediate availability that are easily reproduced and stored, i.e., not voluminous. The Freedom of Information FOIA Officer should customize this list as appropriate to the district's circumstances.~~

~~Note, however, that simply referring a FOIA requester to a responsive document that is available on the district's website is not a sufficient response and that a copy must be provided on request (see reference in Public Access Counselor binding opinion 2010-001). Consult the board attorney for ideas to manage the district's specific FOIA compliance issues.~~

~~The "Intermediate Service Center" is given as an alternative to "Regional Superintendent" herein because 105 ILCS 5/2-3.62, abolished the Regional Office of Education for Suburban Cook County and transferred its powers and duties to Intermediate Service Centers.~~

General School Administration

Superintendent 1

Duties and Authority

The Superintendent is the District's executive officer and is responsible for the administration and management of the District schools in accordance with School Board policies and directives, and State and federal law. District management duties include, without limitation, preparing, submitting, publishing, and posting reports and notifications as required by State and federal law. ² The Superintendent is authorized to develop administrative procedures and take other action as needed to implement Board policy and otherwise fulfill his or her responsibilities. The Superintendent may delegate to other District staff members the exercise of any powers and the discharge of any duties imposed upon the Superintendent by Board policies or by Board vote. The delegation of power or duty, however, shall not relieve the Superintendent of responsibility for the action that was delegated. ³

The footnotes are not intended to be part of the adopted policy; they should be removed before the policy is adopted.

¹ State law controls this policy's content. Unless the district has only one school with less than 4 teachers, the board must employ a superintendent (105 ILCS 5/10-21.4). This statute assigns some specific duties to the superintendent including to: (1) make recommendations to the board concerning the budget, building plans, the locations of sites, the selection, retention, and dismissal of teachers and all other employees, the selection of textbooks, instructional material, and courses of study, (2) report to the board, ISBE, and chief administrative official any employee named in an abused child report, and (3) keep or cause to be kept the records and accounts as directed and required by the board, aid in making reports required by the board, and perform such other duties as the board may delegate to him/her. 105 ILCS 5/10-16.7 requires boards to direct, through policy, the superintendent, in his or her charge of the district's administration.

According to 105 ILCS 5/10-23.8, a superintendent may be employed under: (1) a one-year contract, in which case he or she gains and retains tenure rights, or (2) a multi-year performance-based contract, in which case he or she waives all tenure rights. A multi-year performance-based contract must contain specific student performance and academic improvement goals and indicators; see *Superintendent Performance Contracts*, available at www.iasb.com/law/perfcont.cfm.

With limited exceptions, any individual serving as a first-time superintendent in Illinois must participate in a mentoring program for 2 school years in accordance with the ISBE requirements (105 ILCS 5/2-3.53b). Under the superintendent mentoring program, a provider selected by ISBE will assign a mentor to a new superintendent based on similarity of grade level or type of district, learning needs, and geographical proximity. The mentor must not be required to evaluate the new superintendent on the basis of the mentoring relationship.

² Among the required reports/notices added in 2009 are:

1. ~~An itemized compensation report for every employee holding an administrative certificate and working in that capacity that must annually be presented to the board and published on the district's website, if any, on or before October 1 (105 ILCS 5/10-20.50, added by P.A. 96-542, recodified by P.A. 96-1000).~~
2. ~~A description of the district and its records that must be prominently displayed at the administrative office and posted on the district website (5 ILCS 140/4).~~
3. ~~A salary information report for the superintendent and all administrators and teachers that is annually given to ISBE on or before July 1 (105 ILCS 5/10-20.47, added by P.A. 96-266, recodified by P.A. 96-1000).~~
4. ~~A written notification to the State Superintendent and applicable regional superintendent that a certificate holder was dismissed or resigned as a result of an intentional act of abuse or neglect (105 ILCS 5/10-21.9(e-5)).~~

See 2:250-E2, *Immediately Available District Public Records and Web-Posted Reports and Records*, for an annotated list of documents and reports that must be posted on the district's website, if the district has a website. While not comprehensive, see the IASB's *Annual School Calendar* for ~~more~~ the required reports ~~that do not need web-posting, available at~~ www.iasb.com/law/cal10.cfm.

³ This paragraph strengthens the policy's connection to the IASB's *Foundational Principles of Effective Governance*. It allows the superintendent broad delegation authority even when a policy fails to specifically provide for delegation.

Qualifications

The Superintendent must be of good character and of unquestionable morals and integrity. The Superintendent shall have the experience and the skills necessary to work effectively with the Board, District employees, students, and the community. The Superintendent shall have a valid administrative certificate with the superintendent endorsement issued by the State [Certification Educator Preparation and Licensure](#) Board. ⁴

Evaluation

The Board will evaluate, at least annually, the Superintendent's performance and effectiveness, using standards and objectives developed by the Superintendent and Board that are consistent with the Board's policies and the Superintendent's contract. ⁵ A specific time should be designated for a formal evaluation session with all Board members present. The evaluation should include a discussion of professional strengths as well as performance areas needing improvement.

The Superintendent shall annually present evidence of professional growth through attendance at educational conferences, in-service training, or similar continuing education pursuits. ⁶

Compensation and Benefits

The Board and the Superintendent shall enter into an employment agreement that conforms to Board policy and State law. This contract shall govern the employment relationship between the Board and the Superintendent. The terms of the Superintendent's employment agreement, when in conflict with this policy, will control.

⁴ Residency requirements, if desired, should be included in a superintendent's employment contract. 105 ILCS 5/21-7.1(e)(4) governs administrative certificates and superintendent endorsements- [until June 30, 2013, 105 ILCS 5/21B-20 and 5/21B-25, added by P.A. 97-607, will govern professional educator licenses and superintendent endorsements.](#) See also 23 Ill.Admin.Code §§25.360, 29.100 and 29.130.

⁵ 105 ILCS 5/10-16.7 requires a board to evaluate the superintendent. While greater detail may be added to this paragraph (e.g., a timeline, self-evaluation provision, and discussion requirements), a board must be sure that this policy provision and the superintendent's contract are consistent.

⁶ The reporting requirements in this paragraph are optional, but school boards must "require evaluators to participate in an in-service training on the evaluation of certified personnel provided or approved by [ISBE] prior to undertaking any evaluation and at least once during each certificate renewal cycle," (105 ILCS 5/24A-3, amended by P.A. 96-861). This Public Act also requires, "[a]ny evaluator undertaking an evaluation after September 1, 2012 [to] first successfully complete a pre-qualification program provided or approved by [ISBE]." Administrators must satisfy the continuing professional development requirements of 105 ILCS 5/21-7.1, amended by P.A. [97-607 and scheduled for repeal on June 30, 2013](#), to renew their administrative certificates.

When presenting a contract or purchase for Board approval, the Superintendent or designee shall ensure that it complies with applicable State law, including but not limited to, those specified below:

1. Supplies, materials, or work involving an expenditure in excess of \$25,000 must comply with the State law bidding procedure, 105 ILCS 5/10-20.21, unless specifically exempted. 4
2. Construction, lease, or purchase of school buildings must comply with State law and Board policy 4:150, *Facility Management and Building Programs*.
3. Guaranteed energy savings must comply with 105 ILCS 5/19b-1 et seq.
4. Third party non-instructional services must comply with 105 ILCS 5/10-22.34c.
5. Goods and services that are intended to generate revenue and other remunerations for the District in excess of \$1,000, including without limitation vending machine contracts, sports

~~1 State ~~or federal~~ law controls this policy's content. ~~Many 105 ILCS 10-20.21 contains bidding plus other requirements. Other~~ laws ~~also~~ govern district contracts. For example, the Prevailing Wage Act requires, among other things, that a district specify in all contracts for public works that the prevailing wage rate must be paid (820 ILCS 130/). When a district awards work to a contractor without a public bid, contract, or project specification, the district must provide the contractor with written notice on the purchase order or a separate document indicating that not less than the prevailing rate of wages shall be paid to all laborers, workers, and mechanics performing work on the project (820 ILCS 130/4).~~

~~2 This end statement should be amended according to local board discretion.~~

~~3 An optional addition follows: "Notwithstanding the above, the Superintendent shall not commit to any single, non-customary purchase or expenditure, excluding personnel, of greater than \$_____ without prior Board approval." This optional provision's intent is to provide an internal control as well as to keep the board involved when the district is making a large purchase or expenditure, e.g., copiers, computers, textbooks, or something that might not happen every year. It is intended to cover purchases/expenditures regardless of whether they were previously budgeted.~~

~~4 See 4:60-AP1, *Purchases*. P.A. 95-990 raised the mandatory bidding threshold as provided herein; A board may set a lower amount by policy but should first seek the advice of its attorney because such action may expand a board's vulnerability to a bidding challenge. P.A. 96-392 added an exception to mandatory bidding for contracts providing for the transportation of students with special needs or disabilities. P.A. 96-841 added a process for electronic bid opening; however, bids for construction purposes are prohibited from being opened electronically. See 4:60-AP1, *Purchases*, for bidding exemptions and the requirements for electronic bid opening. The Superintendent or designee shall report this information to the Board by completing the necessary forms that must be attached to the District's annual budget. ⁵

Administrative Procedure - Purchases

The Board Attorney should be consulted, as needed, regarding the legal requirements presented by this administrative procedure as well as before a contract is presented to the Board. ¹

Requirements for Purchases and Contracts

- A. Each of the following requirements describes the type of purchase and/or contract to which it applies; requirements in Sections B and C may also apply to a specific purchase or contract.
1. All purchases of goods or services must be made through the use of contracts or purchase orders, except for those purchases made from petty cash funds or the Imprest Fund, or as otherwise specifically authorized by the Superintendent.
 2. Illinois Use Tax Act compliance (105 ILCS 5/10-20.21(b) and 35 ILCS 105):
 - a. Persons bidding for and awarded a contract, and all affiliates of the person, must collect and remit Illinois Use Tax on all sales of tangible personal property into the State of Illinois in accordance with the provision of the Illinois Use Tax Act.
 - b. All bids and contracts must include: (1) a certification that the bidder or contractor is not barred from bidding for or entering into a contract, and (2) an acknowledgment that the Board may declare the contract void if the certification is false.
 3. All entities seeking to enter into a contract with the District must provide written certification to the District that it will provide a drug free workplace by complying with the Illinois Drug Free Workplace Act, 30 ILCS 580. All contractors must comply with the notification mandates and other requirements in the Illinois Drug Free Workplace Act, 30 ILCS 580. "Contractor" is defined in the Drug Free Workplace Act as "a corporation, partnership, or other entity with 25 or more employees at the time of letting the contract, or a department, division, or unit thereof, directly responsible for the specific performance under a contract of \$5,000 or more."

 5. All contracts must include provisions required by State or federal law, as applicable. Topics commonly requiring a provision include equal opportunity employment, prevailing wage, minimum wage, and performance bond.
 6. The procurement of architectural, engineering, and land surveying services is governed by the Local Government Professional Services Selection Act, 50 ILCS 510/, implemented by 2:170-AP, *Administrative Procedure - Qualified Based Selection*.
 7. A list must be posted on the District's website, if any, of all contracts in excess of \$25,000 and ~~all contracts with an exclusive bargaining representative must be listed on the District's~~

1. Telephone quotations, verbal quotations, or catalog prices are used to purchase materials that are needed urgently, or small quantity orders.
 2. Written quotations are used to purchase materials or services when time requirements allow. Whenever possible, quotations should be received from at least 2 competitors. The Superintendent or designee may negotiate with vendors at any time, including after receiving quotations.
- C. The following govern all purchases and/or the award of contracts involving an expenditure in excess of \$25,000 for supplies, materials, or work, and/or contracts with private carriers for transporting students. ~~105 ILCS 5/10-20.21(a). ,amended by P.A. 96-392~~

 - a. Services of individuals possessing a high degree of professional skill where the ability or fitness of the individual plays an important part;
 - b. Printing of finance committee reports and departmental reports;
 - c. Printing or engraving of bonds, tax warrants, and other evidences of indebtedness;
 - d. Purchase of perishable foods and perishable beverages;
 - e. Materials and work that have been awarded to the lowest responsible bidder after due advertisement, but due to unforeseen revisions, not the fault of the contractor for materials and work, must be revised causing expenditures not in excess of 10% of the contract price;
 - f. Maintenance or servicing of, or provision of repair parts for, equipment which are made with the manufacturer or authorized service agent of that equipment where the provision of parts, maintenance, or servicing can best be performed by the manufacturer or authorized service agent;
 - g. Use, purchase, delivery, movement, or installation of data processing equipment, software, or services and telecommunications and interconnect equipment, software, and services;
 - h. Duplicating machines and supplies;
 - i. Natural gas when the cost is less than that offered by a public utility;
 - j. Equipment previously owned by some entity other than the District itself;

The footnotes should be removed before the material is used.

2 P.A. 97-256 repealed 105 ILCS 5/10-20.50 which required collective bargaining agreements to be web-posted.

3 The safeguards in section B of this procedure are not governed by State law except for the provisions on transportation contracts (105 ILCS 5/29-6.1) and the requirement that three-quarters of the board approve an emergency expenditure in excess of \$25,000 when the bidding process is not used (105 ILCS 5/10-20.21).

- k. Repair, maintenance, remodeling, renovation, or construction, or a single project involving an expenditure not to exceed \$50,000 and not involving a change or increase in the size, type, or extent of an existing facility;
 - l. Goods or services procured from another governmental agency;
 - m. Goods or services that are economically procurable from only one source, such as for the purchase of magazines, books, periodicals, pamphlets and reports, and for utility services such as water, light, heat, telephone, or telegraph; ⁴
 - n. Emergency expenditures when such an emergency expenditure is approved by three-quarters of the members of the Board;
 - o. Goods procured through an education master contract, as defined in the Education Purchasing Program, Article 28A of the School Code; and
 - p. Providing for the transportation of students with special needs or disabilities, which contracts must be advertised in the same manner as competitive bids and awarded by first considering the bidder(s) most able to provide safety and comfort for the students with special needs or disabilities, stability of service, and any other factors set forth in the request for proposal regarding quality of service, and then price.
2. Competitive bidding process: ⁵
- a. An invitation for bids is advertised, where possible, by public notice at least 10 days before the bid date in a newspaper published in the District, or if no newspaper is published in the District, in a newspaper of general circulation in the area of the District. 105 ILCS 5/10-20.21(a).
 - b. The following information should be included in the advertisement for bids:
 - 1) A description of the materials, supplies, or work involved;
 - 2) Completion or delivery date requirements;
 - 3) Requirements for bids, bonds, and/or deposits;
 - 4) Requirements for performance, labor, and material payment bonds;
 - 5) Date, time, and place of the bid opening;
 - 6) The approximate time period between the opening of bids and the award of the contract; and
 - 7) Any other useful information.
 - c. If specifications are available, the advertisement for bids describes where they may be obtained and/or inspected.
 - d. All bids must be sealed by the bidder. 105 ILCS 5/10-20.21(a).
 - e. A Board member or District employee opens the bids at a public bid opening at which time the contents are announced. 105 ILCS 5/10-20.21(a). With the exception of bids for construction purposes, bids may be communicated, accepted, and opened electronically.

The footnotes should be removed before the material is used.

⁴ See *Tarsitano v. Tsp. H.S. Dist. No. 211*, 896 N.E.2d 359 (Ill.App.1.,2008)(holding that school districts may enter into contracts for utility services, such as “water, light, heat, telephone or telegraph,” without using the competitive bidding process).

⁵ 105 ILCS 5/10-20.21(a). The Ill. Criminal Code, 720 ILCS 5/33E-1 *et seq.*, prohibits certain conduct that promotes deception and collusion arising during the bidding process, e.g., interference with public contracting, bid-rigging, and acquisition or disclosure of bidding information by public official.

The following safeguards apply to an electronic bid opening (105 ILCS 5/10-20.21, amended by P.A. 96-841):

- 1) On the date and time of a bid opening, the primary person conducting the electronic bid process shall log onto a specified database using a unique username and password previously assigned to the bidder to allow access to the bidder's specific bid project number.
 - 2) The specified electronic database must be on a network that: (i) is in a secure environment behind a firewall; (ii) has specific encryption tools; (iii) maintains specific intrusion detection systems; (iv) has redundant systems architecture with data storage back-up, whether by compact disc or tape; and (v) maintains a disaster recovery plan.
- f. Each bidder is given at least 3 days' notice of the time and place of the bid opening. 105 ILCS 5/10-20.21(a).
3. Following the opening of bids, the Superintendent (and Board Attorney, if needed) determines the lowest responsible bidder and verifies the bidders' qualifications. Contracts are awarded at a properly called open meeting of the Board. If the Superintendent recommends a bidder other than the lowest bidder, the Superintendent must provide the Board with the factual basis for the recommendation in writing. The Board, if it accepts a bid from a bidder other than the lowest, records the factual basis for its decision in its minutes. A contract arises only when the Board votes to accept a bid, although written notice of the award will later be given to the successful bidder.
 4. Notwithstanding the foregoing, the District is relieved from bidding when making joint purchases with other public entities in compliance with the Governmental Joint Purchasing Act (30 ILCS 525/0.01).

Operational Services

Food Services ¹

Good nutrition shall be promoted in the District's meal programs and in other food and beverages that are sold to students during the school day. The Superintendent shall manage a food service program that complies with this policy and is in alignment with School Board policy 6:50, *School Wellness*. Food or beverage items sold to students as part of a reimbursable meal under the School Breakfast Program or the National School Lunch Program must consist of nutritious, well-balanced, and age-appropriate meals that reflect food and nutrition requirements specified by the U.S. Dept. of Agriculture. The type and amounts of food and beverages sold to students before school and during the regular school day in any school that participates in the School Breakfast Program or the National School Lunch Program shall comply with any applicable mandates in the Illinois State Board of Education's School Food Service rule and the federal rules implementing the National School Lunch Act and Child Nutrition Act. ²

The food service program shall restrict the sale of foods of minimal nutritional value as defined by the U.S. Department of Agriculture in the food service areas during meal periods. All revenue from the sale of any food or beverages sold in competition with the School Breakfast Program or National School Lunch Program to students in food service areas during the meal period shall accrue to the nonprofit school lunch program account. ³

The footnotes are not intended to be part of the adopted policy; they should be removed before the policy is adopted.

¹ State or federal law controls this policy's content. The requirements contained in this policy are mandatory only for those districts that participate in programs under the National School Lunch Act and Child Nutrition Act.

ISBE's so called "junk food" rule limits the type and amounts of food and beverages that may be sold to students in grades 8 or below before school and during the regular school day in any school that participates in the School Breakfast Program or the National School Lunch Program (23 Ill.Admin.Code §305.15(a).

This policy's first sentence provides an opportunity for a school board to consider goals for the food service program and, if appropriate, amend the sentence. For example, a board may want to address the role of parents, alignment with curriculum, or the purpose of vending machines.

² This sentence may be omitted by a high school district because the State rule, 23 Ill.Admin.Code. §305.15(a), only restricts foods and beverages sold to students before school and during the regular school day in grades 8 or below.

³ This paragraph concerns the requirements for food and beverages sold in competition to the school's food service. The federal rule, 7 C.F.R. §210.11, requires school districts to:

[E]stablish such rules or regulations as are necessary to control the sale of foods in competition with lunches served under the program. Such rules or regulations shall prohibit the sale of foods of minimal nutritional value, as listed in appendix B of this part, in the food service areas during the lunch periods.

The State rule, 23 Ill.Admin.Code §305.15(e), requires that the revenue from all food sold in competition with the School Breakfast Program or National School Lunch Program to students in food service areas during the meal period accrue to the nonprofit school lunch program account.

1 This procedure is needed only by a school district that owns and controls a movable soccer goal. The Movable Soccer Goal Safety Act, 420 ILCS 145/. Added by P.A. 97-234, requires organizations that own and control a movable soccer goal to create a soccer goal safety and education policy that outlines how the organization will specifically address the safety issues associated with movable soccer goals. See f/n 10 of policy 4:170, *Safety*.

Educational Support Personnel

Duties and Qualifications 1

All support staff: (1) must meet qualifications specified in job descriptions, (2) must be able to perform the essential tasks listed and/or assigned, and (3) are subject to School Board policies as they may be changed from time to time at the Board's sole discretion.

Paraprofessionals and Teacher Aides 2

"Paraprofessionals" and "teacher aides" are noncertificated personnel with supervised instructional duties; the terms are synonymous. Service as a paraprofessional or teacher aide requires a "statement of approval" issued by the Illinois State Board of Education (ISBE), unless the individual holds certification any certificate indicative of completion of at least a bachelor's degree, or a professional provisional vocational certificate, is completing an approved clinical experience, and/or is student teaching.

A paraprofessional or teacher aide in a targeted assistance program that is paid with federal funds under Title I, Part A, or in a school-wide program that is supported with such funds, shall hold a "statement of approval," issued by the ISBE, for this purpose. 3

Individuals with only non-instructional duties (e.g., providing technical support for computers, providing personal care services, or performing clerical duties) are not paraprofessionals or teacher aides and the requirements in this section do not apply. In addition, individuals who are completing their clinical experiences and/or student teaching do not need to comply with this section, provided they otherwise qualify for instructional duties under ISBE rules. 4

Noncertificated Personnel Working with Students and Performing Non-Instructional Duties

Noncertificated personnel performing non-instructional duties may be used:

1. For supervising study halls, long distance teaching reception areas used incident to instructional programs transmitted by electronic media (e.g., computers, video, and audio) detention and discipline areas, and school-sponsored extracurricular activities; 5
2. As supervisors, chaperones, or sponsors for non-academic school activities; or 6
3. For non-teaching duties not requiring instructional judgment or student evaluation.7

The footnotes are not intended to be part of the adopted policy; they should be removed before the policy is adopted.

¹ State or federal law controls this policy's content. This policy contains an item on which collective bargaining may be required. Any policy that impacts upon wages, hours, and terms and conditions of employment, is subject to collective bargaining upon request by the employee representative, even if the policy involves an inherent managerial right.

After the 2013-2014 school year, districts and special education joint agreements will no longer be able to seek approval from ISBE to use speech language paraprofessionals to provide speech-language services when they are unable to hire certified speech-language pathologists. Educators currently serving as speech language paraprofessionals who wish to continue providing speech-language services after the 2013-2014 school year will need to obtain certification as a certified speech-language pathologist (23 Ill.Admin.Code §§25.45 and 25.252), speech-language pathologist intern (23 Ill.Admin.Code §25.255), or speech-language pathology assistant (105 ILCS 5/14-6.03). Coaches and Athletic Trainers

Athletic coaches and trainers shall have the qualifications required by any association in which the School District maintains a membership. ~~The coach for an extracurricular athletic activity sponsored or sanctioned by the Illinois High School Association (IHSA) at or above the ninth grade level must have completed the IHSA's educational program and competency testing on preventing abuse of performance-enhancing substances.~~ **9** Regardless of whether the athletic activity is governed by an association, the Superintendent or designee shall ensure that each athletic coach: (1) is knowledgeable regarding coaching principles, (2) has first aid training, and (3) is a trained Automated External Defibrillator user according to rules adopted by the Illinois Department of Public Health. **10** Anyone performing athletic training services shall be licensed under the Illinois Athletic Trainers Practice Act, be an athletic trainer aide performing care activities under the on-site supervision of a licensed athletic trainer, or otherwise be qualified to perform athletic trainer activities under State law. **11**

Bus Drivers

All school bus drivers must have a valid school bus driver permit. **12** The Superintendent or designee shall inform the Illinois Secretary of State, within 30 days of being informed by a school bus driver,

8 105 ILCS 5/10-22.34b, last paragraph; ~~23 Ill.Admin.Code §1.630(d)~~. Noncertificated personnel may be used to provide specialized instruction in a field that an individual is particularly qualified by reason of specialized knowledge or skill (23 Ill.Admin.Code §1.630(g)). Districts that frequently use noncertificated individuals to provide such instruction may consider adding the following optional sentence:

When appropriate, the Superintendent may seek approval from the responsible Regional Superintendent for a noncertificated individual to provide specialized instruction, that is not otherwise readily available in the school environment, in the field that the individual is particularly qualified by reason of specialized knowledge or skill.

9 ~~Required by 105 ILCS 25/2, added by P.A. 96-132, reeodified by P.A. 96-1000.~~ A district should consult the handbooks and by-laws of the appropriate associations, e.g., the Illinois High School Association, the Southern Illinois Junior High School Athletic Association, and the Illinois Elementary School Association.

An optional sentence follows:

The coach for an extracurricular athletic activity sponsored or sanctioned by the Illinois High School Association (IHSA) at or above the ninth grade level must have completed the IHSA's educational program and competency testing on preventing abuse of performance-enhancing substances.

Until July 1, 2011, 105 ILCS 25/2(c) required this training for coaches. As of the publication date for this material, IHSA did not include this requirement in its by-laws *Qualification for Coaches*, sub-sections 2.071-2.079 or its annual *Administrative Procedures, Guidelines and Policies* document. Both are available at: www.ihsa.org/AbouttheIHSA/ConstitutionBylawsPolicies.aspx.

10 Optional and may be amended. The first requirement identifies a basic competency and the second two requirements are intended to ensure coaches are trained emergency responders. For AED training program requirements, see Automated External Defibrillator Act (410 ILCS 4/15) and Automated External Defibrillator Code (77 Ill.Admin.Code Part 525).

11 225 ILCS 5/3 and 5/4.

12 The regional superintendent is authorized to conduct school bus driver instruction courses and investigate whether persons hired to operate school buses have valid school bus driver permits (105 ILCS 5/3-14.23).

School bus driver permits are issued by the Secretary of State (625 ILCS 5/6-106.1). Districts must conduct a pre-employment interview with bus driver candidates, distribute bus driver applications and medical forms, and submit the applicant's fingerprint cards to the State Police for criminal background investigations. Districts must also certify in writing to the Secretary of State that all pre-employment conditions were completed, including an Illinois-specific criminal background investigation through the State Police and the submission of necessary fingerprints to the Federal Bureau of Investigation for criminal history information (Id.). The applicant presents this certification to the Secretary of State when submitting the school bus driver permit application (Id.).

A school bus driver operating a school bus at the time of an accident is deemed by the implied consent law to agree to submit to tests at the direction of a law enforcement officer of the driver's breath, blood, or urine to determine the presence of alcohol, or other drugs, in the person's system (625 ILCS 5/6-516).

that the bus driver permit holder has been called to active duty. **13** New bus drivers and bus drivers who are returning from a lapse in their employment are subject to the requirements contained in Board policy 5:30, *Hiring Process and Criteria* and Board policy 5:285, *Drug and Alcohol Testing for School Bus and Commercial Vehicle Drivers*.

Anyone driving a bus chartered to transport students to or from interscholastic athletic or interscholastic or school sponsored activities must have a valid school bus driver permit; this does not apply to any driver employed by a public transportation provider when the bus is on a regularly scheduled route for transporting other fare paying passengers (625 ILCS 5/6-104(d-5)).

Upon notification, the Secretary of State will characterize the permit as inactive until a permit holder renews the permit pursuant to 625 ILCS 5/6-106.1(b).

Exhibit - Notice to Parents/Guardians Regarding Section 504 Rights

On District letterhead

Date:

Dear Parent/Guardian:

Re: Section 504 Rights

The Rehabilitation Act of 1973, commonly referred to as "*Section 504*", is a nondiscrimination statute enacted by the U.S. Congress. The Act's purpose is to ~~prohibit discrimination: (1) protect the rights of individuals with disabilities in programs and to activities that receive federal financial assistance from the U.S. Dept. of Education (ED), and (2)~~ assure that disabled students have educational opportunities and benefits equal to those provided to non-disabled students.

An eligible student under Section 504 is a student who: has a record of having, or is regarded as having, a *physical or mental impairment* which substantially limits a *major life activity* ~~such as learning, self-care, walking, seeing, hearing, speaking, breathing, working, and performing manual tasks. Many students will be eligible for educational service under both Section 504 and the Individuals with Disabilities Education Act (IDEA). Students who are eligible under IDEA have many specific rights that are not available to students who are eligible solely under Section 504 as defined by 34 C.F.R. §104.3.~~

This notice describes the rights assured by Section 504 to those disabled students who do not qualify under IDEA. The intent of this notice is to keep you fully informed concerning decisions about your student and to inform you of your rights if you disagree with any decisions in reference to Section 504.

Please keep this explanation for future reference.

Parents/Guardians and/or students have the right to:

1. Be informed by the School District of your rights and procedural safeguards under Section 504 in an understandable language. 34 C.F.R. Parts 104 and 300. The purpose of this notice is to advise parents/guardians and/or students of these rights. 23 Ill.Admin.Code §§226.500, 510 and 610.
2. An appropriate education designed to meet a student's individual educational needs as adequately as the needs of non-disabled students are met. 34 C.F.R. §104.33.
3. Free educational services except for those fees that are imposed on non-disabled students or their parents/guardians. Insurers and similar third parties are not relieved from an otherwise valid obligation to provide or pay for services provided to a disabled student. 34 C.F.R. §§104.33 and 300.14; 23 Ill. Admin Code §22.240.
4. A placement in the least restrictive environment. 34 C.F.R. §104.34.
5. Facilities, services, and activities that are comparable to those provided for non-disabled students. 34 C.F.R. §104.34.
6. An evaluation prior to an initial Section 504 placement and any subsequent significant change in placement. 34 C.F.R. §104.34.

7. Testing and other evaluation procedures conforming to the requirements of 34 C.F.R. §104.35 as to validation, administration, areas of evaluation, etc. The District shall consider information from a variety of sources, including aptitude and achievement tests, teacher recommendations, physical conditions, social and cultural background, adaptive behavior, physical or medical reports, student grades, progress reports, parent/guardian observations, anecdotal reports and standardized test scores. 34 C.F.R. §104.35; 23 Ill. Admin. Code §226.110.
8. Placement decisions made by a group of persons, i.e., a Section 504 committee, including the parent(s)/guardian(s) persons knowledgeable about the student, the meaning of the evaluation data, the placement options and the legal requirements for the least restrictive environment and comparable facilities. 34 C.F.R. §§ 104.34 and 104.35.
9. Periodic reevaluations. 34 C.F.R. §104.35.
10. A notice prior to any action by the District in regard to the identification, evaluation, or placement of the student. 34 C.F.R. §104.36.
11. Examine relevant records. 34 C.F.R. §104.36.
12. An impartial due process hearing regarding the student's identification, evaluation or educational placement including an opportunity for parental participation in the hearing and representation by an attorney. 34 C.F.R. §104.36.
13. You must file a written *Parental Request for an Impartial Due Process Hearing* with the District Section 504 compliance coordinator or designee, if you disagree with the decision of the Section 504 committee. The request must be submitted to the District Section 504 compliance coordinator within 10 calendar days from the time you received the written notice of the District's Section 504 committee decision. A copy of a The Parental Request for an Impartial Due Process Hearing Officer, is designed to assist parents in requesting an impartial due process hearing and is available online at:
14. www.isbe.state.il.us/spec-ed/pdfs/dp_parental_19-86a.pdf.
15. The hearing will be scheduled before an impartial hearing officer and you will be notified in writing of the date, time, and place for the hearing. The hearing will conform to the requirements of 34 C.F.R. §300.512 and Section 14-8.02a of the School Code (105 ILCS 5/14-8.02a.). 34 C.F.R. §104.36; 23 Ill.Admin.Code §226.625. The impartial hearing officer shall issue a written decision, including findings of fact and conclusions of law, within 10 days after the conclusion of the hearing and send by certified mail a copy of the decision to the parents/guardians or student (if the student requests the hearing), the School District, the Director of Special Education, legal representatives of the parties, and the State Board of Education. 105 ILCS 5/14-8.02a(h).
16. A review by a court of competent jurisdiction of the impartial hearing officer's decision. 34 C.F.R. §104.36. Any appeal must be filed in a court of competent jurisdiction within 120 days after the impartial due process hearing officer's decision is mailed to the party. 105 ILCS 5/14-8.02a(i).
17. File a complaint with the District's Section 504 coordinator or designee concerning Section 504 matters other than your student's identification, evaluation and/or placement. The Section 504 coordinator or designee will investigate the allegations to the extent warranted by the nature of the complaint in an effort to reach a prompt and equitable resolution.

Instruction

Access to Electronic Networks ¹

Electronic networks, including the Internet, are a part of the District's instructional program and serve to promote educational excellence by facilitating resource sharing, innovation, and communication. ² The Superintendent shall develop an implementation plan for this policy and appoint system administrator(s). ³

The School District is not responsible for any information that may be lost or damaged, or become unavailable when using the network, or for any information that is retrieved or transmitted via the Internet. ⁴ Furthermore, the District will not be responsible for any unauthorized charges or fees resulting from access to the Internet.

Curriculum and Appropriate Online Behavior

The use of the District's electronic networks shall: (1) be consistent with the curriculum adopted by the District as well as the varied instructional needs, learning styles, abilities, and developmental levels of the students, and (2) comply with the selection criteria for instructional materials and library resource center materials. As required by federal law and Board policy 6:60, Curriculum Content, students will be educated about appropriate online behavior, including but not limited to: (1) interacting with other individuals on social networking websites and in chat rooms, and (2) cyber-bullying awareness and response. ⁵ Staff members may, consistent with the Superintendent's implementation plan, use the Internet throughout the curriculum.

The District's electronic network is part of the curriculum and is not a public forum for general use. ⁶

The footnotes are not intended to be part of the adopted policy; they should be removed before the policy is adopted.

¹ State or federal law requires this subject matter be covered by policy. State or federal law controls this policy's content. This policy contains an item on which collective bargaining may be required. Any policy that impacts upon wages, hours, and terms and conditions of employment, is subject to collective bargaining upon request by the employee representative, even if the policy involves an inherent managerial right. This policy concerns an area in which the law is unsettled.

A policy on Internet safety is necessary to receive E-rate funds under the Elementary and Secondary Education Act, Enhancing Education Through Technology (20 U.S.C. §6751 et seq.) and to qualify for universal service benefits under the Children's Internet Protection Act (47 U.S.C. §254(h) and (l)).

² This goal is repeated in exhibit 6:235-E2, *Authorization for Electronic Network Access*.

³ Topics for the implementation plan include integration of the Internet in the curriculum, staff training, and safety issues. The implementation plan can also include technical information regarding service providers, establishing Internet accounts, distributing passwords, software filters, menu creation, managing resources and storage capacity, and the number of dial-up lines or access points for users to connect to their accounts. Another topic is investigation of inappropriate use.

⁴ No system can guarantee to operate perfectly or to prevent access to inappropriate material; this policy statement attempts to absolve the district of any liability.

⁵ Required by 47 U.S.C. §254(h)(5)(B)(iii) and 47 C.F.R. §54.520(c)(i) only for districts that receive E-rate discounts for Internet access or plan to become participants in the E-rate discount program. Beginning July 1, 2012, all boards receiving an E-rate funding for Internet access must certify that they have updated their Internet safety policies. See, FCC Report and Order 11-125 (August 11, 2011). This sentence is optional if the district only receives discounts for telecommunications, such as telephone service, unless the district plans to participate in the E-rate discount program.

⁶ School authorities may reasonably regulate student expression in school-sponsored publications for education-related reasons. Hazelwood School District v. Kuhlmeier, 108 S.Ct. 562 (1988). This policy allows such control by clearly stating that school-sponsored network information resources are not a "public forum" open for general student use but are, instead, part of the curriculum.

Acceptable Use 7

All use of the District's electronic networks must be: (1) in support of education and/or research, and be in furtherance of the goals stated herein, or (2) for a legitimate school business purpose. Use is a privilege, not a right. ⁸ Students and staff members have no expectation of privacy in any material that is stored, transmitted, or received via the District's electronic networks or District computers. General rules for behavior and communications apply when using electronic networks. The District's *Authorization for Electronic Network Access* contains the appropriate uses, ethics, and protocol. ⁹ Electronic communications and downloaded material, including files deleted from a user's account but not erased, may be monitored or read by school officials. ¹⁰

Internet Safety 11

Technology protection measures shall be used on each District computer with Internet access. They shall have include a filtering device that blocks entry protects against Internet access by both adults and minors to visual depictions that are: (1) obscene, (2) pornographic, or (3) harmful or inappropriate for students, as defined by federal law and as determined by the Superintendent or designee. ¹² The Superintendent or designee shall enforce the use of such filtering devices. An

The footnotes are not intended to be part of the adopted policy; they should be removed before the policy is adopted.

⁷ This paragraph provides general guidelines for acceptable use regardless of whether Internet use is supervised. The specific rules are provided in exhibit 6:235-E2, *Authorization for Electronic Network Access* (see also footnote 11). This paragraph's application to faculty may have collective bargaining implications.

⁸ The "privilege, not a right" dichotomy is borrowed from cases holding that a student's removal from a team does not require due process because such participation is a privilege rather than a right. The deprivation of a privilege typically does not trigger the Constitution's due process provision. *Clements v. Board of Education of Decatur Public School District No. 61*, 478 N.E.2d 1209 (Ill.App.4, 1985). Nevertheless, before access privileges are revoked, the user should be allowed to give an explanation.

⁹ If students are allowed only supervised access and are not required to sign the *Authorization for Electronic Network Access*, the provisions from the *Authorization* should be used as administrative procedures for covering student Internet use. See *Acceptable Use of Electronic Networks*, 6:235-AP. This is an optional sentence:

The Superintendent shall establish administrative procedures containing the appropriate uses, ethics, and protocol for Internet use.

The Harassing and Obscene Communications Act criminalizes harassing and obscene electronic communication (720 ILCS 135/0.01).

¹⁰ The Fourth Amendment protects individuals from searches only when the person has a legitimate expectation of privacy. This provision attempts to avoid Fourth Amendment protection for communications and downloaded material by forewarning users that their material may be read or searched, thus negating any expectation of privacy.

Email and computer files are "public records" as defined in the Ill. Freedom of Information Act if they are, as in this policy, "under control" of the school board (5 ILCS 140/2). They may be exempt from disclosure, however, when they contain information that, if disclosed, "would constitute a clearly unwarranted invasion of personal privacy," (5 ILCS 140/7). Alternatively, a school board may believe that making email semi-private enhances its educational value. The following grants limited privacy to email communications and can be substituted for the sample policy's sentence preceding this footnote:

School officials will not intentionally inspect the contents of email without the consent of the sender or an intended recipient, unless as required to investigate complaints regarding email that are alleged to contain material in violation of this policy or the *Authorization for Electronic Network Access*.

¹¹ *Supra* f/n #1.

¹² This sample policy language is broader than the requirements in federal law (20 U.S.C. §6777, 47 U.S.C. §254), ~~in that the policy, and 47 C.F.R. §54.520(c)(i). It~~ does not distinguish between minors (children younger than 17) and non-minors. The terms, minor, obscene, child pornography, and harmful to minors have not changed, but are now explicitly referred to in the regulations at 47 C.F.R. §54.520(a). Federal law defines "harmful to minors" as:

administrator, supervisor, or other authorized person may disable the filtering device for bona fide research or other lawful purpose, provided the person receives prior permission from the Superintendent or system administrator. **13** The Superintendent or designee shall include measures in this policy's implementation plan to address the following: **14**

1. Ensure staff supervision of student access to online electronic networks, **15**
2. Restrict student access to inappropriate matter as well as restricting access to harmful materials,
3. Ensure student and staff privacy, safety, and security when using electronic communications,
4. Restrict unauthorized access, including "hacking" and other unlawful activities, and
5. Restrict unauthorized disclosure, use, and dissemination of personal identification information, such as, names and addresses.

Authorization for Electronic Network Access 16

Each staff member must sign the District's *Authorization for Electronic Network Access* as a condition for using the District's electronic network. Each student and his or her parent(s)/guardian(s) must sign the *Authorization* before being granted unsupervised use. **17**

...any picture, image, graphic image file, or other visual depiction that—(i) taken as a whole and with respect to minors, appeals to a prurient interest in nudity, sex, or excretion; (ii) depicts, describes, or represents, in a patently offensive way with respect to what is suitable for minors, an actual or simulated sexual act or sexual contact, actual or simulated normal or perverted sexual acts, or a lewd exhibition of the genitals; and (iii) taken as a whole, lacks serious literary, artistic, political, or scientific value as to minors.

The Federal Communications Commission specifically declined to find that access to Facebook or MySpace are per se harmful to minors. School officials have discretion about whether or not to block access to these and similar sites. See supra f/n #3.

13 Permitted by 20 U.S.C. §6777(c). The policy's provision for prior approval is not in the law and may be omitted. The entire sentence may be eliminated if a board does not want the filtering device to be disabled.

14 In order to qualify for universal service benefits under the federal Children's Internet Protection Act (CIPA), the district's Internet safety policy must address the items listed in the sample policy (47 U.S.C. §254(l)). The sample policy accomplishes this task by requiring these items be addressed in the policy's implementation plan or administrative procedure.

Note that federal law requires the school board to hold at least one hearing or meeting to address the Internet safety policy initial adoption of the Internet safety policy. Later revisions of the existing policy need not follow the public notice rule of CIPA, though a board will still need to follow its policy regarding revisions and the mandates of the Ill. Freedom of Information Act.

CIPA also requires this policy and its documentation to be retained for at least 5 years after the last day of service delivered in a particular funding year. This means the 5 year retention requirement begins on the last day of service delivered under E-rate not from the day the policy was initially adopted. Consult the board attorney about this requirement and the best practices for your individual board.

15 Monitoring the online activities of students is broader than the requirement in federal law to monitor minors. The definition of minor for this purpose is "any individual who has not attained the age of 17 years." See 47 C.F.R. 54.520(a)(4)(i). The use of the word students is a best practice.

16 The *Authorization for Electronic Network Access* (6:235-E2), rather than this board policy, specifies appropriate conduct, ethics, and protocol for Internet use. This is consistent with the principle that detailed requirements are not appropriate for board policy; instead, they should be contained in separate district documents that are authorized by board policy. Keeping technical rules specifying acceptable use out of board policy will allow for greater flexibility, fewer changes to the policy manual, and adherence to the belief that board policy should be confined to governance issues and the provision of guidance on significant district issues.

17 The Superintendent's implementation plan should describe appropriate supervision for students on the Internet who are not required, or refuse, to sign the *Authorization*.

The use of personal electronic communication devices owned by students but used to gain Internet access that has been funded by E-rate is not addressed yet. The FCC has indicated that it does plan to address the issues associated with the application of CIPA requirements to this situation.

All users of the District's computers to access the Internet shall maintain the confidentiality of student records. Reasonable measures to protect against unreasonable access shall be taken before confidential student information is loaded onto the network.

The failure of any student or staff member to follow the terms of the *Authorization for Electronic Network Access*, or this policy, will result in the loss of privileges, disciplinary action, and/or appropriate legal action.

Homework

Homework is ~~a necessary~~ part of the District's instructional program and has the overarching goal of increasing student achievement. Homework is assigned to further a student's educational development and is an application or adaptation of a classroom experience. ¹ The Superintendent shall provide guidance to ensure that homework:

1. Is used to reinforce and apply previously covered concepts, principles, and skills;
2. Is not assigned for disciplinary purposes;
3. Serves as a communication link between the school and parents/guardians;
4. Encourages independent thought, self-direction, and self-discipline; and
5. Is of appropriate frequency and length, and does not become excessive, according to the teacher's best professional judgment.

¹ This policy's contents are at the local school board's discretion; a board should customize the list of standards for homework to reflect the district's practices. Below are two optional provisions to add at the end of the sample policy:

Option 1: Recognizing the importance of parental involvement in homework, the Superintendent or designee shall ensure that parents/guardians are informed of, (1) whom to contact with questions or concerns about homework assignments, and (2) methods to facilitate homework completion.

Option 2: The Superintendent or designee shall annually report to the Board on the effectiveness of homework assignments on increasing student achievement.

Students

School Admissions and Student Transfers To and From Non-District Schools 1

Age [Elementary or Unit Districts only]

To be eligible for admission, a child must be 5 years old on or before September 1 of that school term. ² A child entering first grade must be 6 years of age on or before September 1 of that school term. ³ Based upon an assessment of the child’s readiness, a child will be allowed to attend first grade if he or she attended a non-public preschool, continued his or her education at that school through kindergarten, was taught in kindergarten by an appropriately certified teacher, and will be 6 years old on or before December 31. ⁴ A child with exceptional needs who qualifies for special education services is eligible for admission at 3 years of age. ^{5 6}

Admission Procedure

All students must register for school each year on the dates and at the place designated by the Superintendent. Parents/guardians of students enrolling in the District for the first time must present:

1. A certified copy of the student’s birth certificate. If a birth certificate is not presented, the Superintendent or designee shall notify in writing the person enrolling the student that within 30 days he or she must provide a certified copy of the student’s birth certificate. A student

The footnotes are not intended to be part of the adopted policy; they should be removed before the policy is adopted.

¹ State law requires some of the subject matter contained in this sample policy to be covered by policy and controls this policy’s content. Boards must adopt a policy on school admissions (105 ILCS 5/10-21.2) and restricting a student from transferring from another school while under a suspension or expulsion from that school (105 ILCS 5/10-22.6).

² 105 ILCS 5/10-20.12. The district may, however, establish a kindergarten for children between the ages of 4 and 6 years old (105 ILCS 5/10-20.19a and 5/10-22.18). Any child between the ages of 7 and 17 (unless the child has already graduated from high school) must attend public or private school, with certain exceptions allowed for physical and mental disability, lawful employment, or other reasons as specified by statute (105 ILCS 5/26-1). The phrase “a child between the ages of 7 and 17” is liberally construed to fully carry out the true intent and meaning of the General Assembly (5 ILCS 70/1.01), which is to ensure that students graduate from high school (105 ILCS 5/26-1). Therefore “the ages of 7-17” means a child is 17 until his or her 18th birthday.

³ Optional sentence.

⁴ Required by 105 ILCS 5/10-20.12. Use the following alternative in a district operating on a full year school basis:

To be eligible for admission, a child must be at least 5 years old within 30 days after the commencement of that school term. Based upon an assessment of the child’s readiness, a child may attend first grade if he or she attended a non-public preschool and continued his or her education at that school through kindergarten, was taught in kindergarten by an appropriately certified teacher, and will attain age 6 within 4 months after the commencement of the term.

⁵ 105 ILCS 5/14-1.02 and 5/14-1.03a. An ISBE rule states: “Each school district shall be responsible for actively seeking out and identifying all children from birth through age 21 within the district (and those parentally-placed private school children for whom the district is responsible under 34 C.F.R. §300.131) who may be eligible for special education and related services,” (23 Ill.Admin.Code §226.100). Note that after a child is determined to be eligible for special education services, the child must be placed in the appropriate program no later than the beginning of the next school semester (105 ILCS 5/14-8.02(b)).

⁶ 105 ILCS 5/10-20.12. Districts that wish to permit early admission may add the following optional paragraph:

Parents/guardians may request early admission for a child. The Superintendent or designee shall assess the child’s readiness to attend school and make the decision accordingly.

Districts that implement this option should also consider implementing specific and objective criteria for early admissions and address such issues as who pays the costs for assessments, etc.

will be enrolled without a birth certificate. ⁷ When a certified copy of the birth certificate is presented, the school shall promptly make a copy for its records, place the copy in the student's temporary record, and return the original to the person enrolling the child. If a person enrolling a student fails to provide a certified copy of the student's birth certificate, the Superintendent or designee shall immediately notify the local law enforcement agency, and shall also notify the person enrolling the student in writing that, unless he or she complies within 10 days, the case will be referred to the local law enforcement authority for investigation. If compliance is not obtained within that 10-day period, the Superintendent or designee shall so refer the case. The Superintendent or designee shall immediately report to the local law enforcement authority any material received pursuant to this paragraph that appears inaccurate or suspicious in form or content. ⁸

2. Proof of residence, as required by Board policy 7:60, *Residence*.
3. Proof of disease immunization or detection and the required physical examination, as required by State law and Board policy 7:100, *Health, Eye, and Dental Examinations; Immunizations; and Exclusion of Students*. ⁹

The individual enrolling a student shall be given the opportunity to voluntarily state whether the student has a parent or guardian who is a member of a branch of the U. S. Armed Forces and who is either deployed to active duty or expects to be deployed to active duty during the school year. ¹⁰

Homeless Children

Any homeless child shall be immediately admitted, even if the child or child's parent/guardian is unable to produce records normally required for enrollment. ¹¹ Board policy 6:140, *Education of*

The footnotes are not intended to be part of the adopted policy; they should be removed before the policy is adopted.

⁷ Presenting a certified copy of a student's birth certificate is a missing children's law enforcement issue that may not be used for denying enrollment. Consult the board attorney if a student cannot produce a certified copy of his or her birth certificate and wishes to provide a passport, visa or other governmental documentation of identity. To balance the tension between the missing children's laws reporting requirements and *Plyler v. Doe*, many attorneys advise not to report a student's failure to produce a birth certificate; however always consult the board attorney for assistance based upon the specific facts of the enrollment situation (see f/n ⁸ below).

⁸ Two almost identical laws govern this requirement: Missing Children Records Act (325 ILCS 50/) and Missing Children Registration Law (325 ILCS 55/). We reconciled their differences as much as possible but chiefly used the language from the Registration Law because it has the clearest explanation. The statutory enforcement requirements, as nonsensical as they may seem, are quoted in the policy. **Important:** Schools cannot deny admission based upon immigration (illegal) status alone. Note that singling out foreign-looking students for visa requests is probably illegal discrimination. See *Plyler v. Doe*, 102 S.Ct. 2382 (1982). See also f/n ¹² below.

According to the State Police, a certified copy of the student's birth certificate is the only acceptable proof of the child's identity and age (20 Ill.Admin.Code §1290.60(a)). For more discussion about acceptable proof of identity, see f/n ¹ in 7:50-AP, *School Admissions and student Transfers To and From Non-District Schools*. The Missing Children's Records Act requires schools to make prompt copies of these certified copies. Once made, schools need not request another certified copy with respect to that child for any other year in which the child is enrolled in that school or other entity. While the Act does not mandate where the copy should be kept, it is appropriate for placement in the student's temporary record. See 23 Ill.Admin.Code §375.10. The school person who receives the copy of the certified birth certificate should initial and date the document. That way, if there is a question or an investigation (which can happen even years after enrollment) there will not be an issue as to who received the document and the date it was processed.

A district must also *flag* a student's record on notification by the State police of the student's disappearance and report to the State police any request for a *flagged* student record.

⁹ Each school must maintain records for each student that reflect compliance with the examinations and immunizations required by 105 ILCS 5/27-8.1; 23 Ill.Admin.Code §1.530(a). A Tuberculosis skin test is required if the student lives in an area designated by the Dept. of Public Health as having a high incidence of Tuberculosis.

¹⁰ While this paragraph for optional in this policy, it states a requirement in 105 ILCS 5/22-65, added by P.A. 97-505. Each school district must report this enrollment information as aggregate data to ISBE (Id.).

Homeless Children, and its implementing administrative procedure, govern the enrollment of homeless children.

Student Transfers To and From Non-District Schools 12

A student may transfer into or out of the District according to State law and procedures developed by the Superintendent. A student seeking to transfer into the District must serve the entire term of any suspension or expulsion, imposed for any reason by any public or private school, in this or any other state, before being admitted into the School District.

Foreign Students [*High School or Unit Districts only*] 13

11 Required by 105 ILCS 45/ and the McKinney Homeless Assistance Act, 42 U.S.C. §11431 et seq., amended by the No Child Left Behind Act. See §11432(g)(3)(C)(i).

12 105 ILCS 5/2-3.13a requires each transferor (original) school to keep documentation of transfers in the student's record. It also requires "notification [by the transferee (recipient) school] of the transfer on or before July 31 following the school year during which the student withdraws from the transferor school or school district or the student shall be counted in the calculation of the transferor school's or school district's annual student dropout rate." ~~P.A. 96-1423 supersedes the ISBE rule that provides: "If within 150 days after a student leaves a school, that school or school district has not received a request for the student's record, or been presented with other documentation that the student has enrolled in another school, then the student shall be counted in the school's or school district's calculation of its annual dropout rate."~~ (23 Ill.Admin.Code §375.75(d). ISBE rule, 23 Ill.Admin.Code §375.75(e), as amended on 1-24-2012, is consistent with this requirement. The amended rule also requires the transferring school or district to maintain any documentation of the student's transfer, including records indicating the school or school district to which the student transferred, in that student's temporary record.

Out-of-state transfer students, including children of military personnel, may use unofficial transcripts for admission to a school until official transcripts are obtained from the student's last school district (105 ILCS 5/10-8.1). See also 7:50-AP, *School Admissions and Student Transfers To and From Non-District Schools*.

~~105 ILCS 5/10-22.6 requires boards to adopt a policy restricting a student from A board has 2 basic options for students transferring from another school while under into the district who are serving a suspension or expulsion from that school. A board has 2 basic options.~~ Under option one, it may comply with the minimum requirements of State law section 2-3.13a by refusing to allow a student transferring from any public school to attend classes until the period of any suspension or expulsion has expired when the penalty was for: (1) knowingly possessing in a school building or on school grounds a weapon as defined in the Gun Free Schools Act, (2) knowingly possessing, selling, or delivering in a school building or on school grounds a controlled substance or cannabis, or (3) battering a staff member of the school. Under option two, a board may require a student who was suspended or expelled for *any* reason from any public or private school in this or any other state to complete the entire term of the suspension or expulsion before being admitted to the school district. The sample policy uses the second, more simple, more comprehensive alternative. ~~Under either option, however, a board may allow placement of the student in an alternative school program established under Article 13A for the remainder of the suspension or expulsion, as reflected in the following optional addition:~~

A board may adopt a policy providing that if a student is suspended or expelled for any reason from any school, anywhere, the student must complete the suspension's or expulsion's entire term in an alternative school program under Article 13A or an alternative learning opportunities program under Article 13B before being admitted into the school district if there is no threat to the safety of students or staff in the alternative program (105 ILCS 5/2-3.13a; 5/10-22.6, amended by P.A. 97-495). If a board wants to provide for this alternative, it may add the following to either of the above options:

~~Upon the Superintendent or designee's recommendation, the Board may~~ The Superintendent is authorized to allow a student who was suspended or expelled from any public or private school to be placed in an alternative school program established under Article 13A of the School Code for the remainder of the suspension or expulsion.

13 Generally, a citizen of a foreign country who wishes to enter the U.S. must first obtain either: (1) a nonimmigrant visa (for temporary stay for tourism, medical treatment, business, temporary work, or study), or (2) an immigrant visa for permanent residence. Common visas presented by foreign students are:

1. J-1 nonimmigrant visas for participants in educational and cultural exchange programs designated by the U.S. Department of State, Exchange Visitor Program, and Designation Staff. These students are enrolled provided they otherwise qualify for admission. For information about J-1 visas and the Exchange Visitor Program, see j1visa.state.gov/programs.

The District accepts foreign exchange students with a J-1 visa and who reside within the District as participants in an exchange program sponsored by organizations screened by administration. Exchange students on a J-1 visa are not required to pay tuition. **14**

Privately sponsored exchange students on an F-1 visa may be enrolled if an adult resident of the District has temporary guardianship, and the student lives in the home of that guardian. Exchange students on an F-1 visa are required to pay tuition at the established District rate. **15** F-1 visa student admission is limited to high schools, and attendance may not exceed 12 months.

The Board may limit the number of exchange students admitted in any given year. Exchange students must comply with District immunization requirements. Once admitted, exchange students become subject to all District policies and regulations governing students.

-
2. F-1 nonimmigrant student visa. F-1 visas are not issued for attendance at an elementary or middle school (K-8). Before obtaining an F-1 student visa, the individual must submit evidence that the school district has been reimbursed for the unsubsidized per capita cost of the education. These students are enrolled provided they otherwise qualify for admission. However, attendance at U.S. public high schools cannot exceed a total of 12 months.
 3. B-2 visitor nonimmigrant visas. There is disagreement over whether these students must be enrolled tuition free. Their "visitor" visa is evidence of non-resident status. Call INS or the district's attorney for guidance.
 4. The qualified school-age child of an alien who holds another type of visa (i.e., A, E, H, I, L, etc.), other than a visitor visa. These students are enrolled provided they otherwise qualify for admission. Likewise, dependents of foreign nationals on long-term visas are enrolled provided they otherwise qualify for admission.
 5. No immigration documentation. Plyler v. Doe, 102 S.Ct. 2382 (1982). A school cannot deny admission based upon immigration (illegal) status alone. Note that singling out foreign-looking students for visa requests is probably illegal discrimination. Thus, undocumented aliens are enrolled, provided they otherwise qualify for admission.
 6. Immigrant visa. These students are enrolled provided they otherwise qualify for admission.

The Student and Exchange Visitor Information System (SEVIS) is an Internet-based system that provides tracking and monitoring, with access to accurate and current information on nonimmigrant students (F and M visas) and exchange visitors (J visa), and their dependents (F-2, M-2, and J-2). See §641, Illegal Immigration Reform and Immigrant Responsibility Act. Section 641 is an exception to the Family Educational Rights and Privacy Act. See 8 C.F.R. §214.1(h). SEVIS enables schools and program sponsors to transmit electronic information and event notifications, via the Internet, to the INS and Department of State throughout a student's or exchange visitor's stay. SEVIS will provide system alerts, event notifications, and reports to the end-user schools and programs, as well as for INS and DOS offices.

According to federal regulations, students who apply for F-1, M-1, F-3, or M-3 visas must pay a \$100 fee, and students who apply for J-1 visas must pay a \$35 fee, to the Department of Homeland Security. The regulations describe when and how the fee is to be paid, who is exempt from the fee, and the consequences for failure to pay (8 C.F.R. Parts 103, 214, and 299).

Important: Admitting students on an F-1 visa may require the district to admit students transferring from another district under NCLBA's school choice provisions. See policy 7:60, *Residence*.

14 State law allows, but does not require, boards to waive nonresident tuition for these students (105 ILCS 5/10-22.5a).

15 Exchange students on F-1 visas must pay the full-unsubsidized public education costs before entering the U.S. (8 U.S.C. §1101). Boards may not waive the fee.

Re-enrollment 16 [*High School or Unit Districts only*]

Re-enrollment shall be denied to any individual 19 years of age or above who has dropped out of school and who could not earn sufficient credits during the normal school year(s) to graduate before his or her 21st birthday. However, at the Superintendent's or designee's discretion and depending on program availability, the individual may be enrolled in a graduation incentives program established under 105 ILCS 5/26-16 or an alternative learning opportunities program established under 105 ILCS 5/13B-1 (see 6:110, *Programs for Students At Risk of Academic Failure and/or Dropping Out of School and Graduation Incentives Program*). Before being denied re-enrollment, the District will offer the individual due process as required in cases of expulsion under policy 7:210, *Expulsion Procedures*. A person denied re-enrollment will be offered counseling and be directed to alternative educational programs, including adult education programs that lead to graduation or receipt of a GED diploma. This section does not apply to students eligible for special education under the Individuals with Disabilities Education Improvement Act or accommodation plans under the Rehabilitation Act, Section 504.

The requirements in this section are provided in State law, that is: (1) it is mandatory that a district deny re-enrollment as provided in this section, (2) it is permissive whether to enroll the individual in a district graduation incentives program or alternative learning opportunities program (although depending on circumstances, a student below the age of 20 may be entitled to enroll in a graduation incentives program), (3) it is mandatory to provide due process before denying re-enrollment, (4) it is mandatory to offer the individual who is denied re-enrollment counseling and to direct that person to alternative educational programs, and (5) it is mandatory that this section not apply to students eligible for special education.

105 ILCS 5/26-2(c) allows a district to deny enrollment to a student 17 years of age or older for one semester for failure to meet minimum academic or attendance standards if certain conditions are met. See policy 7:70, *Attendance and Truancy*.

1 The Missing Children Records Act (325 ILCS 50/) and the Missing Children Registration Law (325 ILCS 55/) are almost identical. Both require either a certified copy of the student’s birth certificate or “other reliable proof, as determined by the ~~Department~~ [Ill. Dept. of State Police], of the child’s identity and age and an affidavit explaining the inability to produce a copy of the birth certificate.”

What constitutes “other reliable proof of a child’s identity” is unclear. The Missing Children Records Act (325 ILCS 50/5(b)(1) defines it as “a passport, visa or other governmental documentation of the child’s identity.” The Missing Children Registration Law, 325 ILCS 55/5(b), defines it by referring to the Ill. Dept. of State Police’s implementing rule at 20 Ill.Admin.Code §1290. 60(a). The rule states that a certified copy of the student’s birth certificate is the only acceptable proof of a student’s identity and age for purposes of school enrollment. Further, it states that “The Department finds no other proof to be reliable.”

Requiring a certified copy of the birth certificate is a best practice. Consult the board attorney if a student cannot produce a certified copy of his or her birth certificate and wishes to provide a passport, visa or other governmental documentation of identity. **Important:** Schools cannot deny admission based upon immigration (illegal) status alone. Note that singling out foreign-looking students for visa requests is probably illegal discrimination. See, *Plyler v. Doe*, 102 S.Ct. 2382 (1982). Transferring Out

Steps	Requirements and Action That Must Be Completed
Initial step	The parent(s)/guardian(s) of a student shall notify the Building Principal of their intent, pay outstanding fees or fines, sign a release form authorizing the release of student records, and return all school-owned property.
Compliance with the School Code and the Illinois School Student Records Act	<p>After receiving a request to transfer school student records, the Building Principal or designee of the transferring school must provide written notice of the nature and substance of the information to be transferred and the opportunity to inspect, copy, and challenge the record 23 Ill.Admin.Code § 375.70(a) and 23 Ill.Admin.Code § 375.75(b).</p> <p>The Building Principal or designee of the transferring school must, within 10 days of the notice of the student's transfer, forward a copy of the student's school record to the student's new school (105 ILCS 10/8.1). Each school must forward written information relative to the grade levels, subjects and record of academic grades achieved, current mathematics and language arts placement levels, health records and a most current set of standardized test reports. However, if the student has unpaid fines or fees and is transferring to a public school located in Illinois or any other state, an official record of the student's grades will be sent in lieu of the student's official transcript of scholastic records (105 ILCS 5/2-3.13a(a), 23 Ill.Admin.Code §375.75(h) i).</p>

Steps	Requirements and Action That Must Be Completed

Administrative Procedure - Use of Metal Detectors for Student Safety

Nothing in this procedure shall limit the authority of school officials to search a student in accordance with School Board policy, 7:140, *Search and Seizure*. All property removed as a result of this procedure that may be legitimately brought onto District property will be returned to the individual. Property removed from a student, possession of which is violation of ~~School~~ Board policy, shall be confiscated and the student disciplined in accordance with the Board policy.

Students who fail to cooperate with school personnel performing their duties may be subject to discipline for insubordination. Individuals who fail to cooperate will be asked to leave District property.

Metal Detectors

Metal detectors may be used when any one of the following occurs: (1) the administration has reasonable suspicion that a weapon is in the possession of unidentified students, (2) when weapons or dangerous objects were found at school, on school property, or in the vicinity of a school, ~~or~~ (3) when violence involving weapons has occurred at a school or on school property, at school functions, or in a school's vicinity, ~~or~~ (4) when a mass search takes place according to the District's standards for when and how metal detector searches are to be conducted. The Building Principal shall obtain the Superintendent's permission before using a metal detector. The reasons supporting the use of a metal detector shall be documented.

Signs will be posted to inform individuals that they will be required to submit to a screening for metal as a condition of entering District property. The screening will be conducted by District staff who may be assisted by law enforcement officials.

An individual will be asked to remove metal objects from his or her person prior to use of a metal detecting device. If, after the removal of metal objects, the metal detector activates, the individual may be subjected to a "~~pat-down~~" search.

School personnel may inspect the contents of any briefcase, knapsack, purse, or parcel that activates the metal detector for the limited purpose of determining whether a weapon is concealed therein.

Pat-Down Search

When possible, the "~~pat-down~~" search will be conducted by school personnel of the same sex as that of the individual.

A "~~pat-down~~" search conducted by school personnel shall be limited to clothing for the purpose of discovering items that may have activated the metal detecting device.

If the school personnel conducting a "~~pat-down~~" search feels an object that may have activated the metal detecting device or be other prohibited contraband, the individual will be asked to remove it.

Bus Conduct 1

All students must follow the District's School Bus Safety Guidelines. The Superintendent, or any designee as permitted in the School Code, is authorized to suspend a student from riding the school bus for up to 10 consecutive school days for engaging in gross disobedience or misconduct, including but not limited to, the following:

1. Prohibited student conduct as defined in School Board policy, 7:190, *Student Discipline*.
2. Willful injury or threat of injury to a bus driver or to another rider.
3. Willful and/or repeated defacement of the bus.
4. Repeated use of profanity.
5. Repeated willful disobedience of a directive from a bus driver or other supervisor.
6. Such other behavior as the Superintendent or designee deems to threaten the safe operation of the bus and/or its occupants.

If a student is suspended from riding the bus for gross disobedience or misconduct on a bus, the School Board may suspend the student from riding the school bus for a period in excess of 10 days for safety reasons. The District's regular suspension procedures shall be used to suspend a student's privilege to ride a school bus. ²

Electronic Recordings on School Buses 3

Administrative Procedure - Electronic Recordings on School Buses

Review of Electronic Recordings 1

Electronic video and audio recordings are viewed to investigate an incident reported by a bus driver, administrator, law enforcement officer working in the District, supervisor, student, or other person. They are also viewed at random.

Viewing and/or listening to electronic video and/or audio recordings is limited to law enforcement officers working in the District and District personnel. These individuals having must have, (1) a legitimate educational law enforcement, security, or administrative purpose. In most instances, individuals with a legitimate educational safety reason, or administrative purpose will be the Superintendent, administrator, including the Building Principal, transportation director, bus (2) a need to investigate and/or monitor student or driver conduct, and coach or other supervisor. A written log will be kept of those individuals viewing the a video recordings recording stating the time, name of individual viewing it, and date the video recording was viewed.

If the content of an electronic recording becomes the subject of a student disciplinary hearing, it will be treated like other evidence in the proceeding.

An electronic video or audio recording may be reused or erased after 14 days unless it is needed for an educational or administrative purpose. 2

The footnotes should be removed before the material is used.

1 The superintendent should consult with the board attorney concerning the status of video and/or audio recordings that were made on school buses. Confusion surrounds whether or not videotapes are education records for purposes of the federal Family Education Rights and Privacy Act (FERPA) and/or school student records as defined in the Ill. School Student Records Act (105 ILCS 10/). The Ill. State Board of Education (ISBE) considerably reduced the confusion by stating in its rule that school student records do not include video or other electronic recordings "created at least in part for law enforcement or security or safety reasons or purposes" (23 Ill.Admin.Code §375.10). ISBE rules also specify that: (1) electronic recordings made on school buses, as defined in the exemption from the criminal offense of eavesdropping in 720 ILCS 5/14-3, are not school student records, (Id.) and (2) no image on a school security recording may be designated as directory information (23 Ill.Admin.Code §375.80). This treatment exempts school bus videos from the multiple requirements in the Ill. School Student Records Act. However, when responding to a request under the Freedom of Information Act for recordings on school buses, a district will need to find an exemption other than the recording is a school student record.

2 The Superintendent may change the number of days for keeping a video recording. The Local Records Act (LRA, 50 ILCS 205/) governs the destruction of public records. Unless a record contains informational data appropriate for preservation, the LRA is not triggered and the record may be destroyed. Electronic recordings on school buses may be destroyed because they typically do not contain informational data appropriate for preservation.

Notice of Electronic Recordings ~~3~~720 ILCS 5/14-3(m).

The Eavesdropping Act exempts electronic recordings on school buses from its coverage when transportation is provided for a school activity, provided the School Board adopted a policy authorizing their use. Notice of the adopted policy regarding video and audio recordings shall be: (1) clearly posted on the front door and interior of the school bus, (2) provided to students and parents/guardians, and (3) included in student handbooks and other documents.

The footnotes should be removed before the material is used.

~~3-720 ILCS 5/14-3(m), as amended by P.A. 95-352, exempts electronic recordings on school buses from the Eavesdropping Act. The amendment allows recording of the interior of a school bus when transportation is provided for a school activity after the school district provides the appropriate notice to parents/guardians and students. The number of days for keeping a video recording is at the board's discretion. The Local Records Act (LRA, 50 ILCS 205/1 et seq.) governs the destruction of public records. Unless a record contains informational data appropriate for preservation, the LRA is not triggered and the record may be destroyed. Electronic recordings may be destroyed because they typically do not contain informational data appropriate for preservation.~~

Both federal (Family Educational Rights and Privacy Act, 20 U.S.C. §1232g) and State (Illinois School Student Records Act, 105 ILCS 10/1 et seq.) laws govern student school records. These laws differ in many respects. State law requires school boards to adopt policy and procedures implementing the Student Records Act and specifying the content of school records (23 Ill.Admin.Code §§375.100 and 226.740). Student Biometric Information Collection 10

The Superintendent or designee may recommend a student biometric information collection system solely for the purposes of identification and fraud prevention. **11** Such recommendation shall be consistent with budget requirements and in compliance with State law. Biometric information means any information that is collected through an identification process for individuals based on their unique behavioral or physiological characteristics, including fingerprint, hand geometry, voice, or facial recognition or iris or retinal scans.

Before collecting student biometric information, the District shall obtain written permission from the person having legal custody **12** or the student (if over the age of 18). **13** Upon a student's 18th birthday, the District shall obtain written permission from the student to collect student biometric information. **14** Failure to provide written consent to collect biometric information shall not be the basis for refusal of any services otherwise available to a student.

All collected biometric information shall be stored and transmitted in a manner that protects it from disclosure. Sale, lease, or other disclosure of biometric information to another person or entity is strictly prohibited. **15**

The District will discontinue use of a student's biometric information and destroy all collected biometric information within 30 days after: (1) the student graduates or withdraws from the School District, or (2) the District receives a written request to discontinue use of biometric information from the person having legal custody of the student or the student (if over the age of 18). **16** Requests to discontinue using a student's biometric information shall be forwarded to the Superintendent or designee.

The footnotes are not intended to be part of the adopted policy; they should be removed before the policy is adopted.

10 This program is optional; however, districts either wishing to implement such a program or districts that have already engaged in the collection of student biometric information must have a policy consistent with the requirements of 105 ILCS 5/10-20.40 et seq., as amended by P.A. 95-232. This section restates the School Code's requirements for a student biometric information policy.

11 For districts already collecting biometric information the following is an alternative:

The Superintendent or designee shall maintain a biometric screening program that is consistent with budget requirements and in compliance with State law.

12 105 ILCS 5/10-20.40(b)(1) states the definition of legal custody is the same as the definition of legal custody for purposes of residency, payment of tuition, hearings, and criminal penalties at 105 ILCS 5/10-20.12b(2)(i)-(v). Several statutes ~~in Illinois~~ define legal custody and when a court may grant it; the term requires statutory construction/interpretation and school boards should discuss this issue with their attorney prior to adopting a policy on collection of student biometric information.

13 Based upon 105 ILCS 5/10-20.40, written permission is not required annually; it is valid until a request for discontinuation of the use of biometric information is received or until the student reaches the age of 18. See 7:340-API, E5, Biometric Information Collection Authorization.

14 Districts must reissue 7:340-API, E5, Biometric Information Collection Authorization to students turning 18 years of age during the school year. This is because all rights and privileges accorded to a parent under the Ill. School Student Records Act ~~shall~~ become exclusively those of the student upon ~~the student's~~ his or her 18th birthday, graduation from secondary school, marriage, or entry into military service, whichever comes first. 105 ILCS 10/2(g).

15 State law contains two exceptions: (1) the individual who has legal custody of the student or the student (if over the age of 18) consents to the disclosure, and (2) the disclosure is required by court order. 105 ILCS 10-20.40(b)(5).

16 105 ILCS 5/10-20.40(d), added by P.A. 95-793. No notification to or approval from the district's local records commission, pursuant to the Local Records Act, is required to destroy student biometric information.

The Superintendent or designee shall develop procedures to implement this policy consistent with State and federal law. 17

17 Whether the student biometric information is an education record under the ~~Family Educational Rights and Privacy Act (FERPA)~~, 20 U.S.C. §1232g, or falls under an exception to an education record under FERPA is an issue about which school boards should consult their board attorney. Protected Health Information under the U.S. Department of Health and Human Service’s interpretations of the ~~Health Insurance Portability Accountability Act (HIPAA)~~ excludes education records covered by FERPA, and thus ~~HIPPA~~ HIPAA requirements are not expected to be triggered by districts collecting student biometric information. However, before implementing policies and procedures to collect student biometric information, a board should discuss these issues with the board attorney.

A. Legal Citations and Definitions

The legal requirements contained in this procedure are followed by a citation to the controlling rule and/or statute. Citations in parenthesis indicate the location of a named law. For additional clarification regarding a requirement, the cited law should be reviewed.

Definitions are found in the Illinois School Student Records Act (105 ILCS 10/2) and the Illinois State Board of Education rules (23 Ill.Admin.Code §375.10). For easy reference, some definitions are re-printed in this procedure.

The release of confidential information given by a student to a therapist (e.g., school counselor or psychologist) is not included in these procedures but is governed by the Mental Health and Developmental Disabilities Confidentiality Act (740 ILCS 110/).

B. School Student Records Defined

School Student Record means any writing or other recorded information concerning a student and by which a student may be individually identified that is maintained by a school or at its direction or by an employee of a school, regardless of how or where the information is stored. 105 ILCS 10/2(d).

Special Education Records means school records that relate to identification, evaluation, or placement of, or the provision of a free and appropriate public education to, students with disabilities under the Individuals with Disabilities Education Act (20 U.S.C. §1400 *et seq.*) and Article 14 of the School Code. These records include the report of the multidisciplinary staffing conference on which placement or nonplacement was based and all records and audio recordings in any format relating to special education placement hearings and appeals. 23 Ill.Admin.Code §375.10.

A school student record does not include any of the following:

1. Writings or other recorded information kept in a school staff member's sole possession that is destroyed not later than the student's graduation or permanent withdrawal, and is

The footnotes should be removed before the material is used.

¹ Modify this procedure to align it with board policy. Customize it to reflect the district's practice, particularly to specify the district's treatment of records that the law (1) says may be kept as either permanent records or temporary records, and (2) allows to be kept as directory information.

not accessible or revealed to any other person except a temporary substitute teacher. 105 ILCS 10/2(d).

2. Information maintained by law enforcement professionals working in the school. 105 ILCS 10/2(d).
3. Video or other electronic recordings created and maintained by law enforcement professionals working in the school or for security or safety reasons or purposes, provided the information was created at least in part for law enforcement or security or safety reasons or purposes. 23 Ill.Admin.Code §375.10.
4. Electronic recordings made on school buses, as defined in the exemption from the criminal offense of eavesdropping in 720 ILCS 5/14-3. 23 Ill.Admin.Code §375.10.

C. Eligible Students Accorded the Rights of Parent/Guardian

All rights and privileges concerning school student records that are accorded to parents/guardians become exclusively those of the student when the student reaches 18 years of age, graduates from high school, marries, or enters military service, whichever occurs first. 105 ILCS 10/2(g). Such students are called *eligible students* in this procedure.

D. Official Records Custodians

Each Building Principal is designated the Official Records Custodian for his or her respective school and has the duties, without limitation, listed below.

1. Is responsible for the maintenance, care, and security of all school student records, whether or not the records are in his or her personal custody or control, and shall take all reasonable measures to prevent unauthorized access to or dissemination of school student records. 105 ILCS 10/4(a)&(b).
2. Reviews student temporary records at least every 4 years, or upon a student's change in attendance centers, whichever occurs first, to verify entries and correct inaccurate information. The records review is required in any given school year at the time a student first changes attendance centers within the District, but it does not need to be conducted if the student enrolls in a different attendance center later in that same school year. 23 Ill.Admin.Code §375.40(b).
3. When notified by the Dept. of Children and Family Services (DCFS), purges DCFS's final finding report from the student's record and returns the report to DCFS. If a school has transferred the report to another school as part of the transfer of the student's records, the sending school shall forward a copy of the DCFS's request to the receiving school. 325 ILCS 5/8.6.
4. Manages requests to access school student records.
5. Transfers a certified copy of the records of students transferring to another school and retains the original records.
6. Provides all required notices to parents/guardians and students, including without limitation, each of the following:
 - a. Upon initial enrollment or transfer to the school, notification of rights concerning school student records; the notification may be delivered by any means likely to reach parents, including direct mail or email, delivery by the student to the parent, or incorporation into a student handbook. 23 Ill.Admin.Code §375.30.
 - b. Annual notification of information that is considered to be *directory information* and of the procedures to be used by parents/guardians to request that specific information not be released. 23 Ill.Admin.Code §375.80.

- c. Notification to secondary students and their parents/guardians that they may opt out of the disclosure of students' names, addresses, and telephone listings to military recruiters and institutions of higher learning. Sec. 9528 of the No Child Left Behind, 20 U.S.C. §7908.
 - d. Notification of their right to a hearing to challenge any entry in the school student records (except for academic grades) and Official Records Custodian's name and contact information. 23 Ill.Admin.Code §375.90.
 - e. Upon a student's graduation, transfer, or permanent withdrawal, notification of the destruction schedule for the student's permanent and temporary school student records and of their right to request a copy. 105 ILCS 10/4(h); 23 Ill.Admin.Code §375.40(c).
7. Takes all action necessary to assure that school personnel are informed of the provisions of the School Student Records Act. 105 ILCS 10/3(c).
 8. Performs all actions required of the District described in this procedure and the laws governing school student records.

The Building Principal may delegate any of these duties to an appropriate staff member but shall remain responsible for the duty's execution.

E. Maintenance of School Student Records 105 ILCS 10/2; 23 Ill.Admin.Code §375.10.

The District maintains two types of school records for each student: a *permanent* record and a *temporary* record.

The *student permanent record* shall consist of the following and only the following:

6. Health-related information, defined by ISBE rule as “current documentation of a student’s health information, not otherwise governed by the Mental Health and Developmental Disabilities Confidentiality Act (740 ILCS 110) or other privacy laws, which includes identifying information, health history, results of mandated testing and screenings, medication dispensation records and logs (e.g., glucose readings), long-term medications administered during school hours, and other health-related information that is relevant to school participation (e.g., nursing services plan, failed screenings, yearly sports physical exams, interim health histories for sports)”
7. Accident report, defined by ISBE rule as “documentation of any reportable student accident that results in an injury to a student, occurring on the way to or from school or on school grounds, at a school athletic event or when a student is participating in a school program or school-sponsored activity or on a school bus and that is severe enough to cause the student not to be in attendance for one-half day or more or requires medical treatment other than first aid. The accident report shall include identifying information, nature of injury, days lost, cause of injury, location of accident, medical treatment given to the student at the time of the accident, or whether the school nurse has referred the student for a medical evaluation, regardless of whether the parent, guardian or student (if 18 years or older) or an unaccompanied homeless youth ... has followed through on that request.”
8. Any documentation of a student’s transfer, including records indicating the school or school district to which the student transferred (23 Ill.Admin.Code §375.75(e).)
9. Completed course substitution form for any student who, when under the age of 18, is enrolled in vocational and technical course as a substitute for a high school or graduation requirement (23 Ill.Admin.Code §1.445.)

The *temporary record* may also consist of:

1. Family background information
2. Intelligence test scores, group and individual
3. Aptitude test scores
4. Reports of psychological evaluations, including information on intelligence, personality, and academic information obtained through test administration, observation, or interviews
5. Elementary and secondary achievement level test results

12. Verified reports or information from non-educational persons, agencies, or organizations of clear relevance to the student's education

F. Retention and Destruction of School Student Records

The permanent record is maintained for at least 60 years after the student transfers, graduates, or permanently withdraws. 105 ILCS 10/4(e). The temporary record is maintained for at least 5 years after the student transfers, graduates, or permanently withdraws. 105 ILCS 10/4(f). Individuals adding information to a student's temporary record must include their name, signature, and position and the date the information was added. 105 ILCS 10/4(d). Temporary records that may be of assistance to a student with a disability who graduates or permanently withdraws, may, after 5 years, be transferred to the parent(s)/guardian(s) or to the eligible student. 23 Ill.Admin.Code §375.40(d).

G. Social Security Numbers

School officials, with limited exceptions, may not require students or their parents/guardians to provide social security numbers. Privacy Act of 1974, 5 U.S.C. §552a, as supplemented by Pub.L. 93-579. The collection and retention of social security numbers shall be in accordance with Board policy 4:15, *Identity Protection*.

H. Access to School Student Records

The phrase "access to a school student record" means any release or disclosure of information from a student's school record, whether or not any record is copied, and should be broadly interpreted. Access in all cases is limited to the designated portion of the record to which the consent or statutory authority applies.

Neither the District nor any of its employees shall release, disclose, or grant access to information found in any school student record except under the conditions set forth in the Illinois School Student Records Act. 105 ILCS 10/6. Absent a court order, school officials do not provide educational records to the Immigration Customs Enforcement.

The Building Principal shall grant access to school student records as detailed below. The Building Principal shall consult with the Superintendent and, if authorized, the Board Attorney concerning any questions.

Access to Parent/Guardian or Eligible Student

1. A student's parent(s)/guardian(s) or eligible student, or designee, are entitled to inspect and copy information in the student's school record; a student less than 18 years old may inspect or copy information in his or her permanent school record. 105 ILCS 10/5. A request to inspect or copy school student records shall be made in writing and directed to the Building Principal. Access to the records shall be granted within 15 school days after the receipt of such a request. 105 ILCS 10/5(c). The response to an access request for a special education student's records shall include those school student records located in the special education office.
2. The parent(s)/guardian(s) or the District may request a qualified professional to be present to interpret the student's records. 105 ILCS 10/5(b). If the District makes the request, it is responsible for securing and bearing the cost of the professional's presence.
3. Unless the District has actual notice of a court order indicating otherwise:
 - a. Divorced or separated parents/guardians are both permitted to inspect and copy the student's school student records otherwise.
 - b. The Building Principal shall send copies of the documents listed below to both parents/guardians at either's request. 105 ILCS 5/10-21.8.
 - 1) Academic progress reports or records

- 2) Health reports
 - 3) Notices of parent-teacher conferences
 - 4) School calendar regarding the student
 - 5) Notices about open houses, graduations, and other major school events including student-parent/guardian interaction
4. The school will deny access to a student's school records to a parent against whom an order of protection was issued. 750 ILCS 60/214(b)(15). See **Orders of Protection**, below.
 5. Access shall not be granted the parent(s)/guardian(s) or the student to confidential letters and recommendations concerning the admission to a post-secondary educational institution, applications for employment or the receipt of an honor or award which were placed in the records prior to January 1, 1975, provided such letters and statements are not used for purposes other than those for which they were specifically intended. Access shall not be granted to such letters and statements entered into the record at any time if the student has waived his or her right of access after being advised of his or her right to obtain the names of all persons making such confidential letters and statements. 105 ILCS 10/5(e).

Access With Consent of Parent/Guardian or Eligible Student

1. Access will be granted to any person possessing a written, dated consent, signed by the parent(s)/guardian(s) or eligible student, stating to whom the records may be released, the information or record to be released, and the reason for the release. 105 ILCS 10/6(a)(8); 23 Ill.Admin.Code §375.70(e). Whenever the District requests the consent to release records, the Building Principal shall inform the parent(s)/guardian(s) or eligible student in writing of the right to inspect, copy, and challenge their contents and to limit such consent to designated portions of the records. 105 ILCS 10/6(a)(8).
2. Access to any record that is protected by the Mental Health and Developmental Disabilities Confidentiality Act (MHDDCA, 740 ILCS 110/), specifically that of a therapist, social worker, psychologist, nurse, agency, or hospital that was made in the course of providing mental health or developmental disabilities services to a student, will be granted according to the consent requirements contained in MHDDCA. 740 ILCS 110/4&5.

Access Without Notification to or Consent of Parent/Guardian or Eligible Student

1. District employees or officials of the Illinois State Board of Education will be granted access, without parental/guardian consent or notification, when a current, demonstrable, educational or administrative need is shown. Access in such cases is limited to the satisfaction of that need. 105 ILCS 10/6(a)(2). Individual board members do not have a right to see student records merely by virtue of their office unless they have a current demonstrable educational or administrative interest in the student and seeing his or her record(s) would be in furtherance of the interest. 105 ILCS 10/6(a)(2).
2. Access will be granted, without parental/guardian consent or notification, to any person for the purpose of research, statistical reporting, or planning, provided that no student or parent/guardian can be identified from the information released, and the person to whom the information is released signs an affidavit agreeing to comply with all applicable statutes and rules pertaining to school student records. 105 ILCS 10/6(a)(4).
3. The District will comply with an *ex parte* court order requiring it to permit the U.S. Attorney General or designee to have access to a student's school records without notice to or the consent of the student's parent(s)/guardian(s). 20 U.S.C. §1232(g)(j), as added by the Sec. 507 of the U.S.A. Patriot Act of 2001. An *ex parte* order is an order issued by a court of competent jurisdiction without notice to an adverse party.

4. A SHOCAP (Serious Habitual Offender Comprehensive Action Program) committee member will be granted access, but only to the extent that the release, transfer, disclosure, or dissemination is consistent with the Family Educational Rights and Privacy Act. 105 ILCS 10/6(a)(10) allows disclosure to SHOCAP committee members who are “state and local officials and authorities” as those terms are used in the federal Family Educational Rights and Privacy Act. This federal law does not define “state and local officials and authorities;” rather, it limits when disclosure may be made to such officials and authorities.
5. Juvenile authorities will be granted access when necessary for the discharge of their official duties upon their request before the student’s adjudication, provided they certify in writing that the information will not be disclosed to any other party except as provided under law or order of court. *Juvenile authorities* means: (a) a circuit court judge and court staff members designated by the judge; (b) parties to the proceedings under the Juvenile Court Act of 1987 and their attorneys; (c) probation officers and court appointed advocates for the juvenile authorized by the judge hearing the case; (d) any individual, public or private agency having court-ordered custody of the child; (e) any individual, public or private agency providing education, medical or mental health service to the child when the requested information is needed to determine the appropriate service or treatment for the minor; (f) any potential placement provider when such release is authorized by the court to determine the appropriateness of the potential placement; (g) law enforcement officers and prosecutors; (h) adult and juvenile prisoner review boards; (i) authorized military personnel; and (j) individuals authorized by court. 105 ILCS 10/6(a)(6.5).
6. Military recruiters and institutions of higher learning will be granted access to secondary students’ names, addresses, and telephone listings, unless an objection is made by the student’s parent(s)/guardian(s). Military recruiters and institutions of higher learning have access to students’ names, addresses, and phone numbers even if the District does not release directory information. Sec. 9528 of the No Child Left Behind, 20 U.S.C. §7908. For more information, see 7:340-AP1, E3, *Letter to Parents Concerning Military Recruiters and Postsecondary Institutions Receiving Student Directory Information*; 7:340-AP1, E4, *Frequently Asked Questions Regarding Military Recruiters Access to Students and Student Information*. The requirements in this paragraph #6 apply only if the District receives funds under the Elementary and Secondary Education Act. Id.

Access Without Consent of, but With Notification to, Parent/Guardian or Eligible Student

1. Access will be granted pursuant to a court order, provided that the parent(s)/guardian(s) shall be given prompt written notice of such order’s terms, the nature and substance of the information proposed to be released, and an opportunity to inspect and copy such records and to challenge their contents. 105 ILCS 10/6(a)(5). Parents of students who are named in a court order shall be deemed to have received the required written notice. The Building Principal shall respond to the order no earlier than 5 school days after its receipt in order to afford parents/guardians the opportunity to review, inspect, and challenge the records if the parents choose to do so. 23 Ill.Admin.Code §375.70(d).

For the purposes of these procedures, a court order is a document signed by a judge. A subpoena signed by a court clerk, an attorney, or an administrative agency official shall not be considered a court order unless signed by a judge. 23 Ill.Admin.Code §375.40(a).

2. Information may be released without parental consent, in connection with an articulable and significant threat to the health or safety of a student or other individuals, to appropriate persons if the knowledge of the requested information is necessary to protect the health or safety of the student or other individuals. The Building Principal shall make

this decision taking into consideration the seriousness of the threat, the need for such records to meet the emergency, whether the persons to whom such records are released are in a position to deal with the emergency, and the extent to which time is of the essence in dealing with the emergency. 105 ILCS 10/6(a)(7); 23 Ill.Admin.Code §375.60. The Building Principal shall notify the parent(s)/guardian(s) or eligible student, no later than the next school day after the date that the information is released, of the date of the release, the person, agency or organization to whom the release was made, and the purpose of the release.

3. The District will grant access as specifically required by federal or State statute, provided the individual complies with the requirements in 23 Ill.Admin.Code §375.70(b). 105 ILCS 10/6(a)(6). Prior to granting access, the Building Principal shall provide prompt written notice to the parent(s)/guardian(s) or eligible student of this intended action. 105 ILCS 10/6(b); 23 Ill.Admin.Code §375.70. This notification shall include a statement concerning the nature and substance of the records to be released and the right to inspect, copy, and challenge the contents. If the release relates to more than 25 students, a notice published in the newspaper is sufficient.

The District charges \$.35 per page for copying information from a student's records. ² No parent/guardian or student shall be precluded from copying information because of financial hardship. 23 Ill.Admin.Code §375.50.

I. Record of Release

Except as provided below, a record of all releases of information from school student records (including all instances of access granted whether or not records were copied) shall be kept and maintained as part of such records. 105 ILCS 10/6(c). This record shall be maintained for the life of the school student record and shall be accessible only to the parent(s)/guardian(s) or eligible student, Building Principal, or other authorized person. The record of release shall include each of the following:

1. Information released or made accessible
2. The name and signature of the Building Principal
3. The name and position of the person obtaining the release or access
4. The date of the release or grant of access
5. A copy of any consent to such release

No record of a disclosure is maintained when records are disclosed according to the terms of an *ex parte* court order. 20 U.S.C. §1232(g)(j)(4).

J. Orders of Protection

Upon receipt of a court order of protection, the Building Principal shall file it in the temporary record of a student who is the *protected person* under the order of protection. No information or records shall be released to the Respondent named in the order of protection. 750 ILCS 60/222(e).

K. Transmission of Records for Transfer Students 105 ILCS 10/6(a)(3); 23 Ill.Admin.Code §§375.70 & 375.75.

The Building Principal shall:

The footnotes should be removed before the material is used.

² The ISBE rule allows a school to "charge the actual cost for providing a copy of school student records or any portion of such records to parents and students upon request for such copies, provided that such costs shall not exceed \$.35 per page." 23 Ill.Admin.Code §375.50. Districts may substitute the following alternative: "The District charges a fee for copying school student records that corresponds to the fee schedule for copies of records requested under the Freedom of Information Act."

1. Upon the student's request or that of the official records custodian of another school in which the student has enrolled or intends to enroll, transfer a certified copy of the student's record (that is, the student's permanent and temporary record) to the official records custodian of the appropriate school and retain the original records. See policy 7:50, *School Admissions and Student Transfers To and From Non-District Schools*.
2. Determine if the school or special education office has any record that is protected by the Mental Health and Developmental Disabilities Confidentiality Act (MHDDCA, 740 ILCS 110/) concerning the transferring student, specifically a record or report made by a therapist, social worker, psychologist, nurse, agency, or hospital that was made in the course of providing mental health or developmental disabilities services. If so, ask the appropriate person as identified in 740 ILCS 110/4 whether to send the record protected by MHDDCA to the new school and, if *yes*, obtain a written consent for disclosure as provided in 740 ILCS 110/5.

This requirement does not apply to special education records and reports that are related to the identification, evaluation, or placement of, or the provision of a free and appropriate public education to, students with disabilities. 23 Ill.Admin.Code §375.10.

3. Provide the parent/guardian or eligible student prior written notice of the nature and substance of the information to be transferred and opportunity to inspect, copy, and challenge it. If the parent's/guardian's address is unknown, notice may be served upon the official records custodian of the requesting school for transmittal to the parent/guardian. This service is deemed conclusive, and 10 calendar days after this service, if the parents/guardians make no objection, the records may be transferred to the requesting school.
4. Destroy any biometric information collected and do not transfer it to another school district.
5. Retain the original records in accordance with the requirements of 105 ILCS 10/4.
6. Maintain any documentation of the student's transfer, including records indicating the school or school district to which the student transferred, in that student's temporary record.

If the student has unpaid fines, fees, or tuition charged pursuant to 105 ILCS 5/10-20.12a and is transferring to a public school located in Illinois or any other state, the Building Principal shall: 3 23 Ill.Admin.Code §§375.75(i).

1. Transfer the student's *unofficial record of student grades* in lieu of the student's official transcript of scholastic records. The *unofficial record of student grades* means written information relative to the grade levels and subjects in which a student was enrolled and the record of academic grades achieved by that student prior to transfer. These records shall also include the school's name and address, the student's name, the name and title of the school official transmitting the records, and the transmittal date.
2. Within 10 calendar days after the student has paid all of his or her unpaid fines or fees and at this District's own expense, forward the student's official transcript of scholastic records to the student's new school.

The Principal shall include the following information with the transferred records if the student is transferring to another public school located in Illinois or any other state and at the time of the transfer is currently serving a term of suspension or expulsion for any reason: 105 ILCS 5/2-3.13a.

The footnotes should be removed before the material is used.

³ This practice is optional.

1. The date and duration of the period of any current suspension or expulsion; and
2. Whether the suspension or expulsion is for, (a) knowingly possessing in a school building or on school grounds a weapon as defined in the Gun Free Schools Act (20 U.S.C. §8921 et seq.); (b) knowingly possessing, selling, or delivering in a school building or on school grounds a controlled substance or cannabis; or (c) battering a school staff member.

L. Directory Information ⁴ 23 Ill.Admin.Code §375.80

The School may release certain directory information regarding students, except that a student's parent(s)/guardian(s) may prohibit the release of the student's directory information. Directory information is limited to:

1. Name
2. Address
3. Gender
4. Grade level
5. Birth date and place
6. Parents'/guardians' names, addresses, electronic mail addresses, and telephone numbers
7. M. Student Record Challenges

Parents/guardians have the right to a hearing to challenge the accuracy, relevancy, or propriety of any entry in their student's school records, exclusive of academic grades and references to expulsions or out-of-school suspensions, if the challenge is made at the time the student's school student records are forwarded to another school to which the student is transferring. 105 ILCS 10/7; 23 Ill.Admin.Code §375.90. A request for a hearing should be submitted to the Superintendent and shall contain notice of the specific entry or entries to be challenged and the basis of the challenge. The following procedures apply to a challenge: 105 ILCS 10/7; 23 Ill.Admin.Code §375.90.

1. The Superintendent or designee will invite the parent(s)/guardian(s) to an initial informal conference, within 15 school days of receipt of the request for a hearing.

The footnotes should be removed before the material is used.

⁴ Districts are not required to identify and release directory information.

2. If the challenge is not resolved by the informal conference, formal procedures shall be initiated. The Superintendent will appoint a hearing officer, who is not employed in the attendance center in which the student is enrolled.
3. The hearing officer will conduct a hearing within a reasonable time, but no later than 15 days after the informal conference, unless an extension of time is agreed upon by the parent(s)/guardian(s) and school officials. The hearing officer shall notify parents and school officials of the time and place of the hearing.
4. At the hearing each party shall have the right to:
 - a. Present evidence and to call witnesses;
 - b. Cross-examine witnesses;
 - c. Counsel;
 - d. A written statement of any decision and the reasons therefore; and
 - e. Appeal an adverse decision to an administrative tribunal or official to be established or designated by the State Board.
5. A verbatim record of the hearing shall be made by a tape recorder or a court reporter. A typewritten transcript may be prepared by either party in the event of an appeal of the hearing officer's decision. However, a typewritten transcript is not required in an appeal.
6. The written decision of the hearing officer shall, no later than 10 school days after the conclusion of the hearing, be transmitted to the parent(s)/guardian(s) and the School District. It shall be based solely on the information presented at the hearing and shall be one of the following:
 - a. To retain the challenged contents of the school student record;
 - b. To remove the challenged contents of the school student record; or
 - c. To change, clarify or add to the challenged contents of the school student record.
7. Any party has the right to appeal the decision of the local hearing officer to the Regional Superintendent or appropriate Intermediate Service Center, within 20 school days after the decision is transmitted. The parent(s)/guardian(s), if they appeal, shall so inform the school and within 10 school days the school shall forward a transcript of the hearing, a copy of the record entry in question, and any other pertinent materials to the Regional Superintendent or appropriate Intermediate Service Center. The school may initiate an appeal by the same procedures.
8. The final decision of the Regional Superintendent or appropriate Intermediate Service Center may be appealed to the circuit court of the county in which the school is located.
9. The parent(s)/guardian(s) may insert a written statement of reasonable length describing their position on disputed information. The school will include a copy of the statement in any release of the information in dispute. 105 ILCS 10/7(d).

The Family Educational Rights and Privacy Act (FERPA) and the Illinois Student Records Act afford parents/guardians and students over 18 years of age (“eligible students”) certain rights with respect to the student’s education school records. They are:

1. The right to inspect and copy the student’s education records within 15 school days of the day the District receives a request for access.

The degree of access a student has to his or her records depends on the student’s age. Students less than 18 years of age have the right to inspect and copy only their permanent record. Students

The footnotes should be removed before the material is used.

~~6-23 Ill.Admin.Code §375.40(f). 325 ILCS 5/8.6 requires a Child Protective Service Unit to send a copy of its final finding report to the school that the child who is the indicated victim of the report attends. Upon the Dept. of Children and Family Services’ request, the school must purge the final finding report from the student’s record and return the report to the Department. If a school has transferred the report to another school as part of the transfer of the student’s records, the sending school shall forward a copy of the Department’s request to the receiving school, which shall comply.~~

~~7-23 Ill.Admin.Code §228.15(d).~~

~~8-Id. The definition of a student record in the first section of this sample procedure specifically exempts the following: (1) records kept in the sole possession of a school staff member that are destroyed not later than the student’s graduation or permanent withdrawal and that are not accessible or revealed to any other person except a temporary substitute teacher, and (2) records kept by law enforcement officials working in the school.~~

18 years of age or older have access and copy rights to both permanent and temporary records. Parents/guardians or students should submit to the Building Principal (or appropriate school official) a written request that identifies the record(s) they wish to inspect. The Principal will make arrangements for access and notify the parent(s)/guardian(s) or student of the time and place where the records may be inspected. The District charges \$.35 per page for copying but no one will be denied their right to copies of their records for inability to pay this cost.

These rights are denied to any person against whom an order of protection has been entered concerning a student (105 ILCS 5/10-22.3c and 10/5a, and 750 ILCS 60/214(b)(15)).

2. The right to request the amendment of the student's education records that the parent(s)/guardian(s) or eligible student believes are inaccurate, misleading, irrelevant, or improper.

Parents/guardians or eligible students may ask the District to amend a record that they believe is inaccurate, ~~misleading~~, irrelevant, or improper. They should write the Building Principal or the Official Records Custodian, clearly identify the record they want changed, and specify the reason.

If the District decides not to amend the record as requested by the parents/guardians or eligible student, the District will notify the parents/guardians or eligible student of the decision and advise him or her of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent(s)/guardian(s) or eligible student when notified of the right to a hearing.

3. The right to permit disclosure of personally identifiable information contained in the student's education records, except to the extent that the FERPA or Illinois School Student Records Act authorizes disclosure without consent.

Disclosure ~~is permitted~~ without consent is permitted to school officials with legitimate educational or administrative interests. A school official is a person employed by the District as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel); a person serving on the School Board; a person or company with whom the District has contracted to perform a special task (such as an attorney, auditor, medical consultant, or therapist); or any parent(s)/guardian(s) or student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks. Individual board members do not have a right to see student records merely by virtue of their office unless they have a current demonstrable educational or administrative interest in the student and seeing his or her record(s) would be in furtherance of the interest.

A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.

Upon request, the District discloses education records without consent to officials of another school district in which a student has enrolled or intends to enroll, as well as to any person as specifically required by State or federal law. Before information is released to these individuals, the parents/guardians will receive prior written notice of the nature and substance of the information, and an opportunity to inspect, copy, and challenge such records.

When a challenge is made at the time the student's records are being forwarded to another school to which the student is transferring, there is no right to challenge: (1) academic grades, or (2) references to expulsions or out-of-school suspensions.

Disclosure is also permitted without consent to: any person for research, statistical reporting or planning, provided that no student or parent(s)/guardian(s) can be identified; any person named in a court order; appropriate persons if the knowledge of such information is necessary to protect the health or safety of the student or other persons; and juvenile authorities when necessary for the discharge of their official duties who request information before adjudication of the student.

4. The right to a copy of any school student record proposed to be destroyed or deleted.

~~Student~~ The permanent record is maintained for at least 60 years after the student transfers, graduates, or permanently withdraws. The temporary record is maintained for at least 5 years after the student transfers, graduates, or permanently withdraws. Temporary records that may be of assistance to a student with a disability who graduates or permanently withdraws, may, after 5 years, be transferred to the parent(s)/guardian(s) or to the student, if the student has succeeded to the rights of the parent(s)/guardian(s). Student temporary records are reviewed every 4 years or upon a student's change in attendance centers, whichever occurs first.

5. The right to prohibit the release of directory information concerning the parent's/guardian's child.

Throughout the school year, the District may release directory information regarding students, limited to:

Name
Address
Gender
Grade level
Birth date and place

~~Parents'/guardians'~~ Parent(s)/guardian(s)' names and, addresses, electronic mail addresses, and telephone numbers

Photographs, videos, or digital images used for informational or news-related purposes (whether by a media outlet or by the school) of a student participating in school or school-sponsored activities, organizations, and athletics that have appeared in school publications, such as yearbooks, newspapers, or sporting or fine arts programs

Academic awards, degrees, and honors

Information in relation to school-sponsored activities, organizations, and athletics

Major field of study

Period of attendance in school

Any parent/guardian or eligible student may prohibit the release of any or all of the above information by delivering a written objection to the Building Principal within 30 days of the date of this notice. No directory information will be released within this time period, unless the parents/guardians or eligible student is specifically informed otherwise.

~~A photograph of an unnamed student is not a school record because the student is not individually identified. The District shall obtain the consent of a student's parents/guardians before publishing a photograph or videotape of the student in which the student is identified.~~

No photograph highlighting individual faces is allowed for commercial purposes, including solicitation, advertising, promotion or fundraising without the prior, specific, dated and written consent of the parent or student, as applicable; and no image on a school security video recording shall be designated as directory information.

6. The right to request that military recruiters or institutions of higher learning not be granted access to your secondary school student's name, address, and telephone numbers without your prior written consent.

Federal law requires a secondary school to grant military recruiters and institutions of higher learning, upon their request, access to secondary school students' names, addresses, and telephone numbers, unless the parents/guardians, or student who is 18 years of age or older, request that the information not be disclosed without prior written consent. If you wish to

exercise this option, notify the Building Principal where your student is enrolled for further instructions.

7. **The right contained in this statement: No person may condition the granting or withholding of any right, privilege or benefits or make as a condition of employment, credit, or insurance the securing by any individual of any information from a student's temporary record which such individual may obtain through the exercise of any right secured under State law.**
8. **The right to file a complaint with the U.S. Department of Education concerning alleged failures by the District to comply with the requirements of FERPA.**

Exhibit - Application and Procedures for Use of School Facilities 1

To be submitted to the Superintendent

This application must be approved before a non-school related group is allowed to use school facilities. School organizations, school-sponsored programs, and organizations whose primary purpose is to provide financial assistance to the school are all considered, for the purpose of this application, to be school-related. Use of school facilities for school purposes has precedence over all other uses.

Organization name	Requested school facility
Adult Supervisor from Organization <i>(must be 21 years of age or older)</i>	Phone/email address
Program/Activity	Date(s) and start/end time(s)
Equipment needed	Materials to be brought into facility
Room arrangement, including decorations	Food service required

1. All non-school related groups must supply adequate supervision to ensure proper care and use of school facilities.

- The non-school related group is responsible to the Board for the use and care of the school facility. All adult supervisors must have cell phones with them at all times.
- Sufficient, competent adult supervision must be provided and the adult supervisor must ensure that no minor is left alone after the activity.
- Only the cafeteria, auditorium, gymnasium, and athletic field, along with needed hallways and parking areas, are available for community use. Entering any room or area not in use by the group is prohibited. The adult supervisor will vacate the facility at the scheduled end time. Use of the school facility is not permitted past the agreed end time.
- No furniture or equipment may be moved without prior approval from the Building Principal.
- Signs, displays, or materials may not be attached, nailed, or otherwise affixed to walls.

_____ *Initial here if this is agreeable*

2. All non-school related groups must agree to:

The footnotes should be removed before the material is used.

1 When a policy allows for community use of school facilities, the application and implementing procedures should have provisions to protect those facilities from damage and the district from unnecessary liability. The application and procedures should also clearly identify which groups are considered "school-related," what facilities are involved, and fees (if a tax supported body within the district wants to use a school facility, a board may want its fees to cover only direct costs to the district, e.g., personnel, utilities or other out-of-pocket expenses). The application and implementing procedures should also require that non-school related groups follow the district's *Plan for Responding to a Medical Emergency at a Physical Fitness Facility* (See 4:170-AP6). No trained AED user is required on the premises when the activity is not directly supervised by an employee of the district (210 ILCS 74/5.25) and the activity occurs outside of staffed business hours (210 ILCS 74/15 (b), amended by P.A. 96-748).

- Indemnify and hold harmless the District and its agents and employees for and from any and all loss including attorneys' fees, damages, expense, and liability arising out of its use of school property.
- Pay any damages to school facilities, furniture, or equipment arising out of its use of school property whether such damage was accidental or deliberate. The cost of damages will be based on the repair or replacement cost, the choice of which is at the School Board's discretion.
- Supply proof of insurance naming *[insert name of the District]* as an additional insured and verifying that the group maintains adequate insurance coverage against personal injury and/or property loss: _____

Insurance provider name and contact number

_____ *Initial here if this is agreeable*

3. All non-school related groups must pay the following fees:

Rental charge (unless waived by Board policy): _____

Meal and beverage service (cost as determined by the cafeteria supervisor): _____

_____ *Initial here if this is agreeable*

4. Payment Method: Check Money Order Credit Card

If payment is by check, please make check payable to: _____ **The District**

If payment by credit card, please indicate the following: Visa Master Card Am Ex

Expiration date: _____ Credit Card No. _____ Today's date _____

Authorized amount: _____ Authorized signature: _____

5. All non-school related groups must agree to use appropriate emergency procedures including calling 9-1-1 for medical emergencies and whenever an AED is used.

_____ *Initial here if this is agreeable*

6. All non-school related groups must agree to follow the District's Plan for Responding to a Medical Emergency at a Physical Fitness Facility, 4:170-AP6. Important: The District will not supervise the activity nor will it supply trained AED users to act as emergency responders at any time, including during staffed business hours.

- Activity being proposed is not in a physical fitness facility.

_____ *Initial here if this is agreeable*

- Copy of the District's *Plan for Responding to a Medical Emergency at a Physical Fitness Facility* has been provided. (77 Ill.Admin.Code §§527.400(a) and 527.800(c). Important: State law encourages all non-District coaches, instructors, judges, referees, or other similarly situated non-District anticipated rescuers who use the physical fitness facility in conjunction with the supervision of physical fitness activities to complete a course of instruction that would qualify them as a trained AED user under Ill. law (410 ILCS 4/10; 77 Ill.Admin.Code §527.100).

_____ *Initial here that a copy of the Plan was received and that the Applicant has read and understands the above note.*

7. If the request involves a physical fitness facility, the non-school related group must:

- Designate at least one adult supervisor who agrees to be an emergency responder. All emergency responders are encouraged to be trained in CPR and trained AED users.
- Give a copy of the District's plan for responding to medical emergencies to each designated emergency responder.
- Require that 9-1-1 be called for medical emergencies and whenever an AED is used.
- Ensure that each designated emergency responder knows the location of first aid equipment and any AED.
- Ensure that only trained AED users operate an AED, unless the circumstances do not allow time for a trained AED user to arrive.
- Arrange for at least one emergency responder to have a tour of the facility before the activity.
- Ensure that if an AED is used, the Superintendent is informed and all appropriate forms are completed (4:170-AP6, E2, Automated External Defibrillator Incident Report).

_____ *Initial here if this is agreeable*
