## HOMELESS STUDENTS

FEBRUARY 9, 2011

Students who meet the definition of "homeless children and youths" under the McKinney-Vento Homeless Assistance Act\* will be provided a free and appropriate public education in the same manner as all other students of the District and will not be stigmatized or segregated on the basis of their status as homeless. Students eligible under the "Homeless Act" will be provided services and may participate in programs comparable to other students in the District. Board policy, administrative guidelines, and practices will not be interpreted or applied in such a way as to inhibit the enrollment, attendance, participation or school success of eligible students.

The Superintendent will appoint a Liaison for Homeless Children who will perform the duties as assigned by the Superintendent. Additionally, the Liaison will coordinate and collaborate with the State Coordinator for the Education of Homeless Children and Youth as well as with community and school personnel responsible for the provision of education and related services to eligible homeless children and youths.
