

**5/20/19 Board Of Education Report**  
**Dan Bieberdorf- Activities Director Report**  
*"Always our Best!"*

**SPRING ACTIVITIES**

The weather was a significant challenge to start the spring, making practice difficult and forcing the rescheduling of many of our events. As we approach the end of the Spring season, we are hoping the better weather continues as playoffs are quickly approaching. Within the next week, all of the regular season contests will be completed and the post-season tournaments will begin. Good luck to all of our Trojan athletes!

**Softball:** The R-P Softball team will be concluding their regular season schedule with games at Lewiston-Altura on Friday, May 17th. Seedings will take place on May 18th, and the Sub-Section tournament will begin on May 20th. The Semifinal round of playoffs will be on May 21st, and the Sub-Section Finals will be in Wabasha on May 23rd.

**Track and Field:** The R-P-H Boys and Girls Track teams had great showing at the Section True Team Meet on May 7th in Eyota, and the Boys qualified as a wildcard entry and will be competing in the State True Team Meet on May 18 in Stillwater. The boys and girls teams also had great showings at the Three Rivers Conference Meet on May 11th in Winona, and they hope to continue that success when they compete in the Sub-Section Meet in Chatfield on May 23rd. The Section 1A Meet will be held on May 28th and 30th at Cotter (Paul Giel Field).

**Baseball:** The Baseball team is finishing their regular season with a home double-header vs Lewiston-Altura on May 16th and a trip to Spring Grove on May 17th. Tournament seedings will take place on May 18th, and the Sub-Section tournament play will begin on May 22nd. Sub-Section Semifinals and Finals will be held at Winona State on May 25th and 27th, and Section Finals will be in Austin on June 1st.

**Golf:** After competing at Cannon Falls on May 20th and at St. Charles on May 21, the LARP boys and girls golf teams will compete at the Three Rivers Conference Meet at Willow Creek on May 23rd. They will then prepare for the Section tournament on May 28th at Cannon Falls. The top teams and individuals can then qualify to move on to the 2nd Round of Sections on May 30th.
