

Approval of Electrical Services at Wilson Elementary

April 19, 2016

SUMMARY:

This item requests approval for Electrical Services at Wilson Elementary utilizing the CSP 160121 awarded to C & G Electric on February 9, 2016.

BOARD GOAL:

VI. Growth, Change and Fiscal Responsibility...demonstrate effective and efficient management of district resources.

PREVIOUS BOARD ACTION:

None

BACKGROUND INFORMATION:

None

SIGNIFICANT ISSUES:

The proposal provides electrical material and labor for the following:

- Install unistrut and schedule 80 PVC conduit throughout the crawl space as necessary to relocate all panel feeders from the roof
- Core drill electrical room floors and install pull boxes as needed
- Install new conductors, sized per the existing breakers
- Install new grounding electrodes and conductors to meet current code
- All raceways/feeders will have equipment grounding conductors to meet code
- Remove the conduit and conductors from the roof
- Verify rotations and properly identify the feeder circuits at the various distribution panels

It is proposed that the District use a portion of the remaining insurance proceeds from the hail damage claim that was a result of the April 2014 storms in our area to cover the cost of the electric services at Wilson Elementary. Of those proceeds, there is a remaining balance of \$675,681.13.

FISCAL IMPLICATIONS:

Remaining funds from the roof hail damage insurance proceeds will be used for the electrical repairs at Wilson Elementary.

BENEFIT OF ACTION:

District is in compliance with bid laws and local procedures. Passage will allow the vendor to begin the electric work at Wilson Elementary.

SUPERINTENDENT'S RECOMMENDATION:

Approval of the use of insurance proceeds, in the amount of \$368,000, for the electrical services associated with the feeder replacement at Wilson Elementary utilizing the CSP 160121 awarded to C & G Electric on February 9, 2016.

STAFF PERSONS RESPONSIBLE:
